

A BOY'S PLEASURE STARTS WITH "I CAME FOR THE FIRST TIME", MOVES ONTO "I CAN COME WHENEVER I WANT" OR "I CAN COME AS MANY TIMES AS I WANT" UNTIL IT EVENTUALLY THURNS INTO "SHE'S GOING TO MAKE ME COME".

The deep silence during class...

Gossip about tv celebrities...

Everyone's happy chatter...

How does it feel? You haven't been in this classroom for a year.

I made it Expulsion happen.

Even though school life goes on like it always has... you can no longer be part of it.

haa

Even though you were in such a dreadful situation, your precum kept dripping out and your arousal did not wane...

Why is that?

However, there's something terribly wrong with this picture. Can you tell what it is?

And while all the other students went about their lives... You were here, locked inside this box save for your dick.

...lovely.

Huhuhu!
You hold
your tongue
for a whole
day and that's
the first
thing you
say?!

Haal
Haal

Haal
Haa...
I wanna
shoot...
I wanna
cum..!

But
I didn't
think you'd
be so
obsessed
with it that
it'd become
your catch-
phrase. Your
"I wanna
cum!".

I mean, I did
keep you on
edge without
ejaculating
for a whole
year...

In order
to keep you
on the verge
of ejaculating
every day,
I had to take
the utmost care
of your dick.

Aaah!

I shouldn't
brag, but it
was actually
quite a
hard feat,
you know?

Isn't there anything else you'd like to do?

オオオオ

Ha!

Ha!

オオオオ

Ha!

Even after all the trouble I went through in order to bring you to the classroom?

I wanna cum!

I wanna cum!

I wanna cum!

Yeah, I thought so.
You're so obsessed with cumming that you don't even care about anything else.

I wanna cummm!

Ha!

Your precum
is flowing out
of your dick
like pee!

Cum!!

I
wanna
shoot!

Woow!
This is
new..!

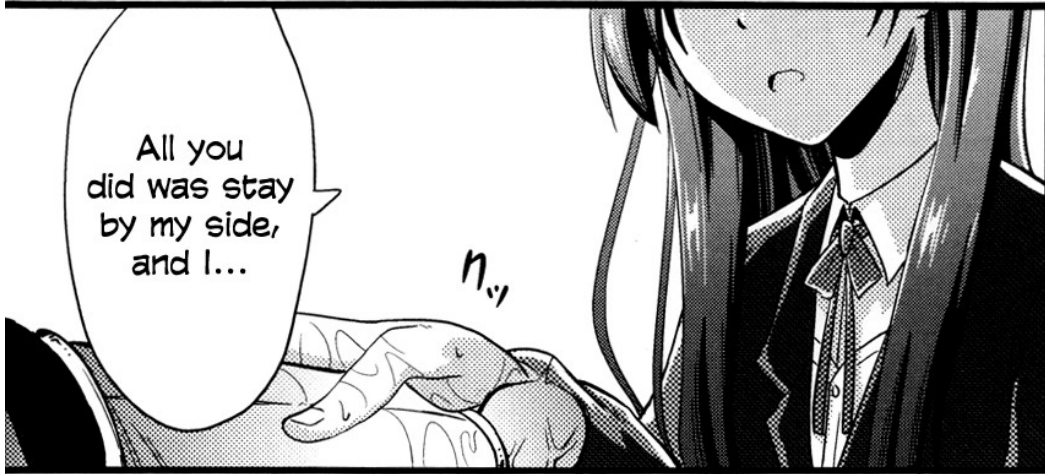

I really
think there's
no one else
who could
do that!

So misera-
ble...

So
lovely...

All you did was stay by my side, and I...

h..y

...but I think you actually despise me, right?

I think I feel like we're destined to be together, too...

I've made up my mind, I'll never leave you no matter what you do!
My destiny is to be with you, Yuki, I can feel it!

I'll never, ever say no to you!!

