I've done a good deed today.

There you go.

What's this?

When's karma gonna reward me?

U-Umm... I just moved in next door!

The next day...

I'm... Ta-Tanuki-pon!

I bought it from a famous bakery's neighbouring store~!

Right?

ほむほむ

How can something this delicious exist in this world...!

うまー

ほむ

It's... delicious!

Now, where's my offering?

Oh! Amazing!

Of course! I saved Tanuki's life after all!

ぱちぱちぱち

What a selfish, self-centred asshole...

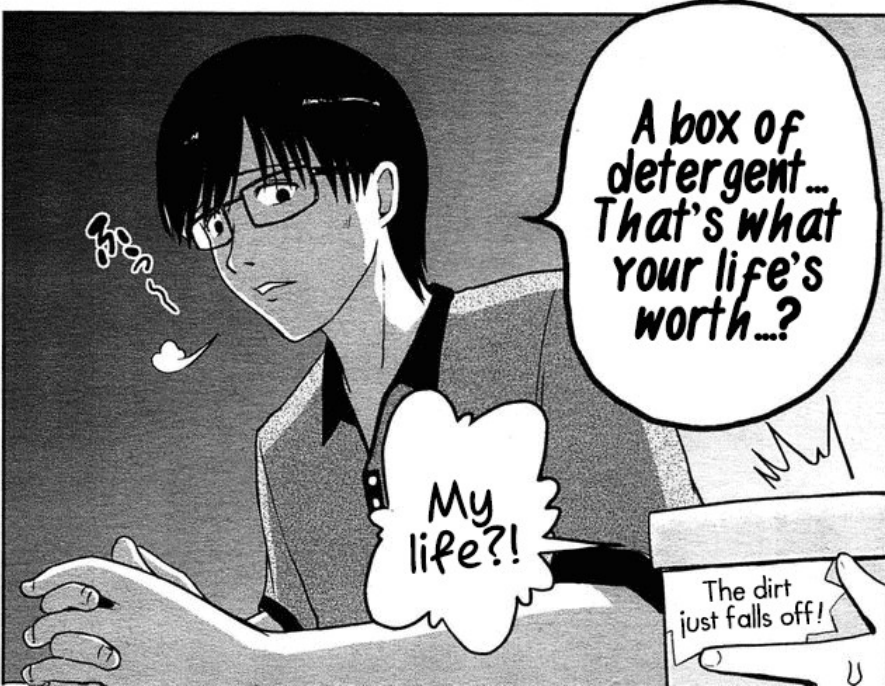

Why not? You're repaying my kindness after all.

Are you really ok with letting me into your house?

Hey! Hey!

Repaying?

A box of detergent... That's what your life's worth...?

My life?!

The dirt just falls off!

Take this. It's nothing fancy, but...

Ah!

\*TL note: He's referring to "Tsuru no Ongaeshi", a children's story. The title of the manga is also a reference to this story.

Suck my dick!  
I'm a lolicon!

Why?!

So what?

The crane\* went to great hardships to return her favour, right?

Since you turned into such a cute girl...

How could you be so cruel?!

Oh god, this guy wants to eat me?!  

