

# アイドル強制操作

スマホで命令したことが現実になり  
第5話 高慢女子アナがエロ声をあげて…

What happened to me?

Today, just now...

Why did I...

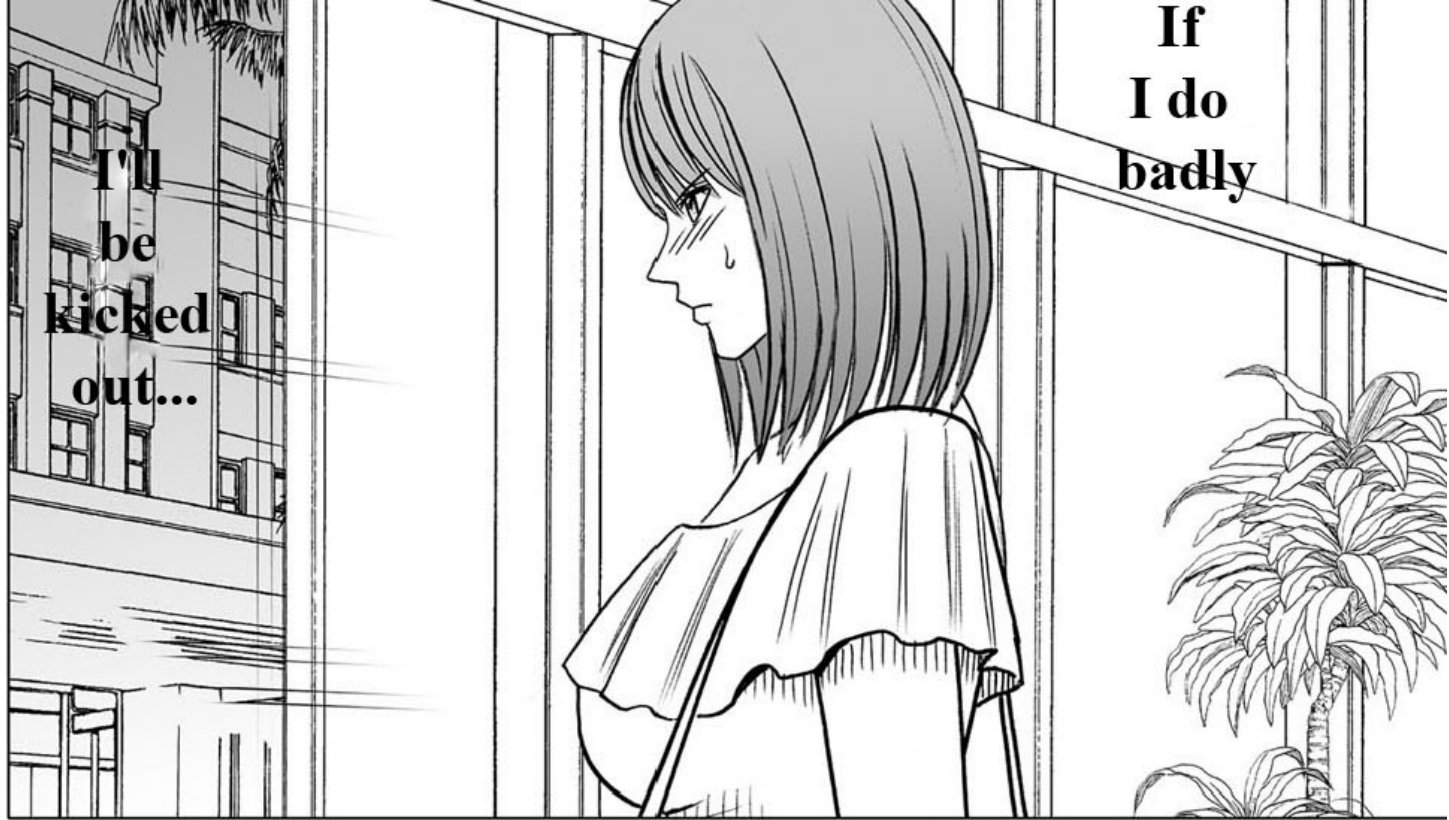

While broadcasting live...

