夏。旅立ちを前にした青年には、ひとつの心残りがあった…。

You're going so far away.

Yuusuke.

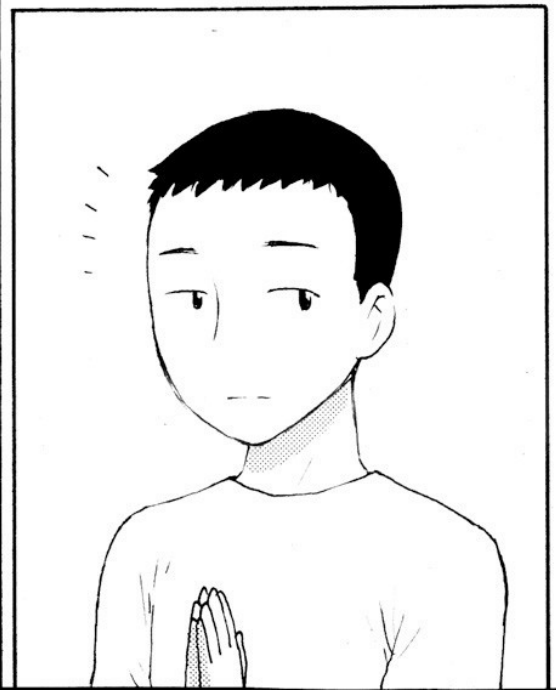

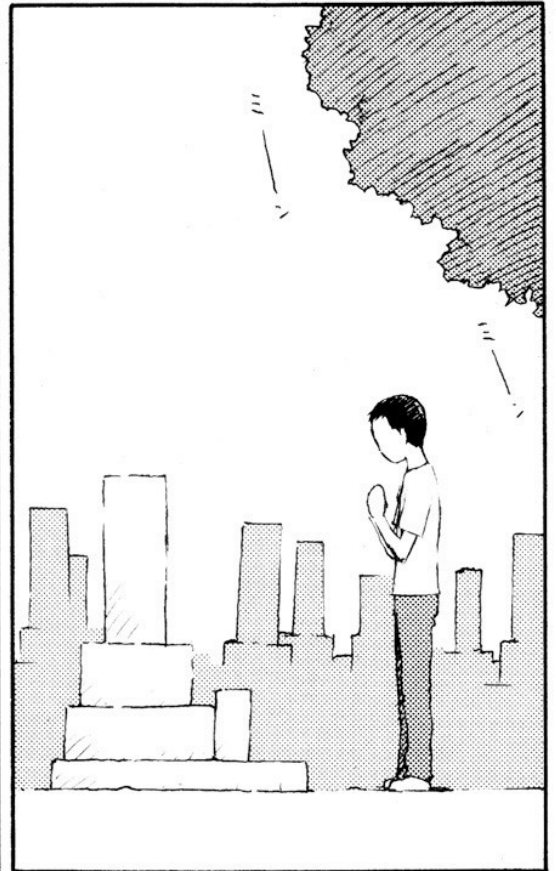

I thought so.

I'll be lonely with you gone.

