Their own
feelings

mytyl

Get ready and come down!

Ah!

Chihine!

Tsugumi-
chan...

Oh,
Chihiro-
chan?
You've
grown up.

It's been
a long
time...

Ahh...
To be
remem-
bering
it now,
it must
be...

Long
time
no
see!

She's the
living
witness
to what I
did back
then!

Ah,
yeah...

and...

Miwa
Tsugumi...
My childhood
friend from
six years
back.

We did
every-
thing
together...

Like
sleeping,
and
bathing...

Tsugumi was
one year
younger than
me, the
daughter of
my mother's
friend who
lived in the
neighborhood.

We were
raised like
sisters when
we were
young.

even
that.

and...

Hey,
Chihine.

Ahh... They
don't know
about it...

I'm so
ashamed...

...mm...

Hehe, it's
been so long
and they're
still close.

Hm?

Can you guide
me around?

It's changed a
lot since I lived
here.

Chi-hine...

I'm awake, you know?

W h a a a a

W-Why are you...

Hehe, I knew it.

W... What are you doing?

Isn't this overdoing it? Are you really asleep?

Mn?

Tsu... Tsugumi-chan?

mhh

nhhhh?

to suddenly say that...

But... we haven't seen each other for so long...

So there's no problem, right?

I love you.

Tsugumi-chan...

Being touched by you.

I realized it was embarrassing when we met today, but it felt good.

Do you remember?

Tsu... gumi...

ah!

That's why I've always wanted... to do it for you too...

hii

ahh!!

And you
always did
it to me
back then.

But...
ahh...

Didn't you
wash it
when you
showered
earlier?

Tsu-

ahh!

Tsu...
gumi...
chan!

ahhh!