What should I do...

They'll definitely be watching closely from tomorrow...

They said I can keep the position, but...

I'll  
be  
kicked  
out...

If  
I do  
badly

I can't let  
my peers  
catch up...!

I finally  
got this  
position...

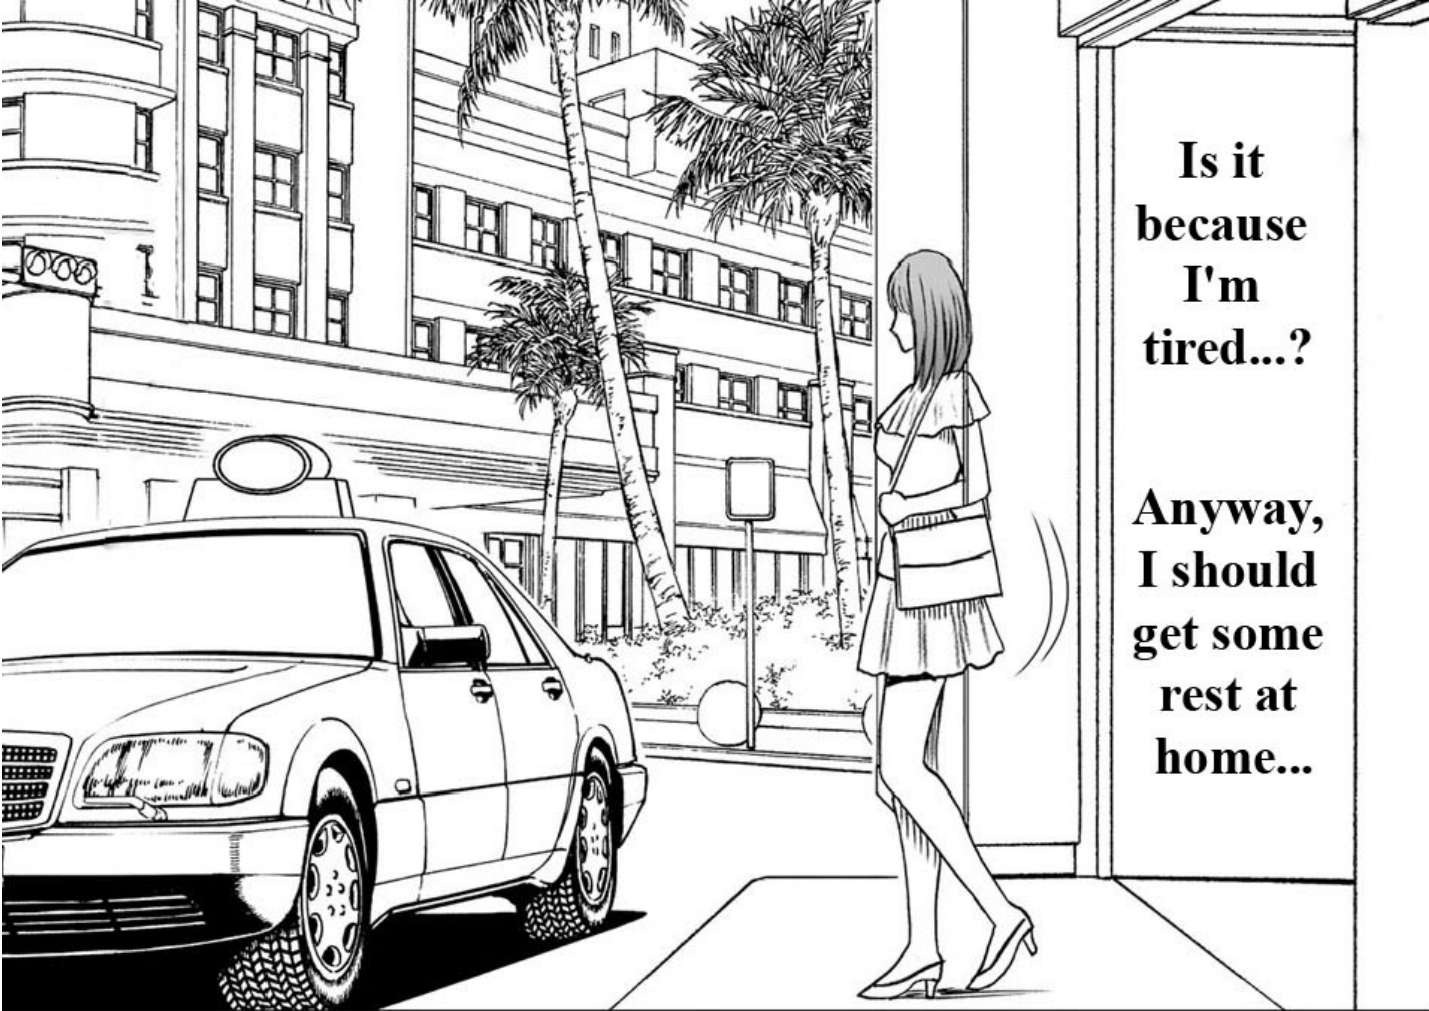

Again...  
my crotch  
is  
tingling...

A  
A A  
A A  
H!

Why...  
why did  
such  
a thing...

Is it  
because  
I'm  
tired...?

Anyway,  
I should  
get some  
rest at  
home...

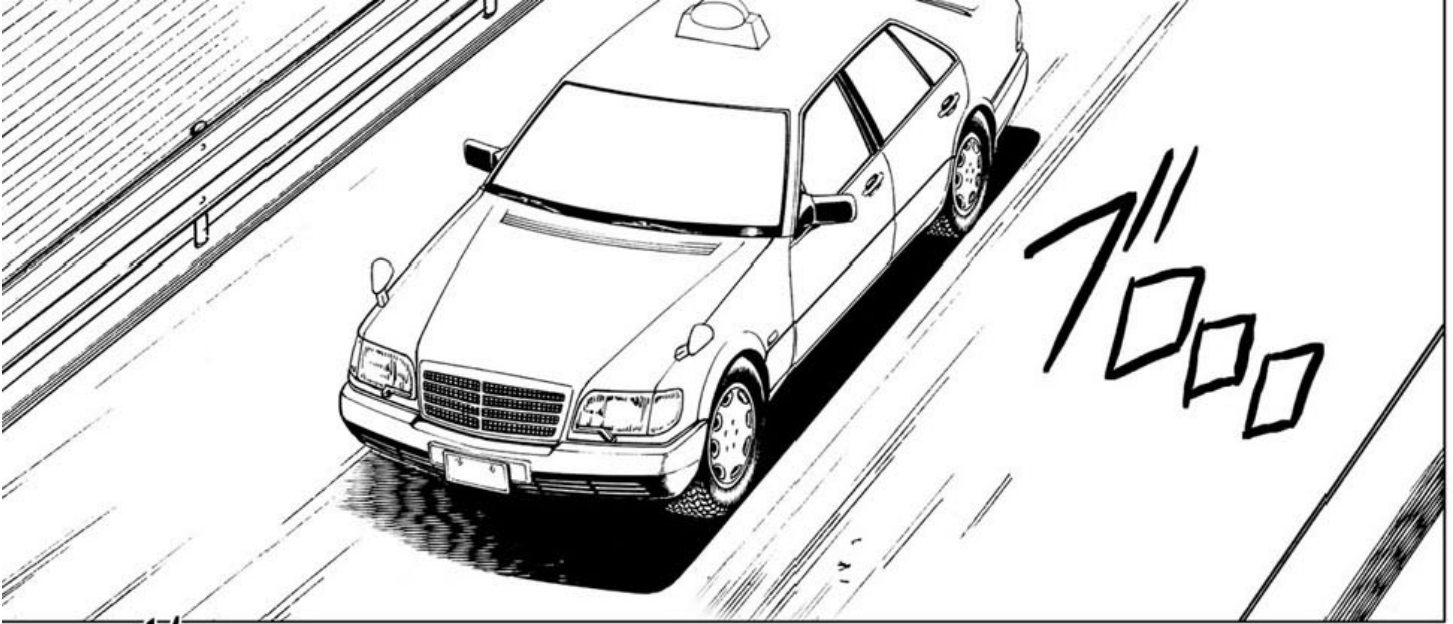

Ah!

