CHAPTER 6

Picking the proud flower

Translated by:

MARTIN

So
you've
woken up,
Suzumine
-senpai

The
broad-
casting
room
...?

Th...
This
is...!

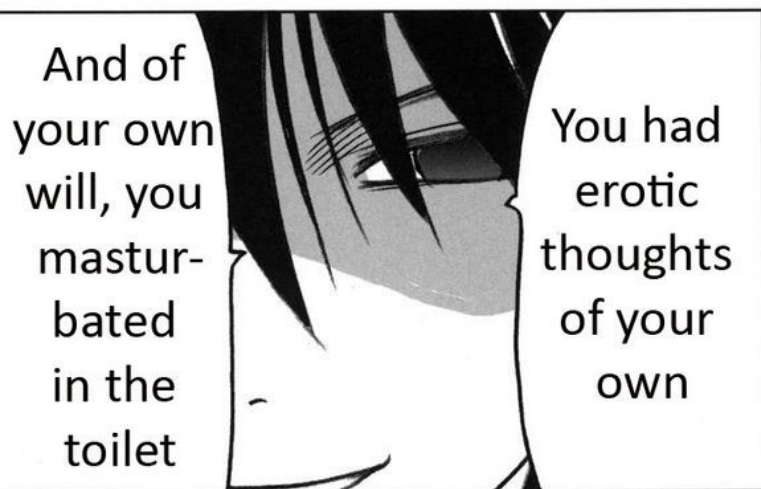

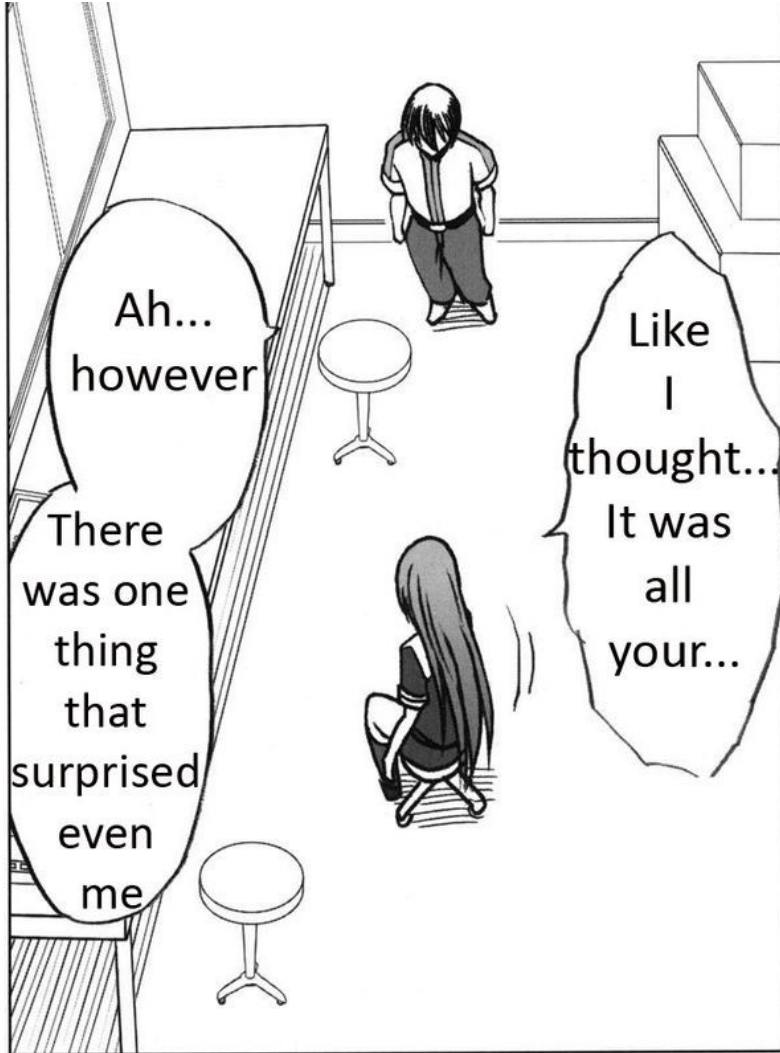

All the
erotic dreams
you've been
having...
they were
all my
doing...

Everything
that's
happened...

Do you
understand
now?

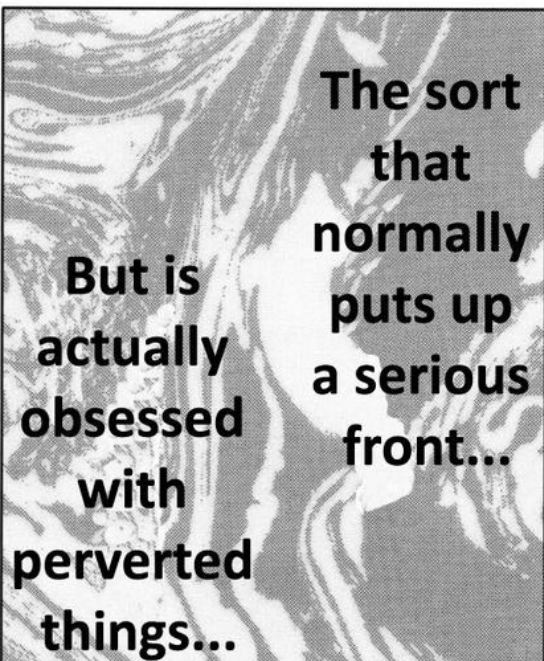

When I transferred here, the first time I met Senpai, I thought

As I thought

"That" sort of girl

She must be

The sort that normally puts up a serious front...

But is actually obsessed with perverted things...

