Your

They feel
so good...

Your

Please

your
dick!

Hey, Mr.
Demon
King!

Ahhh!
Oh, no!

Alright,
wait just
a little!

Your
highness,
if you keep
doing it so
violently...

And I'll
stick it
inside of you
guys just
as well!

The king of
all the kings
who rule this
world!!

That's right!!
I am the
Demon King!

Ahh!

honor in this

As well
as all its

They all
belong

Ahhh! You're
fucking me
so hard!

Naoto!!

How dare
you get
hooked
on other
women...

While
having a
fiancee
like me
here...

You
bastard!!

Become the
rust on my
sword, the
Kushinokami
Sadamitsu!!

Well,
today
you will
finally...

I'm
sorry...

Uaghhh!

Wake up,
Naoto, will
you!?

Naoto!!

How can you
fall asleep so
carelessly right
in the middle
of a war
council?

And I'm
sure you've
been watching
some very
indecent
dream too,
huh?

Mikogami Ayaha,
adjutant at the Roshuu
Army of the Great
Feline Deity Empire
(Brigadier General)

Oeh!?

Ahh!

She
didn't
slay me
yet...

I'll
continue
with my
report,
alright?

Erm...

No...
Not at
all...

My name is Sarashina Naoto and I am the commander-in-chief of the Roshuu Army of the Great Feline Deity Empire.

About half of the garrisons and royal guards have surrendered...

We have gained complete control...

People call me the Demon King and everyone is scared of me... And even though I can't explain why, I'm actually satisfied with that name!

And therefore, we have now captured over 2,000 enemy soldiers and officers...

Over the three main cities of Veldia, including its capital!

Kuramori Takane, chief of staff of the same army. (Colonel)

Roshuu Army Spring Offensive: Phase One. March 16, 532 according to the imperial calendar.

We waited for the thaw and invaded the neighboring country, Veldia...

It was a tiny country with no resources or other strategic value, but I had all the reasons to invade it.

The have established Field Fortifications in the upper stream of the Marsay river and seem to be prepared to fight to the death...

So, they declined to surrender.

Sakaki Miyo, division commander of the 12th division of the same army. (Major)

Ah! Our scouts report that there are still two battalions under the command of general Howel, but...

I will see to that!

Next up, how many troops does the enemy still have left?

If thing go on like this, the figures indicate that...

The rations we are giving out to the refugees will run out in two days!

Koshiishi Marina, logistics officer of the same army. (Major)

Currently, we have secured enough provisions for three days, but...

Besides, we would never want to listen to people who left their home country and people and tried to flee!!

Silence!! Snobs who poisoned the previous king and introduced incredibly high taxes for their personal gain have no right to talk!!

Your Excellency, please!!

I will pledge eternal loyalty to you hereafter!! So please... Just spare my life...

We were able to take over it without any problems... I believe we should actually be grateful to them, huh?

Thanks to them ruining this country...

Now, now... Adjutant Mikogami...

I will purge the world from you just by shooting you to death without any tortures at all!

But I am a very gentle person, so...

Unfortunately, there is no place for scum like you in my world...

Well then...

Ohh!

Hey...
Hey!?

Stand
up!!

Take
them
away!!

You...

You...

God will punish
all the people
like you one day,
you know!!

You little
upstart!!

That man has
insulted you!!
This is un-
forgivable!!

Let...
Let go
of me,
Naoto!!

Calm
down,
Ayaha!!

You...

You
bastard!!

Oh, my!

You will
regret
this one
day!!

I won't run
away or hide
and I will fight
and smash
everyone who
opposes me!

Because
I am the
Demon
King!

Once you get
to the other side,
tell this to that
God of yours...

What!?

Alright...
I'm counting
on you to deal
with every-
thing else...

Well
now...

Miss
Adjutant!

Please
sign these
documents,
ok?

Miss
Adjutant...

Hey...

Wait!!
Nao...

Hey!!
Naoto!!

There
are still
more...

And
these
too...

These
are from
the logis-
tics
depart-
ment!

Where
are you
trying
to go!?

Hey, wait
a minute!!

Naoto!!

Wait up,
Naoto, will
you!?

Shikishima Sagiri,
secretary of the same
army. (Holds a rank
that corresponds to
First lieutenant)

Everything
is ready, your
Excellency!