A stylized smartphone frame with a white border. The top part is dark grey with a camera lens and flash. The bottom part is dark grey with three capacitive touch buttons. The main screen area is white and contains the following text:

# **CHAPTER 5**

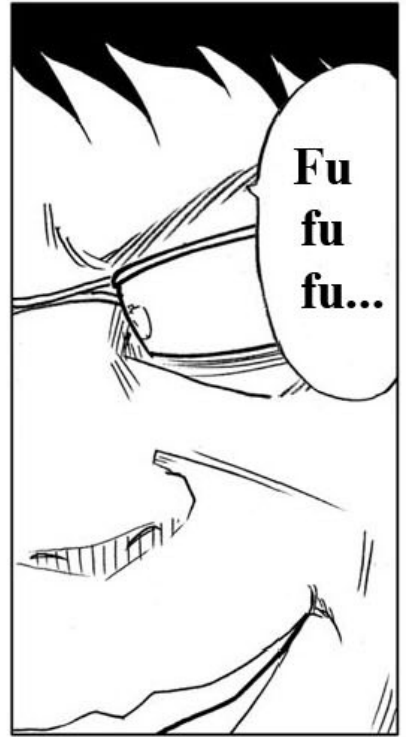

**The proud  
announcer  
makes erotic  
sounds...**

Hey!  
What  
are  
you  
doing!

As  
expected,  
you're  
cute  
even from  
close-up.  
Gufufu...

Who  
are  
you!

Fu  
fu  
fu...

.....  
!

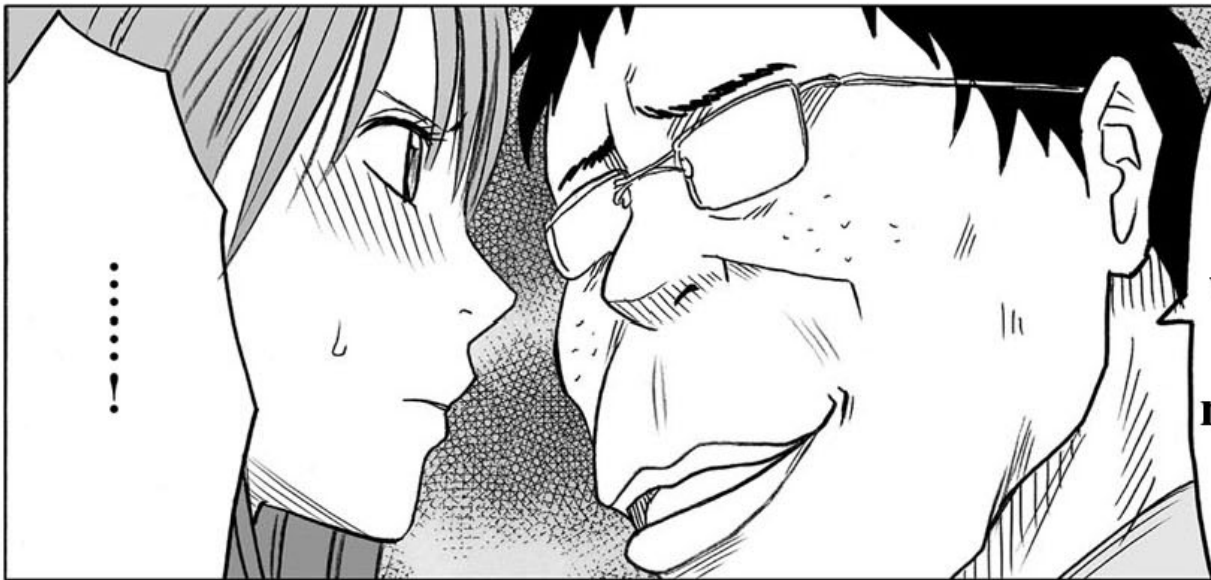

It's useless

That driver is under my control

I'm getting off!

Driver! Please stop at once!

Fufufu...