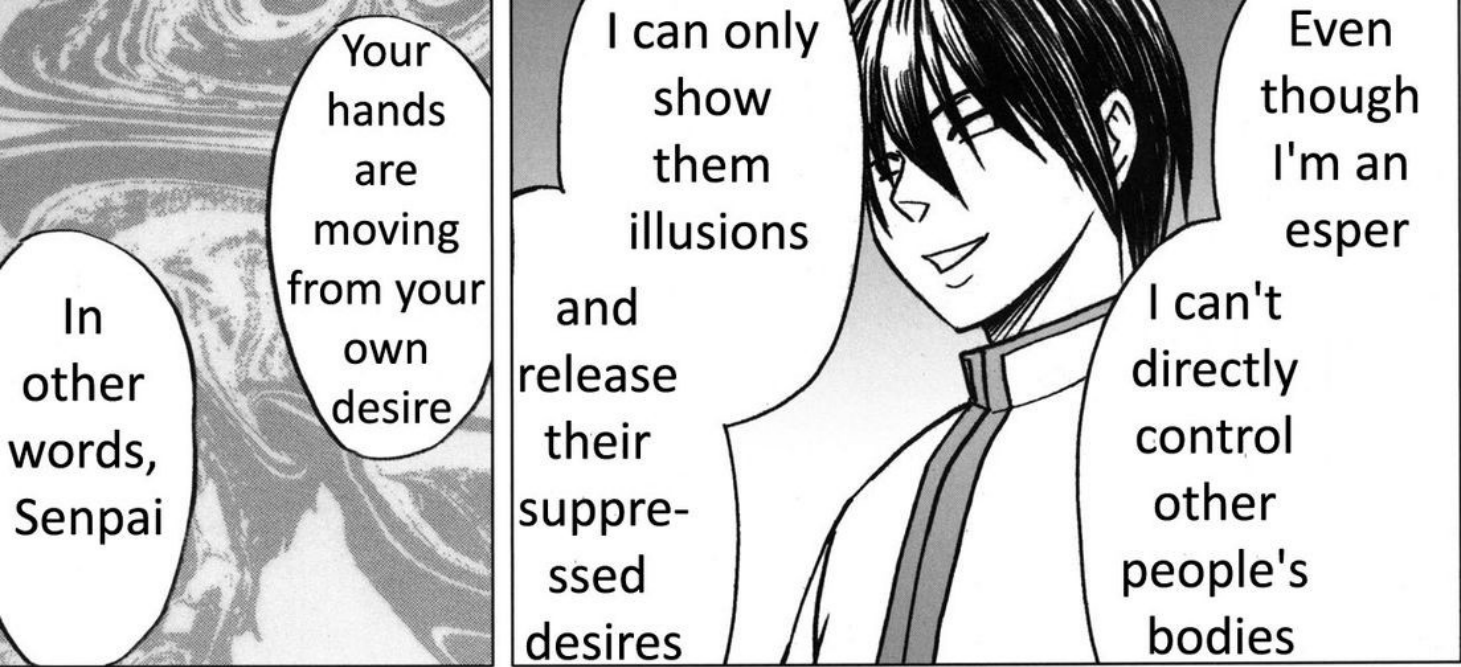

I am ...!

That sort of girl?

In other words, Senpai

Your hands are moving from your own desire

I can only show them illusions and release their suppressed desires

Even though I'm an esper

I can't directly control other people's bodies

No... no way!

Your true desire is to masturbate in front of others

A a a a h!
That's not...

Mr. Senpai...

That can't be...!

My true desire...?

Here, isn't this much better?

Shall I teach you the way?

You're still clumsy at touching yourself

N
N
...

N
O
!

This way also feels good

A
a
a
h
!

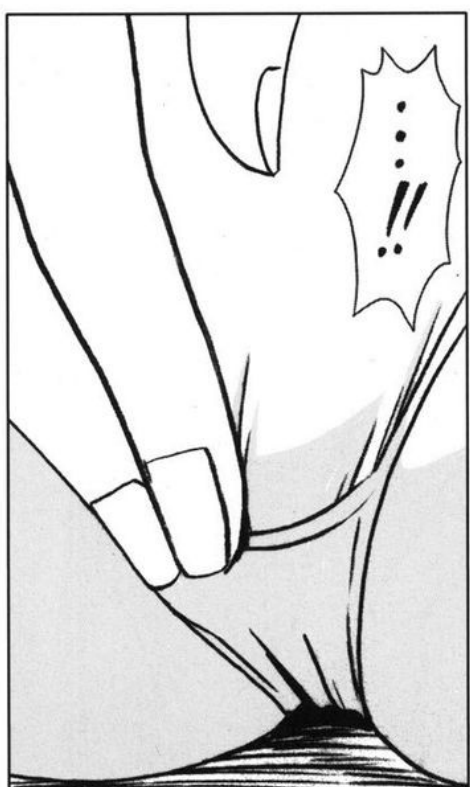

I guess
it can't
be
helped
Senpai

A a h ...

Oh?
You
wanted
to do it
yourself?

N
n
!!

That's
fine,
just do it
like I
showed
you

H
a
a
a
!

I'll play with your breasts in the meantime

That's right, keep touching like that...

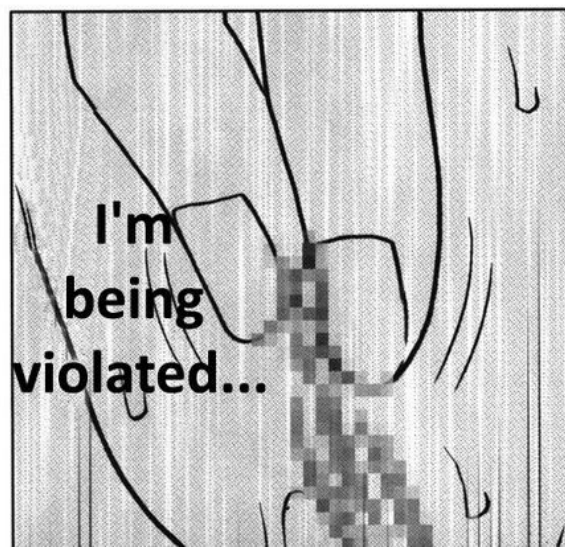

No...