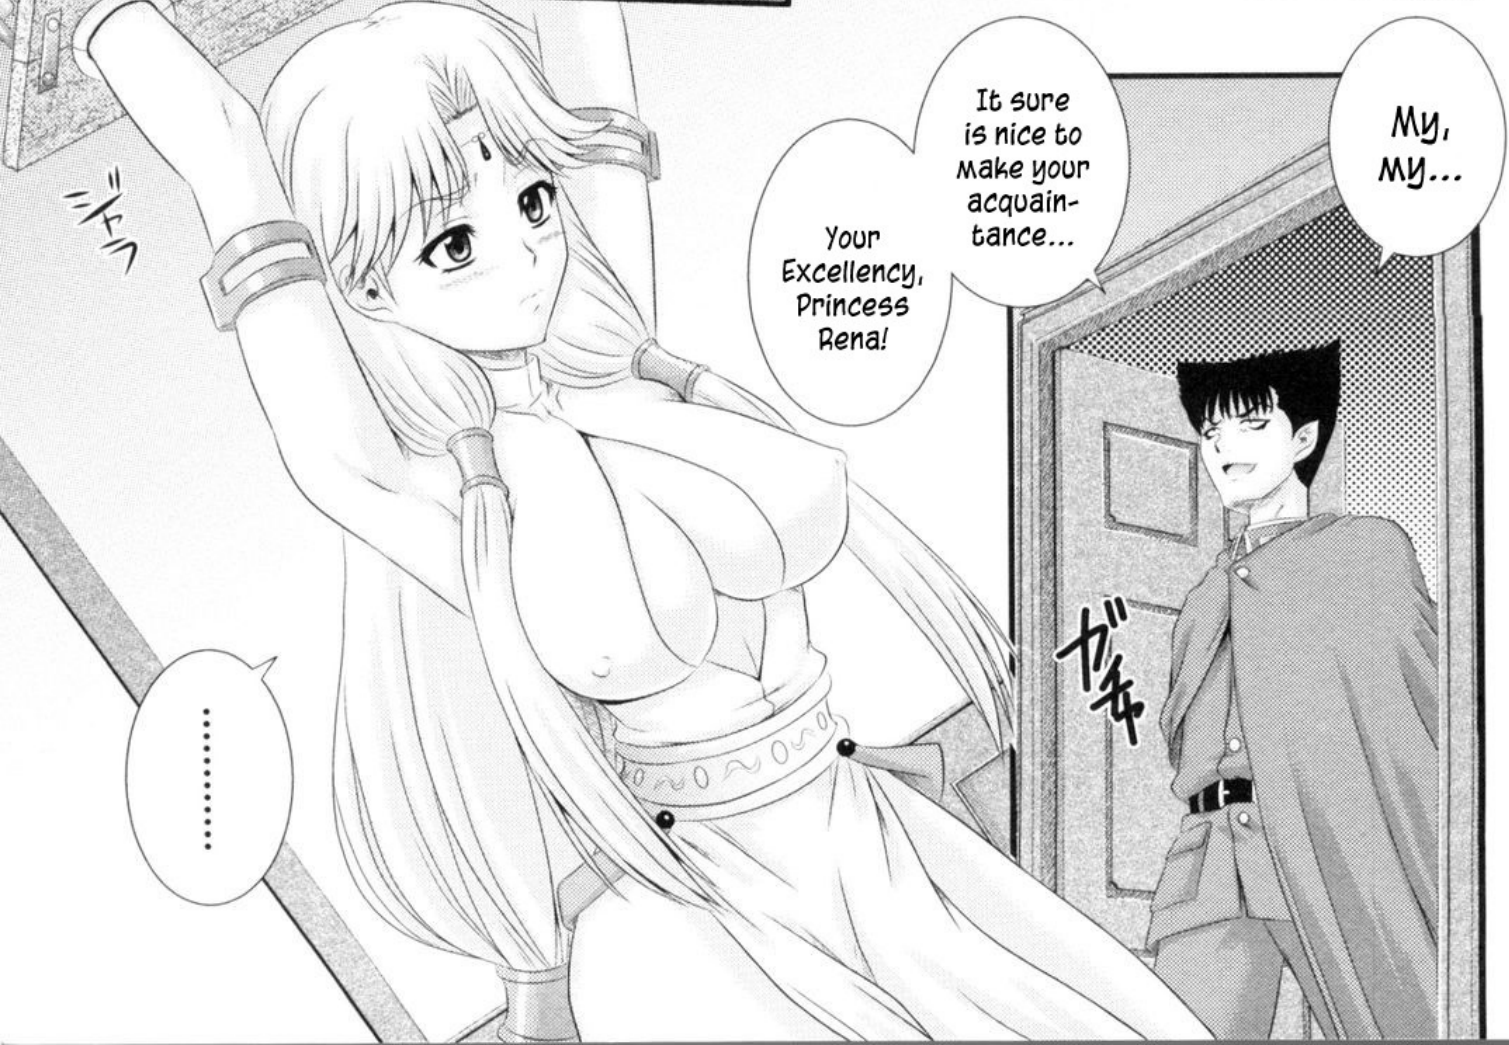

Ah!

Secretary
Shikishima!

Good
job!

Ah!

Your
Excellency,
Princess
Rena!

It sure
is nice to
make your
acquain-
tance...

My,
my...

.....

Uhm...

Well, I didn't expect anything less from the unequalled beauty of a princess that is Veldia's only pride... You're just incredible!

And it's not just your beautiful face and figure...

Your whole body is so ripe and voluptuous that it feels like some of its parts are about to fall out of your clothes...

I guess this remote land was worth conquering after all!

It sure looks like I'm going to have a lot of fun here...

Uhm! I see you have a nice temper too!

Make sure
that this isn't
your pee...

Myself,
Princess...

Ah!

That's...
That's not
true!!

Oh, it's
not? I see!
Well then, why
don't I...

No!
Stop...

Uaghh!

This is
amazing... It
keeps flowing
out of there...

Uhm! This
liquid that's
sticking to my
fingers right
now is as
viscous as
honey!

Oh, my...
This is
completely
unaccept-
table!

A member
of the royal
family can't
wet herself
in front of
other people
no matter
what...

Ahh!

I...
I'm...
Going
to...

He-
he-
he!

What's
going to
happen!?

Loud
sounds on
purpose
here...

Ah... Ahh...
Oh, no...
You're
making
these...

Nn... This noble
sour-sweet scent
is tickling my
nostrils...

Oh, no! You
can't smell
me! You can't
smell me!

Don't look
at me down
there!

Please
stop it...

Don't
look!

And then...
These are the
royal petals...
So sweet...

And
beautiful...

Heh... So,
this is what
your private
parts look
like, huh,
Princess...

Stop...
Ahhh...

Not
there!

Ahh!

Eeah!

Nn... Ahh...
You're so
delicious... Now,
that's the taste
of a royal
family...

It has a
perfect mix
of sweet, sour
and salty tastes...
This is the best
high-grade sake
I have ever
tasted!