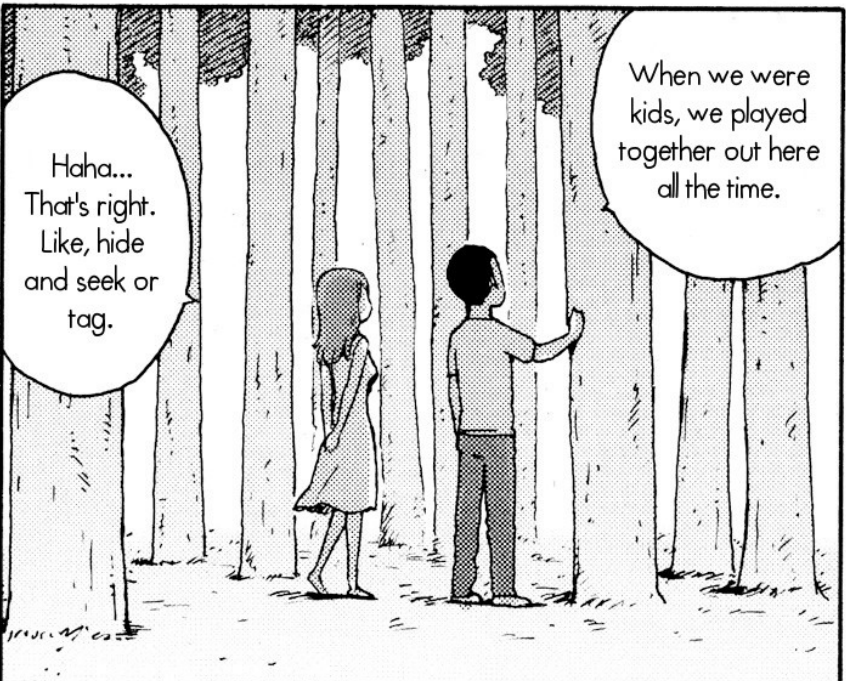

I see.

I'm moving tomorrow.

...Yeah.

Suzuka...

Haha... That's right. Like, hide and seek or tag.

When we were kids, we played together out here all the time.

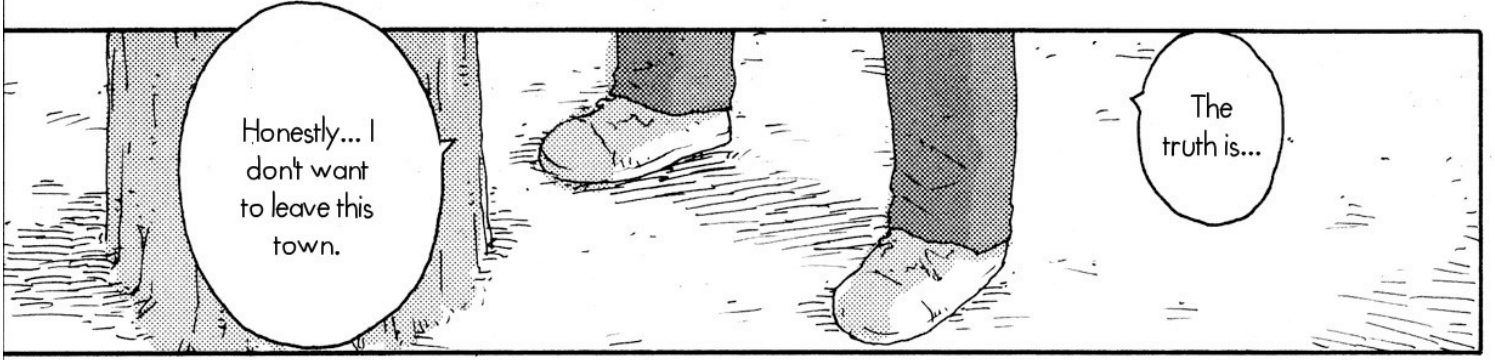

It's so nostalgic.

...

And so much more...

It's near the cemetery, so the priest would always get mad at us.

Honestly... I don't want to leave this town.

The truth is...

And...

And my friends are here.

It's my birthplace after all...

