Sazanami, freighter for the transport of alien life forms.  
Crew: single man.  
Alien life form(s) carried: one.

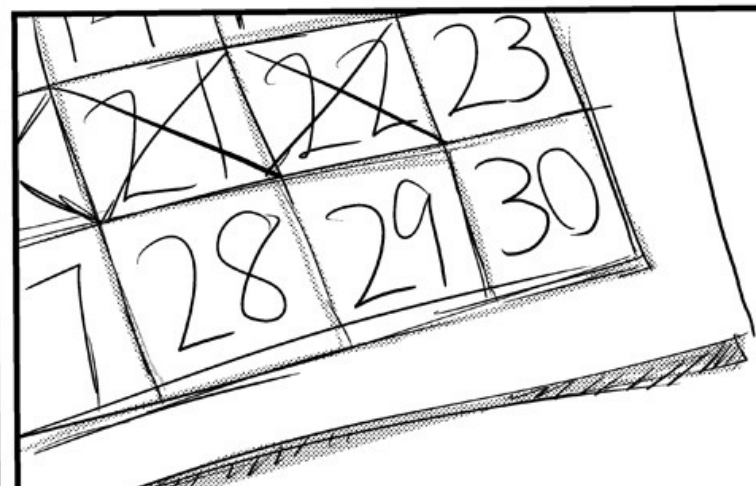

Now that I think about it... The date has changed, right?

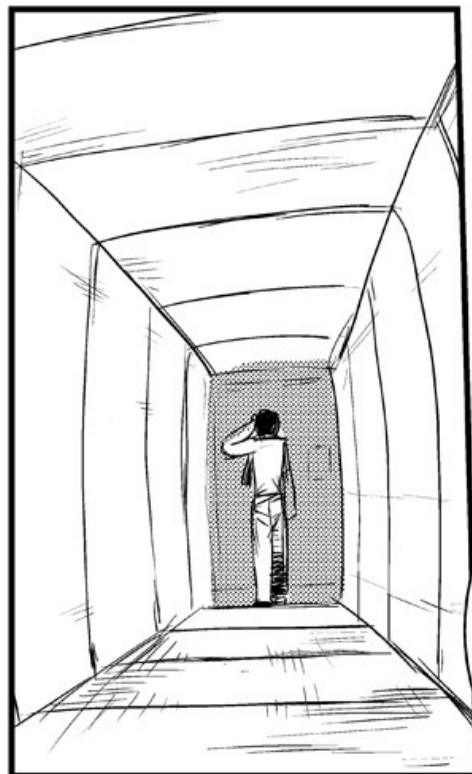

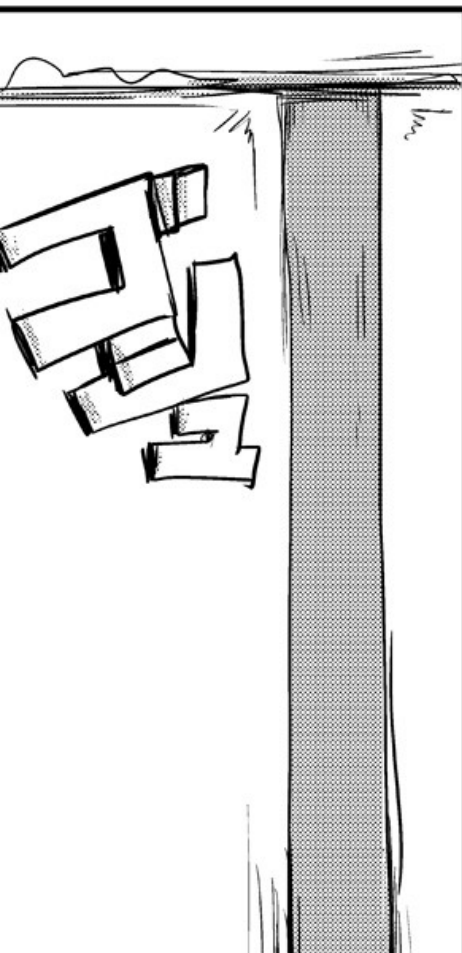

Understood.