Of the royal family enough!

Oh, no...
Something is coming out of there...
Ahh...

Uhh! Well,
now I have enjoyed the taste...

Please...

Stop doing these things to me already...

Ahh...
Ahhh!

So, why don't you take it...

Eeh!

Inside that mouth of yours now?

Next up,
I'm actually thinking of enjoying it myself, ok?

The fun is only about to begin, Princess!

Of your beloved people depend on your...

Did you forget that thousands lives...

Heh? You can't?

I... I can't do that!!

Actions here?

Ah!

Nn... Good...
That feels
pretty good!

IF you give in to
me like you should,
you'll save yourself
some trouble just
as well!

That's
right...

Now, move
your tongue
some more...
And wrap it
around my
dick...

You have
to take it
much deeper
inside...

Come
on...

Don't just
keep licking
its tip...

I under-
stand it's
hard for you
to just throw
away your
frustration,
but...

Nn!

Alright...

Your royal
mouth feels
simply the
best!

Nn!

Nn!

Ahh... Ah!
Good... This
is very good,
Princess!

Next up, why
don't we try
changing the
setting a
little bit?

Nn!

Nn!

And that man next to her... It must be that Imperial General!

He-he-he... Everyone is looking at you right now, Princess!

Look at that...

Hey!

Oh, no! Please...

Yeah, there is no doubt about that!! It is her Highness!!

Princess? Isn't that Princess Rena?

Everyone... Don't look!

If you disobey me here, all of your people will be dead!

I'm sure you know this yourself, but I want you to realize that...

Ah!

Next up, why don't you squeeze my dick with these dirty boobs of yours?

Nn!

Well now...

You have to start moving your mouth more violently or I won't get satisfied!

I got it!

I...

Nn!

Your
boobs
are
simply
the
best!

Ohh... You're
just amazing,
Princess!

It feels like
it's about to
melt... I can't
believe his
thing can be
this hot...

Ugh... I
think I'm
going to pour
it inside your
mouth now,
ok?

Ahh...
It's so
hot...

Uah...
Ahhh!

Uh... I'm
coming!

Don't
you spit
it out!

Now,
now...

Have
a good
taste of
it and then,
swallow
it all...

Nn...

Nn...

Right here,
in front of
the eyes of
your beloved
people!

Pl...
Please!

Anything,
but that!

I'm going
to take away
your purity...

Why don't
we move on
to the main
dish now?

Alright...

Ugh!

Oh,
no!

Anything,
but that!

But don't
worry, that
pain...

Does it
hurt!?

Aghh!

Ah!

Eeughh! It
hurts!!

Will
turn into
pleasure in
no time...

Pull it out...
Please pull
it out!

Don't
look at
me...

Oh, no!
No...

How dirty
you are some
more?

Now,
why don't
you show
everyone
just...

When
I'm like
this!

Ahh!

Ahh!

And bad men
are going to
keep deceiving
and using
you...

So, why
don't you
show your
true colors
now?

My...
My true
colors...

Princess,
this is
unaccep-
table!

If you
keep this
up...

I will
reduce you
to prosti-
tution...

Ahh!

Ahhn!

I... I
can't say
that...

Say it!!

Tell
your
people
about
My dick
going...

Inside
your dirty
pussy!

Your...

Your
penis...

Is going...

Come
on!

Inside...

My pussy...
Uahhhh!

Ahhn!

Ahhn!

You really are not fit to be a leader!

No way! You came right in the middle...

Of a speech...

If you can't resist that, you definitely can't run a country!

ほん

ほん

あま...

Ohh!! Your clitoris is throbbing so hard, it feels like it's about to explode!

This is so dirty...

Uaghh... That's...

Is the real me!

Uah!

Ahh!

Ahn!

This dirty me...

Ah!

Dirty? Me?

Ahn!

I'm enjoying getting a penis inside of me!

They're
looking at me...
My beloved people
are looking at me...
They are looking at
me moaning from
getting a dick
inside...

Ahh...

They are
looking at my
dripping wet
pussy and it's
getting all
of them
excited...

Ahhh...

Ahh... Look
at me even
more... Look
at me when I'm
like this even
more...

Oh, no...
I'm going
to cum
again...