I can't... stop my hands...!

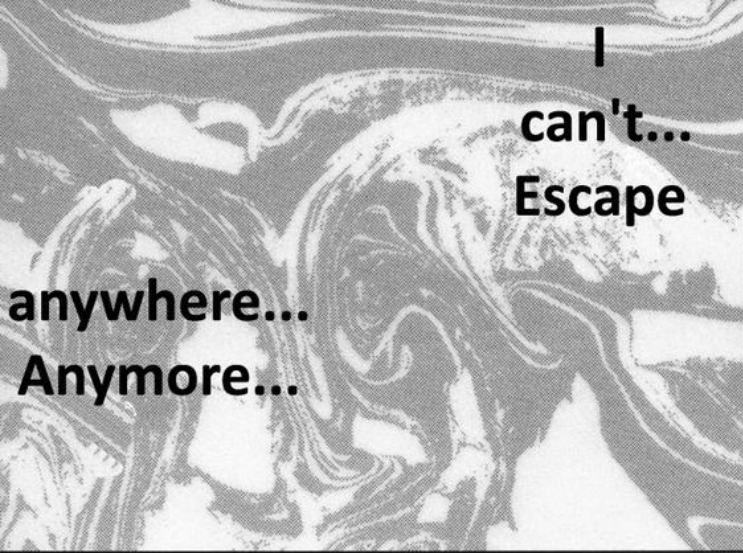

It's ok, just keep touching there until you're satisfied

A
A
A
H
!!!

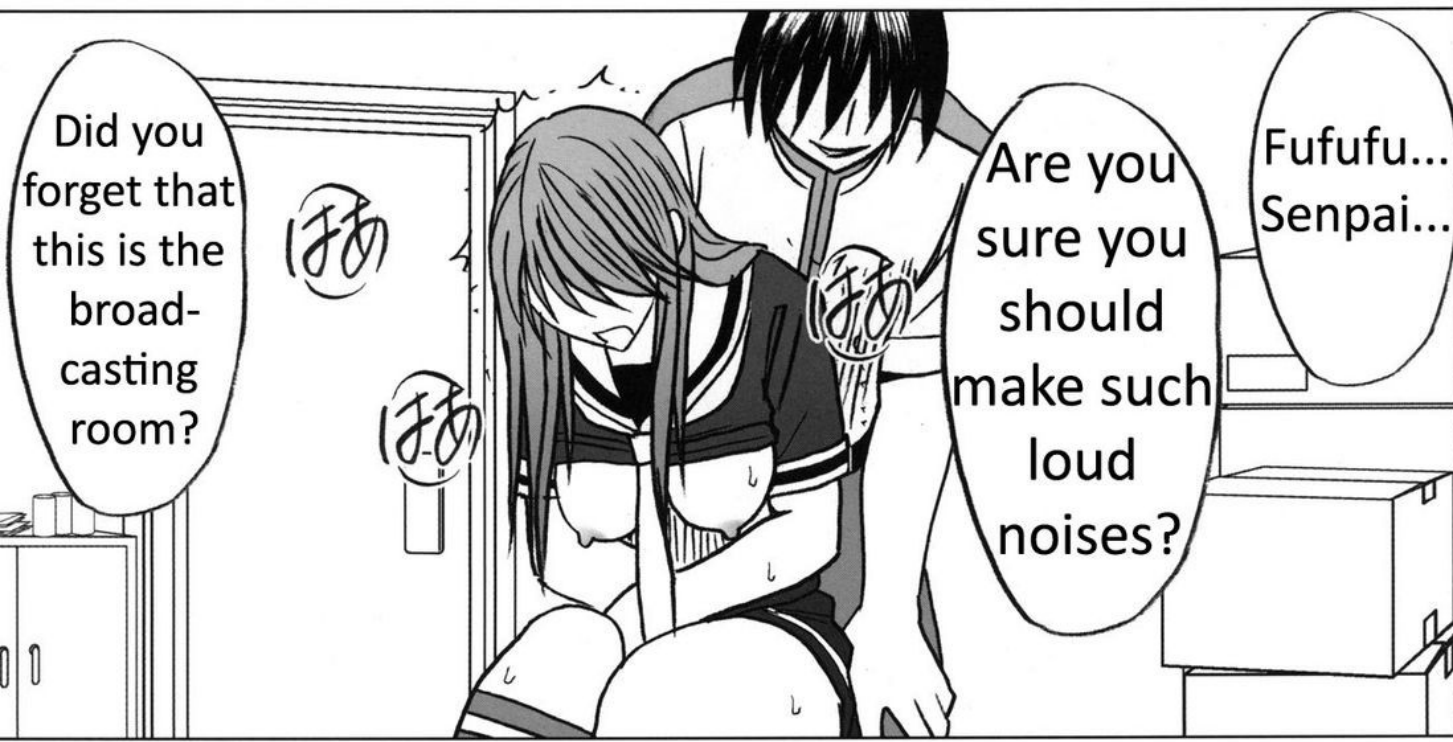

I
can't...
Escape

anywhere...
Anymore...

H
a
a
!!

H
a
a
!!

Did you
forget that
this is the
broad-
casting
room?

Are you
sure you
should
make such
loud
noises?

