Hey! Hey!

presented by まきお

This again?

Huh?!

This little girl who's always asking troublesome questions is called Chiko.

So?
I'm curious!

Our Mimi-chan recently had a baby!

Meh?

Wait a minute, Chiko...

Chiko...

Ta-chan?

She's a neighbour's daughter who took a shine to me.

She's very inquisitive about the most peculiar things...

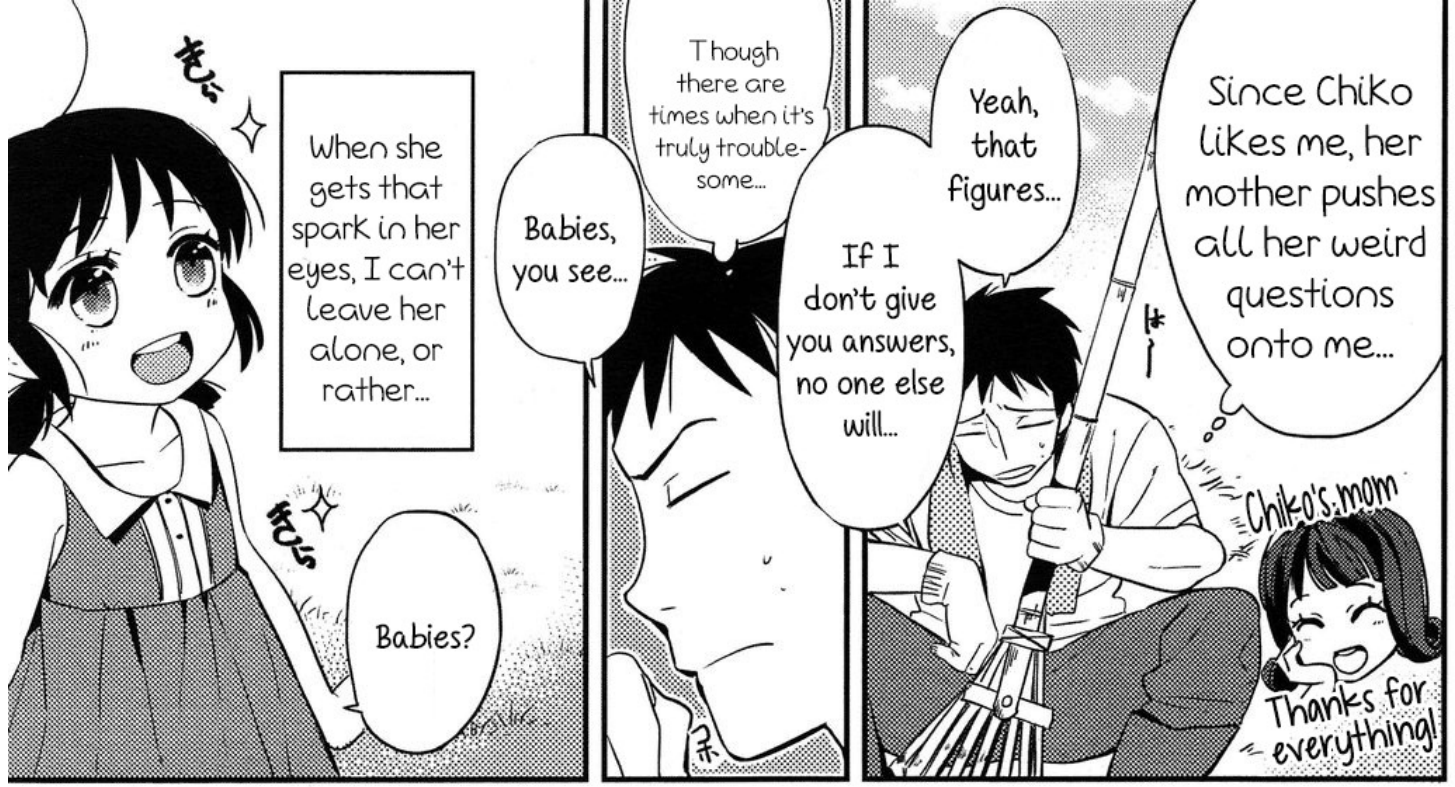

Meh?

Yeah!
I asked mom too!

She told me you'd teach me!

You asked your mother the same thing, right?
What did she tell you?

That old hag...!

When she gets that spark in her eyes, I can't leave her alone, or rather...

Babies, you see...

Though there are times when it's truly troublesome...

If I don't give you answers, no one else will...

Yeah, that figures...

Since Chiko likes me, her mother pushes all her weird questions onto me...

Babies?

Chiko's mom
Thanks for everything!