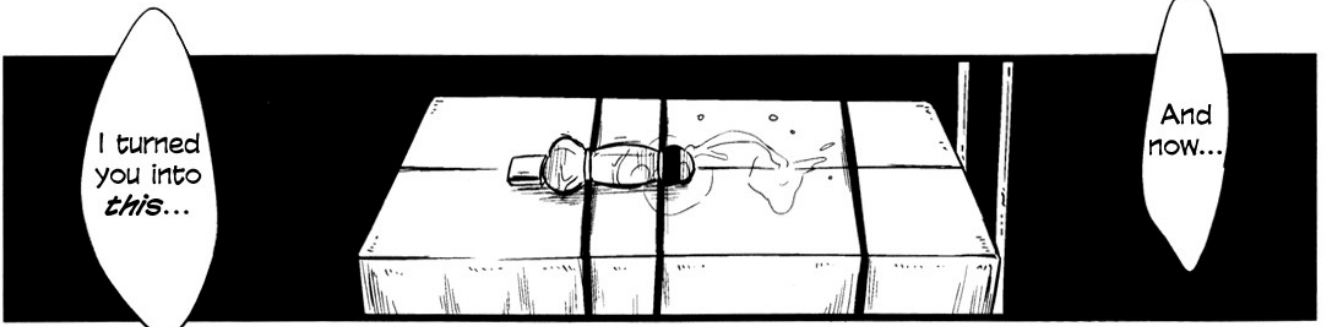

I've never thought about leaving you!!

Really?!

Aren't you close to your limit? If you wish to part ways, I won't try to stop you... Even if I don't want you to...

I turned you into this...

And now...

I want to go on teasing you no matter what...

Forgive me.

In exchange for being able to torment you... But that... That is something I decided myself... I've had to give up everything else in my life so I can take care of you...

As I grow to like you more and more, these *things* rising from deep inside my heart also get harsher and crueler...

Forgive me..!

Ha!

Haal!

Ha!

Even though I'm apologizing...

I CAN'T STOP BEING TURNED ON! I'M SO SORRY!

Ah

Ah

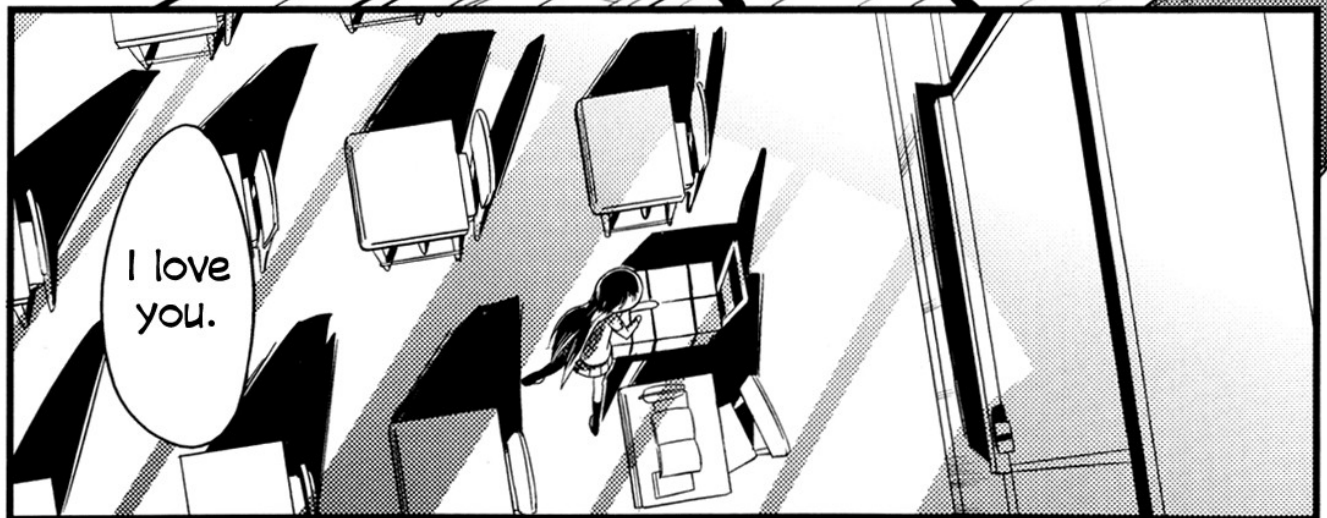

Oh

You can say whatever you want, even that you despise me!

What?

Ha!
...YUKI!
Ha!

I love you.

Me too!!

I love you.

GAGAHAAH!

I love you!

GOOZZZ MUAAA!!

CUM CUM CUM CUM !!

AAAAHHA

My one and only love!

Uuh!
I wanna
cummm...

I was
really
about to
let you
cum!

Huhu...
That was
close...

After a
whole year,
let's walk
home
together
again!

It's
getting late.
Let's go
home.
I brought
your old
uniform!

...ok.

But
we're
done for
the day.

Aah...
When
I bring
you to the
peak of
excitement...
You're
incredibly
sexy!