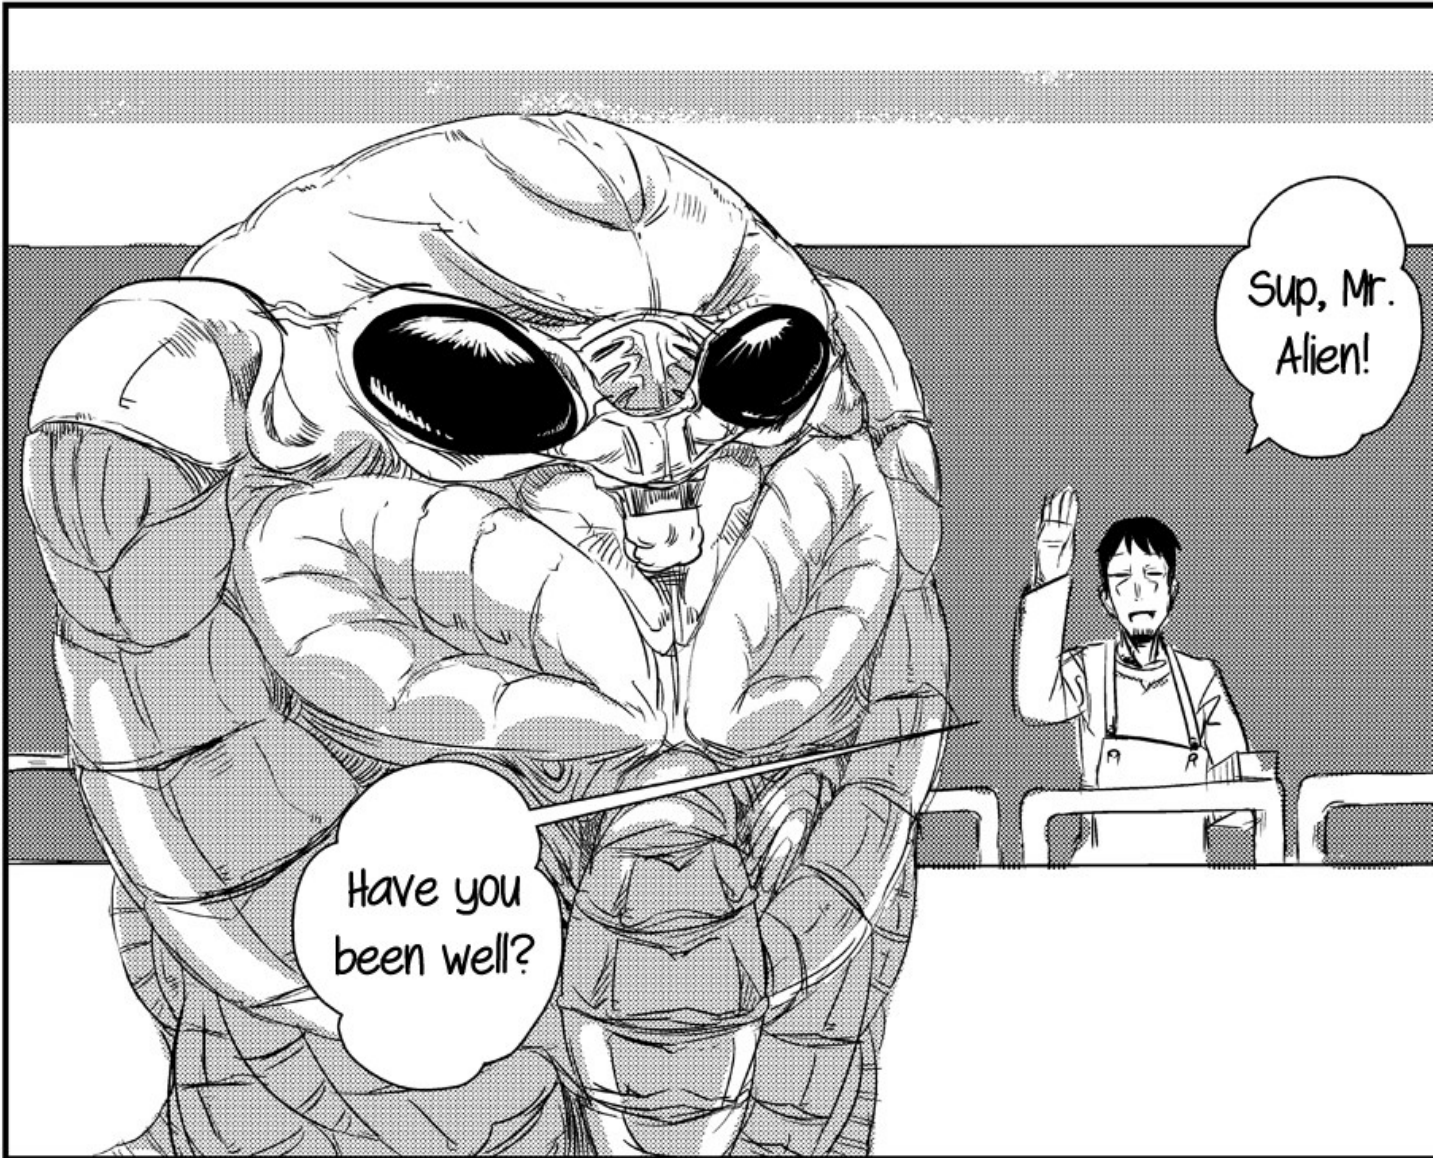

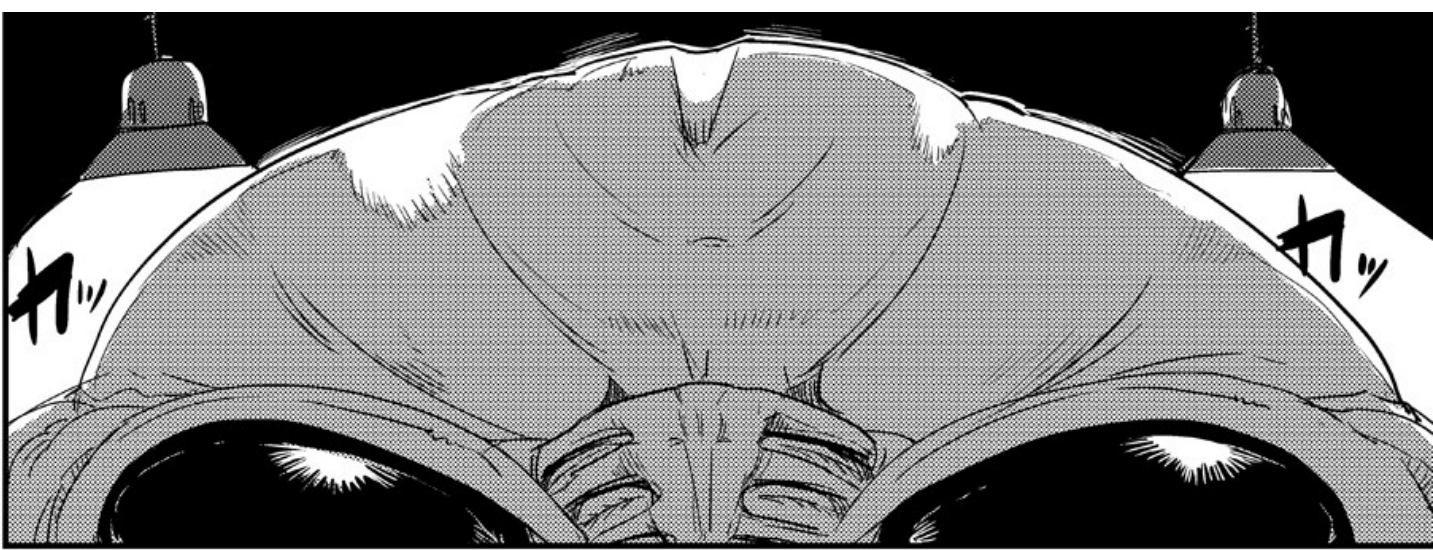

Nah, it's fine like this.

Estimated time of arrival at Earth: 32 days.

Don't look at me like that.

Don't worry, it'll take just a minute.

Today I'm going to have to take a few of your cells.

