Okay

I'll take it off

Do you mind taking it off?

I was thinking maybe around here, but your skirt is in the way

I thought she was just a child, but her ass looks like a grown woman's

Okay I won't

But I really just want to have my period! I hope this works

Just don't look, okay?

This is so embarrassing!

Okay, it's off!

Maybe I should just listen to what he says

Now what?

※
LIAR

I know you're feeling a little nervous, but it's actually quite a popular type of massage

I'm not supposed to have sex at this age

It's unheard of

Isn't this sex?

What just happened? My entire head went blank and I felt light-headed

My crotch also tightened up.. I wonder if that means that the massage is working

ABOUT SEX

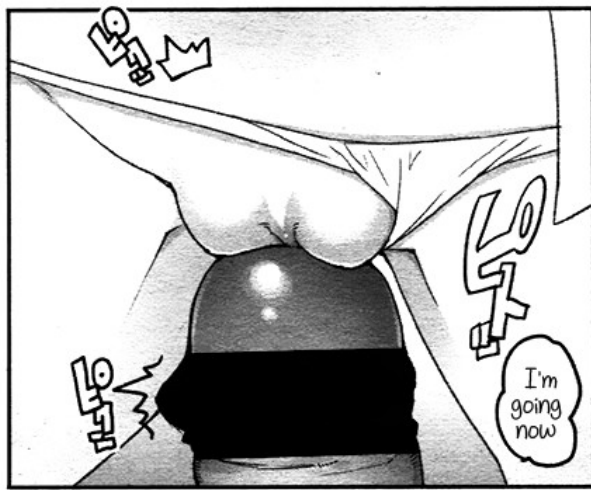

There was another type of massage that I remember reading online. Apparently if you stimulate the sex organs it will produce hormones and will kickstart puberty. I'll use my dick, but don't worry because it doesn't count as sex if you haven't had your period yet!

Onii-Chan

I don't really know what you're talking about, but if it's just a massage, I guess it's fine

His dick is so hard

Just leave it to me!

Is it
all the
way in
yet?!

It's
all the
way in

Okay
I'm
going
to
start
massaging
you
very
slowly

Okay?

Okay,
got it

It's
going
in!

Ahhhh

What's
going on?
It feels like
I'm getting
shocked down
there. It's so
strange, but
I need to
keep
going!

Just
hang in
there
for a
little bit
longer

Ahhhh

It feels good when you pound so deeply

I can't stop clenching

When I fill you up your hormones will start taking effect! That part was true!

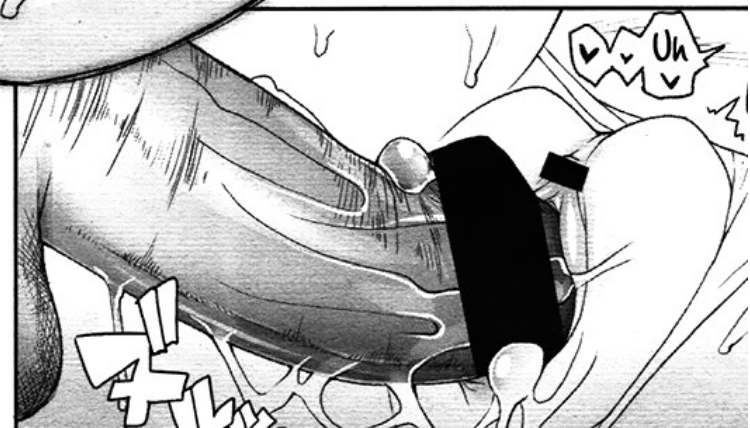

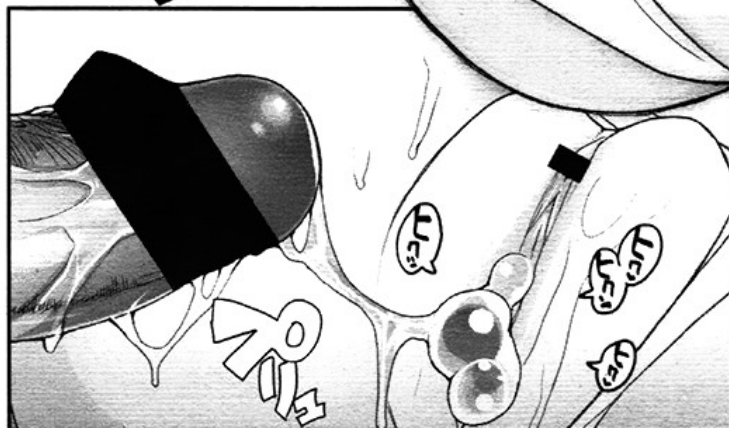

Onii-chan, you're thrusting so fast!