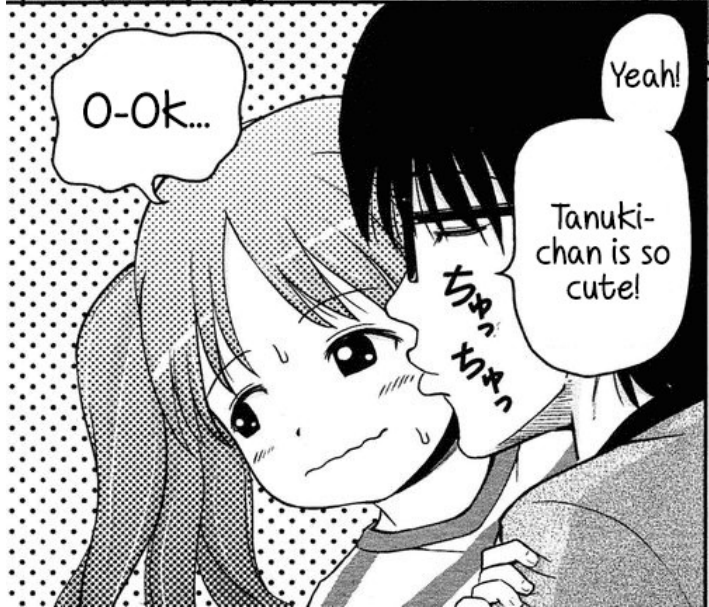

I guess a tanuki pot will have to do...

Well, if you won't offer your body...

Huh?!

O-Ok...

Yeah!  
Tanuki-chan is so cute!

Re-Really...?

I'm just kidding!  
♪

I don't mind keeping a tanuki as a pet as long as you do what I say!

Very good, Tanuki-chan!

What an asshole, threatening a little girl like that...

I'm going to try my hardest so you don't eat tanuki for dinner...

Don't get so close.

Focus a little more on the tip...

Didn't you forget anything?

O-Ok!

Lap it up until I'm satisfied!

Oh! Thanks for the meal!

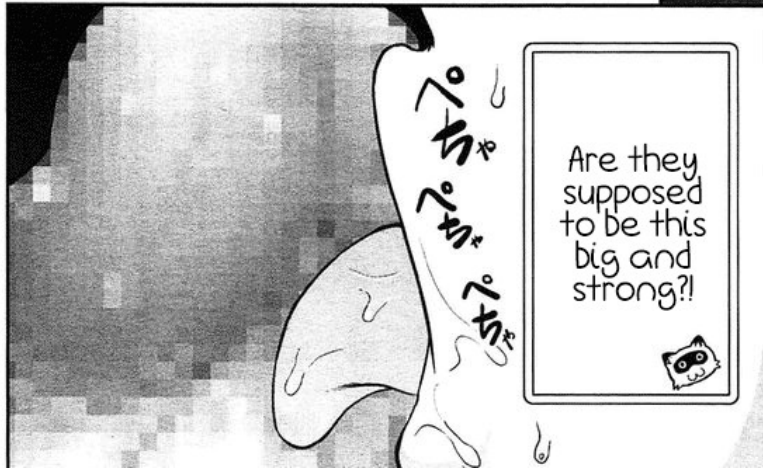

Oh! Ooh! Yeah, like that!

Hihe hihs?

Ah! Your penis got hard!

Are they supposed to be this big and strong?!

S-So this is a human penis...

Teats?!

You only have two teats!

ぐいぐいぐい

Im-

Does  
it feel

Y-Yes...