I wonder if this is what it feels like to have a kid sister...

Say what...?!

I saw it!

That's not true! she came out of her mom's butt!

A large stork delivers them...

In this situation, you gotta go with the classics...

Eh!!

She gushed out of Mimi!
Mimi (Mother. goat)

How did a baby ever find it's way into Mimi's butt?

I don't get it...

Darn farm kids...

If the stork story won't work...

Hey! Teach me!

Hey!

Ha

Yeah... You'll get it when you're older.

Let's see...

No can do!

Eh? But I'm already eight!

What about when I turn nine?

I'm older than Mimi-chan!

Mimi-chan's a goat...

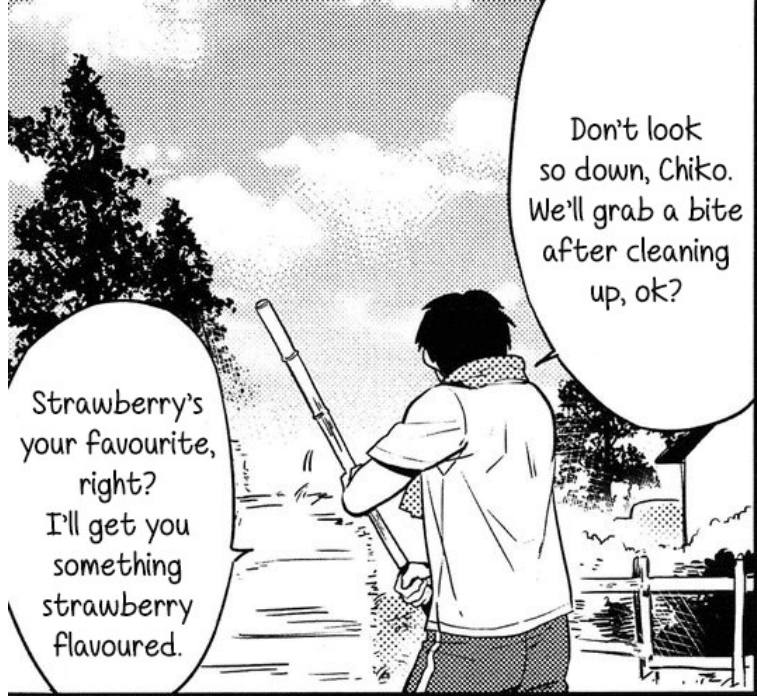

Nope!

But I wanna know...

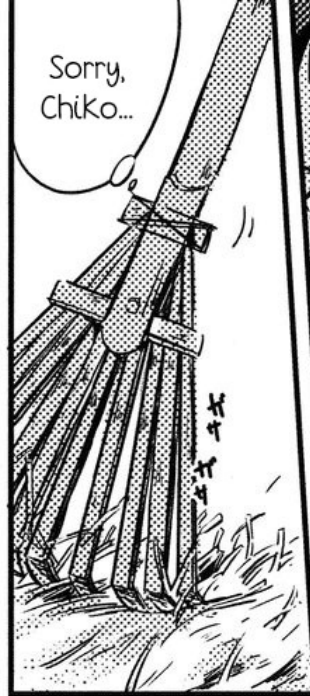

Gloom

Aww... Ta-chan won't teach me either...

Strawberry's your favourite, right? I'll get you something strawberry flavoured.

Don't look so down, Chiko. We'll grab a bite after cleaning up, ok?

Sorry, Chiko...

Don't look so sullen...

She looks so dejected...

Would you like that?

How 'bout it?

fuuu

Chiko?!

Yeah!

So I'll just look into it myself!
Ta-chan won't teach me...

Wha-!