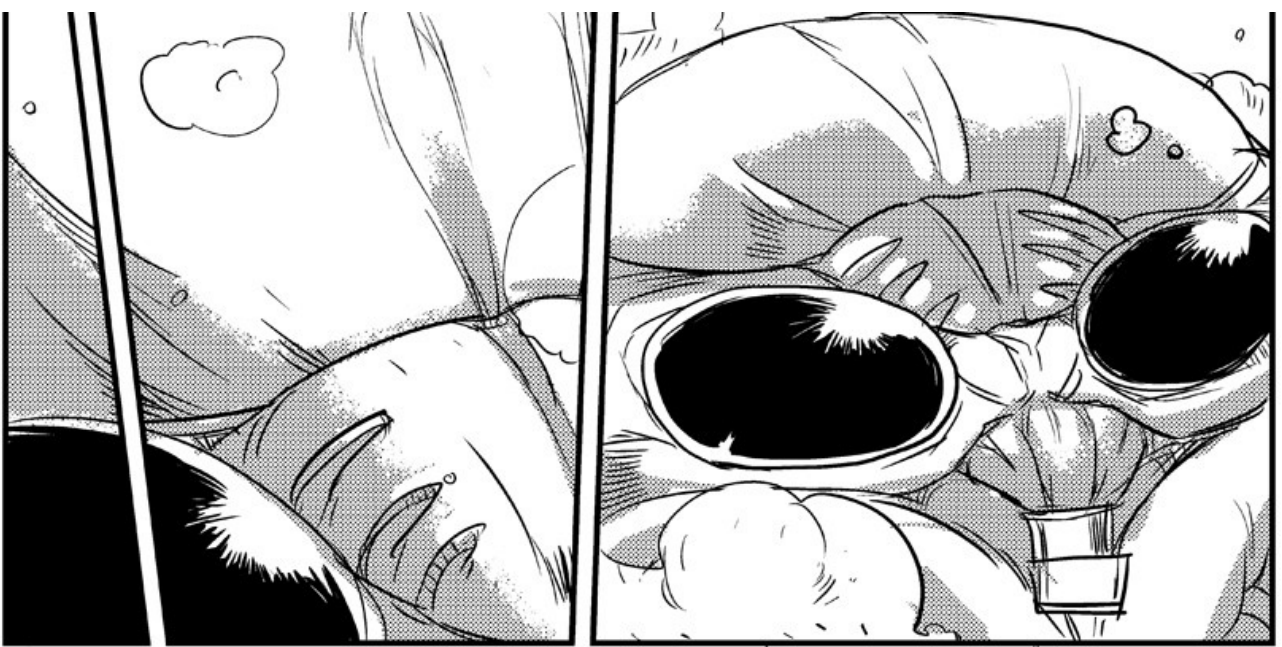

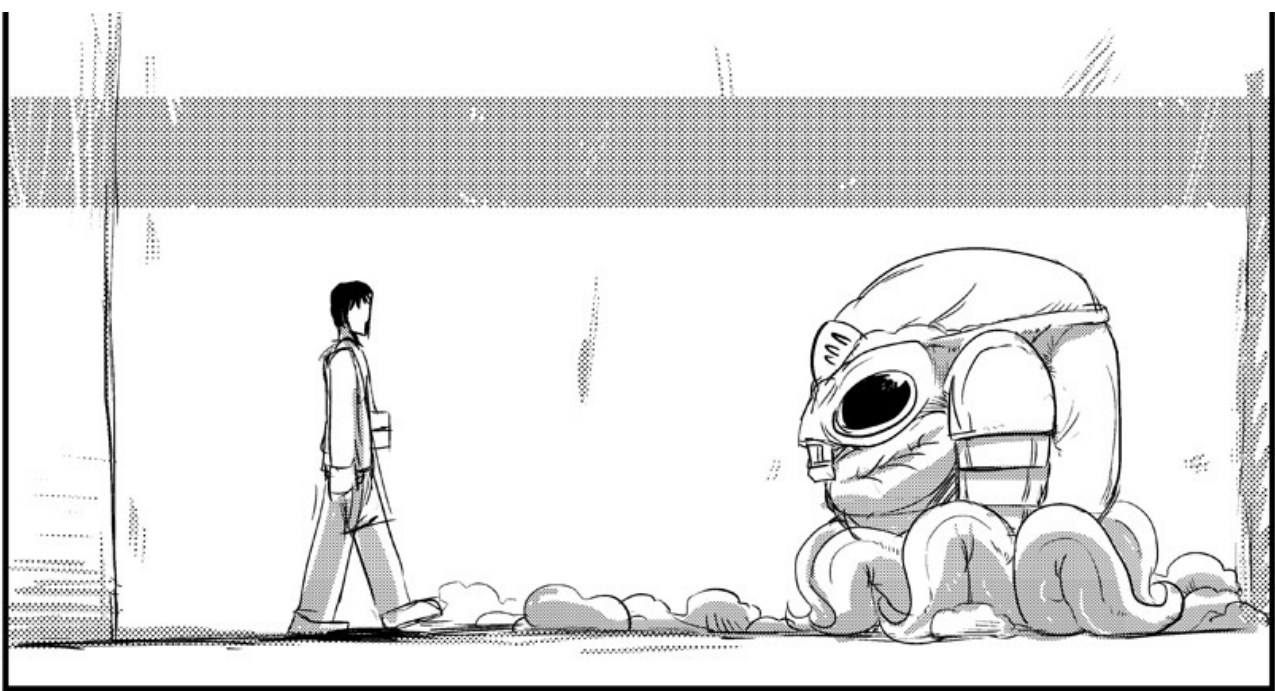

We gotta get along since I'm the only crew member!

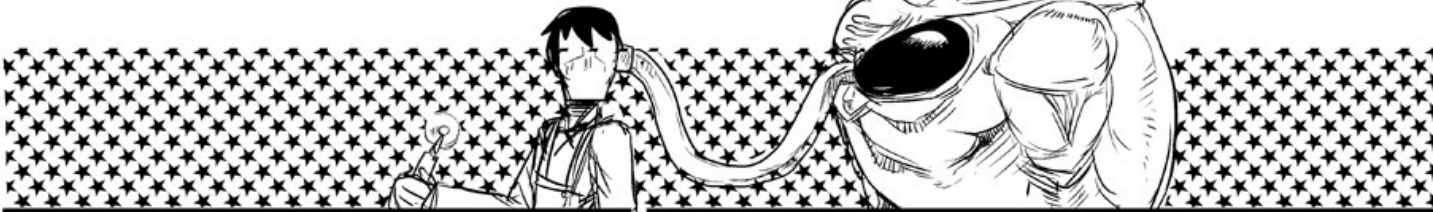

I'll put you to sleep so it won't hurt.

Yeah, right.

いっしょに  
いっしょに  
いっしょに

Eri..?

ε...

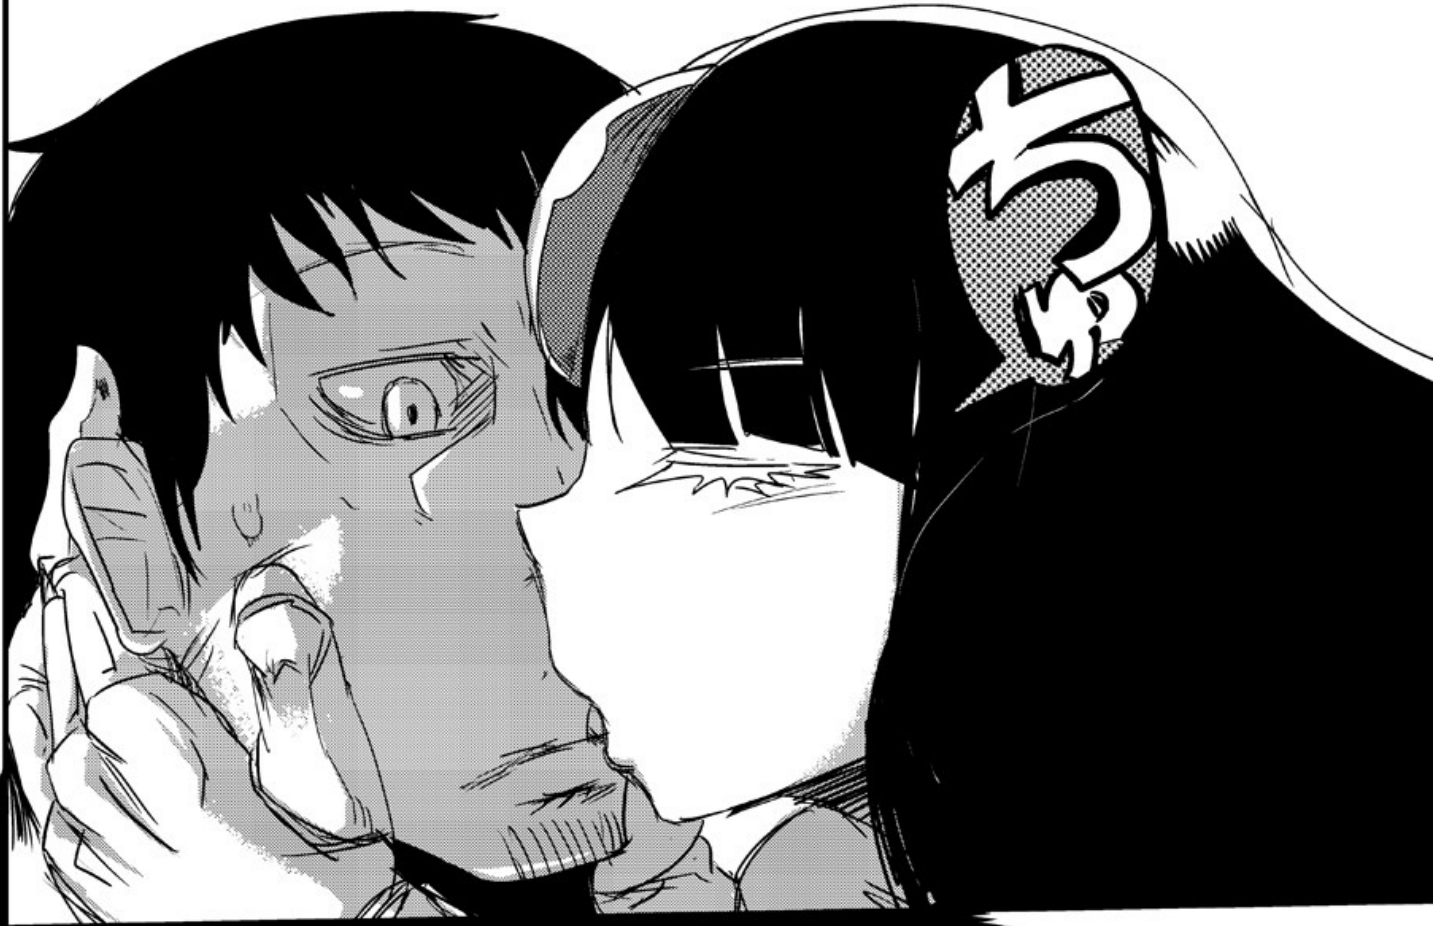

What  
the hell  
are you?!