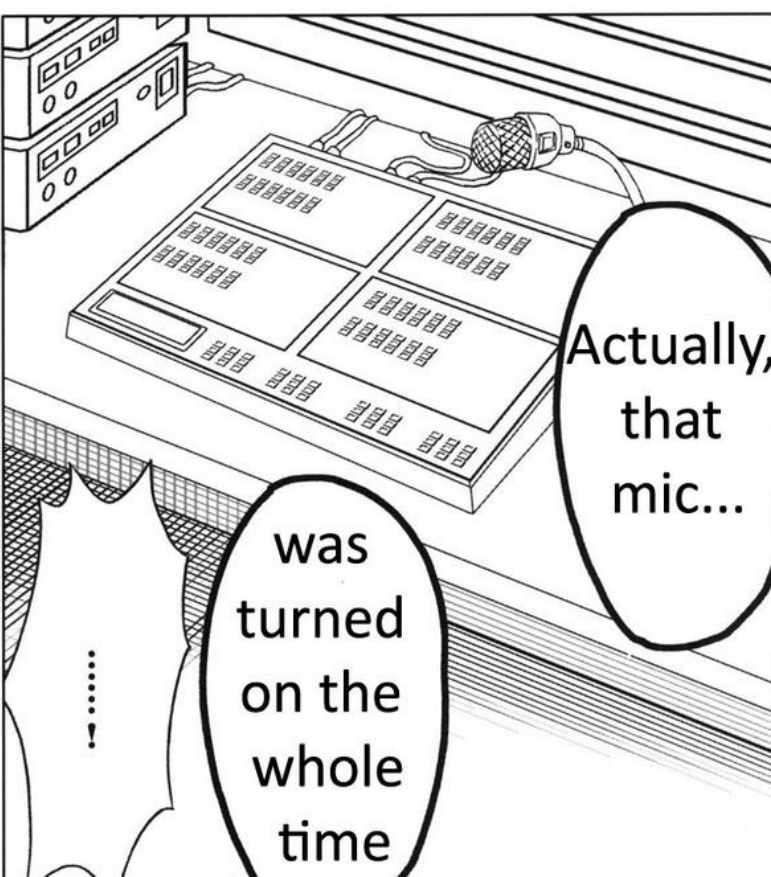

Fufufu...
Senpai...

Well
it's been
set to the
lowest
volume

And we're
pretty far
away, so I
don't think
it picked
up anything

No!

Actually,
that
mic...

was
turned
on the
whole
time

.....
!

Stop it...!

No... no way! You can't!

But if you make such a loud noise, people will hear

NN!!

Nope, I won't stop it

Your true voice...!

You actually want everyone to hear it, don't you?

Anyway do you really want me to stop here?

What...is
this
feeling...

It's far
beyond
what I
experience
in the
illusions...

No...
no way...
What is
this...!

This intense,
overwhelming
feeling

Like it's
taking
over
me from
the
inside...

It's
filling
my
heart...

This
feeling...

In other words, Senpai

just the released form of Senpai's suppressed desires

The illusions that I showed you were all

N n !

!!

ウツ

ウツ

Gang raped by your classmates after school...

Surrounded by molesters on the train to school...

From the bottom of your heart, you desired these things

Sexually harassed in the teacher's office...