ぽあ

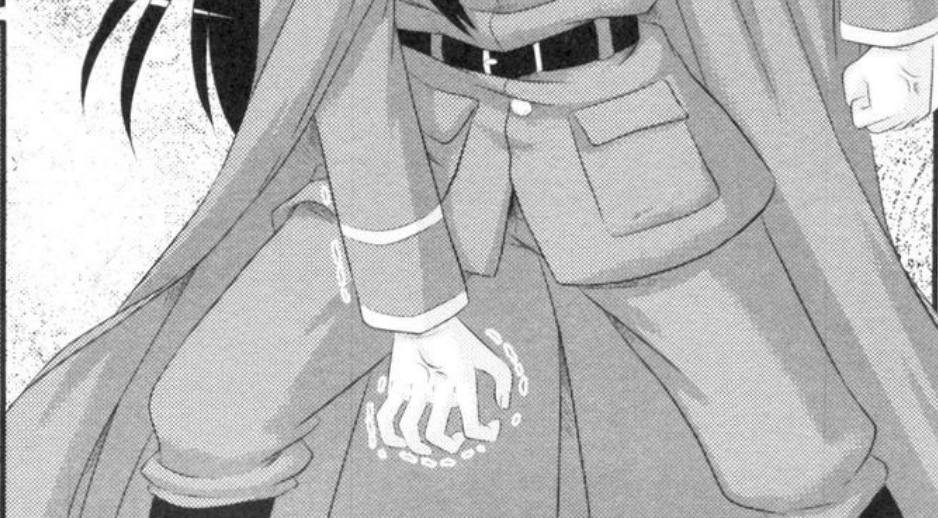

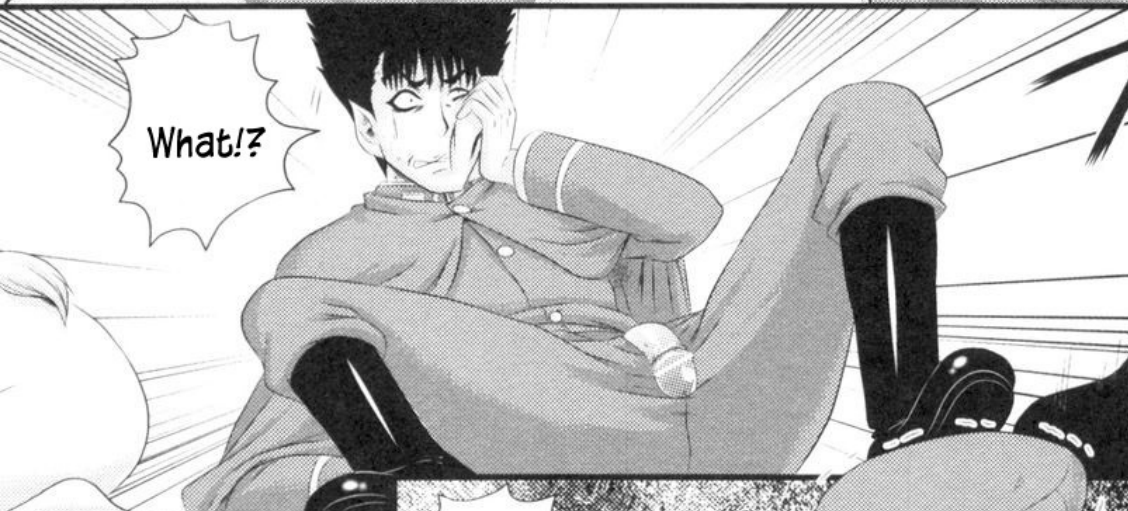

く

Ahhh!

Ahhh... I'm
coming... I'm
coming!

Ahhhn!

Subsequently,
Princess Rena was
inaugurated as the
First President to
represent the
people of her
country.

Veldia has
abolished the
monarchy and
established
a republic.

Great Feline Deity
Empire, Headquarters
of the Roshuu Army.

Instead of
becoming a
representative
of the masses, she
should have just
stayed my
Mistress...

Ahh! It's
such a
waste!

For a
revolution
in that
country,
right?

Well,
that
was the
result,
but...

So, in the
end, this war
has festered
and acted as
a trigger...

Why don't
I make
some good
ventilation
in there?

It's spring
already, so
that head of
yours must
feel hot,
huh?

What
are you
doing!?

Wha...

To be
continued...

Naoto,
don't move!!
I'm going to
miss!

That's not
important,
stop her...
Uogh!

I'll go ask
the engineers
to fix the
wall, ok?

Hey!! Takane,
where are you
going!?

And that's
why you're
doing this!?
Stop...

Ahh!

As well as a budget increase that would target the Flood-control works at the Ryouusai river?

So, you want to request an increase in the number of peasants send to Sugahara Farmland in order to develop and irrigate it...

Chapter 02

Roshuu Capital,
Western Toki Area,
Roshuu Army
Headquarters

I would like to talk about our recent invasion of Veldia...

Can't you just handle them on your own?

You know, you don't need to report all of these things to me...

That is not all I wanted to ask you!!

And to that woman...

And because of that... We now, of all countries, we are in debt to that one...

Did you really invade it just to get that Princess?

Due to the bad harvest and Floods we had last year, our army was in pretty bad shape...

So, why did you steamroll that plan nonetheless?

ハハハ

So, lower ranks have to follow any order they are given, even if it is to fight to death...

Adjutant Mikogami, as long as you are in the army, you will have to follow the orders of your superiors!!

Because the entire responsibility lies on the shoulders of that person who made them...

Nevertheless, you bear no responsibility for these orders...

And I really suck at lying!

She is way too pure...

Are you sure it's alright...

Not to tell her the truth?

I'm going to shoot it out now, Sagiri!! And you'll have to drink it all!!

I can't believe how wet you got...

From sucking my dick and drinking my semen...

A pussy that dirty deserves this done to it!!

You are actually so wet, one could think you peed yourself, huh?

Ahnn! Don't pull them like that...

Ahh... Your Excellency... You're sticking your fingers... Inside my pussy...

Alright... Now, why don't you report what's happening to you right now?

Can you tell how many of them I'm sticking inside of you right now?

And rubbing them in there really hard...

Two... No, three!! You're sticking three fingers inside of me!

Alright! Why not? I'll do that right now...

Please sick your dick inside my sloppy dirty pussy!!

I want... I want your dick, your Excellency...

Ah, your Excellency! That's my...

Ahhn!

Sagiri... Why don't you tell me what you really want me to do?

You never change, do you, Naoto!?

Eh!?

Ohh!? When did you come in Charry?

Pri... Princess Charlotte!?

That's me!

Third Princess of the Holy Brigandi Empire (Field Marshal), Charlotte Veltarina di Lorenzo Brigandina

Yet I was thinking of cashing in that favor you owe me!

Sorry I showed up all of a sudden, Naoto...

I can't believe a commanding officer of our allies just showed up unannounced and without any attendants...

I was wondering, if you would let me join you?

But before we do that...

It's so hard already...

He-he...
You came
just a
minute ago,
yet...

Nn!

