Former basketball
club member acting
like he's a scared
servant.

Thank you for getting a copy of this book.

I work so hard, so very hard on the hobby of making these books. LOL

With that, I'll be happy if someone is touched in some way by this.

As usual, I had difficulties with the plot and storyboarding, but it still was really fun to do.

I learned that you should draw the things you like. LOL

I tried using more vulgar dialogue, but it's not easy when you aren't too familiar with it.

I personally felt that a more normal guy would say "penis" whereas a more perverted guy would say "dick".

By the way, I was told by an english instructor I know that the pronunciation of "sperm" would be "supaamu". LOL

I really enjoyed making a smell fetish book, though it was really challenging too.

Hope to see you again!

Hazaki