Your true masochistic nature

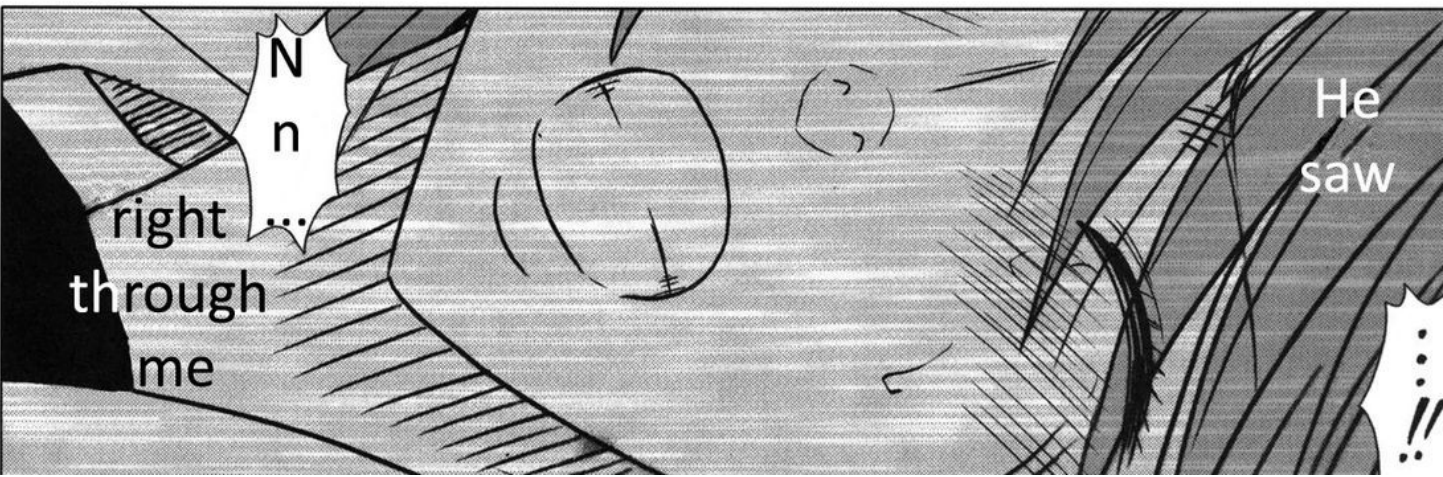

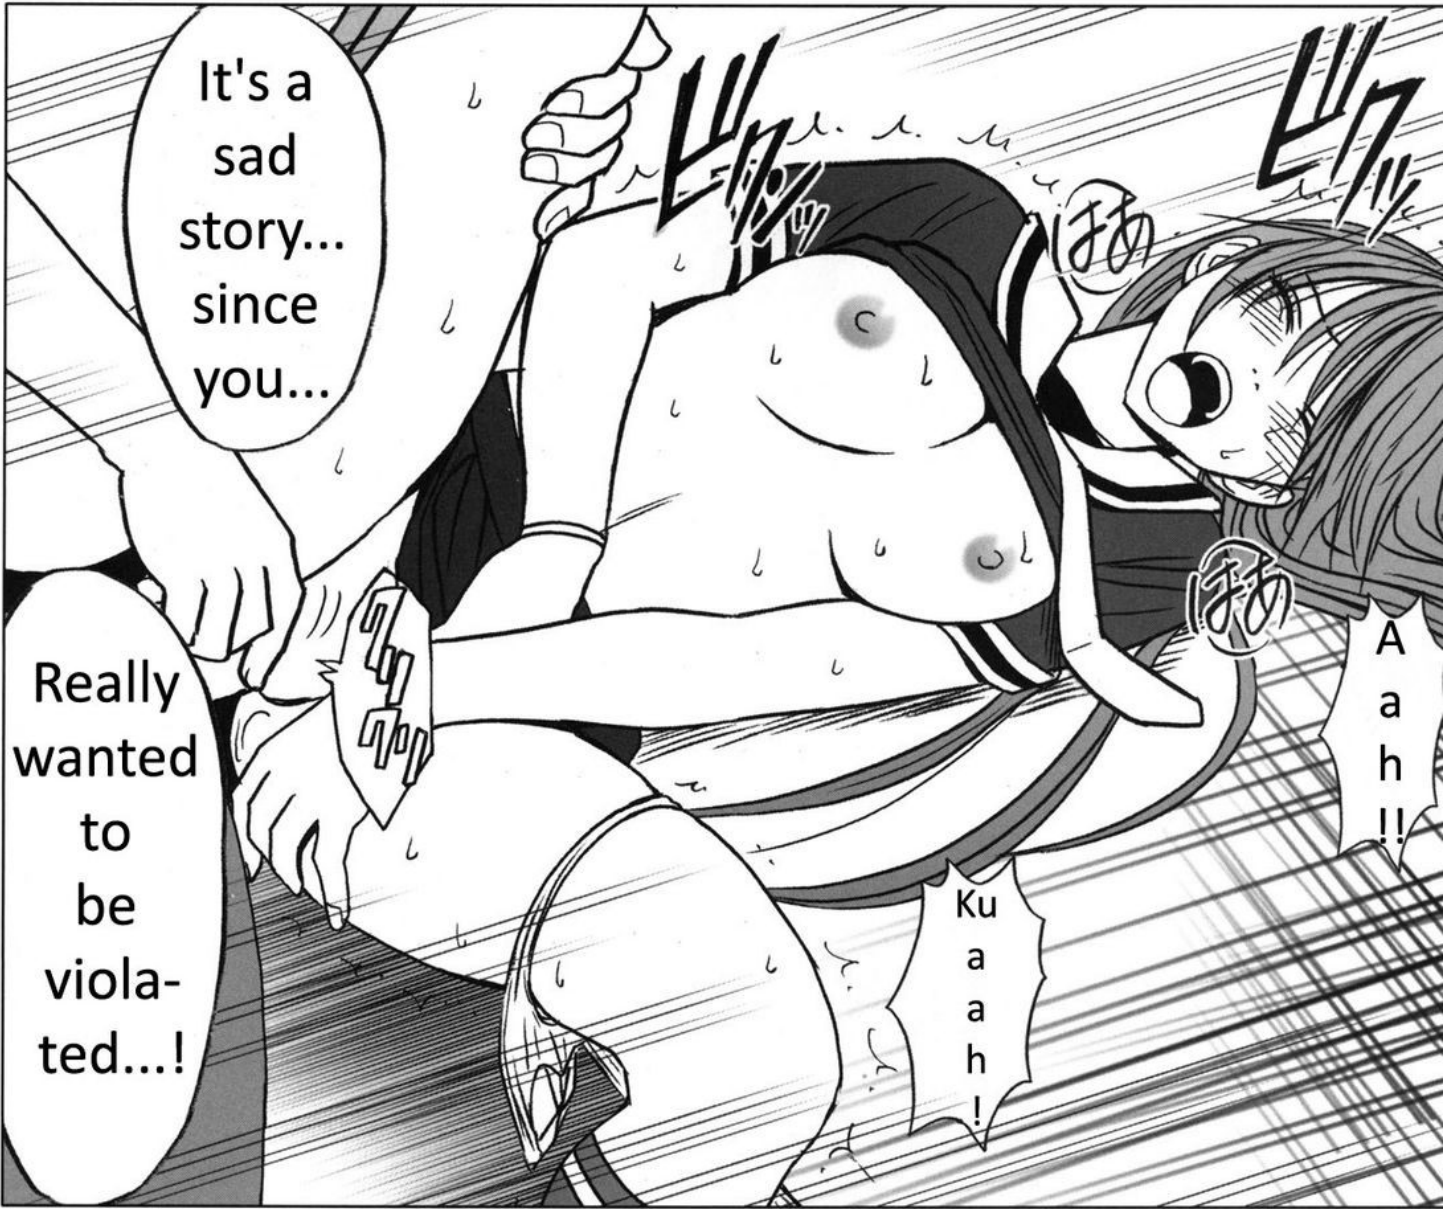

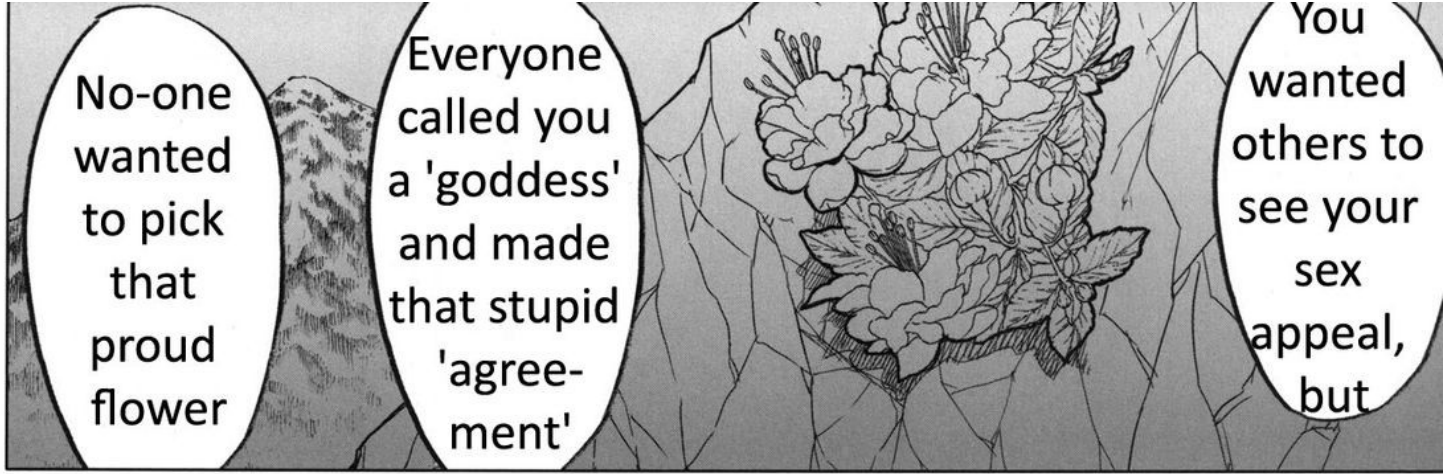

I guessed your true nature when I first saw you

You became student council president because you wanted others to see you

You joined the swimming club so you could wear the most erotic clothing

You were kind to others because you wanted them to notice you

In the broadcasting room where everyone might hear me