I haven't
touched it for
so long...

Uh... Now,
that feels
good...

Well, even
the most
trivial things
never go past
my ears!

The news
sure reaches
you fast,
huh?

Yeah... Your
boobs were
always extremely
hot, but now they
got even
better!

How do
you like
them?

Better
than those
of Veldia's
Princess?

He-
he...

But still,
this is really
amazing!!

I shouldn't
have expected
any less from a
woman who loves
her gossips!

This is so rude!! The fact that you are Naoto's subordinate...

Does not mean you can do something this outrageous to me!!

はま
You are just so beautiful...

はま
Ahh... Your Highness...

はま
I'm authorizing you to do this!

There is no need to restrain yourself, Sagiri!!

Nn!

Nn!

Nn!

And her Highness wants you to lick her asshole!

はま
So, you'll have to lick every single crease there really well!

Nn!

Nn!

Uhhn!

It must
be all thanks
to Naoto's
training...

This
girl is
really
good...

It feels
like my
asshole is
about to
melt...

Ahh... Oh,
no... My
asshole
feels so
good...

Uh!

You keep
resisting, so the
pleasure does not
overwhelm you...
Is that the royal
pride?

But, you
know...

Nn!

Never-
theless, I am
a member of
the royal
family and
thus have
my pride
as well!!

And I won't
just let them
do whatever
they want to
me here!!

Uhh...

Ughh!

Eeh... Is
that his left
hand!?

Nn!

Nnn!

I'm going to cum now!!

And you're going to drink it all, Charry!!

I guess they don't call you the Demon King without a reason, huh?

He-he... I lost, Naoto...

Now, give me even more of your semen...

Nn!

Nn!

Nn!

す

す

You're going to tear it apart...

That thing is way too big... You can't stick it up my butt...

I'm going to stick it inside you now, ok?

Your Highness...

Ughh...

Ah... No! Stop... No... Ahh!

Hey, wait... Wait... Stop...

It's alright! Just relax, Charry!

You're... You're going to pull my asshole inside out! Ahh...

No way! IF you keep moving it that violently...

Oh, no!

Nn!

Nn!

My hips
just won't
stop
moving!

I can't
stop!

Ahhh!

Those
vibrators are
rummaging my
pussy and
asshole!

Uoghh...
Ohhh!

Ahn...

Ahh...
Oh,
no...

Ahhh...
Oh, no! I'm
coming!

Uaghhh!
I'm going
to cum!

I'm
going to
cum!

I'm going
to cum from
getting it
up the ass!

Uah!

Ahhh!

This is just awesome! Your dick is going all the way inside me!

And it keeps hitting my womb again and again!

Ah!

Is that really... That noble Princess? It's like she's a whole different person...

Ahnn!

Ah!

Getting Fucked at the same time!

This person who is here right now... Is just a woman!

Uahn!

Ah!

Both my pussy and my asshole are...

I'm going
to... CUM...
Again!

Ahh...
Ahh! Oh, no...
Naoto!

I'm
about to
CUM...

Uaghhh...
I'm
coming!

And I
can feel
you...

Ahh... There
is so much of
it, it's starting
to overflow!

Shooting
your semen
inside of me,
Naoto!

Nn!

I can't believe it won't wither, even after you came that much!

That sure is one bottomless dick, huh?

Nn!

Nn!

Oh, come on...

Nn!

Nn!

Nn!

Nn!

Nn!

Nn!

Nn!

It's just dripping with your juices, huh?

He-he... Your pussy is extremely wet!

Ah! Your Highness!

I guess you must want it really bad, don't you?

Ah!

Ahn!

Come on,
Naoto!

ぽあ

Stick your
dick inside
of her!

Ah!

Well
then,
here I
go...

Uaghh...
Your
dick!

ズン

はっ

He-he...
I like the
way you
moan!

You're
rubbing it
inside my
belly!

ズン

Ahhh...
Your dick!
Your
dick...

It's just
wonder-
ful...

はっ

No way!
You went all
the way
inside me so
suddenly!

Uaghhh!

You should
never be
off guard
like that,
Charry!

Ahhn!

Ahh! His
dick is
going inside
of me
again!

You can't
pull them
like that!

Ahhh!
Oh, no!

Ahhn! I'm
going to
melt!

My pussy
is going to
melt!

Cum
again...
I'm going
to cum!

Uaghhh!
I'm going
to...

Uahhh!
I'm coming!
I'm coming!

I'm
coming!

Ahhhn!

Your dick
is making
me cum!

cum cum

I am the commanding officer of the Far Eastern Area, so I have lots of things to do...

Unlike somebody...

Yeah...

Are you leaving already?

Huh?

I will only pay you half of what we owe you for that last provision of supplies...

And you'll have to throw in the tech support for free, ok?

Naoto...

I should have expected this from the Princess people call the Golden Dragon Beauty!