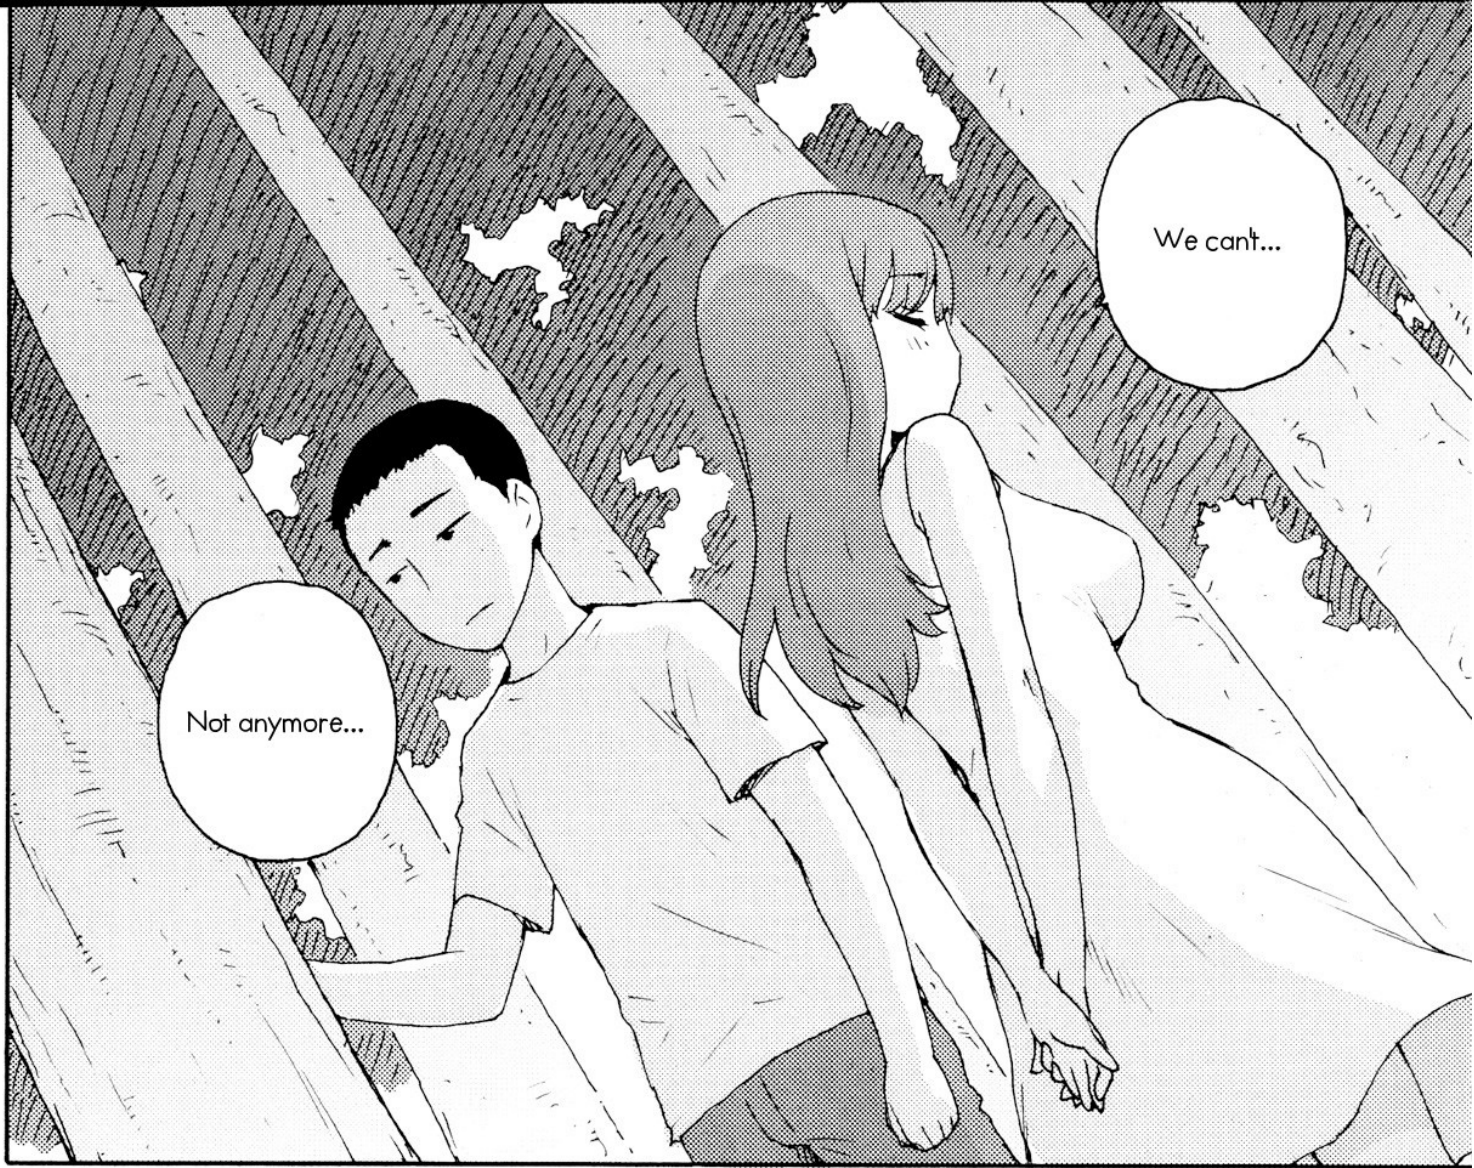

You can't.

Yuusuke...

