

No problem.

It'd be weird if there was, considering we snuck in...

Come on, no one's here!

We'll be in real trouble if someone finds us.

If someone comes, we can just run away together.

Summer Vacation By The Pool

女児短パンシリーズ第7弾!

This summer vacation, my cousin Kazuki-kun came back home and we're on a date at the school's pool!

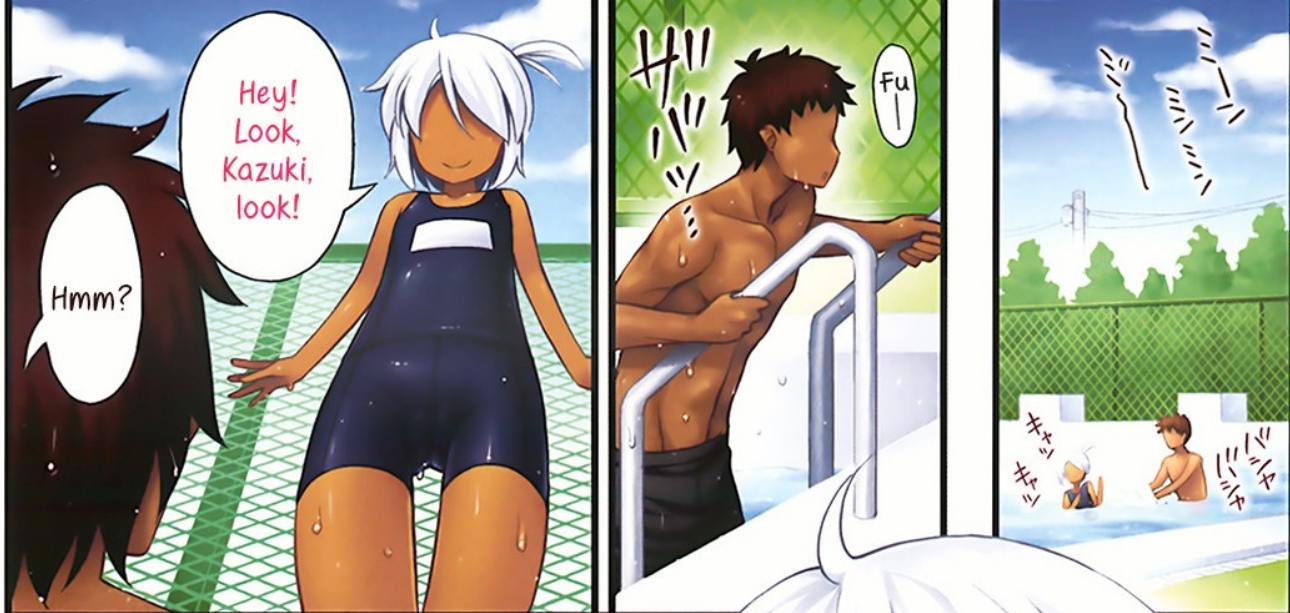

I've been dating Kazuki-kun for about two years now. Of course, we keep it a secret from the rest of the family.

Well, we've done it twice now, so you shouldn't even care if I see it, right?

Geez...

Th- The hell are you doing?!

Ah ha ha! Your tan lines are super defined too!

Hey!

Then show me your tan-lines too, Kazuki!

Bwah!!

Well, sorta...

Because it showed more of my thighs?

Yeah...

Hmm? Did you like the one piece I wore last year better?

Instead of the one you wore last year.

Misuzu, Why did you wear that swimsuit today?

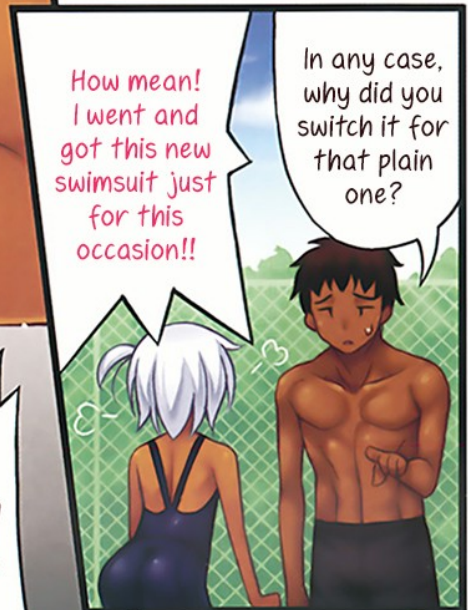

名 取

Besides, this one has a special feature I thought you'd enjoy.

Perv.

How mean! I went and got this new swimsuit just for this occasion!!

In any case, why did you switch it for that plain one?

Eh?!

Don't start gloating with "that" poking through your pants...

You really are lolicon...

Hah...

I see, with a swimsuit like that, I can pull pranks on you!

Kya!!
What do you think you're doing?!
Idiot!!

He he, now we're even!

Gosh!!

.....

Ah...
Ha ha
ha...

No, screw that, we're doing it!!

Perv...
♡

Huh?
Here?!

Since no one's here, wanna go at it?

We can stop if you want.

ズルッ

Just try
not to get
one while
you're in
class...

I get the
feeling I'll
never be able
to see that
swimsuit again
without
popping a
boner...

That
bottomless
swimsuit the
destructive
power of
a nuke!

That'll
be hard to do..
My high school
has nothing *but*
that type of
swimsuit.

Dummy.
Well?
Does this
swimsuit
please
you?

Jerk...