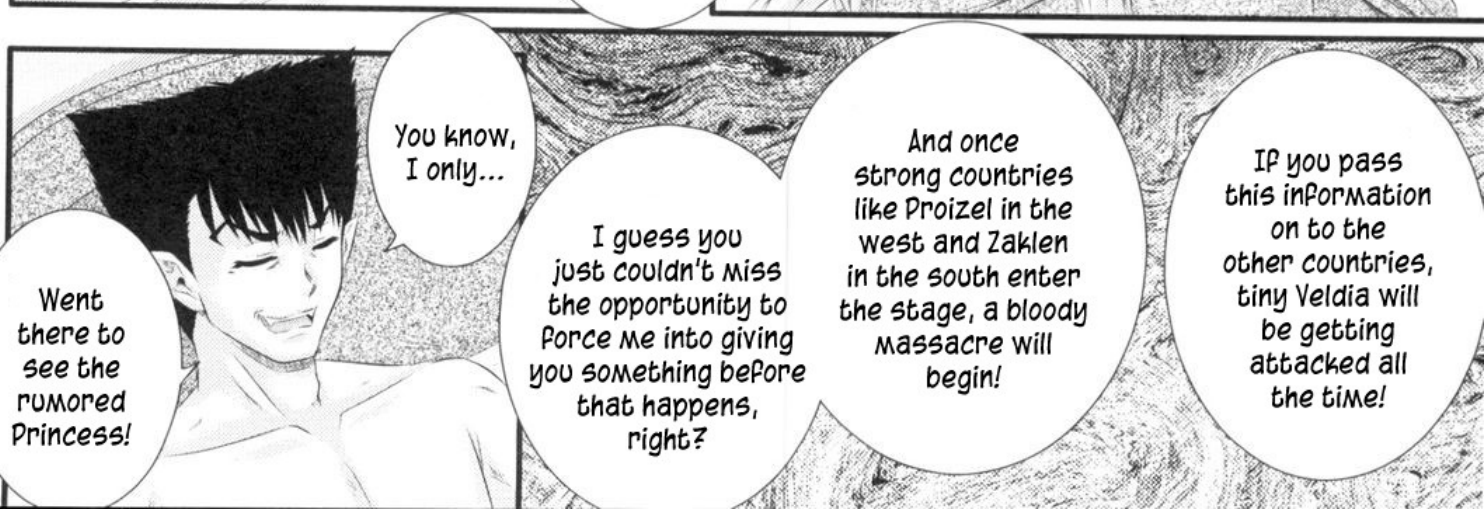

I give up...

That could provide billions of barrels of oil! I have received this information from my secret services!

I have already received the data indicating that there is an oil field at the bottom of Lake Faray...

Don't try to play dumb!

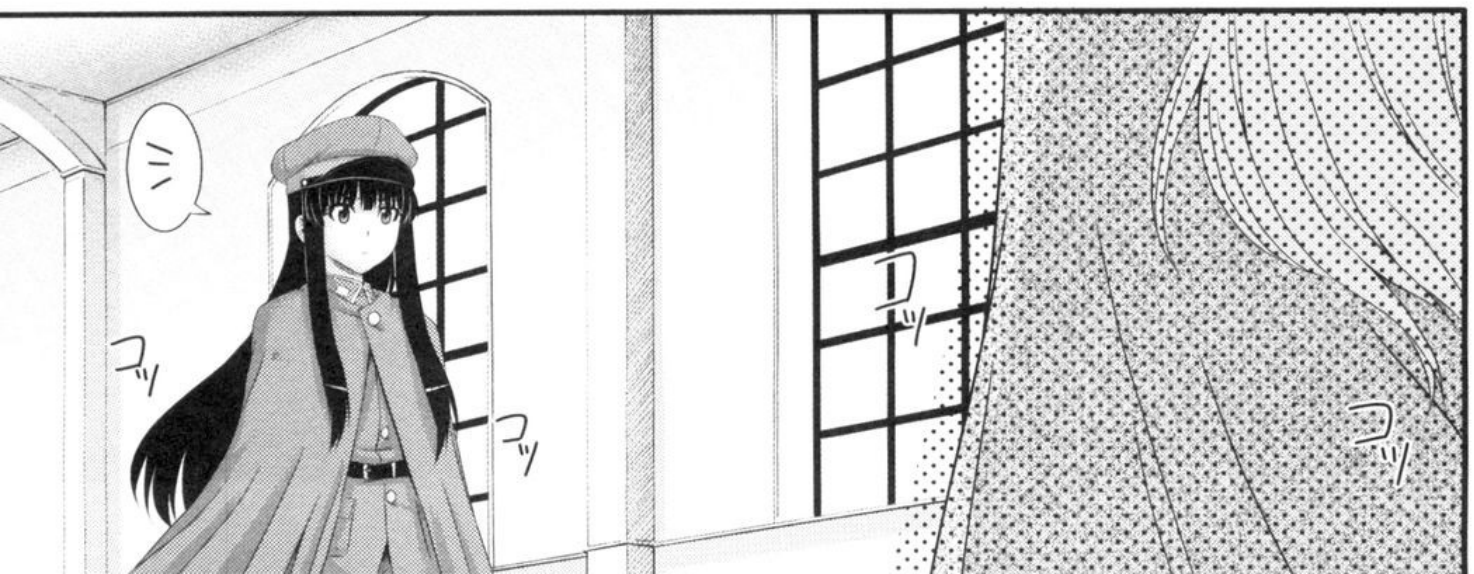

Went there to see the rumored Princess!