Still love yo-

l...

Not anymore...

We cant...

Not anymore...

So, I'm leaving
this town.

...Yeah. I
know.

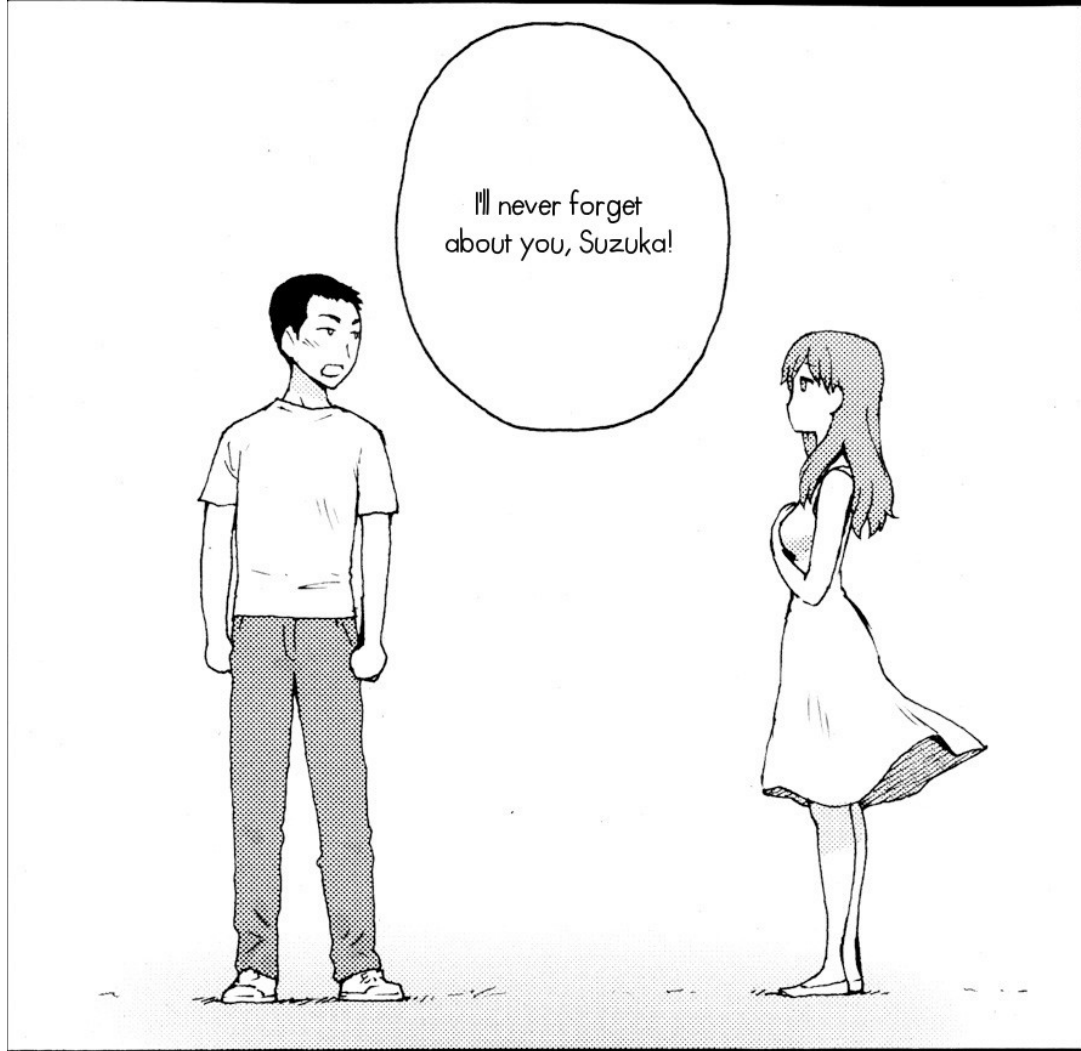

And, I'll be
happy!