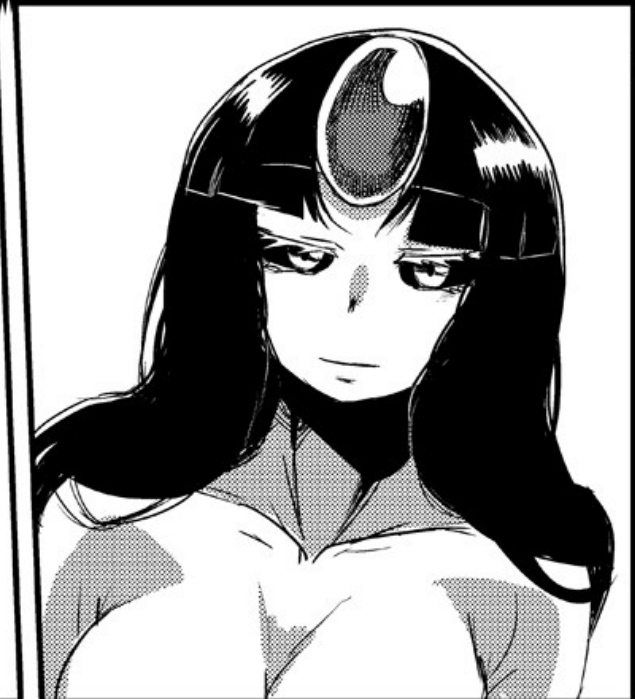

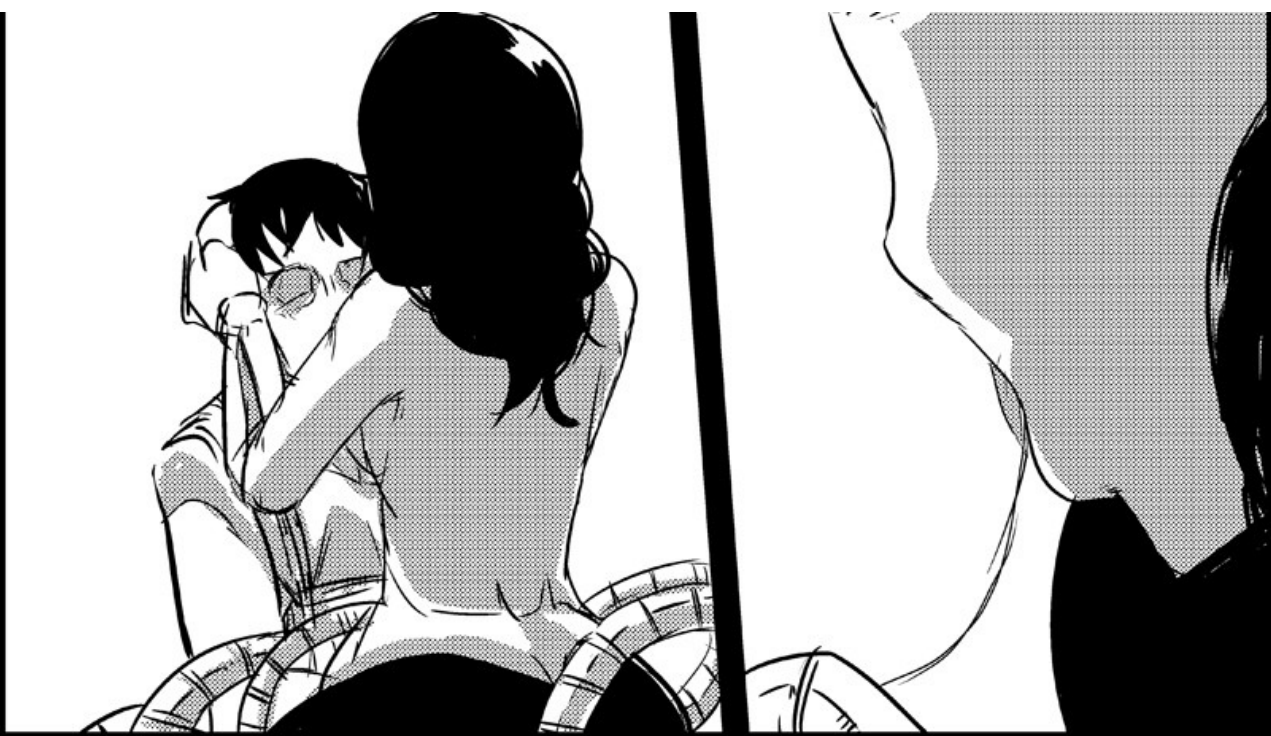

W-wait a  
second!!

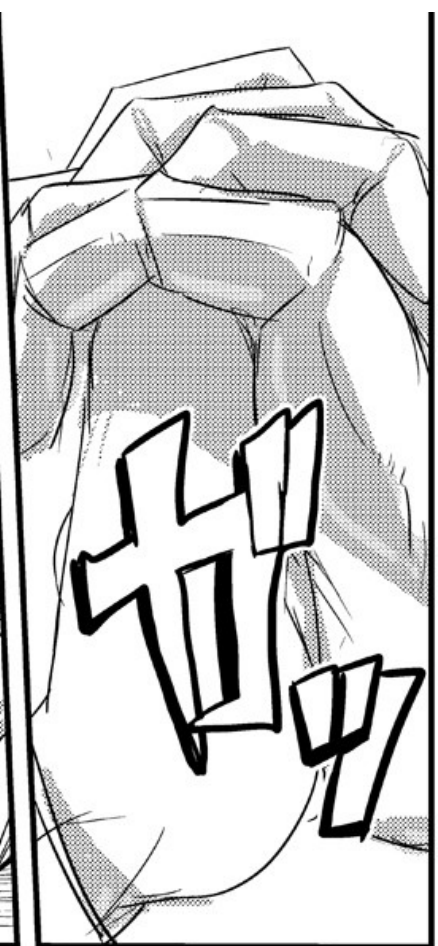

Take  
it  
out!

It's  
because  
of this  
thing!

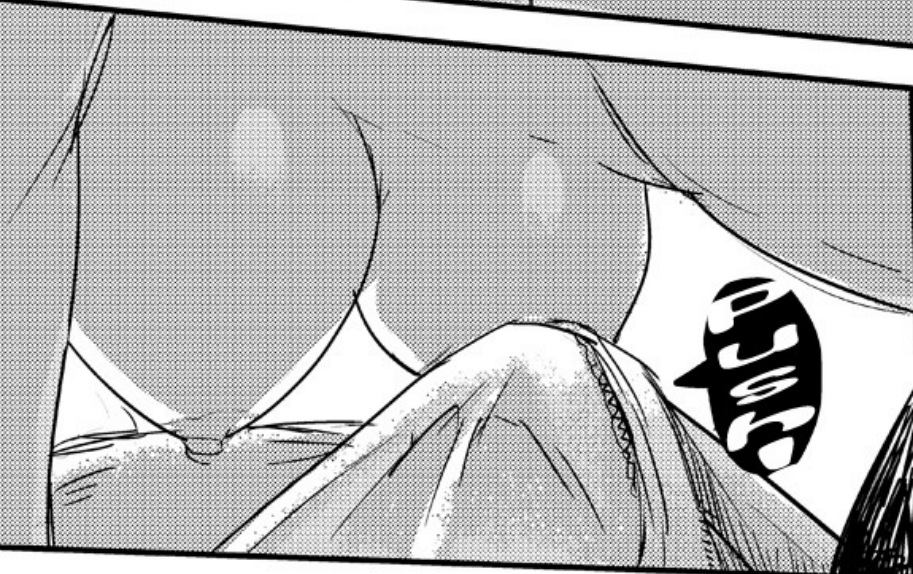

You damn masochist.

Poke!

Oh?

Oh.

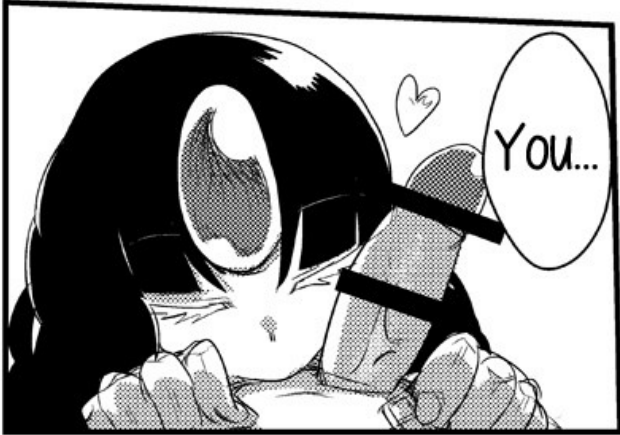

Poke!