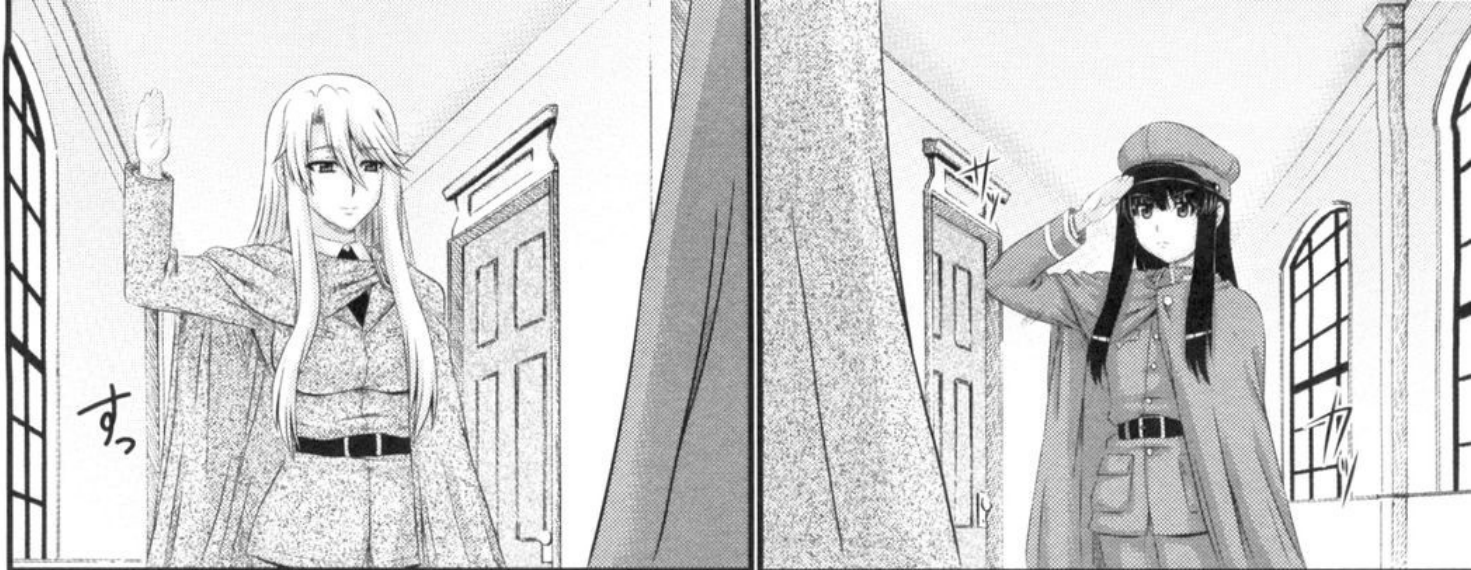

You know, I only...

I guess you just couldn't miss the opportunity to force me into giving you something before that happens, right?

And once strong countries like Proizel in the west and Zaklen in the south enter the stage, a bloody massacre will begin!

If you pass this information on to the other countries, tiny Veldia will be getting attacked all the time!

す
You know, if you bully him too much, that idiot might actually run away from you...

Haven't seen you in a while! Did you grow up a bit?

Ayaha!

And I am fully aware of what you're saying...

Your Highness...

It is my duty as his adjutant to admonish him as strictly as possible...

So, you don't need to worry!

Well, if he does run away from you...

I will take care of him...

To be continued...

Chapter 03 第3戦

What did you just say?

She was supposed to conduct an orientation for the three new staff officers...

あら
あら

Have you seen my sister...
I mean, the Chief of Staff?

That were appointed to our army today, but...
I haven't seen her at all today...

But that cowgirl too?

This is very suspicious...
And it's getting more and more suspicious every minute...

So, not only Naoto is missing...

If the situation calls for it, you are allowed to use firearms...

Organize a search party and perform a very thorough search of our headquarters and the surrounding area!

Major, I order you to...

That's really uncalled for, Adjutant...

You got that!?

Inform me as soon as you find them!

Yes, ma'am!

I will immediately organize a search party...

Huh!? Oh, no!

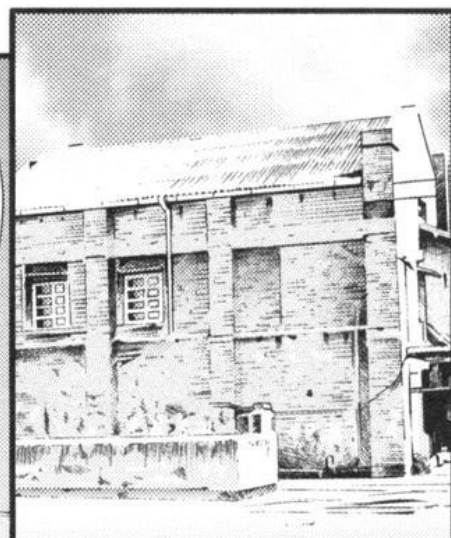

It's an order, Major! Do I have to repeat myself!?

And we will start searching the headquarters and surrounding area!

Do you really think you can get away with something like this?

You guys... What are you trying to do?

Ever since we came here and saw you...

And it's all your own fault, you know!

But we've been waiting for this moment...

Oh, no! We do not, Chief of Staff!

You know
that no man
could stay
cool after
seeing...

That body
of yours...
And your huge
boobs, don't
you?

My own
Fault!?
How
come!?

Eek!

No, I don't
know that!

Wow!
When you
look at
them up
close...

They
sure are
amazing!

Hey!
Is that
what they
call...