I was watching this morning's news

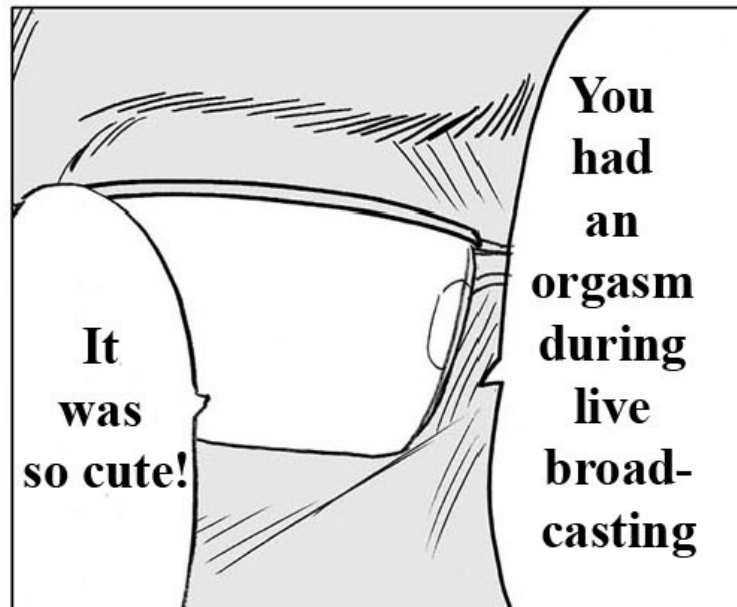

.....!

Th... that's not it! That was...!

Wha...!

フキッ

It was so cute!

You had an orgasm during live broadcasting

It's  
useless,  
I know  
everything...

Since  
I was  
the one  
who  
did it

It...  
it was  
your  
doing!?

Fu  
fu

What are  
you  
doing!

Your  
body  
must be  
tingling  
right?

You  
came  
so hard  
just  
now

Let's see those nipples that you couldn't show on air!