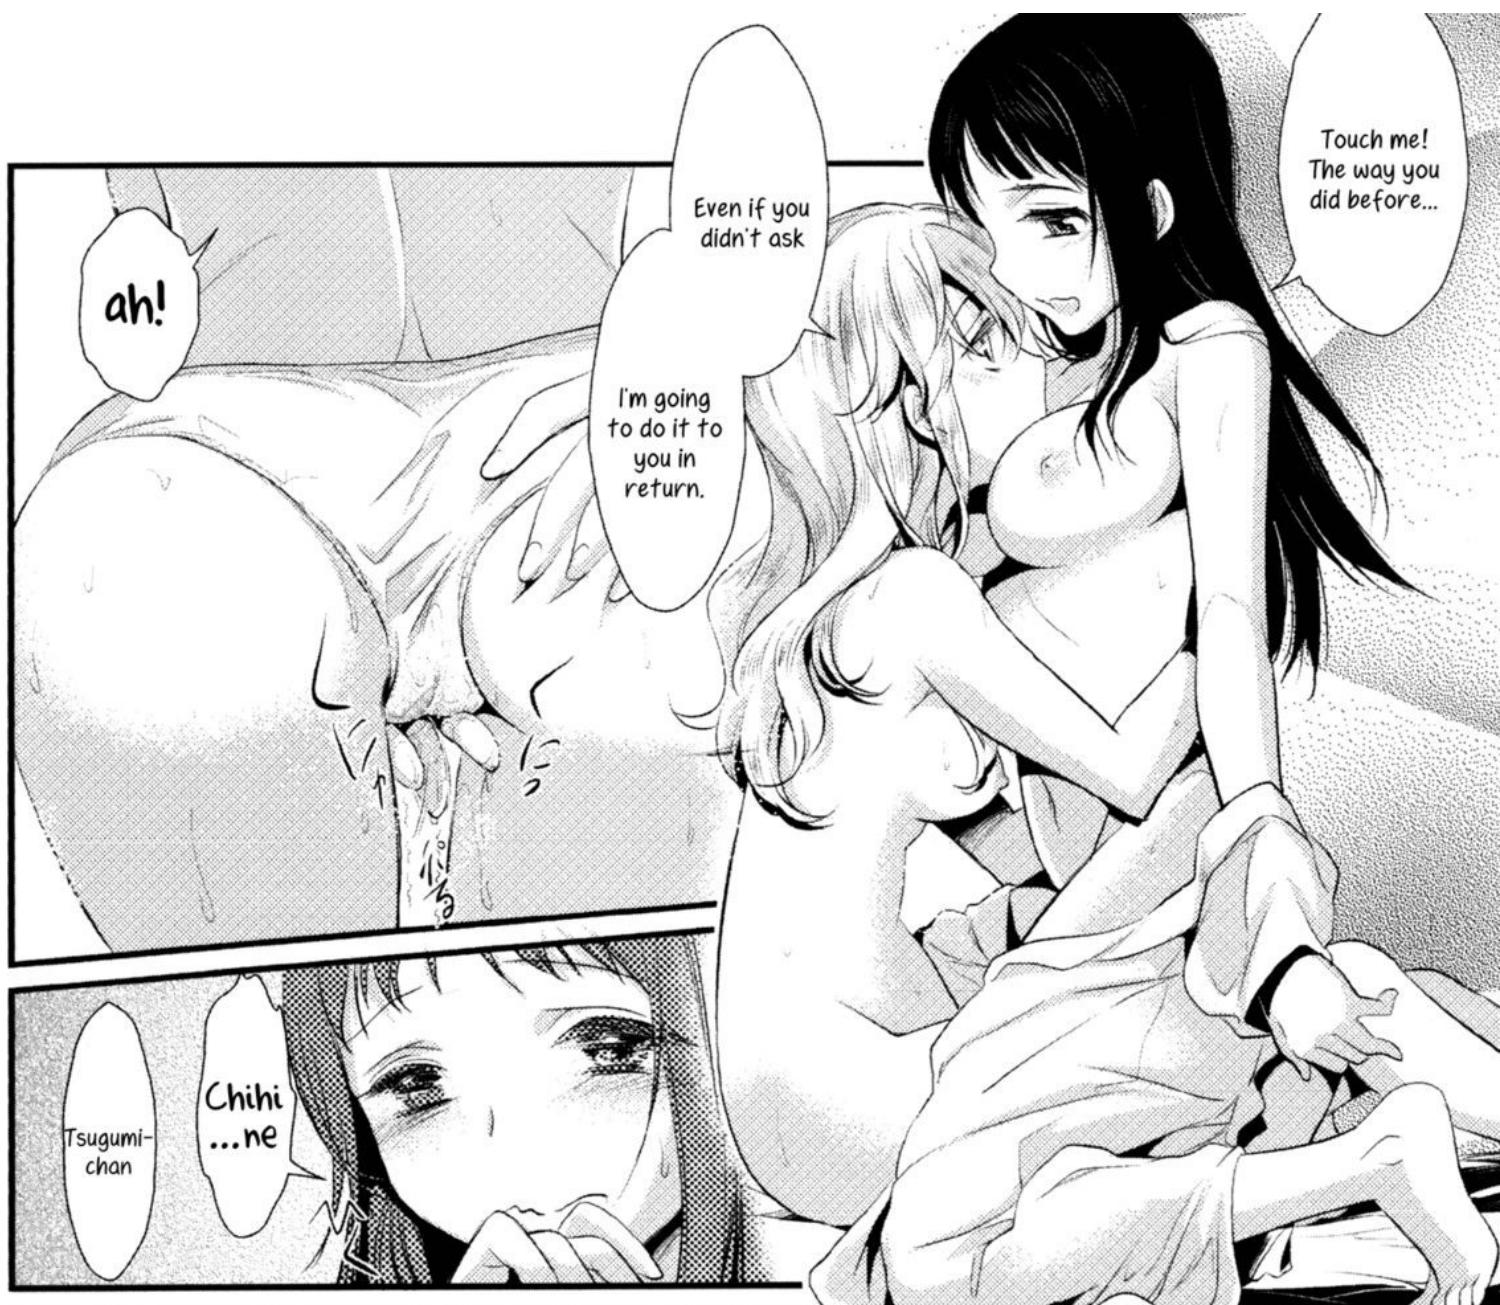

I was
going
to make
you feel
even
better.

You came
already?

Oh...

