

Oh?
Saeki-Sense's
arrived!

Tokuda!
Come here for
a second!

Yo!

We don't
have any
time now!

Come

fuck!

Not so
loud.

Yeah!
I am going
to violate
you into
oblivion!

I said,
not so
loud!
Goodness gracious...

You sure
took your
sweet ass
time...

Yeah... The
students weren't
very receptive
to being told
they had to
do a pop
quiz...

It took
a while to
appease
them...

You should
have just
told us you
were going to
be late...

You're

drenched!
Good girl!

Hah!

Ah!

Hey!
Not the

pee before-
hand...!

They're
in the
shelf
on the
back...
in the
lower
drawer.

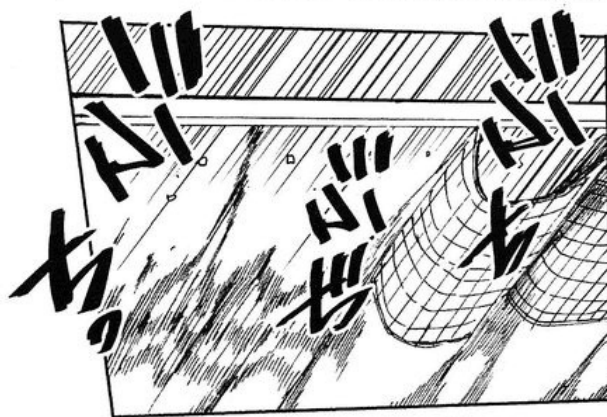

The medicine is giving her a rough time...

Leave the rest to me, ok?

Natsue-cha...

That's enough.

おっ

Is Natsue-chan going to get better?

O-Ok...

Of course, she'll be better in no time.

Ok...

Thank you very much, Miss.

You're welcome.

Ha!

Hah!

Hah!

Hah!

Ha!

Hmm...

We've got to do something about all this...

Ha!

So you do love doing it standing up!

Sensei?

Hau!

Sensei... Haah!

But I'll
study...
really
hard...!

I know
I'm not
very
smart...

I'll...
always...

If I
really...

If I really
manage
to come
back to this
school...

Aah...!
When
that time
comes...
Sensei!

When
that
time

ever
marry
Sensei?

We're...

so...

I'm
22 years

Aah...!
This won't
do at all!

I can't even try
to calculate it...
