myself
looking at
Enomoto-san
a lot.

didn't
call him

Sorry for

Did you
lose your
interest in
me already?

I'm so

Your body

otherwise.

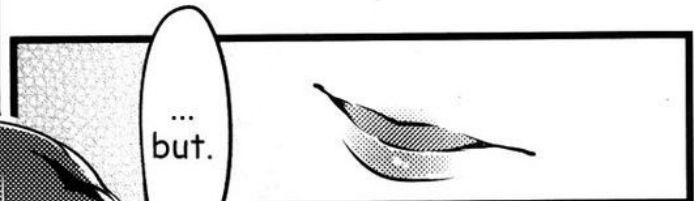

Enomoto-san

So...
You've
never
had sex
with your
girlfriend?

I finally did it...

I've been called out by Enomoto-san to do things like this... All without actual intercourse

... UH UH

Since that day-

Enomoto Yukari
I see you in the common room.

Sooner or later, someone is going to find out!

We can't keep going like this!

Fufu...
And now it's
ever harder~
You become
more excited
when seen by
other people~

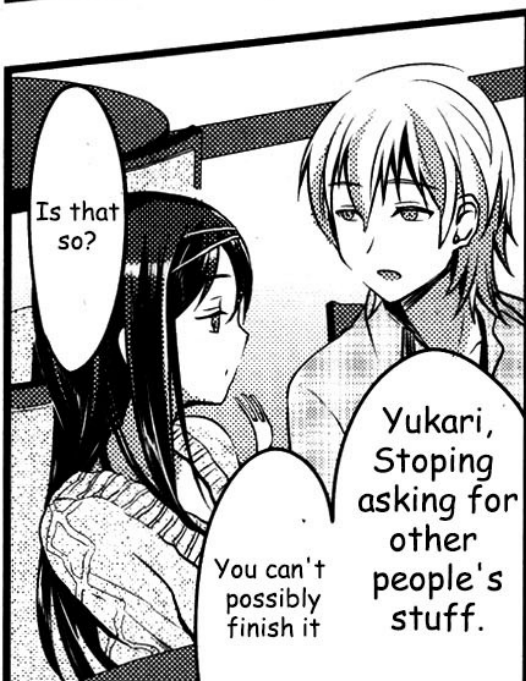

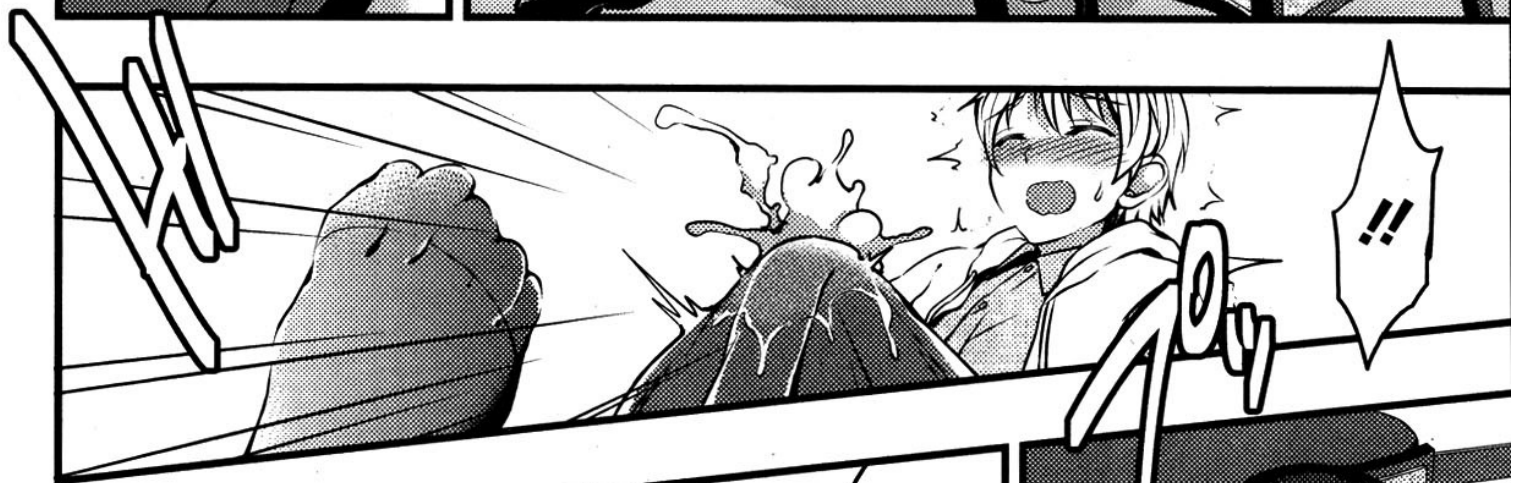

...My girlfriend

Is right there...!

Eh..en. Nothing, Nothing at all!

Is that so?

You can't possibly finish it

Yukari, Stopping asking for other people's stuff.

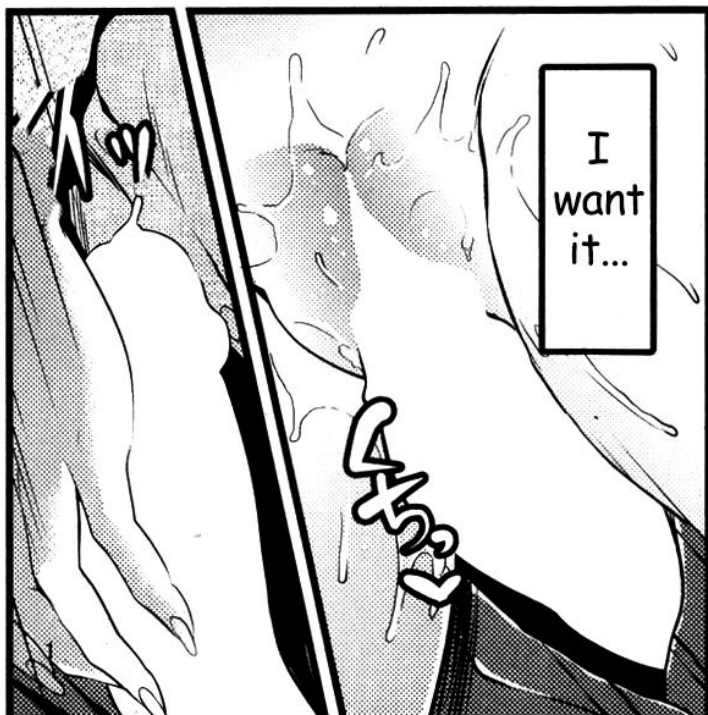

The cake she is eating... it looks delicious...

...Hey.

What?

Along with that, the guilty relationship comes to an end.