With my true nature running rampant

He saw right to my core
A transfer student who I've hardly met, but
Such a young boy

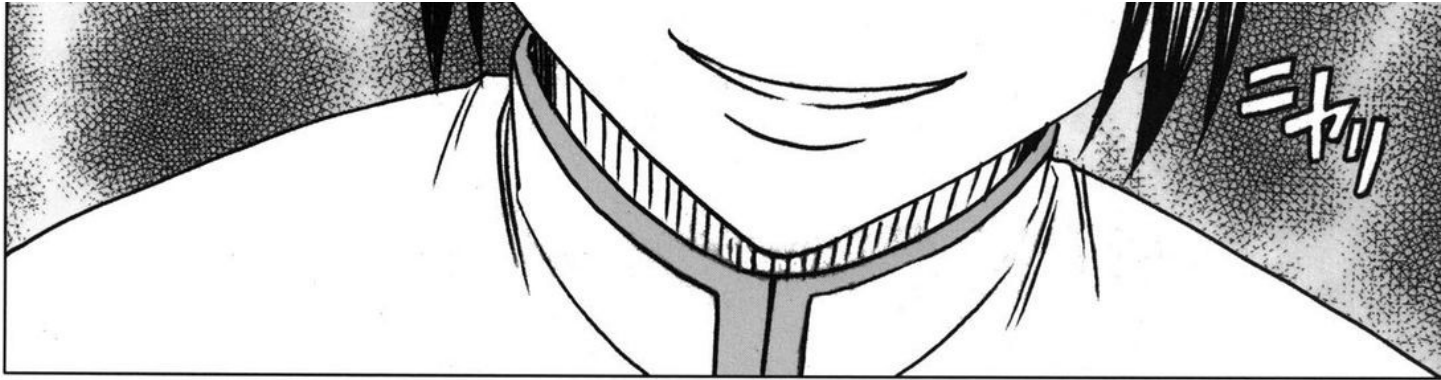

He took my virginity by force...

H a a !

!!

Even though I'm being violated...

It feels good...!

ニヤ

It feels good even though you're being violated

Just now... you admitted it in your heart

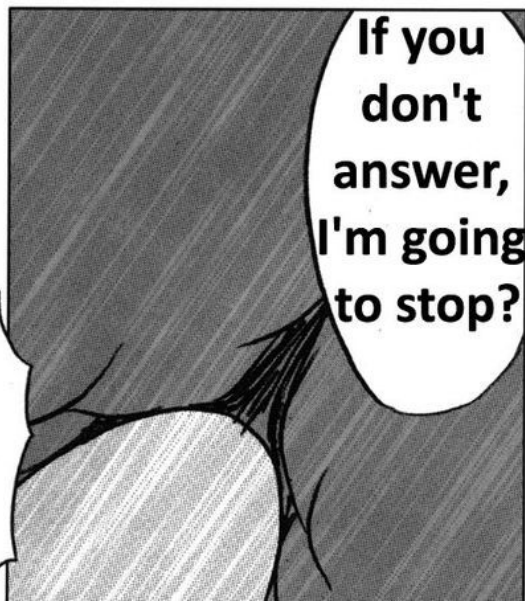

Isn't that right, senpai

N n !

ニヤ

H a a !

If you don't answer, I'm going to stop?

.....