I wonder if it's remembering something good.

It's already like this.

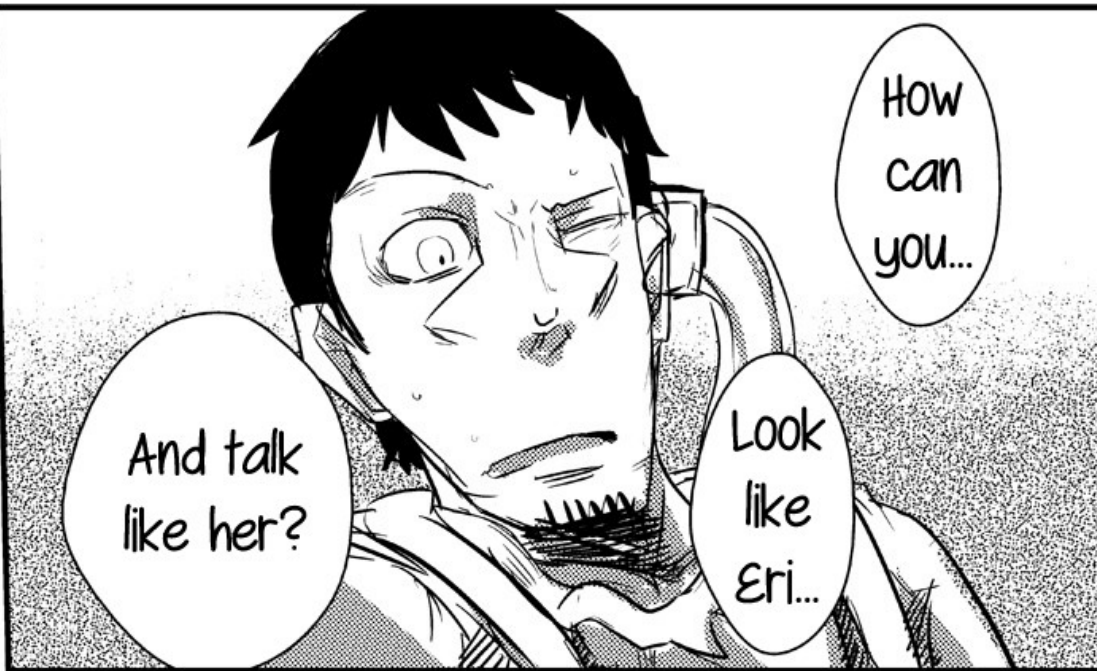

You...

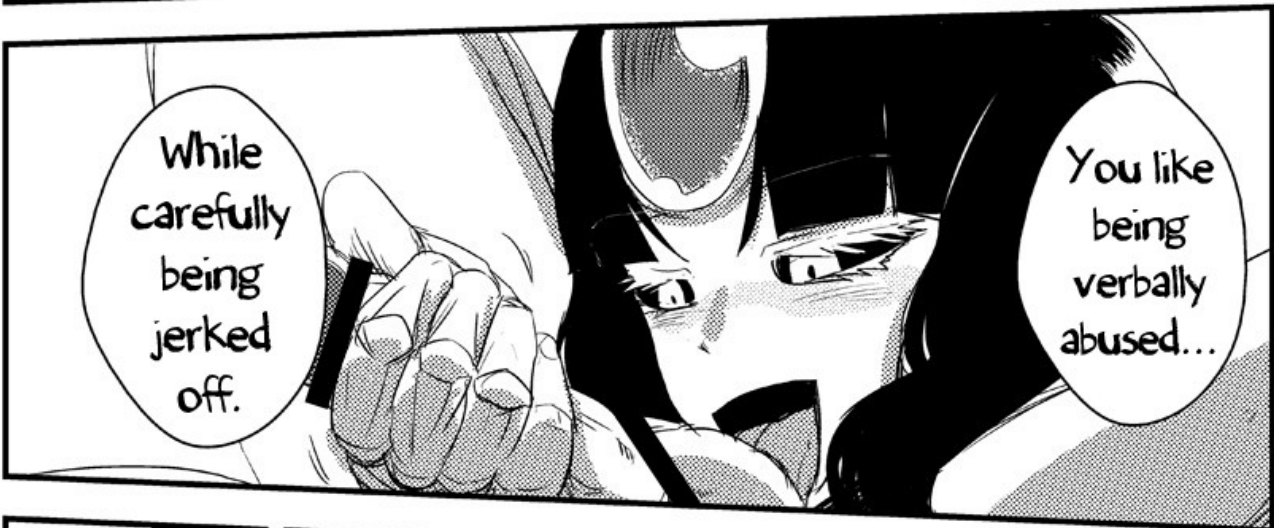

How can you...

And talk like her?

Look like Eri...

You made it all up.

That's not me.

Th...

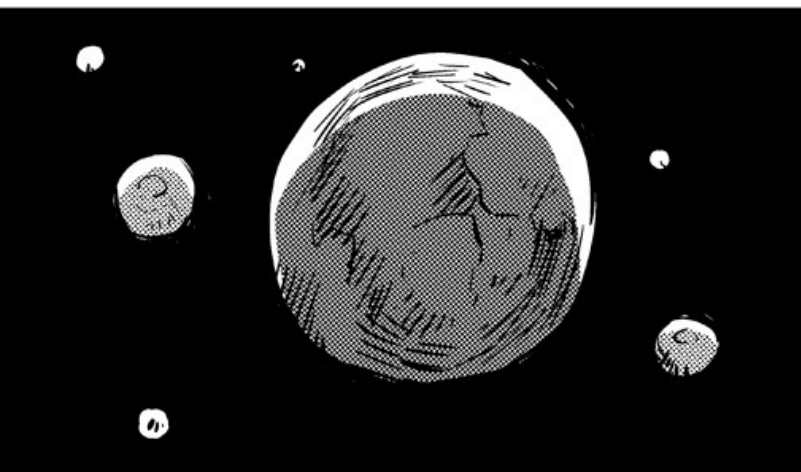

Just as I previously adapted to the sand planet...

