Yuuta,
get off
of her!

You're
bothering
Ayane-
chan!

Open wide,
Yuuta-kun!

I don't mind.
This is
Yuuta-kun's
special seat,
right,
Yuuta-kun?

Yup!
It's smooth
and warm!
I love it
here!

Ah, if only
he were
Ayane-chan's
little
brother
instead
...

I don't
mind at all.
I've always
wanted
a little
brother,
so it's
like a
dream
come
true~

Oh my

Ayane-chan,
I'm so sorry he's
always like this.
He keeps on
asking me
when you'll
come over.
It's annoying!

知☆

We'd kill two birds with one stone!

Ayane-chan, you say that living on your own is too lonely, and I've always wanted my own room.

Eh!?

You can become Ayane-chan's kid!

Oh!

I humbly request from you this favor!

Why so formal!?

I'd also prefer Ayane-chan over onee-chan.

Why, you little...

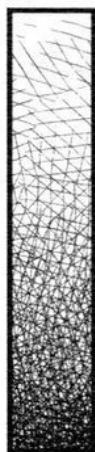

...Ayane-chan?

I...

Thanks for the meal!

OK! I got it! Stop kneeling!

Please, Yuka-chan! Just one day is enough!

Wow, it's already this late!?

PON PON

That was delicious! Ayane-oneechan is even great at cooking!

Ufufu~ I'm happy you enjoyed it.

I'll take you home, so lets get ready to go.

Time sure flies when you're having fun.

Y-Yuuta-kun!

I want to be with Onee-chan forever!

No! I don't want to go home!

Ayane oneechan... How do I make it so that I never have to go home?

I'll call Yuuka then...

Yes! I want to marry Onee-chan!

Then, we could be together forever.

...How about getting married with Onee-chan?

Ufufu

I'll teach you what people do before they get married.

OK! Thanks! Good night!

She said it's OK to stay the night! Now then, lets get married with Onee-chan!

Yea!

...Eh? What do we do to get married?

In order to marry, we do this perverted thing called "sex"...

...but sex is hard, so we have to physically prepare ourselves.

What are you doing...?

Yes~?

O-Onee-chan?

Ngh ...

Right, right! I'll step on you lots!

Oh, a massage? I do that with my dad!

I'll massage you so that we don't hurt ourselves~

Y-yes!
It's so
warm
and
smooth.
It feels
good,
but...

Does it
feel good
to be
massaged
by my
feet?

I think
I'm going
to pee...

Oh~?
Why?

O-
Onee-
chan...
Get
off...

No,
it-
it's...!

Oh dear~
We already
physically
prepared
ourselves,
so can you
endure it?

coming out...!

Hey now, you need to control yourself better, you know?

I put my penis in here...?

You stick your penis into Onee-chan's pussy and spurt it out.
That's what sex is.

This isn't pee?

This is called sperm.

Now that we've finished preparing, lets have sex.

When you make it all slippery, it'll feel really good~

Aaa~

Oh my, you already came?

S-sorry, it felt too good...

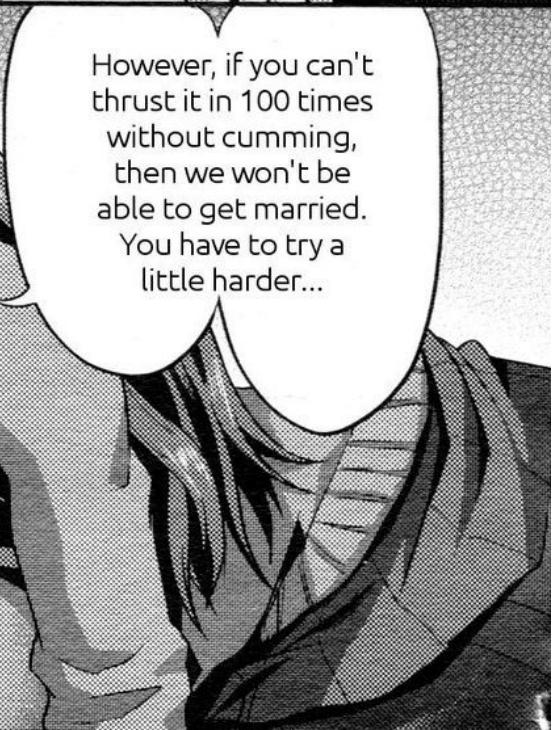

Ufufu~ It's your first time, so it can't be helped.

G-got it! If that's what it takes to marry Onee-chan, I will try my best!

Got it?

However, if you can't thrust it in 100 times without cumming, then we won't be able to get married. You have to try a little harder...

Hey now, do your best!

One more try!

Aw, you came! Try again!

Here it is!

Hm, I'm sure it was around here...

That's OK.

I... I can't do it any more...

If you can thrust 100 times without cumming, I'll give you a kiss, so do your best!

O-OK! I'll do my best!

Fufu~ Doesn't it feel good?

Onee...! I'm afraid! This is scary!

Onee-chan is cheering you on, so good luck, Yuuta-kun!

See, you can do it! One, two...!

Yes!
Almost there...!

O-Onee-
chan,
I love you!
I really do!