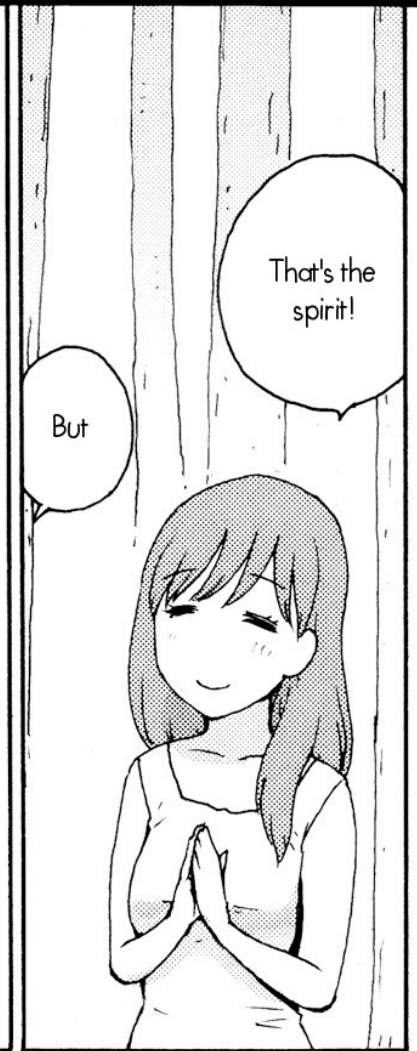

And, get
married.

And, find a
new girlfriend.

I'll... live in a
new town.

I'll never forget about you, Suzuka!

That's the spirit!

But

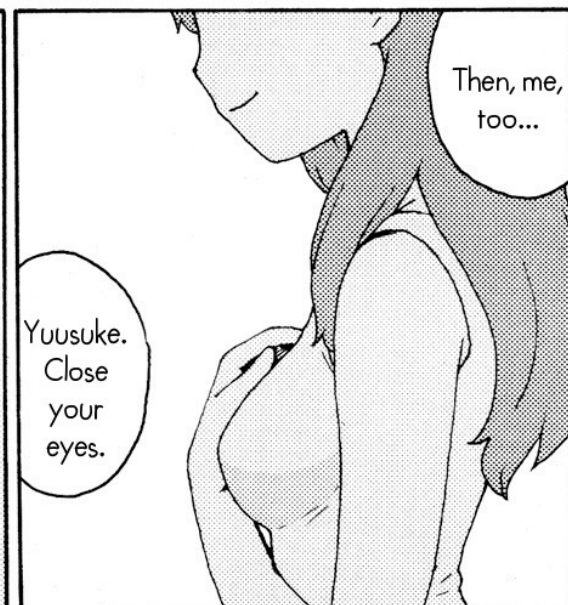

Thank you.

Yes...

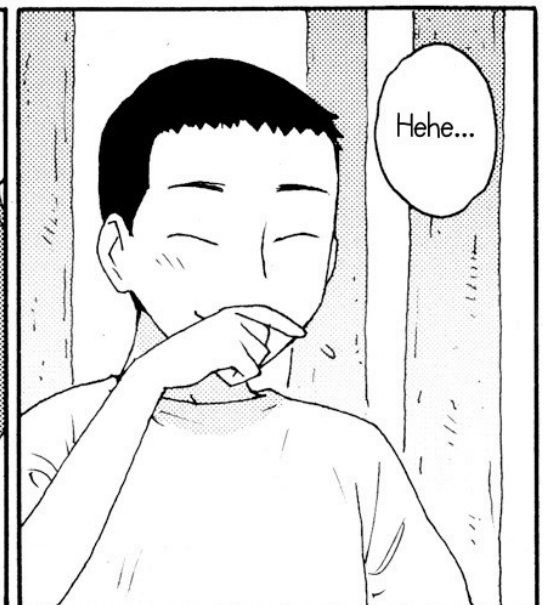

?

