How generous!

I'm so lucky, getting to practice with you today.

Good work!

You too!

Ahaha! I'll be your training partner anytime.

Oh, thanks! I'll be right there.

Your cousin's waiting at the gate like always!

Haru!

Whoa!

That brat!

She's actually my girlfriend.

It's okay, I just got here. I just came thinking it'd be nice if we walked home together.

You should've gone home ahead of me.

Sorry for making you wait in this heat, Aya-chan!

Why did you say I was your cousin?

はー

It's really hard to say you're my girl-friend.

My bad.

That's fine, then...

So I thought I should wait a little longer.

I really want to introduce you properly.

Oh!
The girls

Good night!

...Yeah.

Even though you're staying over, huh?

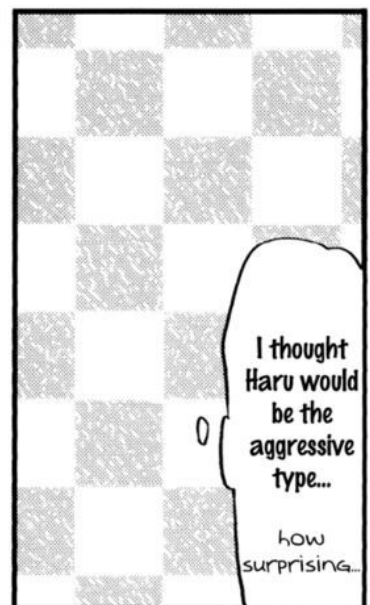

I see.

I'm interested in sex! I'd be happy to do it if we both consented!

As for me!

It's kinda weird hearing you say that.

I thought Haru would be the aggressive type...

how surprising...

Are you listening?

Tosa?

But my appeals must be backfiring on me.

Must be hard for Haru-san to hold it in.

After all, she's hasn't laid a hand on me.

So you were Sorry for together making with you wait. Tosa-chan.

Oh no,

I'm also waiting for someone around here.

Oh.

Hey!

Speak of the devil.

ハ
あ

You're so in love with her.

Isn't it hot?

Haru-san might be thinking So you it's about don't have time. to hurry. Maybe try attacking?

What should we do?

Since we're out here already, why don't we go for a walk?

Her boy-friend?

Bye!

It's okay. Shou-chan's almost here.

Your friend? I can wait with you.

Oh.

Wonder who's Shou-chan...

Alright.

Mm

She might be thinking that. Attacking...

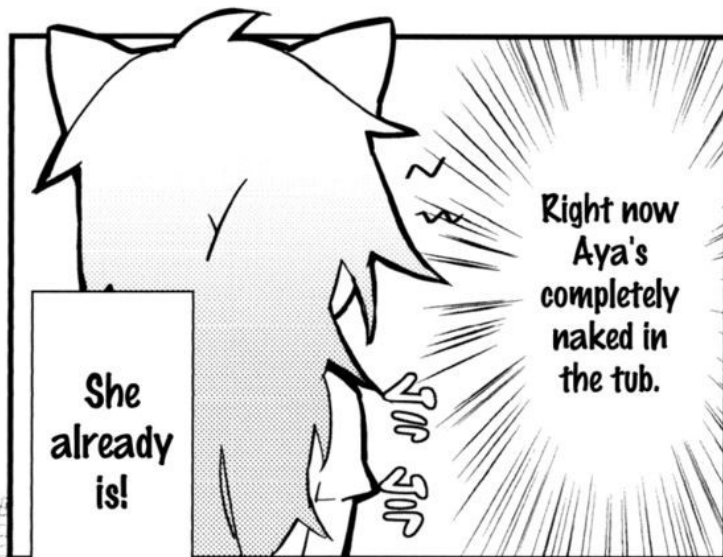

About time...

It's about time.

But I don't have a plan...

Today I'll do it.

She already is!

Right now Aya's completely naked in the tub.

What should I do to get Haru in the mood for sex...

Being able to have her for myself today and tomorrow, what bliss!