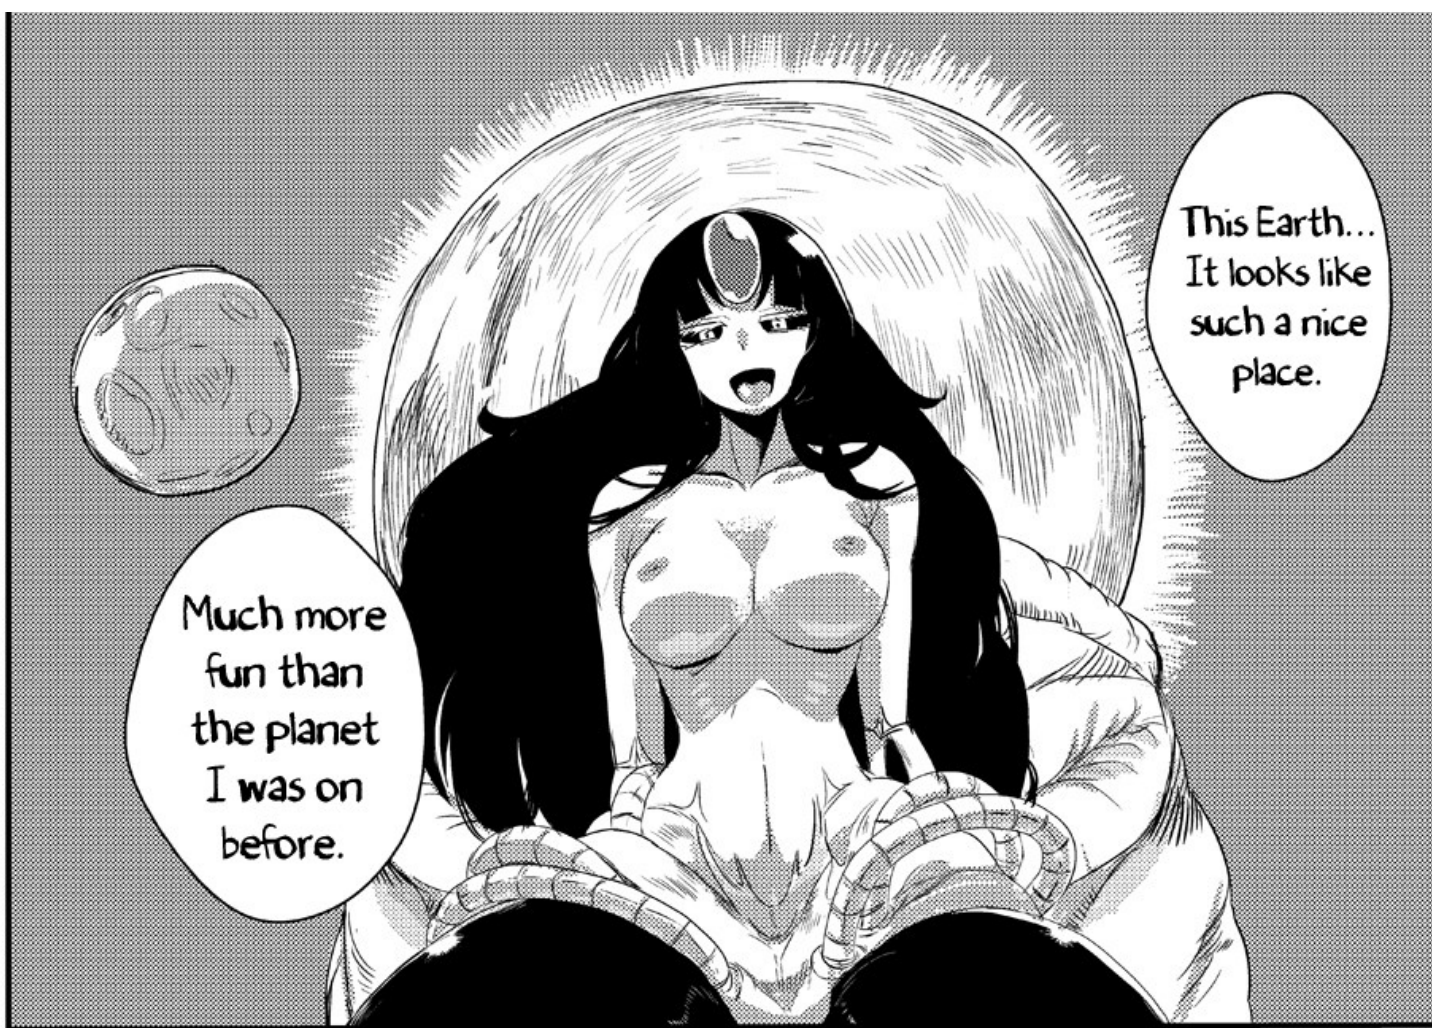

I've adapted to you.

This is me, honey.

This is all the me that's inside your memories.

This Earth...  
It looks like  
such a nice  
place.

Much more  
fun than  
the planet  
I was on  
before.

I'll do all  
the things  
you like.

My life will  
be devoted  
to the sole  
purpose of  
being by  
your side.

I'll  
protect  
you from  
all harm.

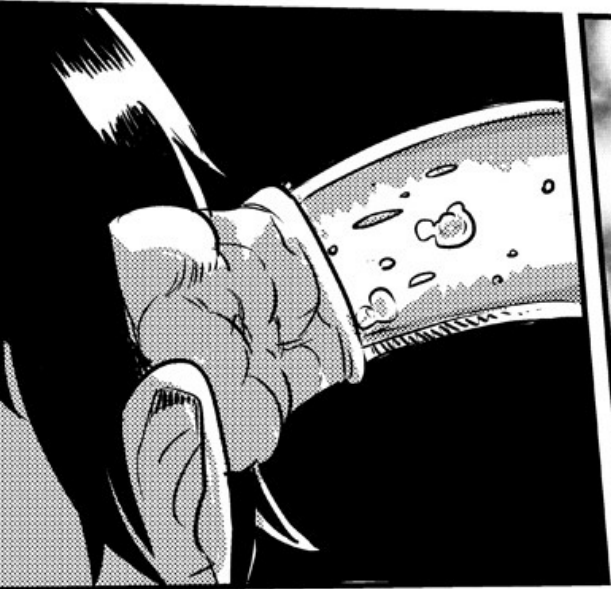

What?

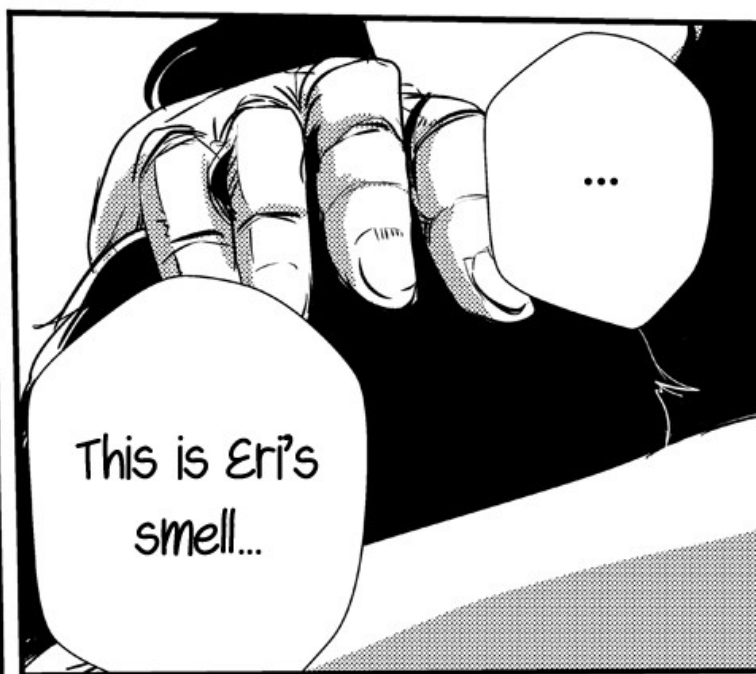

W...

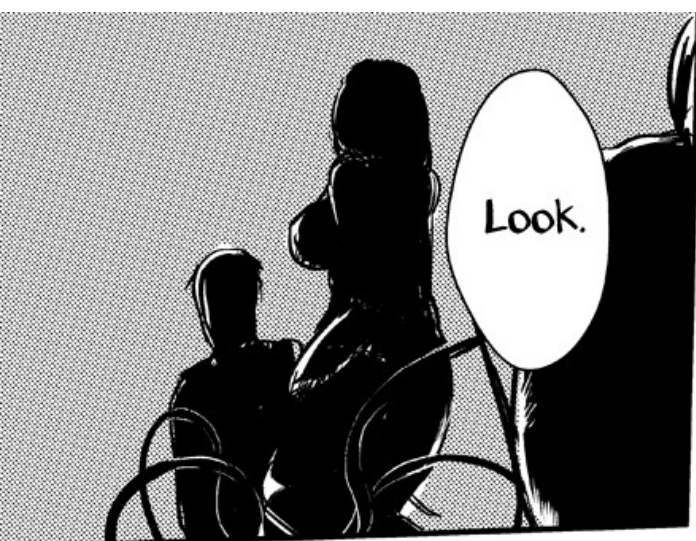

Oh?  
Shouldn't  
I, honey?

It's going  
to be great.  
I'll live  
with you.

