全開の三つ編みメガネJSと無地パンツ。

In the dreary, deserted storeroom of my cram school...

Good evening!

ついに、来た！
エルオーで描いてくれないかな、どうかな、
かわいいな、ま〇こ紙めたいな、どうかな、
そう思い続けて幾星霜...

with me than it does
with Tsuchida-kun. ♡
Not to toot my own
horn or nothing, but
I'm quite skilled.

What!?

Huh

Huh?!

You look... very cute!!

Me...? Cute...?

No one's ever said that to me... not at school... not even at home....

Wow, you look completely different after taking off your glasses and hairpin.

Tsuchida-kun! Come to the storeroom after this. Alone, please!

Sora-chan's looking a lot more cheerful these days.