ヒキヒキ

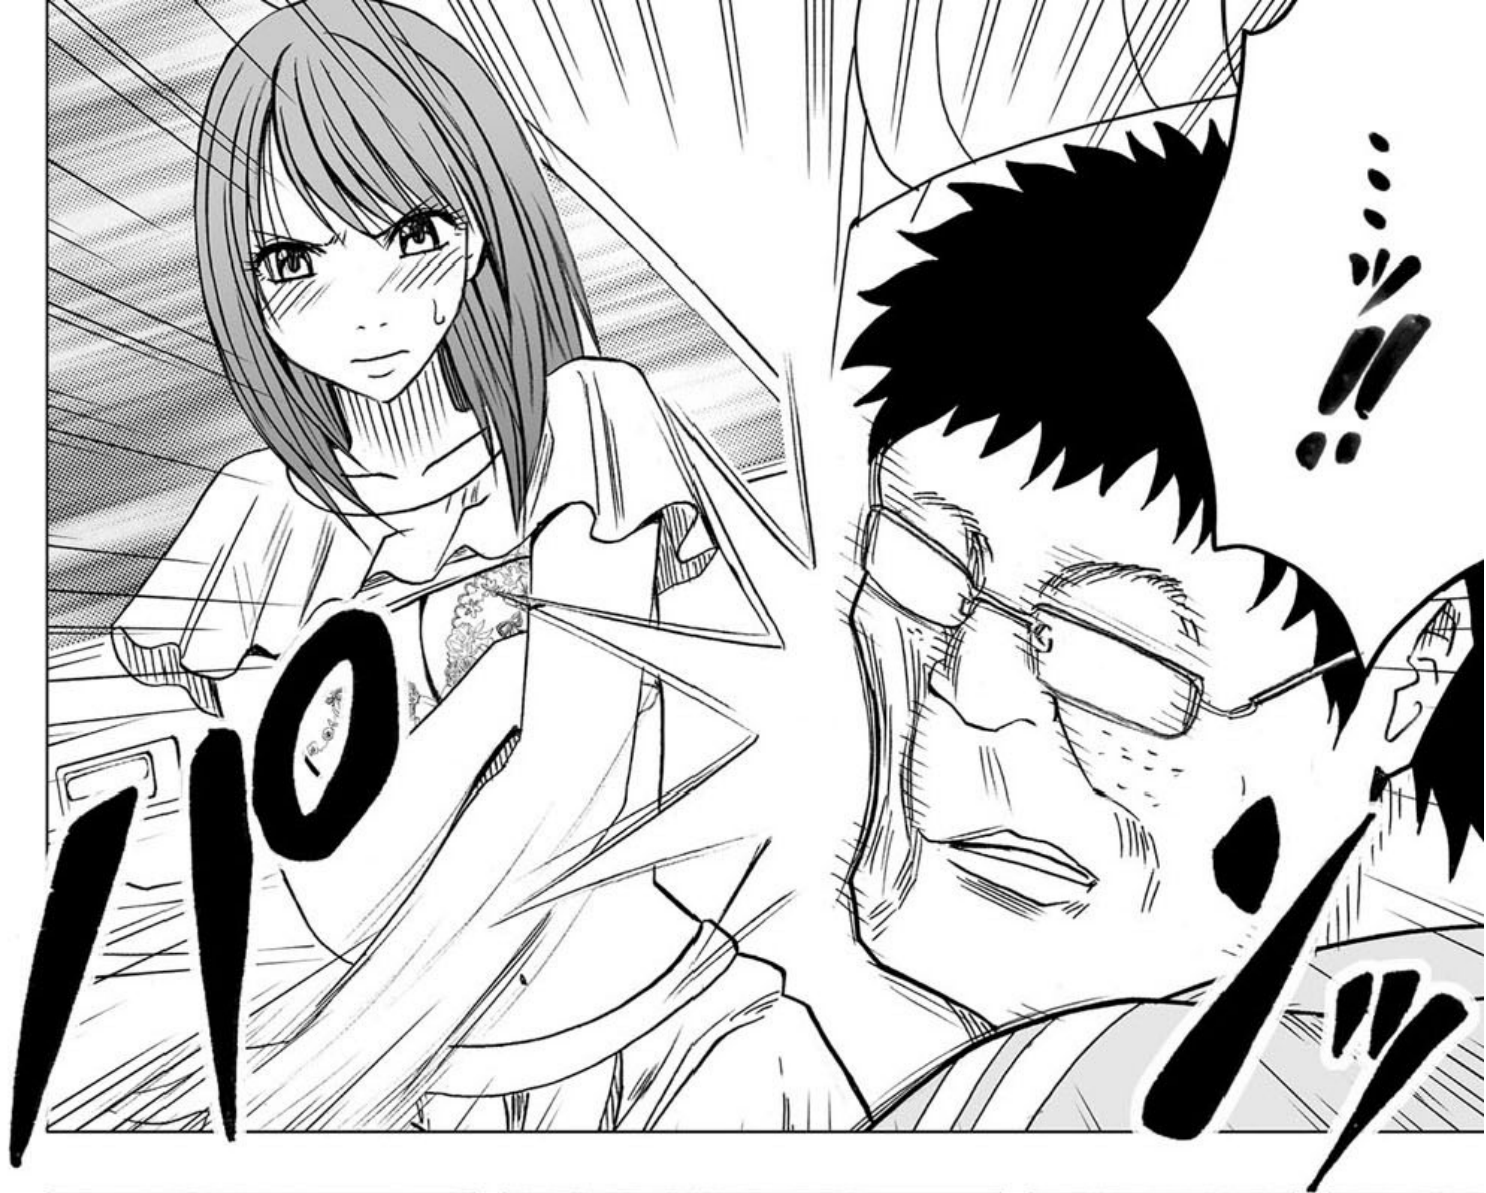

...