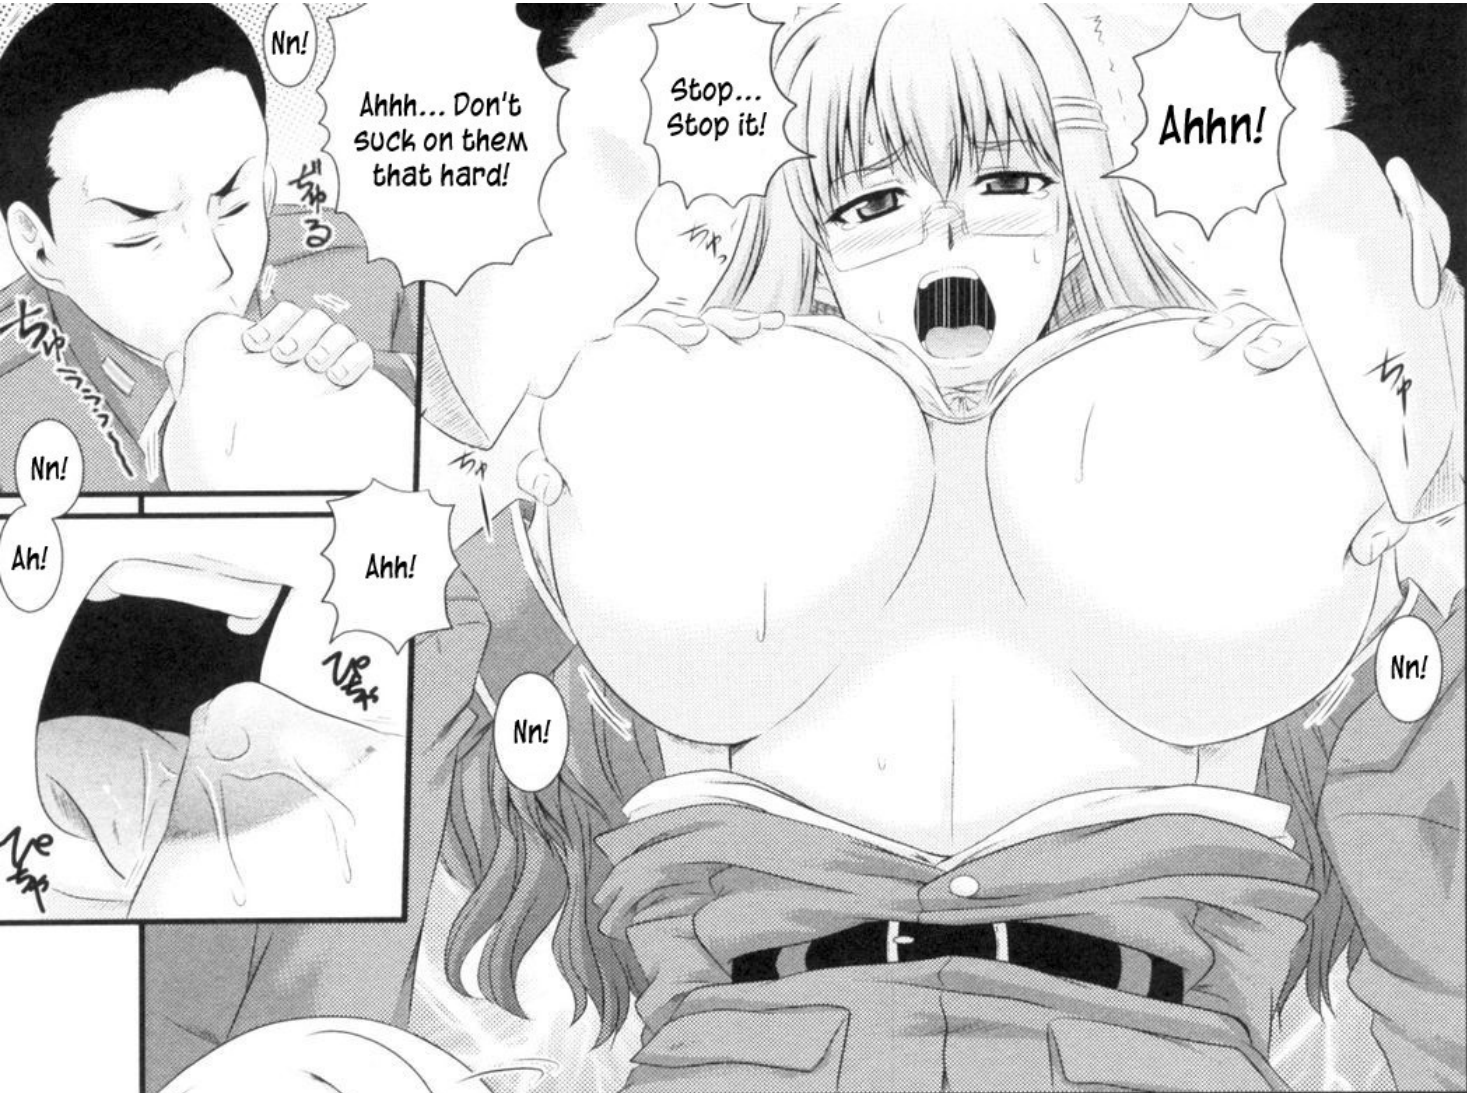

Inverted
Nipples?

Oh, no!
Don't look...
Don't look
at me!

Oh, no!

Her
boobs
are so
soft!

Ahh!

Uohhh...
And they are
amazingly soft
and elastic
too.

They are
so smooth and
they're wrapping
around my dick
so tightly...

Her
boobs...
They are
so hot!

They're
so hot!

Ah!

Oh, no!
No...

In that
case, we'll
just have
fun with
her down
here!

You
bastard,
who said you
could have fun
with them all
alone...

But,
well...

Ohhh!
She's still
overflowing
with those
love juices
...

It looks
almost like
she wet
herself!

Wow! She's
dripping wet
down here...

And her
clitoris got so
big, you can
actually pinch
it now!

And we've
only touched
her a little...
She sure is
a very dirty
woman!

Ahh...

Ahh...

Hey,
look at
that... She's
coming
again!

Nnn!

Ohhh... This is bad... It's just crazy what she does with that tongue!

Nn!

Uogh!? She's licking the tip of my dick with her tongue...

Nn!

Ahn ...

Ohh... IF you keep sucking the tip of my dick that hard...

Uahh! Just look at that soaking wet pussy...

Uhh!

Ughhh!

And her juices are all white and sticky! That means she's all ready to fuck, right?

And more and more love juices keep flowing out of there...

Wow... Her pussy is simply sucking my fingers inside...