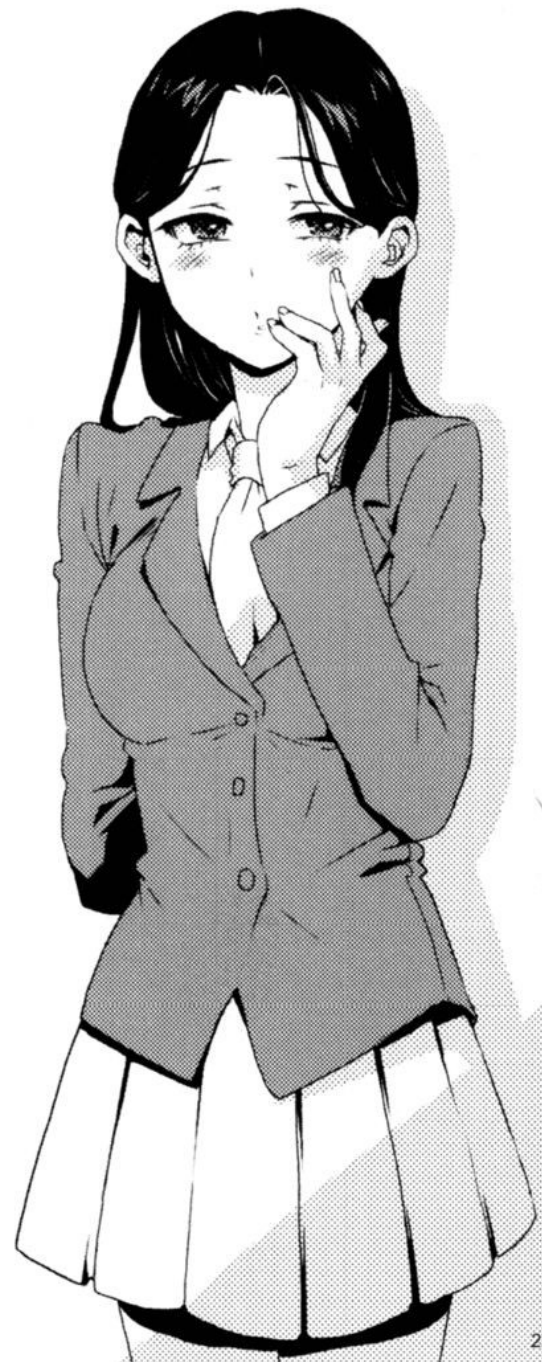

fin.

Tease in
moderation

bu-nong

I need to talk
with you, so
can you wait
for me by the
flowerbed
behind
the building
after school?

juniors are confessing to you left and right. How do you feel about that?

You're amazing. It's not even a girl's school and yet

She'll go out with a guy for a few months, sometimes as short as three days. Thanks to that she's considered the enemy of all the girls in school, and I'm her only female friend.