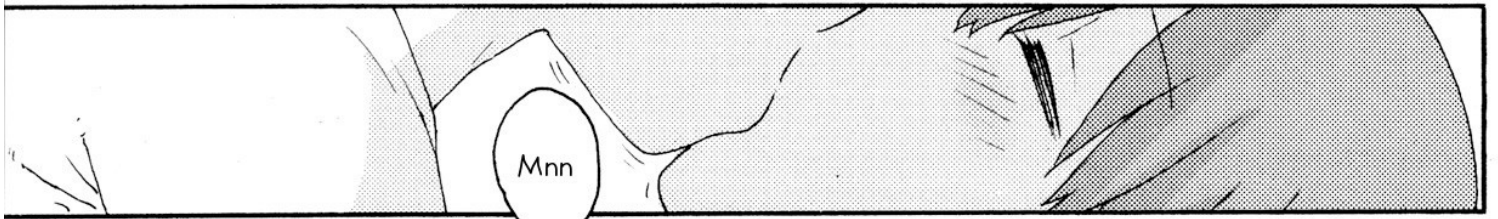

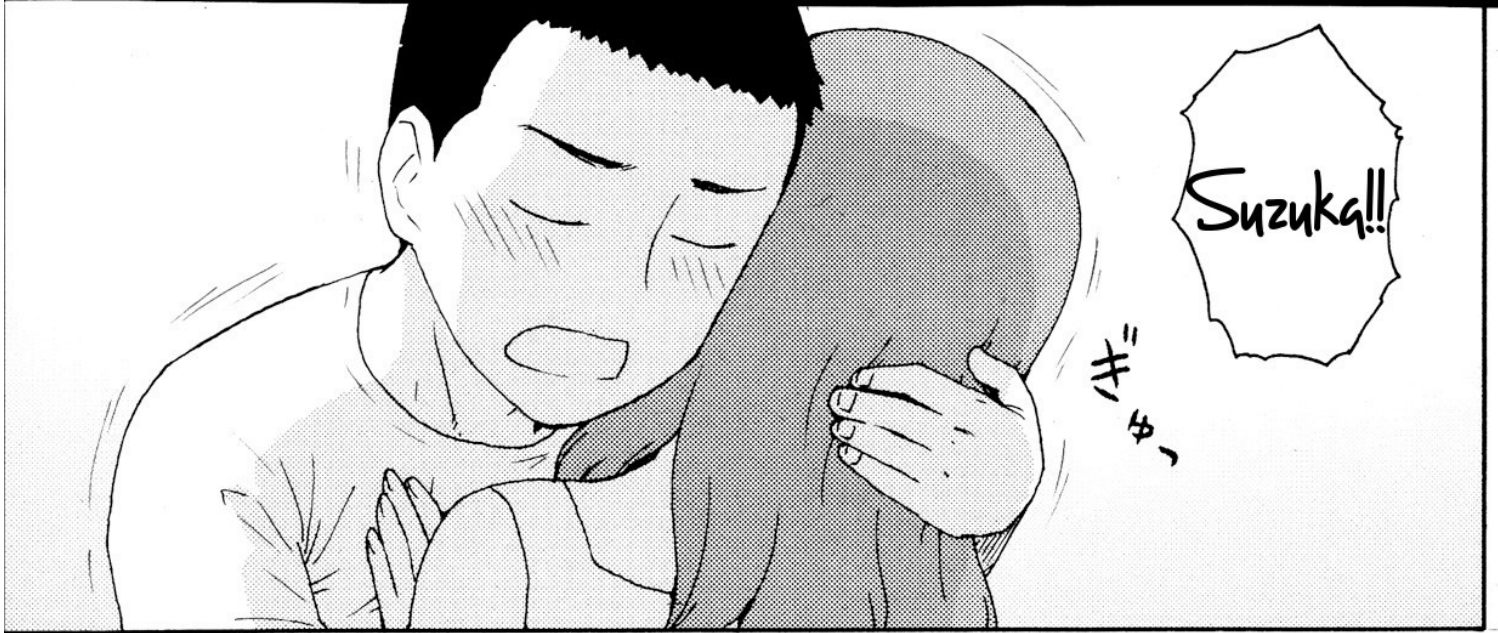

Yuusuke. Close your eyes.