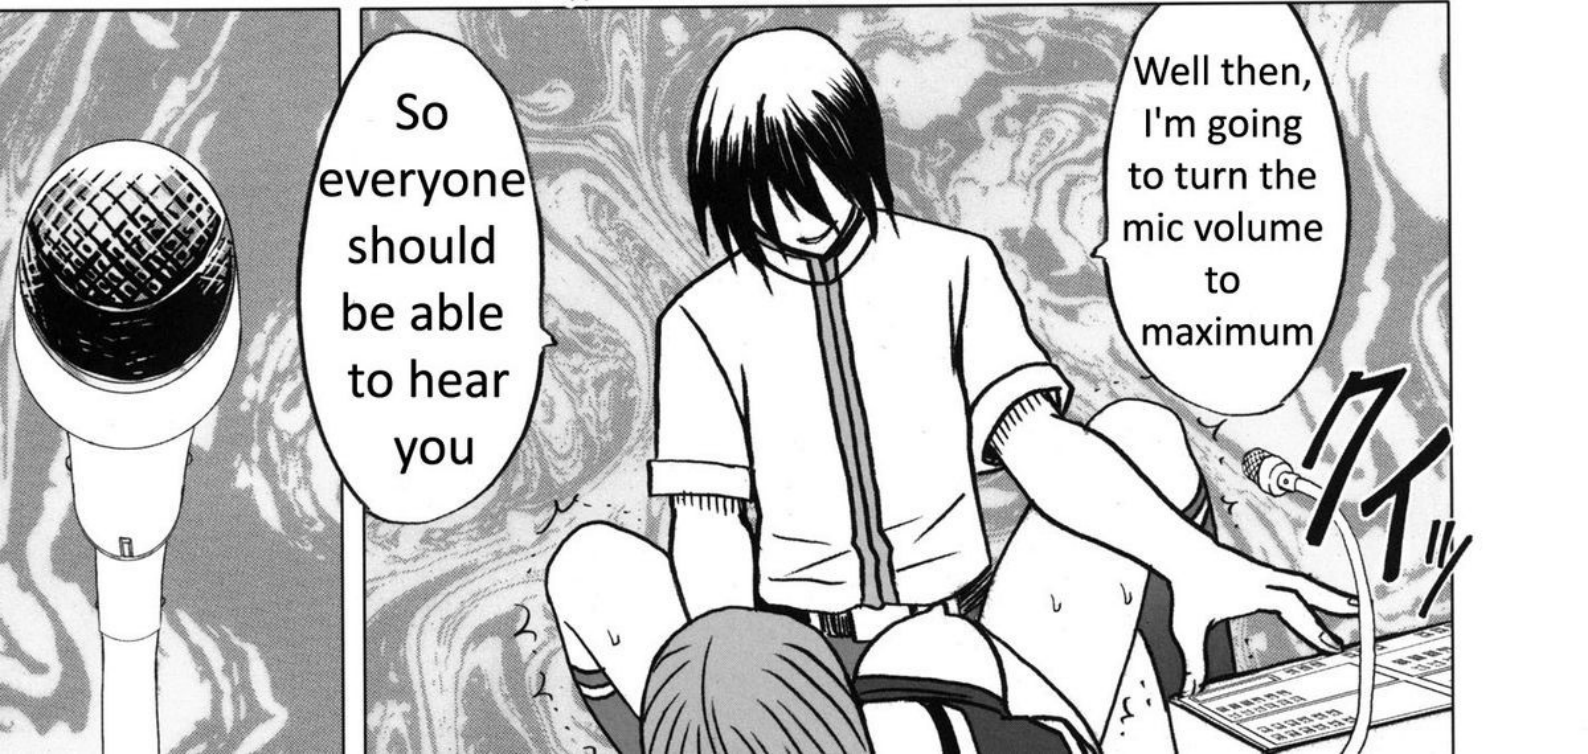

Ah...
I...
what
am I
saying...?

It
feels
good!

Y...
yes!

