

Cont. Being a subordinate sure is tough

I was always secretly in love with chief,

so I tried my best to hint at him.

Because I had things to ask the boss while he was away sick.

Jo.. Jockstrap?

When I cleaned up his room, I found out that he was gay too.

Could it be that me and chief... won't have any other relationships?

Good morning

But ever since then, nothing changed at all

To..Tonight?? Yes!! I'll try my best to make time!

Oh, Ninomiya. Are you free tonight?

Go.. Good morning Chief

Whenever I start to think that that...

Oh, Good morning!

Ah, Good morning Chief

T/N: I know theres an expression for that in english, try to figure it out??

I wanted to eat chief up...

But since it's such a special occasion... *hiccup*

Who?

Thanks a lot, Chief.

But I'm already finished today. I guess I'll just have to bring it home.

You just said you wanted to "Eat me up"....

Ya?

Ni.. Ninomiya?

...ya?

...what a letdown.

Huh..?

I... SAID THE WRONG THING!!

NO NO NO NO!
I SAID IT WRONG!!
IT'S NOT "I WANT TO EAT CHIEF UP"

really happy
before.

Chi...

Damnit, It
was such

oppurtunity...

forgot in the
office.

the door
for you

But why...

I always...
Wanted to...

Sorry.. Do you
not like doing it
with an old geezer
like me?

...I don't
mind.

Huh?

Because it
was really
hard to tell
with your
note...

Idiot.

Didn't you
think I was
straight?

Ha...

Huh?

After seeing
your face red
like that,
anyone could
figure it out.

Mr. I know you're great, great guy

Sorry, when I start I really can't hold myself back. I'm normally a really nice guy, don't worry about it.

Don't say cute things like that

Hahaha

★ AFTER THAT....

Recently Chief Kadokura and Ninomiya are always working overtime, they're working so hard. But their relationship is so great I'm kinda jealous. I really hope that they take care of themselves more though.