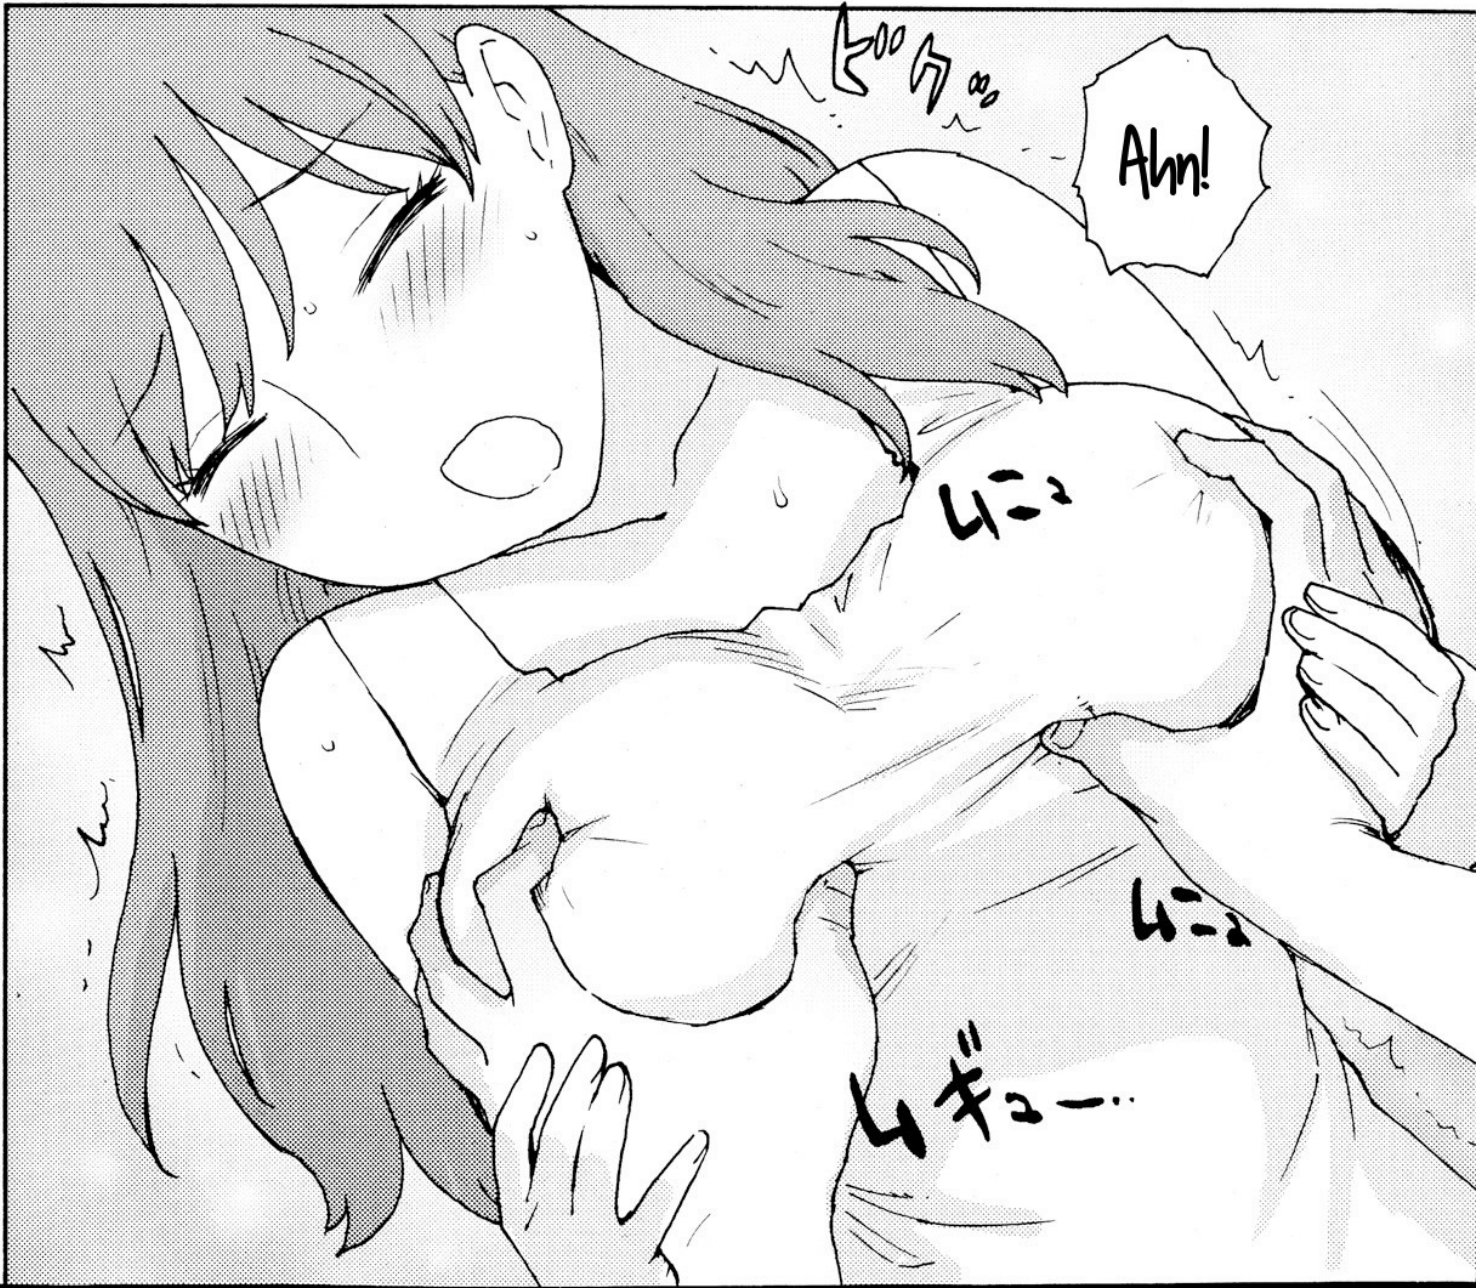

Then, me, too...

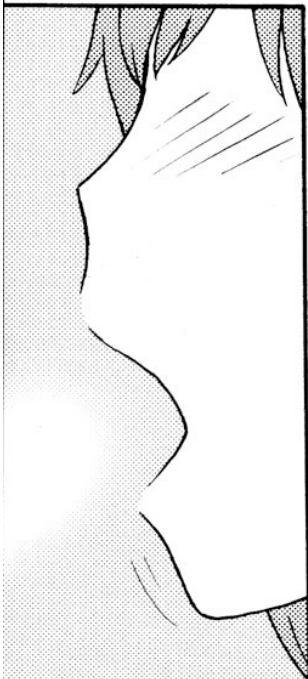

