The comic strip consists of three panels:

- Panel 1:** A close-up of Mizuki's face as she stretches her neck back. Sound effects "ズッ" (Zu) are written near her head, and a speech bubble contains "W AH".
- Panel 2:** Mizuki looks surprised or questioning. The English text reads: "Does it feel good, Mizuki!? Flexibility is important, right!?"
- Panel 3:** A close-up of Mizuki's eyes looking down. Sound effects "ズッ" (Zu) are repeated. Her speech bubble says: "S... Sensei... this is just..."

If you want to end it sooner then put forth some effort and start shaking your hips too, Mizuki!

Please hurry up and take your penis out and get back to the vaulting lesson...

It's enough already!

It's all because you have these heavy breasts, despite only being a sixth grader!

FUEEE!!

Fuee... is that so?

In the first place, judging by your breasts, you and vaulting boxes really don't go well together

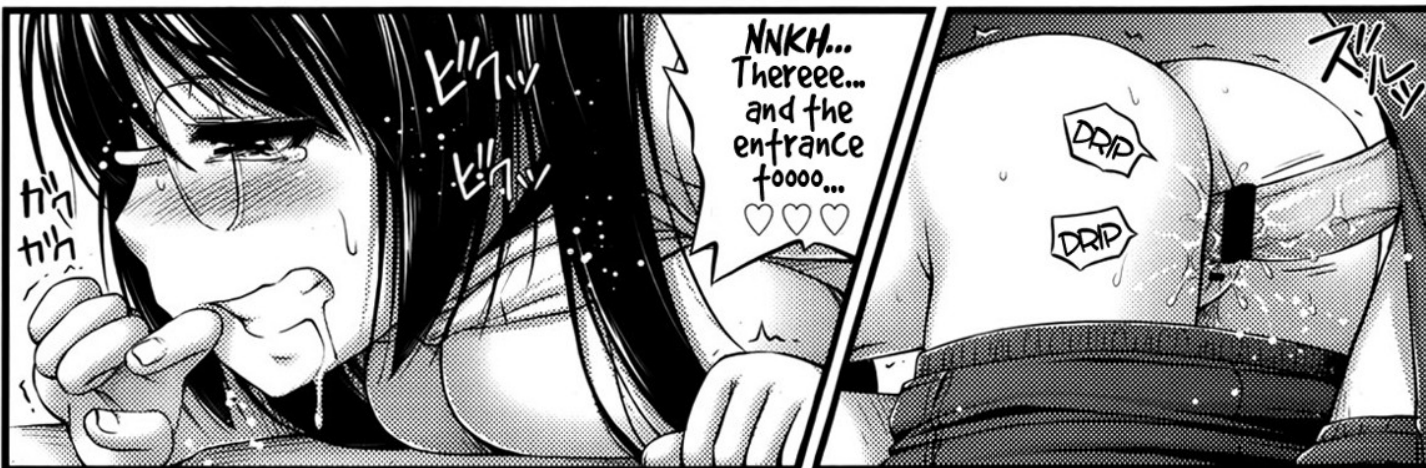

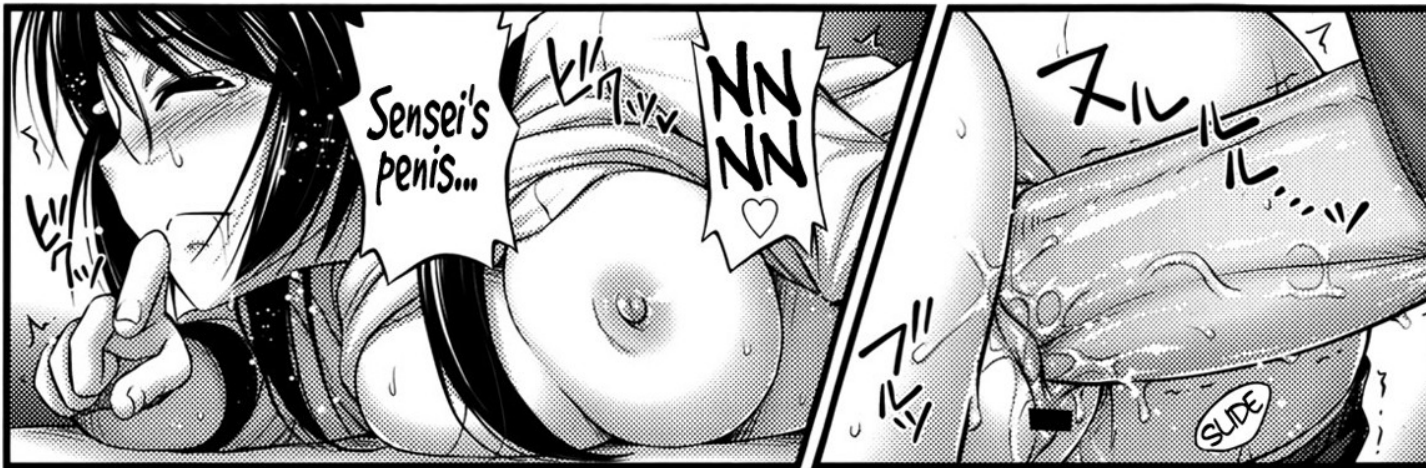

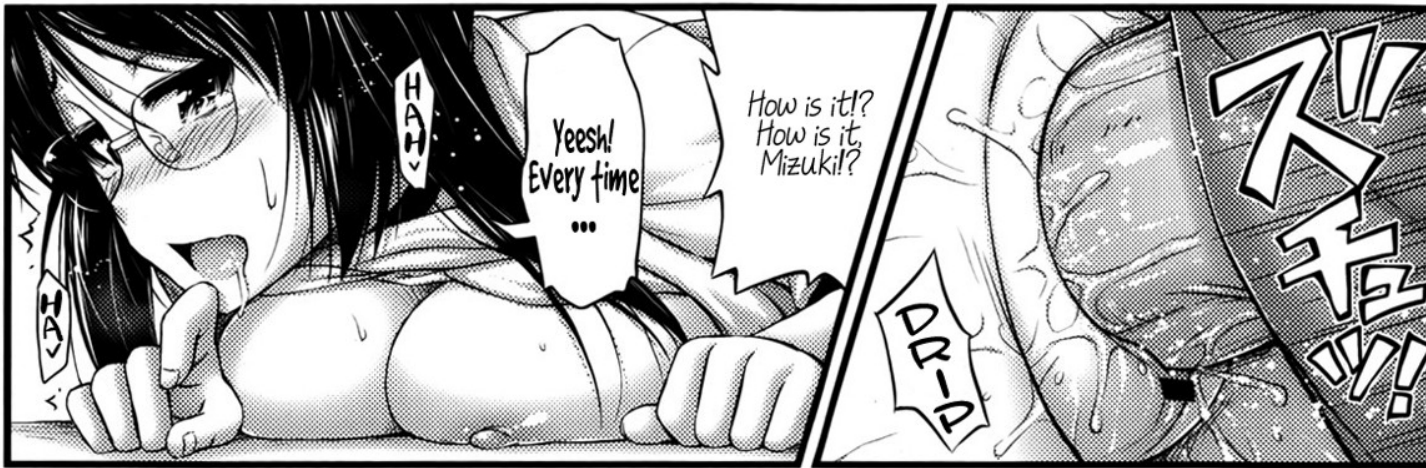

"That's why?"

A-... Alright...

And so that's why I'll make sure to massage them plenty

Yeesh...