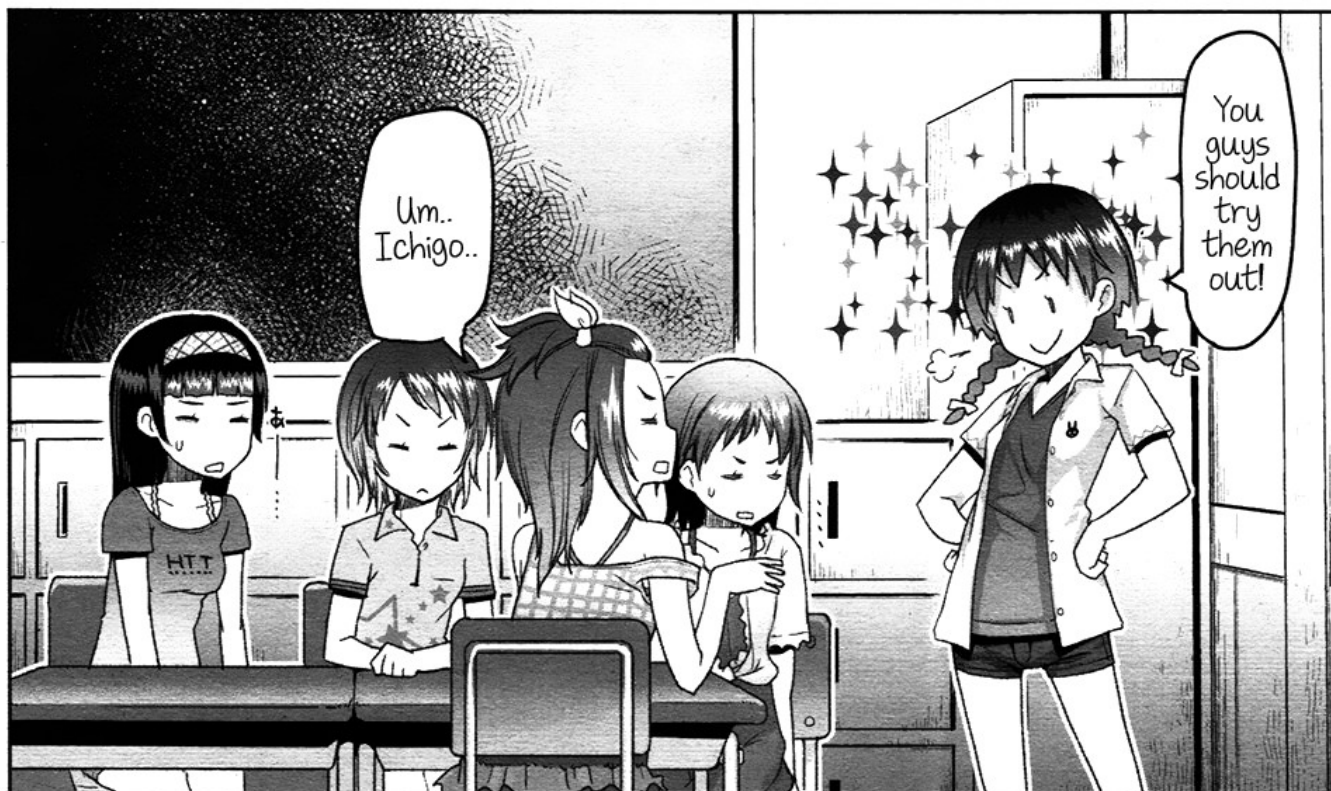

I'm finally gonna have my period!

I think it's really going to happen!

End