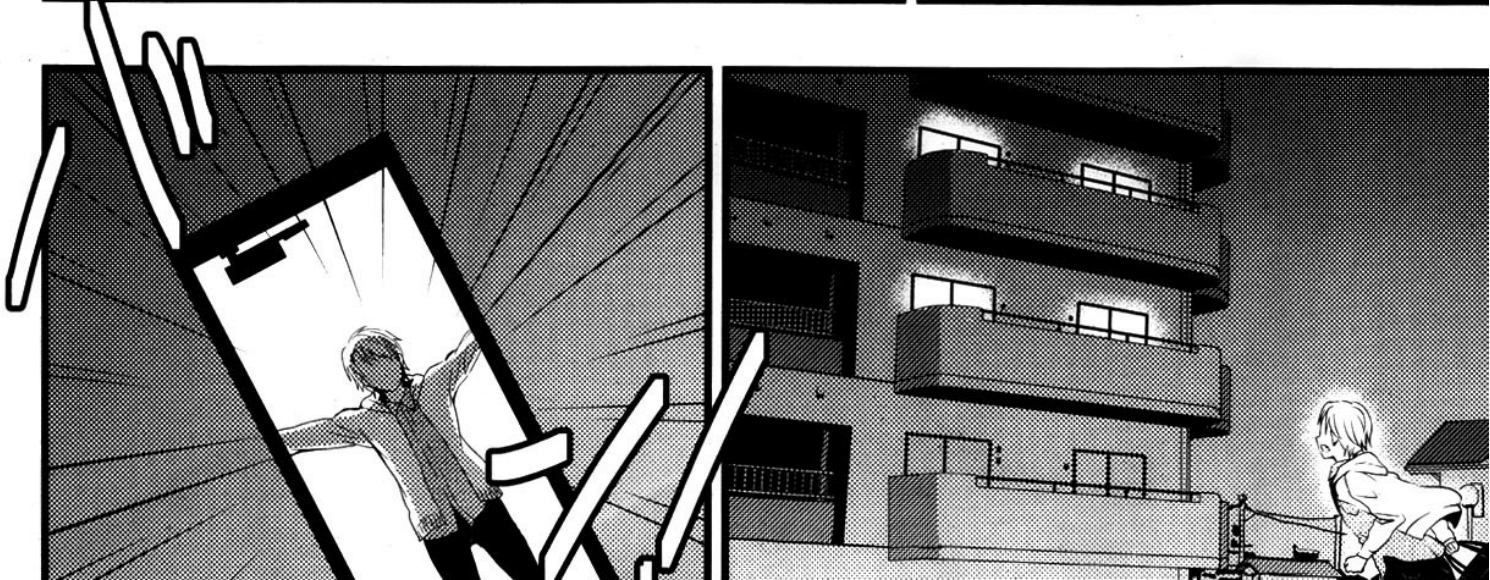

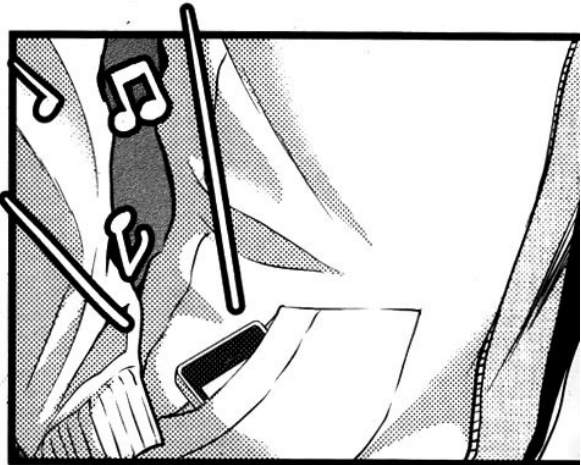

After that day.

Enomoto-san went silent.

I can't stop hoping Enomoto-san could send me more message.

But somehow...

