Looks more embarrassed now than when we were having sex.

かあぁぁぁ...

Arisa-chan's face...

I love you...
♡

Writing her cute little musings without any pretext...

She really is just a typical twelve year old...

In this love letter...

Arisa-chan wrote about everything she loves about me...

And that we read the same manga...

She loves my voice...

For example...

Listen...

Umm...

Uh...

Koichi...

Aah... But after doing all that...

Yay!!

Yeah...

Really?!

Yeah...

Me too...

Arisa-chan's expression, that until now was one of lasciviousness... returned to being filled with love like it always is... Did she stage this whole "Bitch Operation" strategy just to get my attention?

Now we can have sex whenever we want!

Hey! Hey!

Huh?

I really hate myself right now...

I'm sorry for all this...

Hey...

I'm sure she was putting on a tough act when we were having sex...

Yeah...

Sorry?

After doing all those terrible things to her...

She just wanted sex from the start!

I wanna go to Koichi's house!!