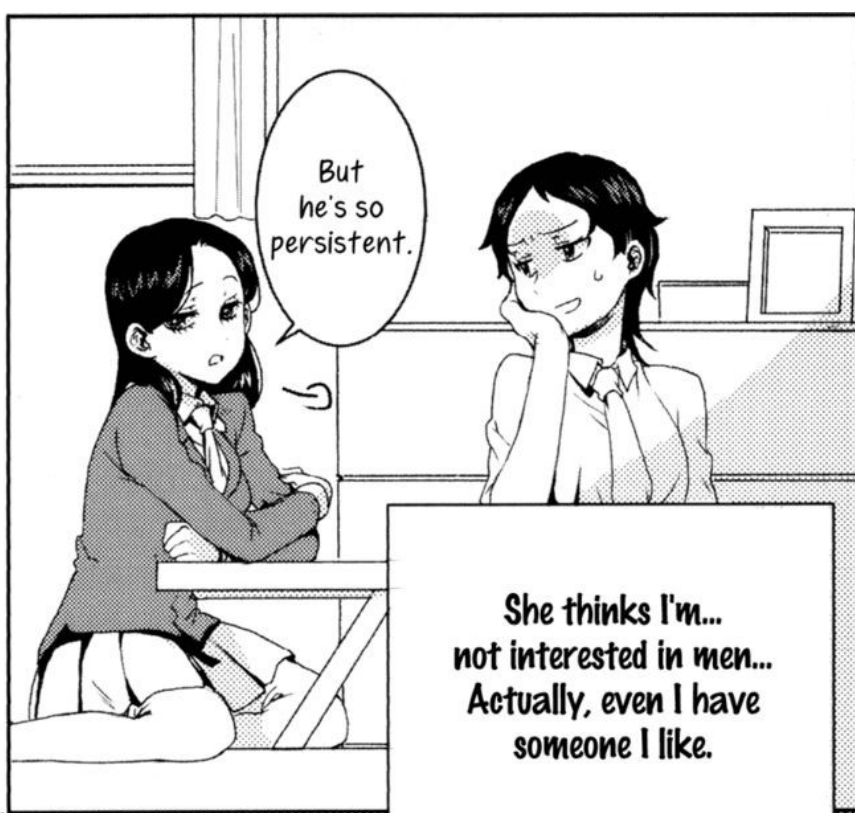

She's been my friend since middle school. Her personality's great, and she looks gorgeous. But she has one big problem.

What? I came because you said you wanted to see me and then this?

A confession or two is fine, right? You're worse, for turning them down too!

That's why I'll accept two candidates next time.

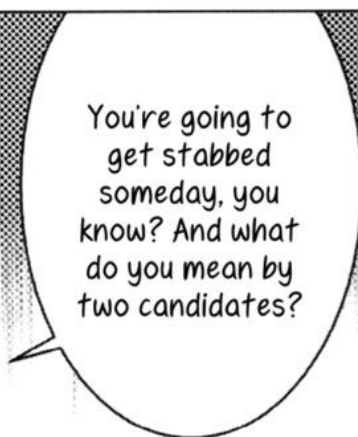

But he's so persistent.

She thinks I'm... not interested in men... Actually, even I have someone I like.

