HE BRINGS  
OUT HIS  
HALBERD  
AND STARTS  
TAKING  
SWINGS, SO  
MAKE SURE  
TO BE  
CAREFUL.

HE'LL  
MAKE SURE  
THE LAW  
LOOKS  
THE OTHER  
WAY  
AFTERWARD!

AND AFTER  
THAT, A

Oh dear god. Only one word can describe Takane in this one. "HNNNGGG." Look at that shit. How could you possibly say no to that face? What, are you gay?

Anyway, the TL was pretty easy, even though there were parts with a lot of dialogue. None of it was difficult to translate. The art was great, and the #rape2love story was pretty good. This is exactly why I don't understand people bitching about getting rejected, or not having the courage to confess. Jesus christ, if they reject you, just rape them! Then they'll fall in love with you right away.

A note about this being from Vol. 8 instead of 9, I forgot I already TL'd the shimaji one from there, and when I looked through it, there wasn't really anything else that stood out to me. There were some decent ones I may go back and do, but nothing compared to a few from 7 and 8. I figured I'd get the best ones out first, then go back and do any decent ones I skipped. And by that I mean I'll finish these good ones before the FFXIV situation is worked out, then I'll change from wasting my life translating trap manga to wasting my life questing in Eorzea. Until next time.

**HAPPY FAPPING!**
