Perhaps I should go home...

I don't like it when you tease me.

Wanting to leave so soon, do you not like me?

But more importantly...

of changing your outfit.

Only a bit further to your room, so please bear with me.

Please do not grow to hate her.

Eh?

meaning she saw me like that...

So I fainted...

because she doesn't know how to show her affection.

She only treats you like that

Ojou-sama...

She

treasures you very much.

she doesn't know how to deal with others.

Having been alone since she was a child,

You know, today, I met a really nice girl. Fufu

She's been enjoying herself recently.

It's all thanks to you...

though it might not be my place to say this... but please...