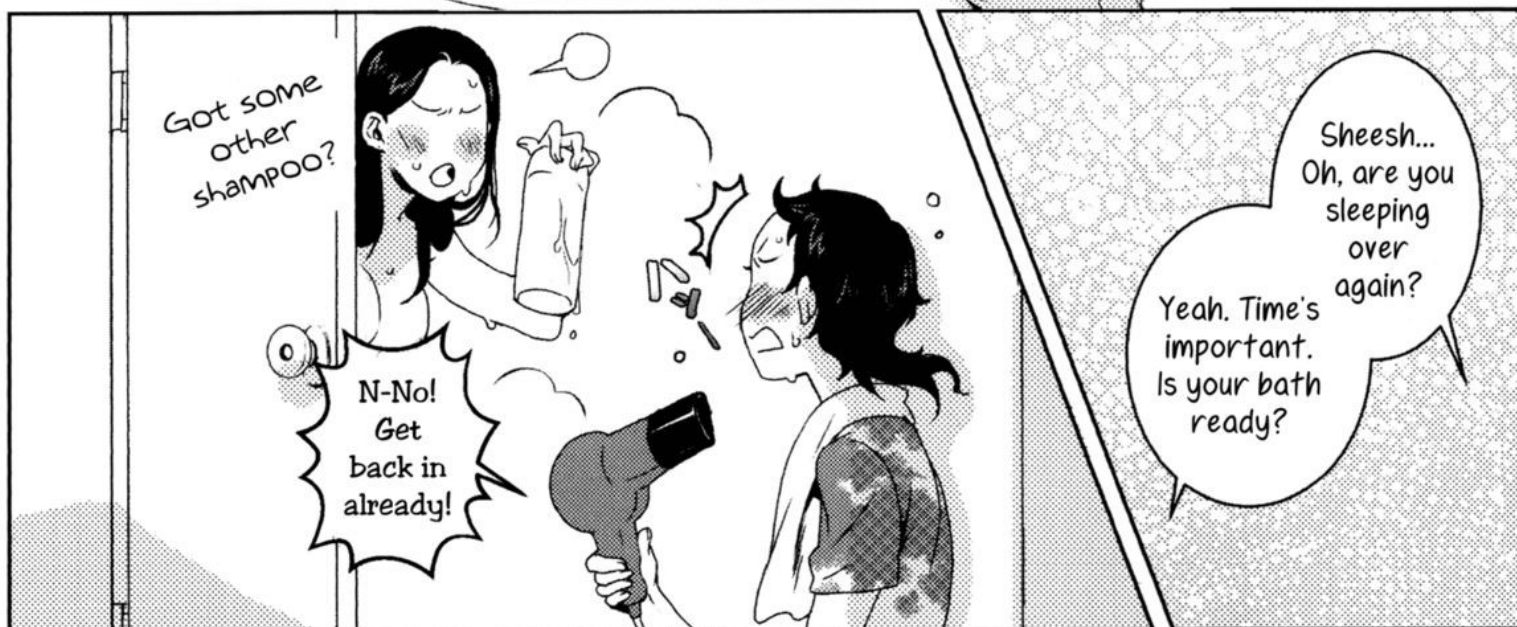

Like a spare for emergencies.

There's nothing wrong with that!

You're going to get stabbed someday, you know? And what do you mean by two candidates?

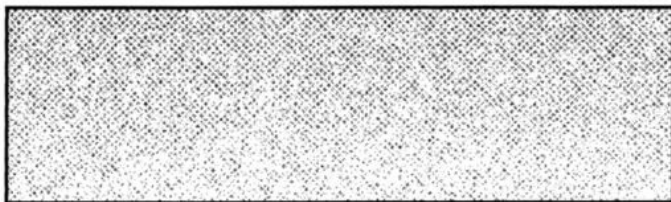

Got some other shampoo?

N-No! Get back in already!

Yeah. Time's important. Is your bath ready?

Sheesh... Oh, are you sleeping over again?

This one's pretty interesting. Got a message, wanna look?

That was such a loud cry earlier. What happened?

Beep Beep

If she actually knew... this would be really cruel of her, always talking about this or that guy.

...Eww.

Beep Beep

I've prepared myself in various ways, you know?

Isn't she cute? Try talking to her.

I've been getting texts about things like his abs and arms all day.

...!? Hey-

Eh?!

Duck!

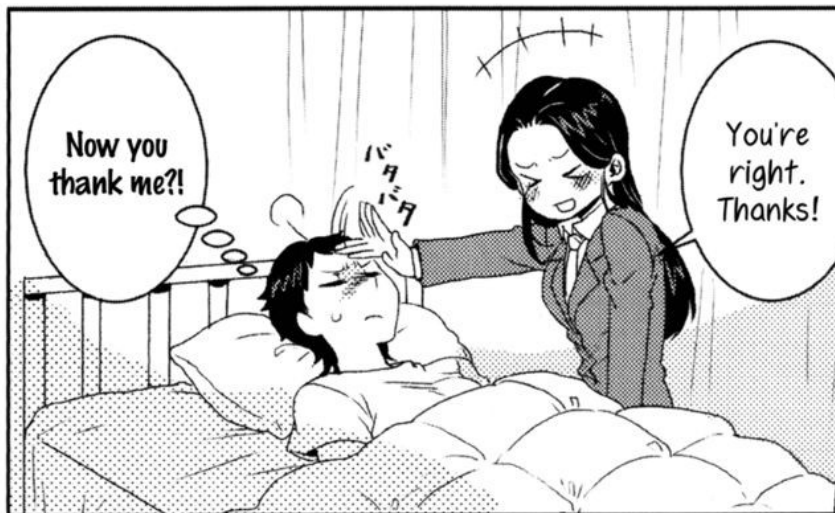

He must be all smelly cause he's the athletic type- Hey, you're blocking-

Hey!

You alright?

Even so, if there was a God in this world, it would be nice if he took pity on me and gave me a reward.

It happens from time to time, but I was pretty unlucky today. I know that doing these things won't make her recognize my feelings.

Now you thank me?!

You're right. Thanks!

That's not what you say to the one who blocked it for you.

How did you learn to block balls with your face?

You looked pretty cool there.