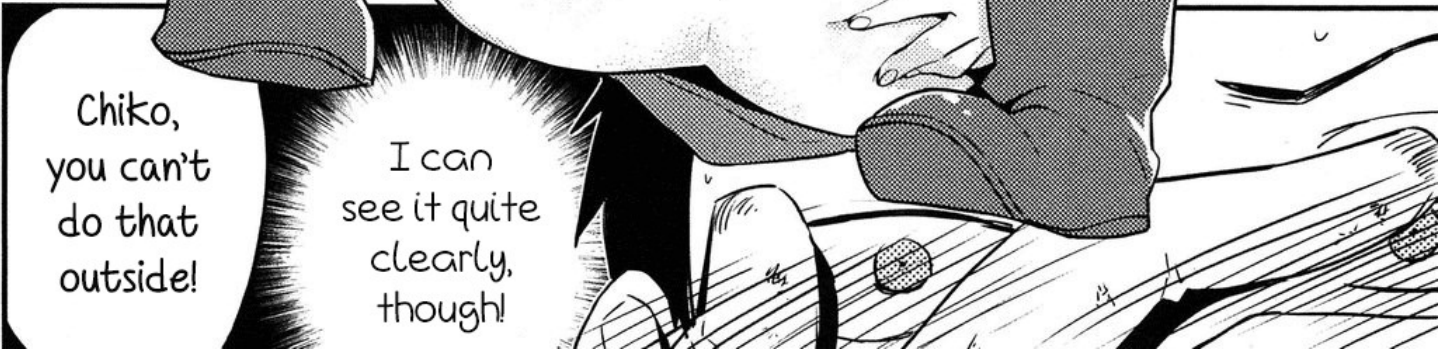

Investi-gating?!
Investi-gating!
What are you doing, Chiko?!

I can't see my butt-hole very well...
But... mmh...
Nh

Chiko, you can't do that outside!
I can see it quite clearly, though!

Found it!
My butt-
hole!

Ah!

Why
not?

I'm
curious!

Ta-
chan,
do you
know?

I do,
but...

How
would a
baby get
inside?

Hmm...
But it's
so small...

Someone
might see us...
I've got to
make her stop
quickly!

Ah!

Jo.

I need to come
up with a new
explanation...
No, before that...

Ta-
chan!
Look!
Look!

There's
something
here too!

Tha...

Am I having a baby, too?

Mimi-chan also started leaking before having a baby!

That's not very likely...

Ah!

The more I touch it the slimier it gets...

Ah!

Ahh

Ah

This is bad...

It's gushing, and it feels really good...

Ahn!

Ta-chan!

I can't...

Something's coming out of me...

I can't take it anymore...

But you've got to keep it a secret... Ok?

Chiko...

I'll teach you how babies are made...

Yes!

Stick a penis inside? How?

You're supposed to stick a penis inside those slimy nether regions...

You'll know soon enough...

Ah!

Mmh...

It's starting to feel good again, that you're touching it...

Chiko, if you do that...

Uh...

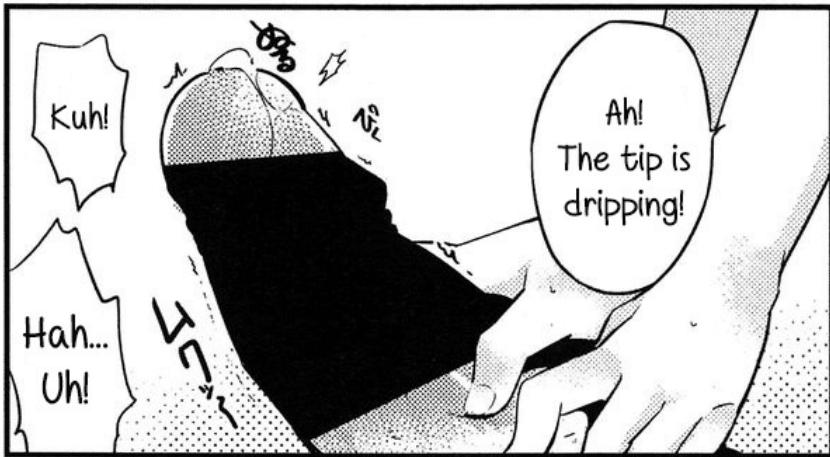

He~h...

it'll turn into a baby?

When that goes in...

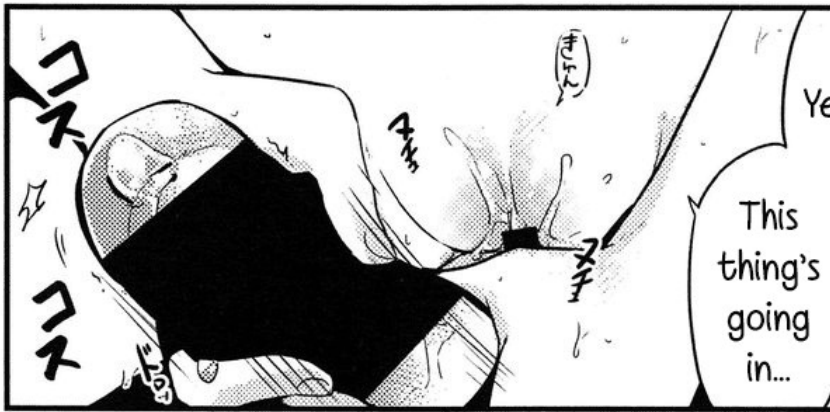

What? No, wrong!

Kuh!

Ah! The tip is dripping!

Hah... Uh!

Yeah...

This thing's going in...