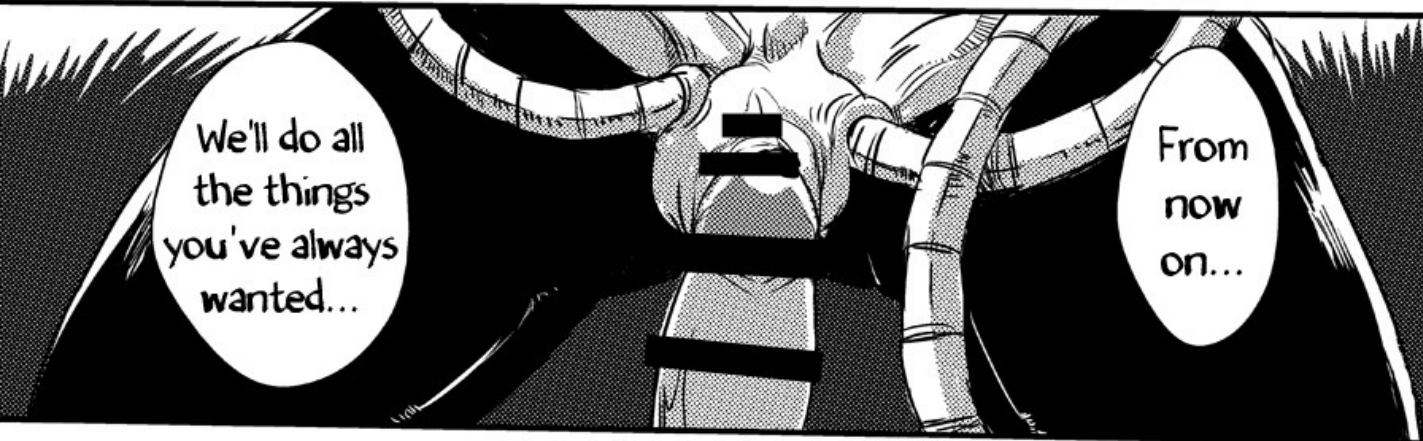

Look.

As a reward  
I'll give you  
something  
you really  
want.

Can  
you lie  
down  
for me?

We'll do all  
the things  
you've always  
wanted...

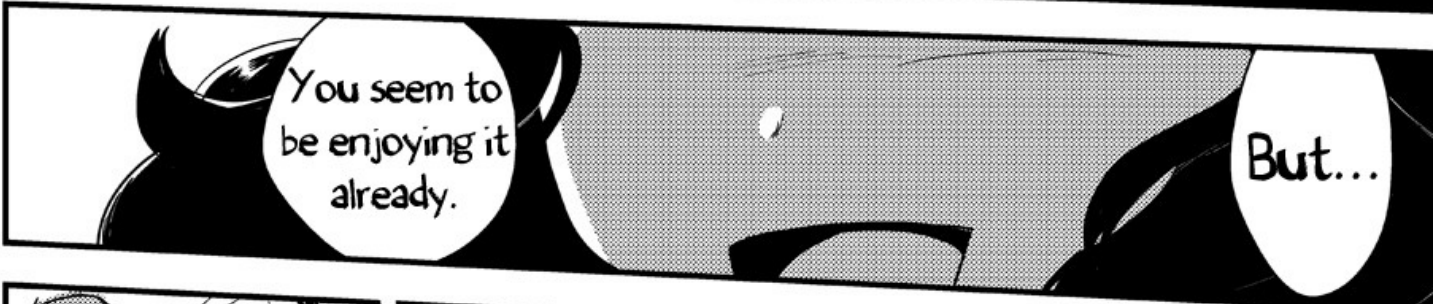

From  
now  
on...

Scream!

Those  
things  
that Eri  
wouldn't  
let you  
do...

It's ok,  
don't  
hold  
back!

Cum as  
much as  
you  
want!

Aha!  
Does it  
feel that  
good?

Or  
should  
I say...

That you  
can't  
help but  
shoot it?

ムムムムムム  
クククククク

You can keep going, right?

Let's do it again.

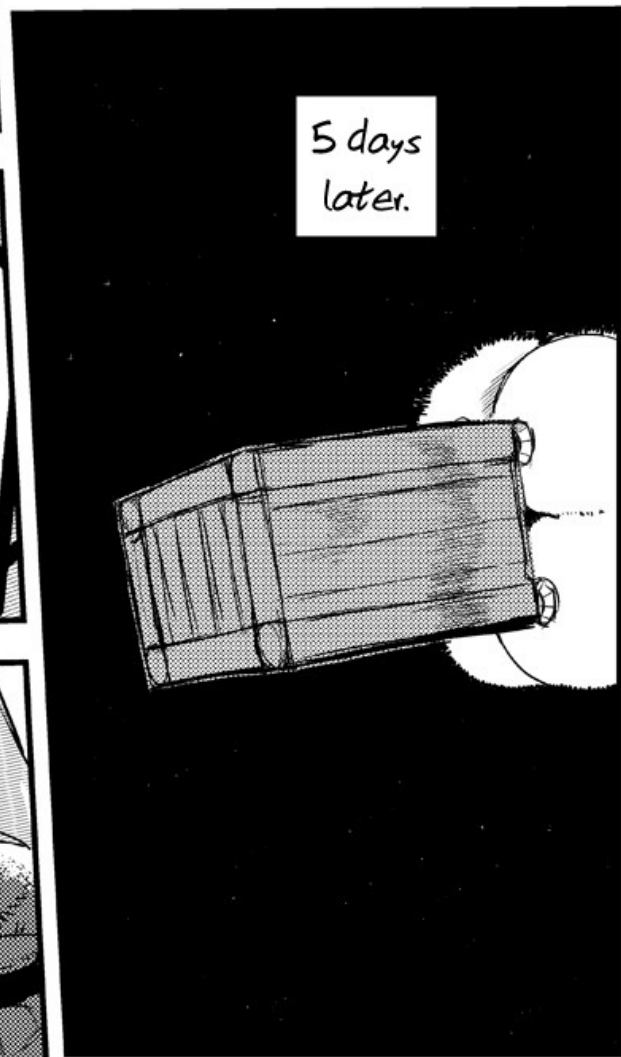

Eri speaking! It's been so long!

Hey there Satoshi!

I want to see you so badly!