I can't... Why am I so confused? What should I do in this situation?

No, I mean-

Uwah!

I just blurted that out on the spot... Pass it off as a joke?

Hehe. If you were a boy, I'd talk about rewarding you and make my move! In bed service!

I'll take that reward, then.

Naturally... smile...
like I'm teasing her!
Don't let her realize
I'm nervous!

I'll just laugh and
tickle her when she
gets in, and that'll
end it... yeah!

That ball
hurt... Can't
you reward
me?

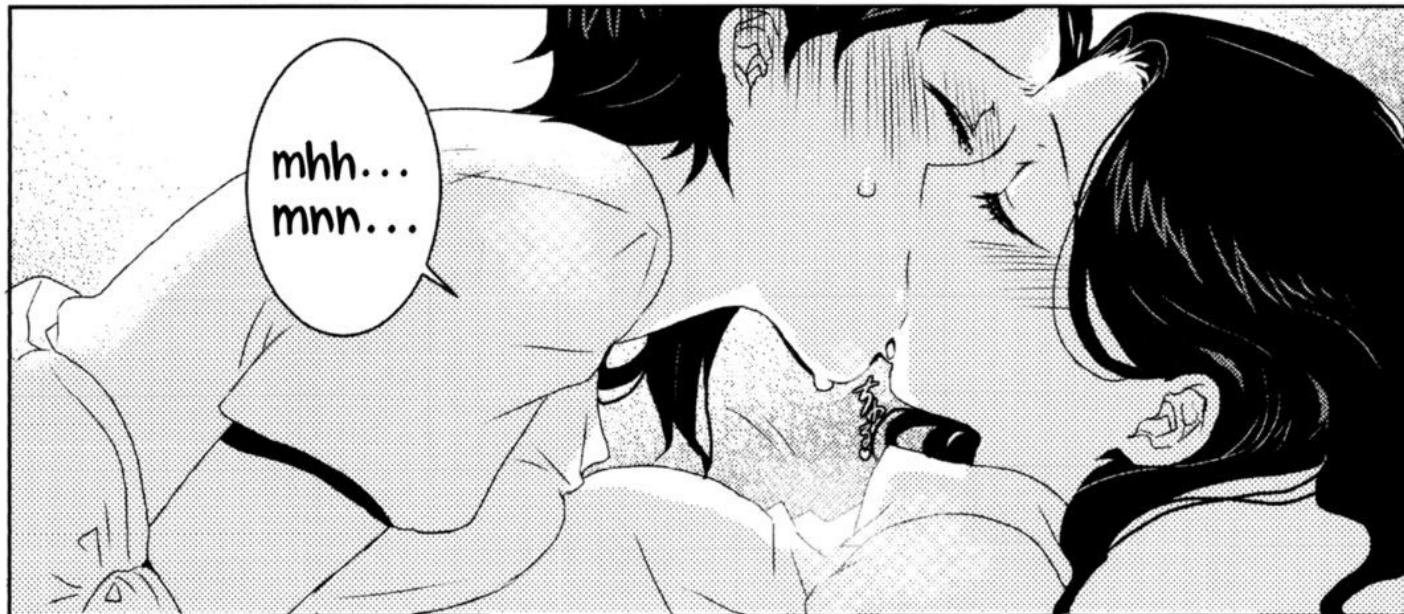

Eh?

Mm...
Okay.

Hey! Why are
you taking off
your blazer?

...We can't do this. You'd be disgusted, and I was just... teasing you, so let's end it here.

...God, this reward is just too stimulating. The way we are now...

kiss

Your chest's pretty big.

They're my pride,

you know.

Yup.

So that's a "yes"?

You're proud of how big they- hm?

It's unfair for me to be the only one naked! You take off your clothes too!

H-Hey! What are you pulling my shirt for?

They're
just fine.

And I like them
for their
shape.

...They're
... small...

Go a
little
slower!

くちゅ

ぬちゅ

くちゅ

Uwah...
We're
nude and
so close
to each
other...

hey...
mh...

