You... You gotta promise you won't tell anybody, okay!?

Yay! I'll leave everything in your hands, neighbour-san!

I suppose I could help you out with your... um... research project, but...

Yeah... Well, you are a fifth grader now, after all! And how studious you are, Haruka-chan...

I'll make an exception and register Toku-nii as anonymous!

Alright!

You always help me with my homework, so this should be a simple task for you!

Awe~some! Well, since it's for research, it can't be helped!

Hurry! Hurry~!

Kya ha ha! Even though you're an adult, you have it wrapped in skin!!

For Haruka-chan!!

Sh... Shut up! And stop looking at it through a magnifying glass!!

And her research project!!

How 'bout it? I won't tell anyone!

I really want to know more about that body part, since it's so important!

Now get it up, Tomo-nii! Get it up!

G-Get it up, you say... Were I to do that... I'd be taken to court!

You can't really study without it...

W-Well, it is for research... It really can't be helped...

Tada~! Look, Tomo-nii! Look at my boobs!

Are you getting erect? Are you?

Ah... I know! Listen, Haruka-chan, a penis does not simply "get up"!

What do you think needs to be done for a penis to become erect?

Hmm ♪ I just thought of something good!

Kya ha ha! It reacted!

Ah... Are you making fun of me?!

Recently, my nipples have been getting bigger♪

Come on! Take a good look!

H-How could you?! I-I'll have you know, I haven't the slightest interest in little girls!

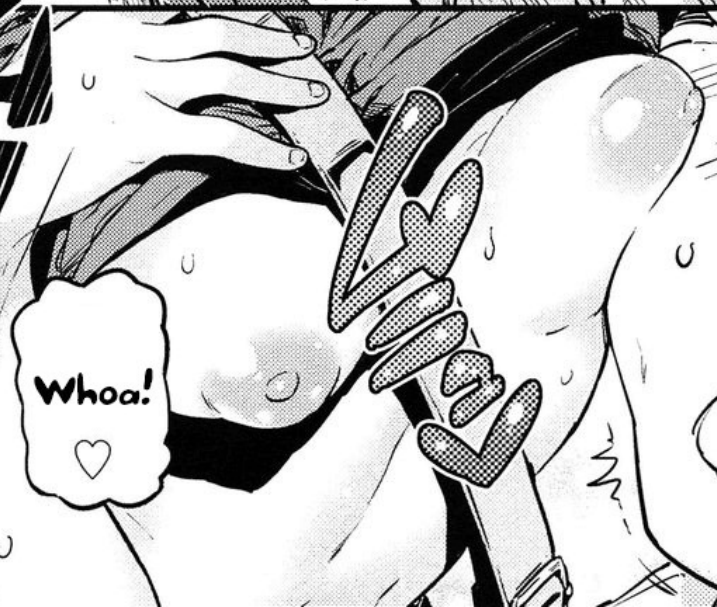

And not just that, you were also getting all hot and bothered looking at all those little girls at the park.

Tomo-Oniichan~ Are you per chance a lolicon? You did used to look really closely at my legs... ♡

H-How dare you make such an accusation?! I'm an adult!!
