It rained when I first met Senpai.

The rain..

And I cried in this park.

I ran away from home after getting scolded by my mom.

Now, even though we're going out, I still feel really insecure.

I never thought it would be like this.

I entered the same school and the same club as her.

We got along really well..

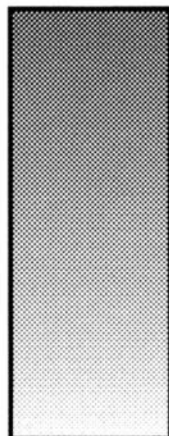

Then, I told her my feelings..

It's pretty and smells nice.

So this is her room...