Her teeny little hands! So cute! They should be illegal!

I want to rub her belly...

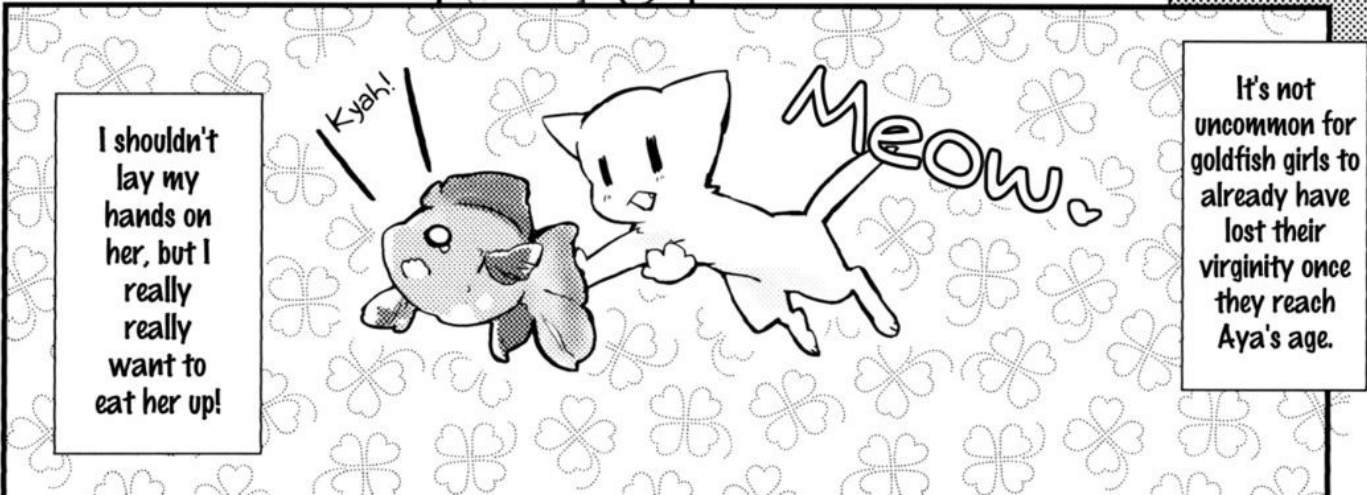

Ahhh! I wanna do her!

Is she inviting me?

A blunt declaration

I'm already at my limit!

I shouldn't lay my hands on her, but I really really want to eat her up!

Kyah!

Meow.

It's not uncommon for goldfish girls to already have lost their virginity once they reach Aya's age.

Why won't you understand...

Aya, what do you want to do?

Aya

The type that can't be honest with herself.
As a goldfish, she's almost an adult, so she lives away from parents, spending her days with Tosa and other goldfish.
The name comes from the Blue Oranda breed of goldfish.

While drawing the manuscript it was quite hot, so I had a ponytail up most of the time. Normally I'd leave my hair down.

Haru

A closet lolicon. In front of Aya she tries her hardest to play the part of an adult. It's not like I didn't know that if she was the type to make Aya-chan worry, she'd be quite the villain. When the going gets tough the tough gets going!

She's so Boyish...

Tosa

The very first character I designed, a Tosa goldfish girl. In the beginning I was planning to draw a story about her, but this time she's a supporting character. She's a little more mature than Aya. Her hair is red. The Shou-chan mentioned in the story is her lover, a futanari fox.

Afterword

Hello there and nice to meet you, this is Budou Mato.
I've turned my first idea into an eromanga this time.
While at a festival, I thought, "the obi those
children are wearing look so adorable!"
and came up with the idea of drawing a story about goldfish girls.
...didn't do much with the goldfish angle, though... (silence)

If only I made the goldfish girls the heart of the work
and drew whatever I wanted.
(Also flesh out the world a little more)
My skill is still improving, but I would be happy
if you could support my work again next time.
See you.