あ

あ

So
everyone
should
be able
to hear
you

Well then,
I'm going
to turn the
mic volume
to
maximum

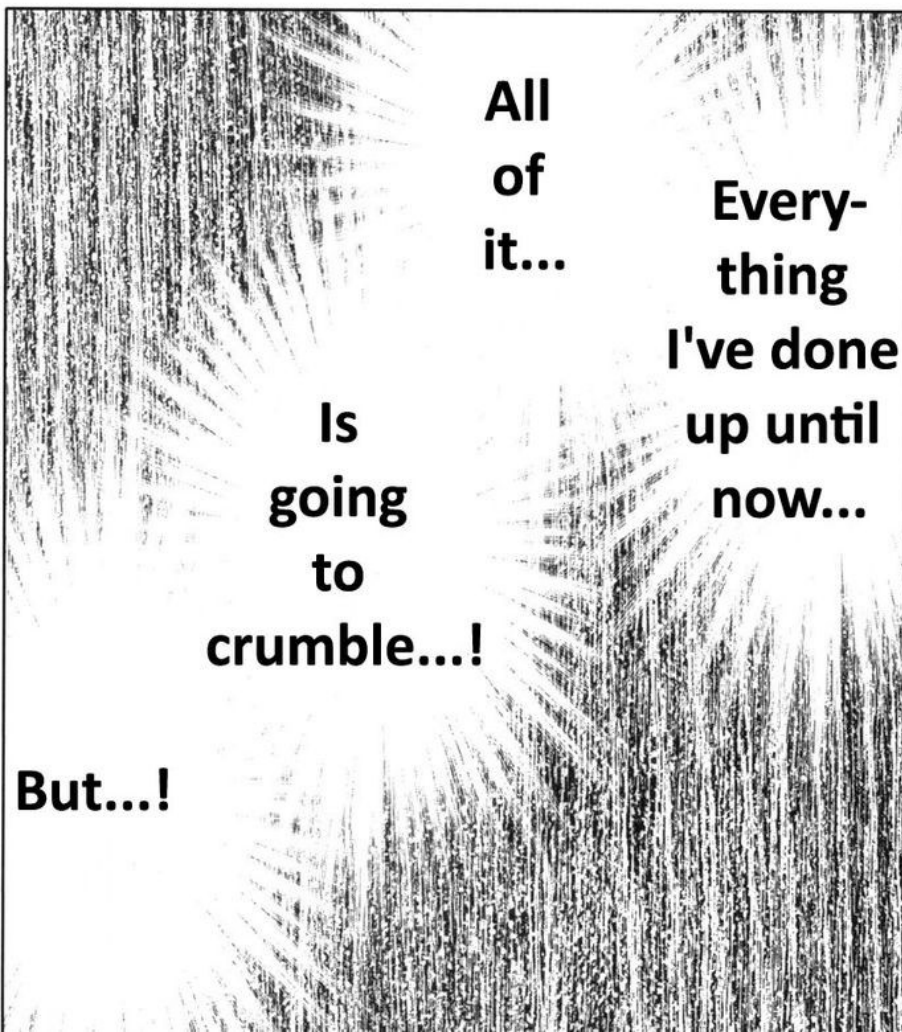

アッ
アッ

If you do that, I'll make you feel even better

Please tell everyone how you feel right now

Well, Senpai

All of it...

Is going to crumble...!

But...!

Everything I've done up until now...

No... no way...!

If I do that

I
can't
stop
it...!

More...
please
violate
me
more!

It...
it
feels
good!

Aah...
no
way...!

Even
though
everyone's
listening...!
If
they
hear
me...

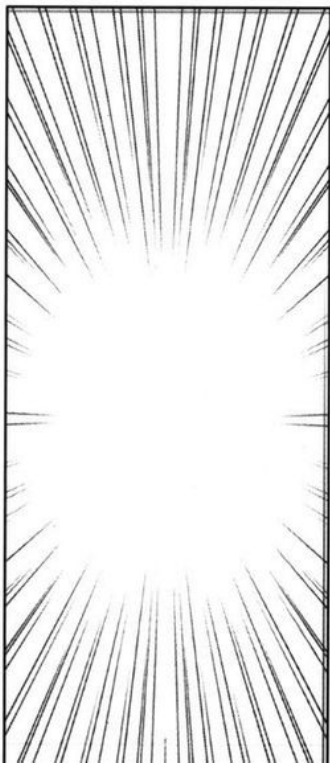

But...
it's
fine!

become
everyone's
sex
slave...!

I'm
going
to

If
that's...
my...!

I'm
cum-
ming!

I'm...
going
to
cum!

クワッ

A A

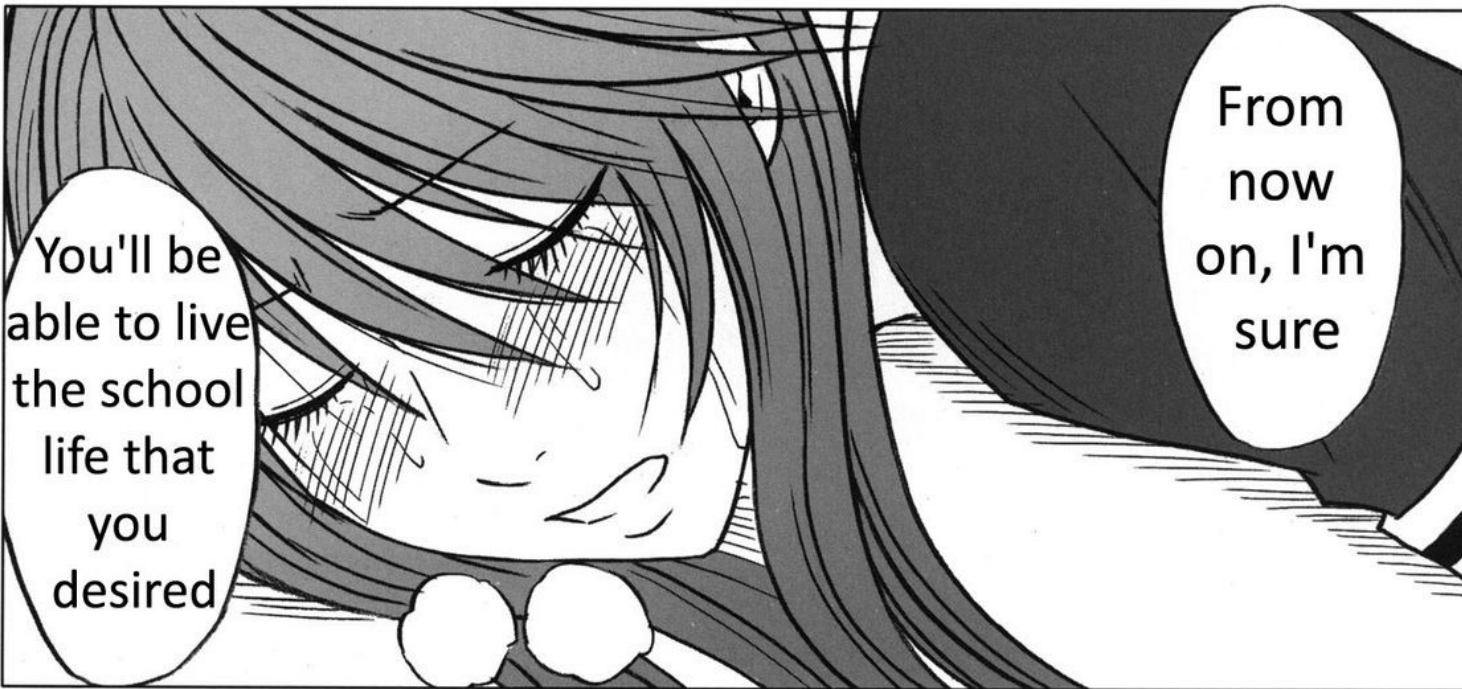

A A

A H

!!!

Isn't that great, Senpai

You'll be able to live the school life that you desired

From now on, I'm sure

Well then...

What kind of flower should I pick next?