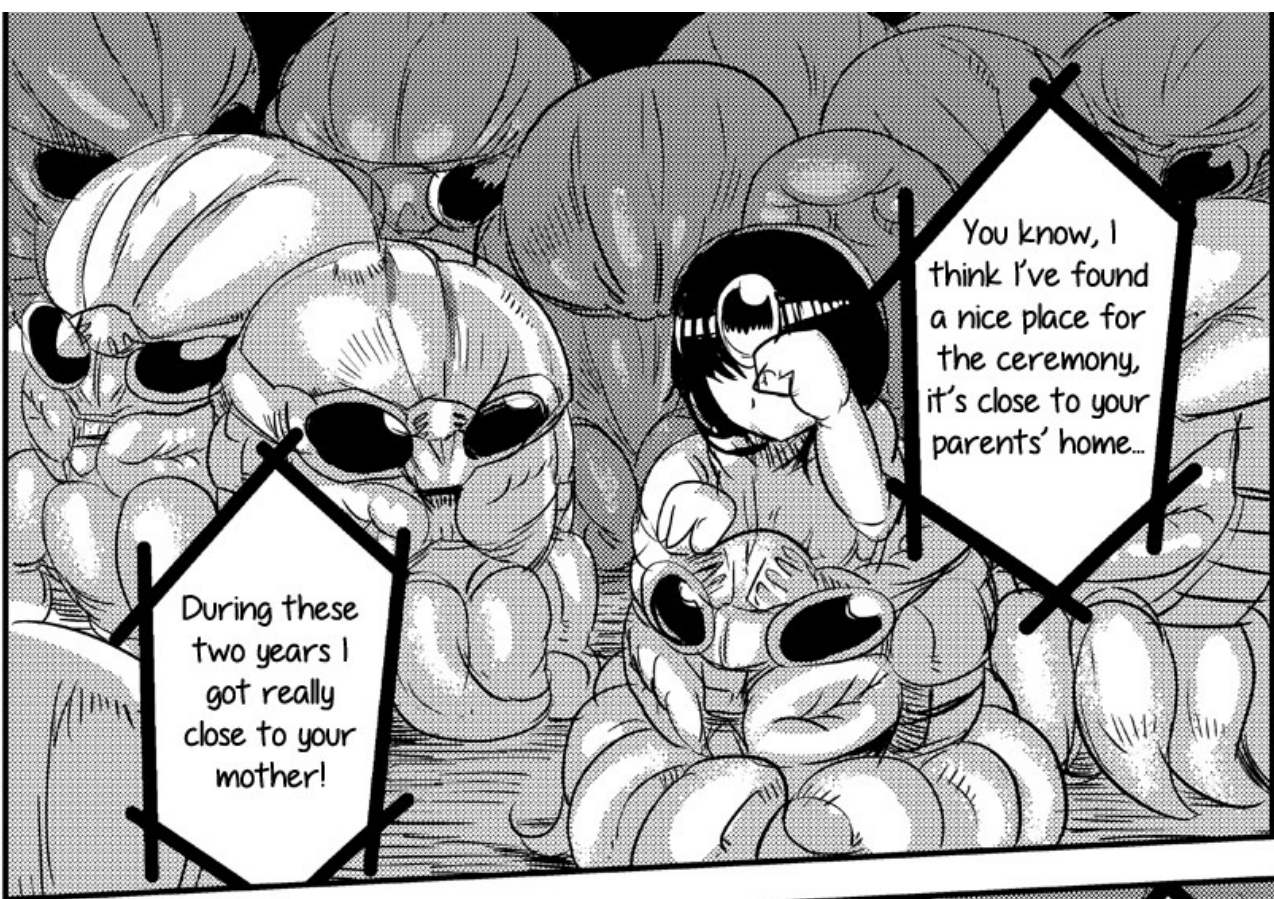

I asked a guy from the company and he let me send you the very first message you'll receive!

5 days later.

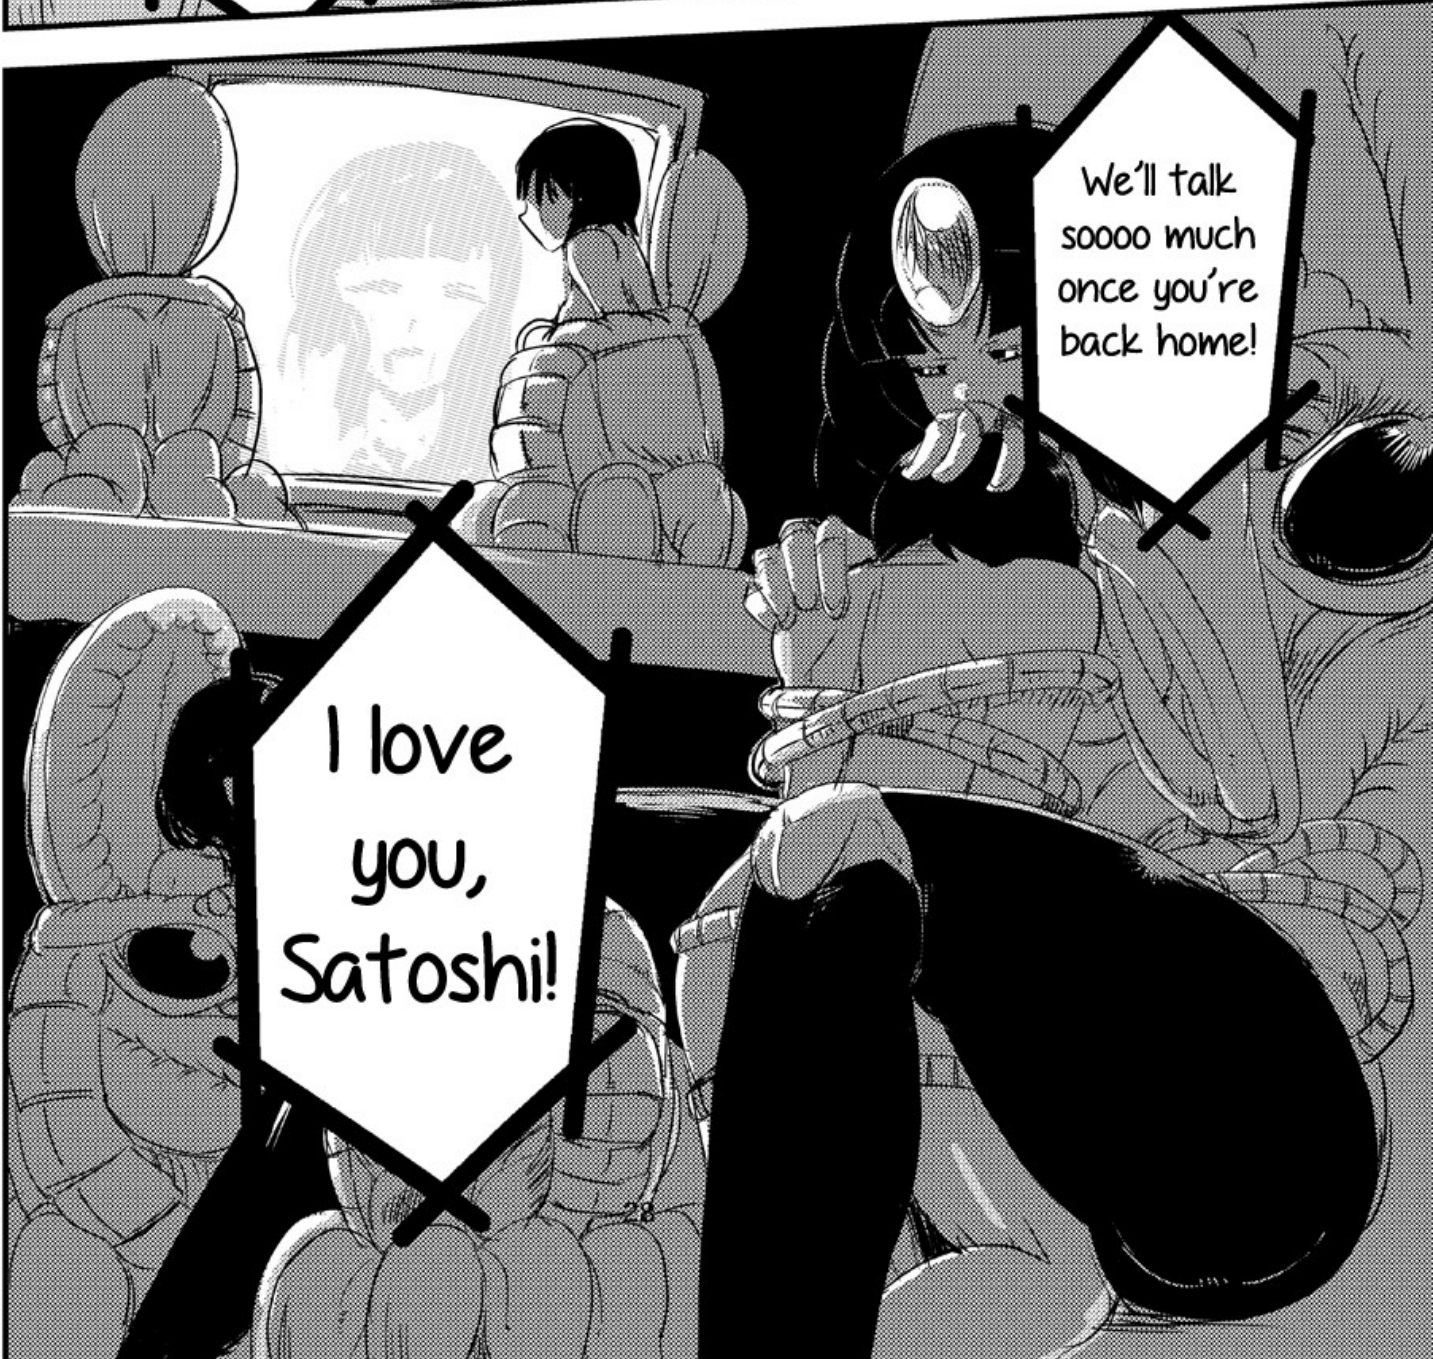

We've both got a lot to catch up on from these two years.

During these  
two years I  
got really  
close to your  
mother!

You know, I  
think I've found  
a nice place for  
the ceremony,  
it's close to your  
parents' home...

We'll talk  
soooo much  
once you're  
back home!

I love  
you,  
Satoshi!