Yes,
but...

That's
not what
I said...!

What's this?
Do you want
me in you
that badly?

Can we
stop with the
interrogation...?
Let's just get
to it...

I don't
think the
pool water
is supposed
to be that
slimy.

That's only
because I was
swimming in
the pool...!

You may
say that,
but look how
wet you
are!

Whatever!
It's fine!
It's fi-ne!

Geez...

714!!!

Musuzu, you're such a sexy little minx.

Oh, just hurry up and stick it in!

ハッハッハッ

You're the one who said you wanted to have sex!

Was I...?

Mm...

Misuzu, your pussy gets better every time I see it.

It just completely overflows when I stick my finger inside.

No...

Stop teasing me...!

Fu fu, Fair enough.

E-Enough talking...

Nhg

Are you sure?

Hmm, your boobs, however, don't seem to have grown all that much.

They're way bigger than they were last year!

Tha... That's not true!

Of course...!

Nhya!

Then I should probably verify your claim!

What are these hard little nubs rolling around in the palm of my hand, I wonder?

Those are my nipples!

Obviously they're going to get hard if you touch them like that!

名 取

Fuaa! Kazuki, you meanie!

Hmm, I can't tell if they're bigger or not...

Oh, I know.
Maybe If I
got a closer
look.

What's
the
matter?

Mmh...
Kazuki, you
perv...

Kya!

You might
be right, they
do seem to
be a bit
bigger.

Nhg...
See, I told
you!
♡

I don't
remember
being able to
pinch them
like this last
year.

Mh!

Amashing...
my insides
are being
turned
inside
out!

Fuah!
Ah...
Aah...

Because
it feels really
good when...
you touch my
breasts!
♡

When I
was stroking
your boobs,
you started
flowing like
a river!

Ha!
♡

No way...
It feels
so good...
♡

I
cant even
stand up
anymore!
♡

PAGE 08

But, your insides feel so good, I can't stop myself...

スグッ! スグッ! スグッ!

Whatever, just keep moving like that...

カチン カチン カチン

You're such a handful....

I can't stop!

Not if you're so rough!

If you start screaming, someone might catch us.

カチン カチン カチン

Hya ah! ♡

ズキーン!!

Two panels of a manga. The first panel shows a character being hit by a large, dark, cylindrical object. The character is screaming in pain. The second panel shows the character's face in pain, with a speech bubble saying "Ok, then!".

Nhg!

I can feel you...

cumming inside me!

Oh, man.
We'll contaminate the pool water if we swim now.

Dummy.

So... warm...

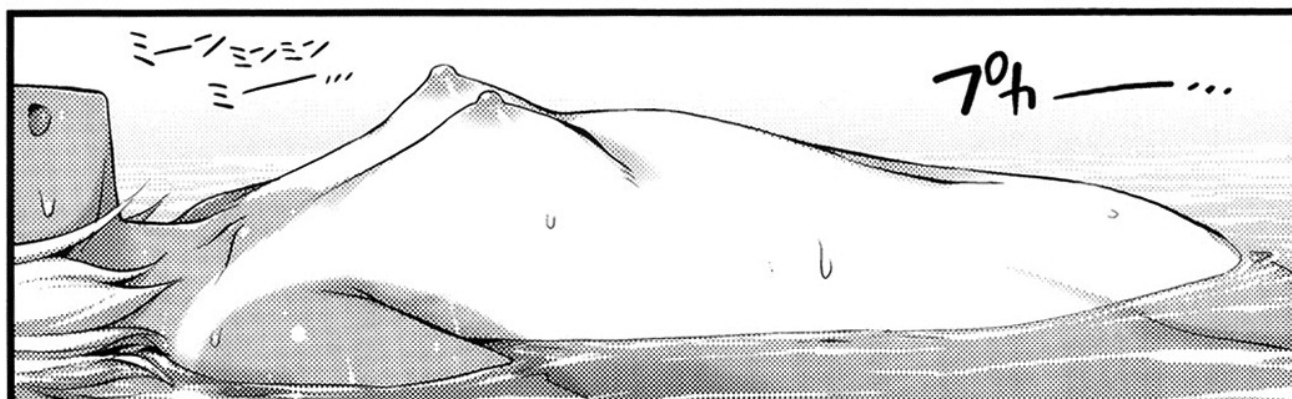

Maybe it's because it's so hot out today.

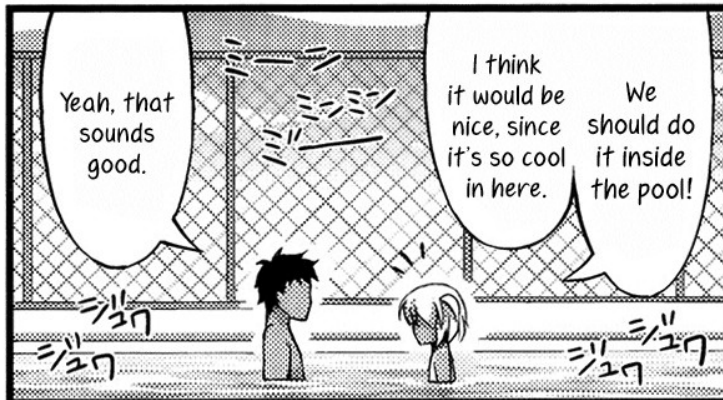

Maybe it's because it's so hot out today.

So...
warm...

Splash!

On another day...
This time, the school pool is open to the public.
