Tomorrow,
you take

As soon
as the school
bell rings,
you come
straight
home...

Understand?

The students, still in the classroom...

Goin' on another date today, Takashi?!

Wha-!

You guys ...!

Hot stuff!

Hey, Takashi, let's walk home together!

Huh?!
Ah...
Aah...

Something...

Hm?

Hey,

split up, and

And mom
and dad aren't
fighting all the

I can
see mom
whenever

You

Of

Say,
Takashi...

What

You...
really are
weirdo...

Am not!
So, what
are you
gonna
do?

Wanna
see?

Huh?

Huh?!

I'll let
you see
them.
♡

Well,
I can't
say I
don't...

Say it
clearly, or
I won't
show you
anything~!

I never
knew Yuka
was the type
to say such
things...

Ok!
Show
me!

However!

Since
you're
showing me
yours...

Takashi...
Don't you
want to
see?

This is
a special
offer just
for your
eyes...

Where else?

There aren't any other hiding spots around here...

Do we have to do it here?

How many years has it been since someone's crawled in here?
Cramped!

Hey...

Should we stop?

This is making me really nervous... Th-

What are you doing all of a sudden?!

Wha-!

Huh?! No... I...

I know...

I...

What?
You're the
one who said
we should
show each
other.

Whoa...

Ack!

It's too
dark, I
can't make
anything
out...

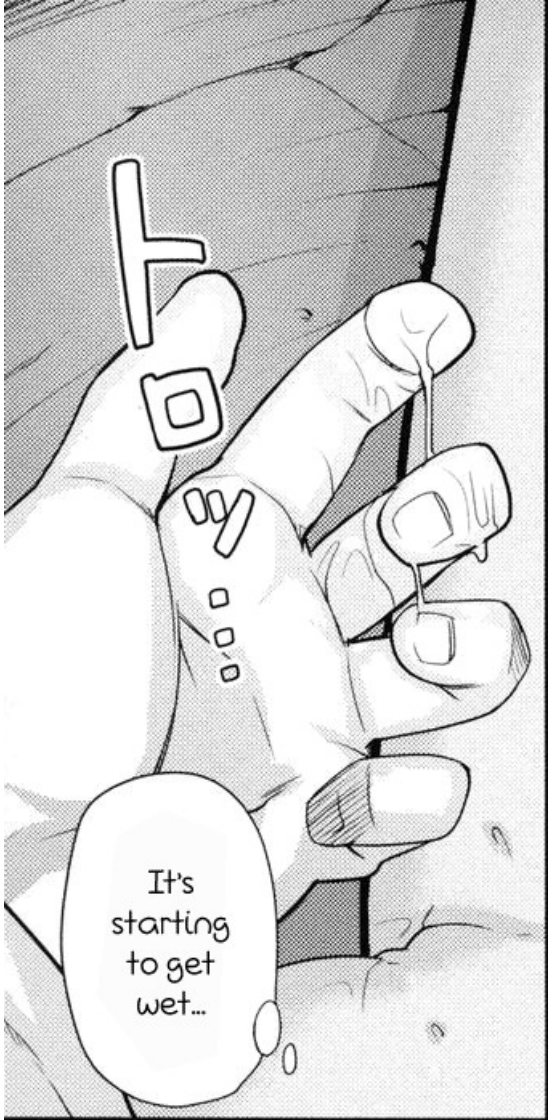

Then,
me too...

I'll
take a
peek...