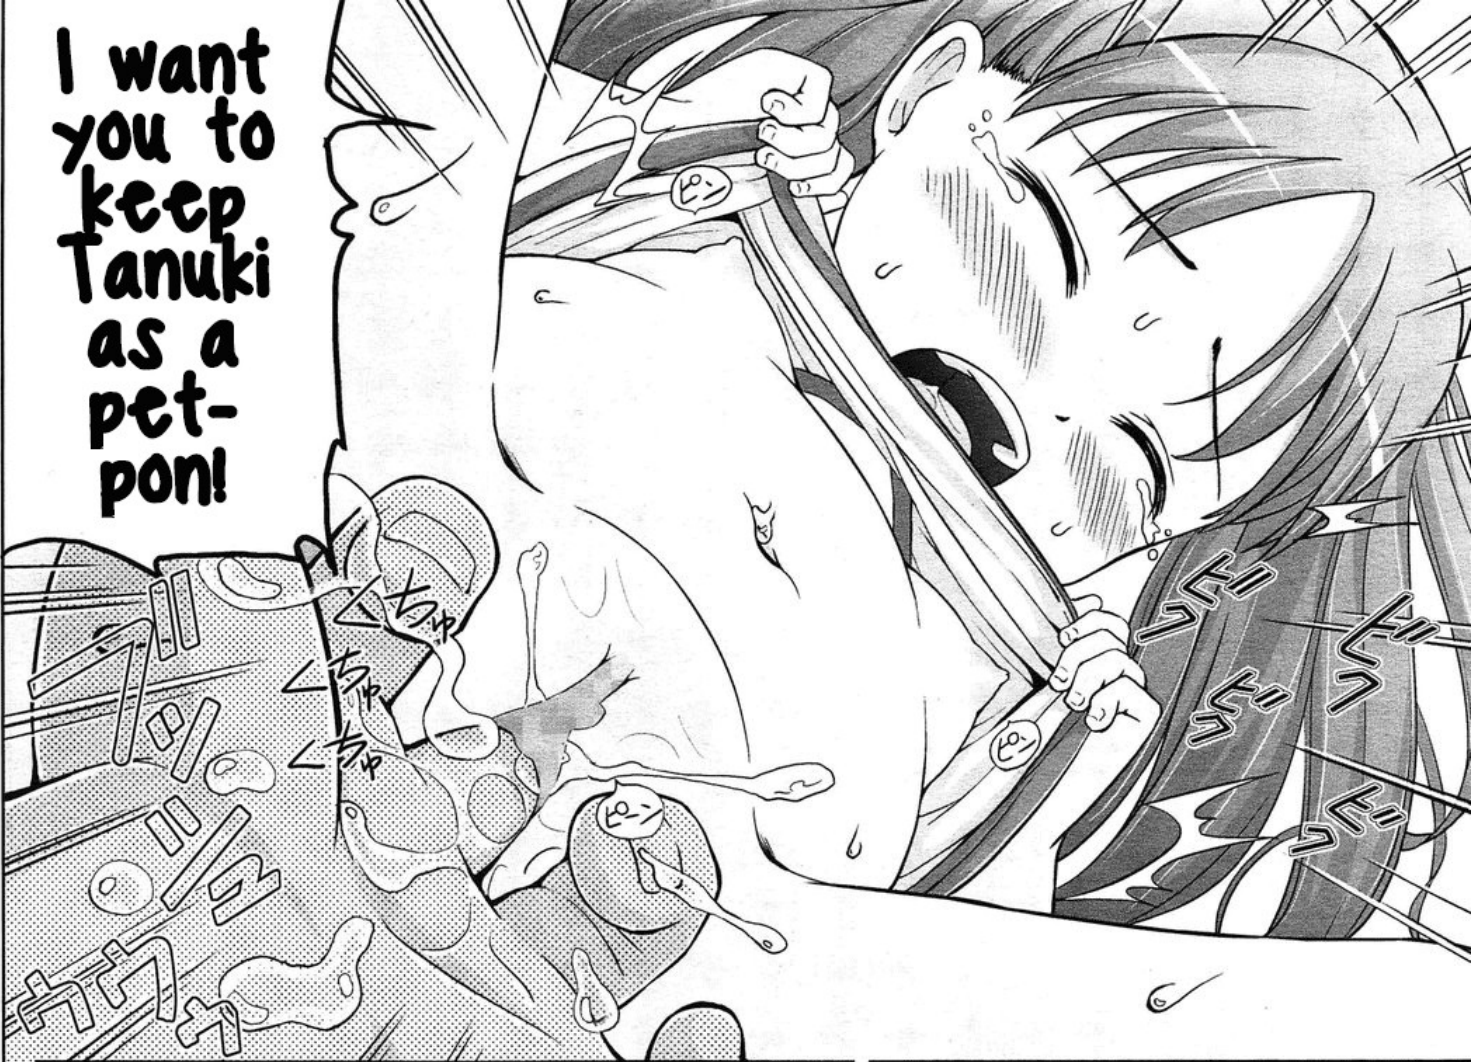

I'll do my beeeest!!

My peehole-pon...!

If you don't give it your all, I won't be keeping any pets anytime soon!

Eeh~...

I want you to keep Tanuki as a pet-pon!

Can't!  
It's too  
hard!

Human  
mating is  
too rough!

It's so