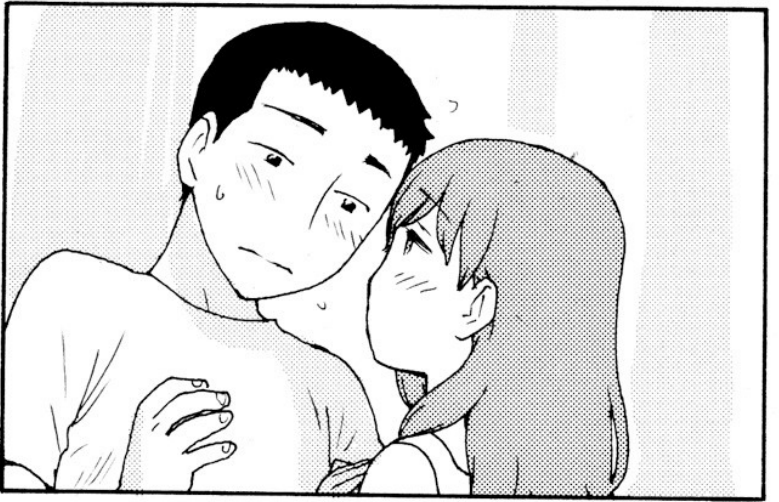

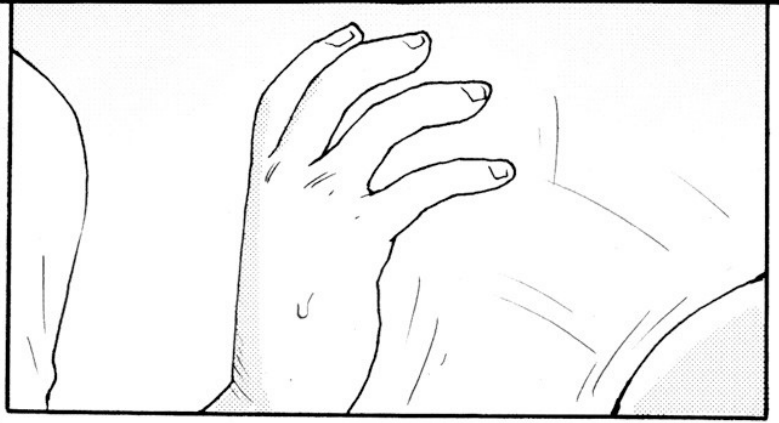

Hehe...