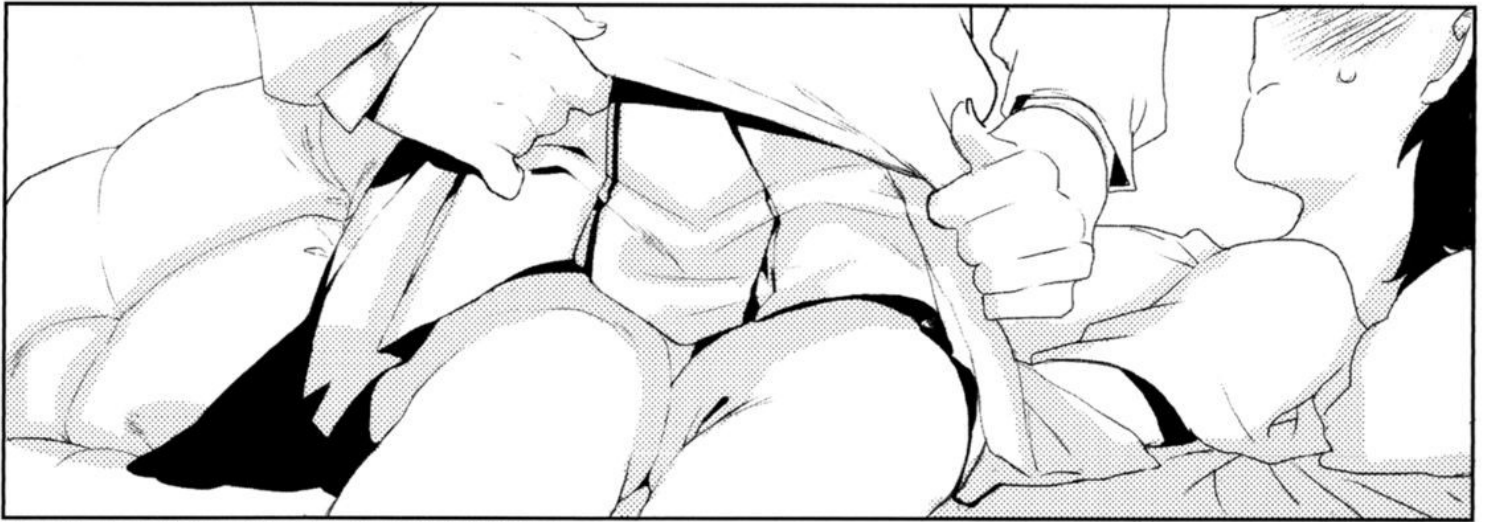

No... this is....
how can I

act normally around
her after this?

....Why are
you crying?
It's as if I
was punishing
you instead
of giving a
reward.

Another text? You're meeting him after this, right?

...She probably mentioned the reward on a mere whim.

There's no point in expecting anything. It'll hurt for a few months... but I have to act as if nothing happened.

Didn't I say that I didn't hate it?

I may look like this, but I'm not the type that would talk about other men right after sleeping together.

...Eh?

end

You wouldn't
sleep with
someone you
didn't like,
would you?

Afterword

Nice to meet you, I'm Mytyl.

This is a reprint of the book that came out in Comitia the other day.

I tried fixing up a few areas I thought were lacking.

Thank you for showing interest in it!

I've always been in a doujin circle, but I wanted to draw erotic yuri-

So together with Bunong-san, whom I got along with well,

we formed a circle and released this work.

It's been a long time since I've done a collaboration,

so there was quite a lot of trial and error, but it was fun.

Using this experience, I think that it'll go smoother in the future.

Please take care of me from now on as well!

To all my readers, as well as my partner Bunong-san,

thank you very much!

Let us meet again somewhere! ^^

-Mytyl-

Nice to meet you, I'm Bunong.

Barely meeting the deadline for Comitia,

I reflected a bit over how unfinished it turned out.

And so we went and published this.

It's still quite shabby, but if you enjoyed reading it,

I'd be delighted.

As I've always been doing copybon,

I had no idea how printing worked

and caused a lot of trouble for Mytyl-san.

Sorry. And thank you.

Please support me in the future as well!

-Bunong-
