Senda-kun.

Your face is red, maybe you should go see the nurse,

THIS.

I'D LIKE TO BORROW THIS ONE.

IF I HAD LEFT IT AT THIS, IT LOOKS LIKE A NORMAL CHECK-OUT AT A LIBRARY, BUT...

OH

AH,

YES, IT'S A HOBBY OF MINE.

MY NAME ...?

Senda-kun, aren't you borrowing a lot every day?

IF I DON'T READ A LOT, I GET NERVOUS AND CAN'T CALM DOWN.

Hmm ...

THE BEGINNING:
ONE WEEK BEFORE.

I'D LIKE TO BORROW THESE, PLEASE.

I NEVER THOUGHT SENPAI WOULD BE SO DOMINANT. WHY IS SHE DOING THIS WITH ME ANYWAY?

Do you mind coming with me for a second? I need your help.

Hey!
Don't look so down.

TO BE HONEST,

Library of Duck

Hey everyone, SFC here with another upload! Sadly, it's a re-edit/write this time. I'm kind of against doing rewrites since I don't like the fact that people try and change what was originally written, but I had to make an exception for this particular doujin/manga/whateverthefuck. Hell, I was getting hard while editing this thing, and in fact I'm not even halfway done yet and I wanted to write about how much I really want to fap to this damn thing, haha. Hopefully the end result will be the same for you guys, if not even better. I feel like I'm doing so many re-edits lately, but I have gotten some stuff out for XGX Scans, the group I edit for. You should check them out if you want to see some of the stuff that I've done. (<http://xcxscans.wordpress.com>) We're also requiting for anything **BUT QUALITY CHECKERS**, we don't need those, lol. There's also an IRC on the site where the group hangs out at, so you can come in there and talk with the people in there if you'd like, the more the merrier we say. Well, that's all for now, I'll see you guys soon! (Sooner than you think ;))