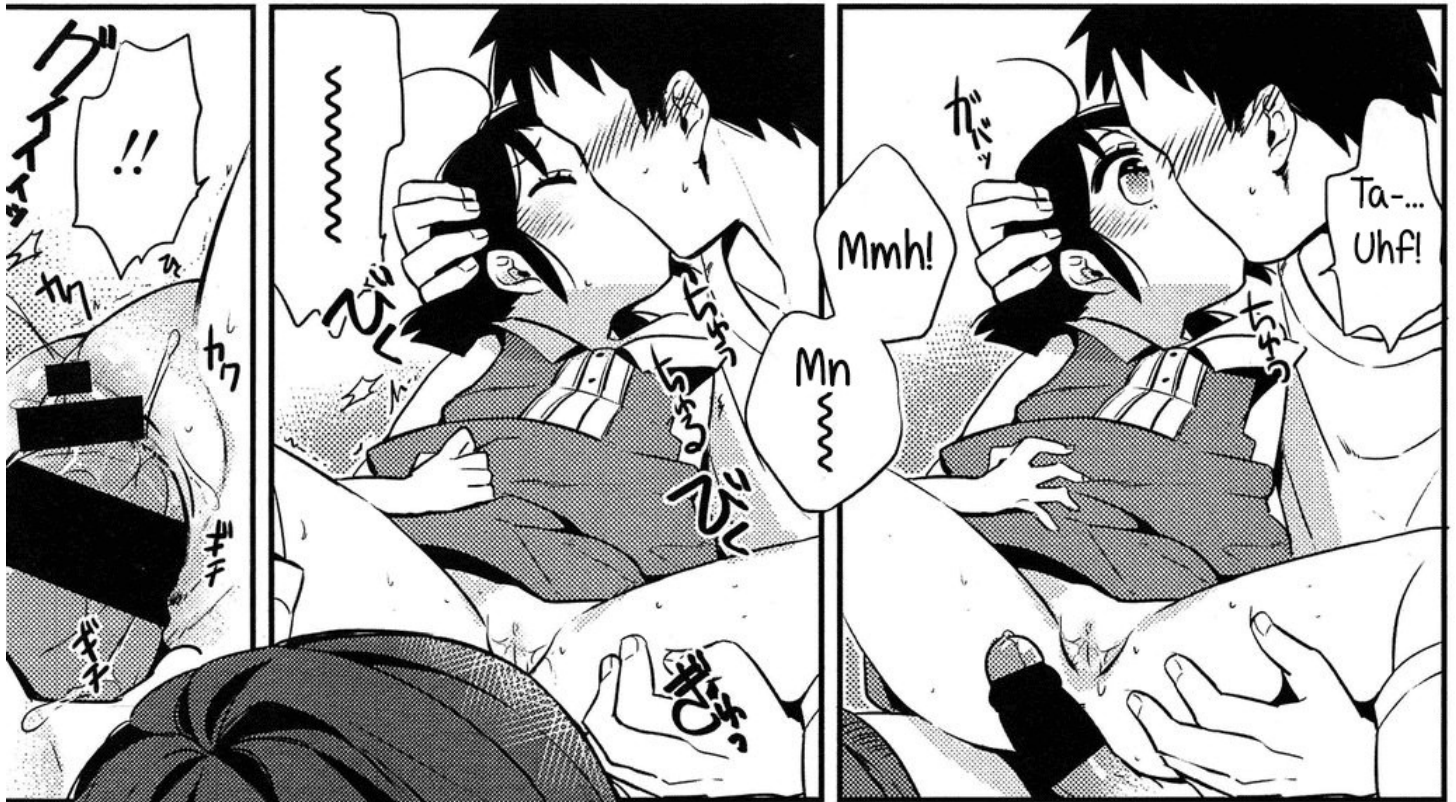

Chiko...

How interesting...

It's so hot and hard...

I wanna put it in quick!

If you move...
Ahn!
Aah!!

Ta-chan's
pulsating
penis...

Hau!

It
really...

An!
It went
inside
me...

went
in...

Chiko,
are you
ok?
Does it
hurt?

Ah

Yeah!

I'm
fine...

My belly's
become
full with
Ta-chan's...

Ta-
chan!
Fuah!

An!

Ah!

That place
feels really
warm...

Ah!

Ha~n!

Aan!

Fua!

An!

Ah!

Fua!

Aan!

I'm having a baby...!

Fuuaah

Ah...

From now on, only do it with someone you love. Get it?

It's a bit late to say this, but se... no, baby making...

Ah... I'm the worst... How could I do this to my pseudo-sister...

"Get pregnant?" Really?!

When the baby comes out... I want it to be a boy!

Huh?

That means...

Kay! So just with Ta-chan, then! I get it!