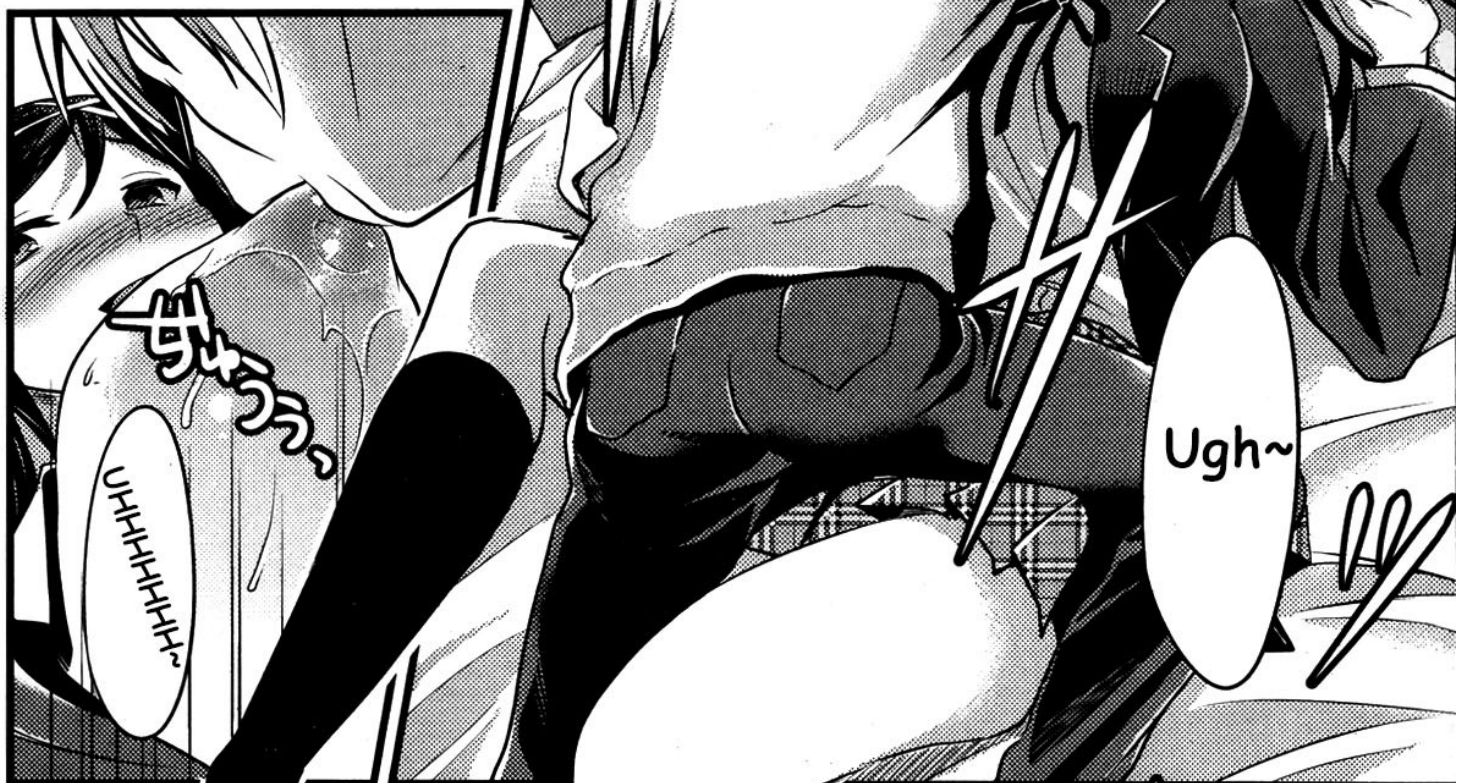

I knew
Sawara-san
would
come...~

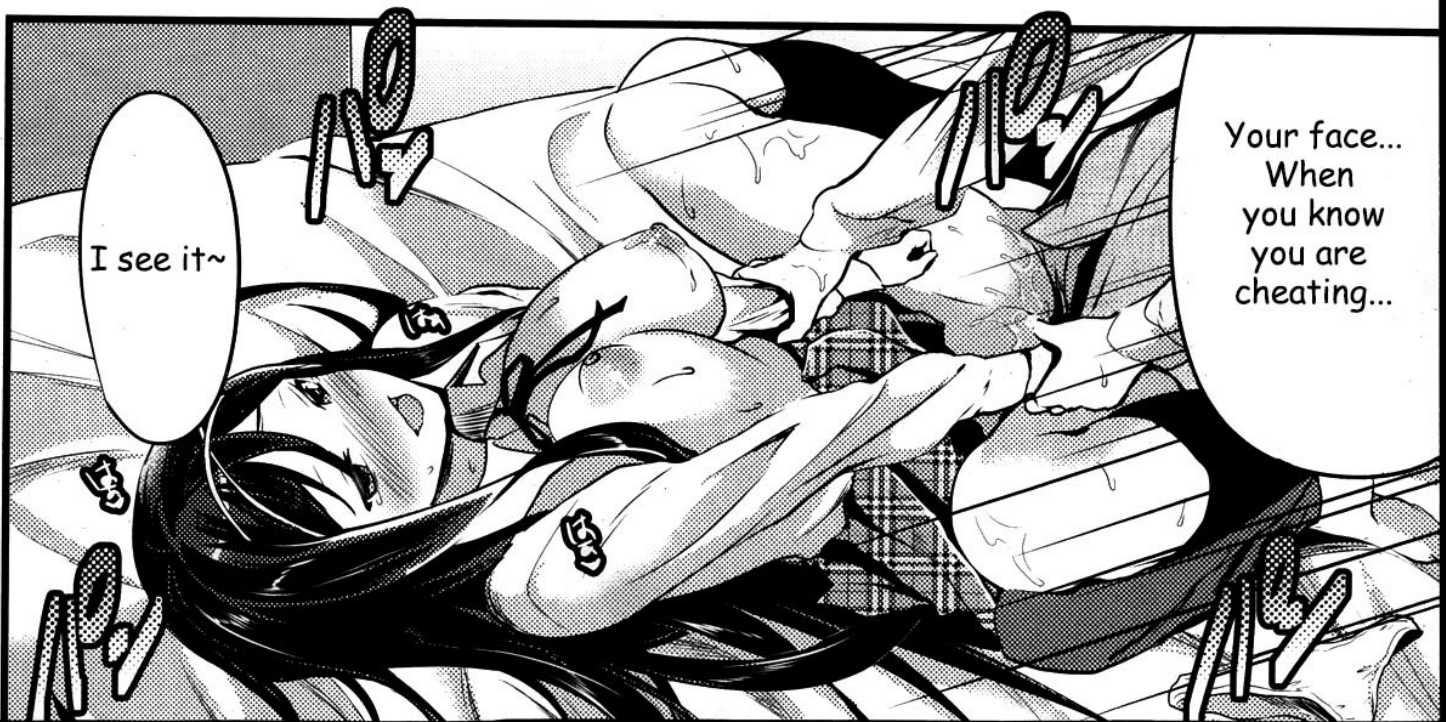

...I've
been
waiting
you.

The Enomoto
Yukari
during
Highschool...

The
Enomoto
Yukari
I still
remember...

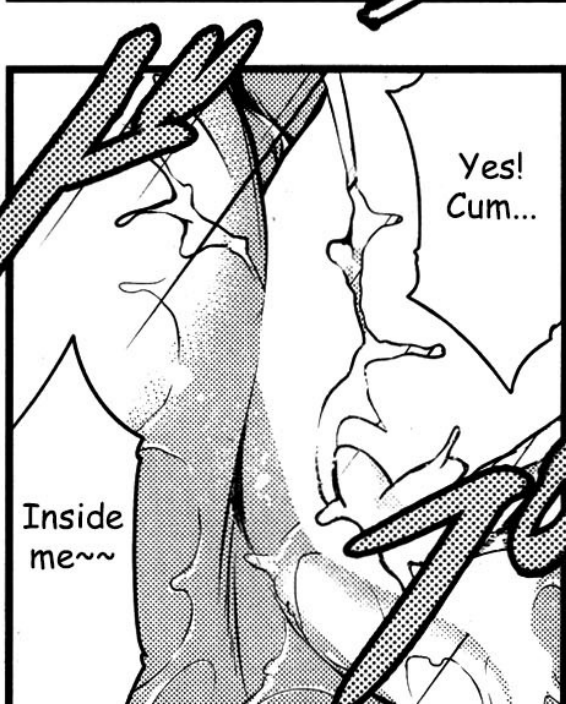

Ughhhh..
My pussy is
going to
break~

Inside
me~~

Yes...
other people's
boyfriend...
is the best...

...
and
we
come

to
the
conclusion

Enomoto-san
won't notice
me if I'm
not someone's
boyfriend.

Once she
got me,
she would
lost interest
in me
gradually,
I suppose.

From now on,
I will not receive
message from
Enomoto-san
again, I think.

「CRASH」

What a coincidence Minami!

...Hey!

Speak of it, why don't we go back together.