In this situation, you're just another girl

Even a proud announcer like yourself

For such  
a proud  
woman

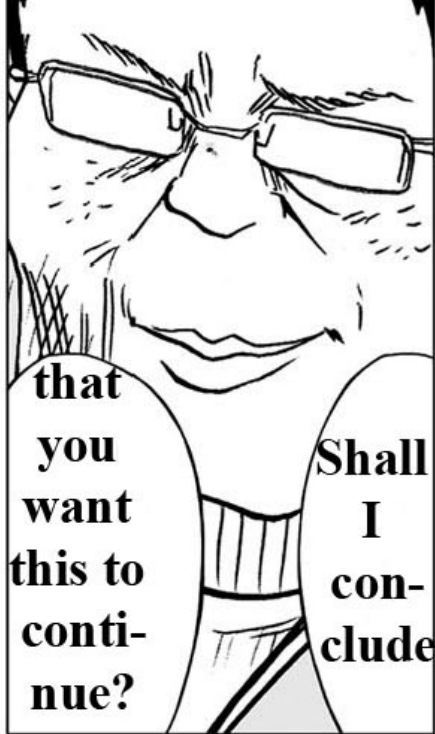

Let's do  
things  
a bit  
differently  
this time...

Huh...!

I'll make  
her  
strip  
herself

that  
you  
want  
this to  
conti-  
nue?

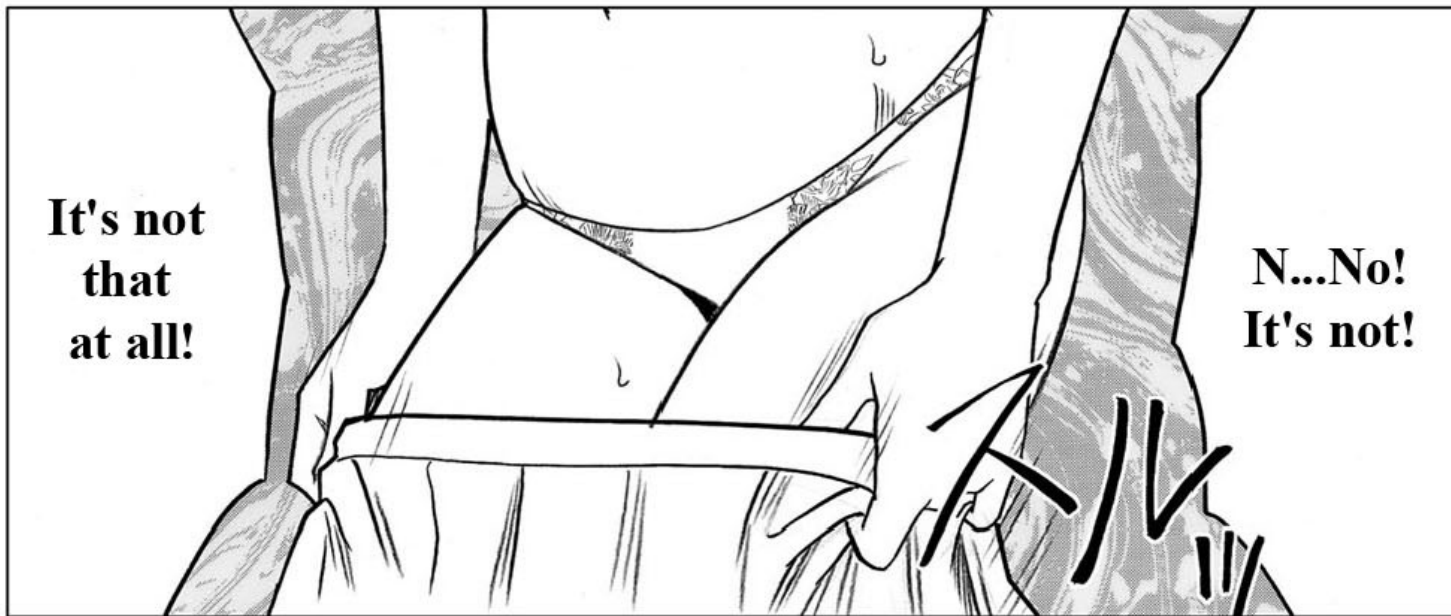

Shall  
I  
con-  
clude

No!

Inte-  
re-  
sing

You just  
said it's  
unforgivable,  
but you're  
stripping  
yourself...

It's not  
that  
at all!

N...No!  
It's not!

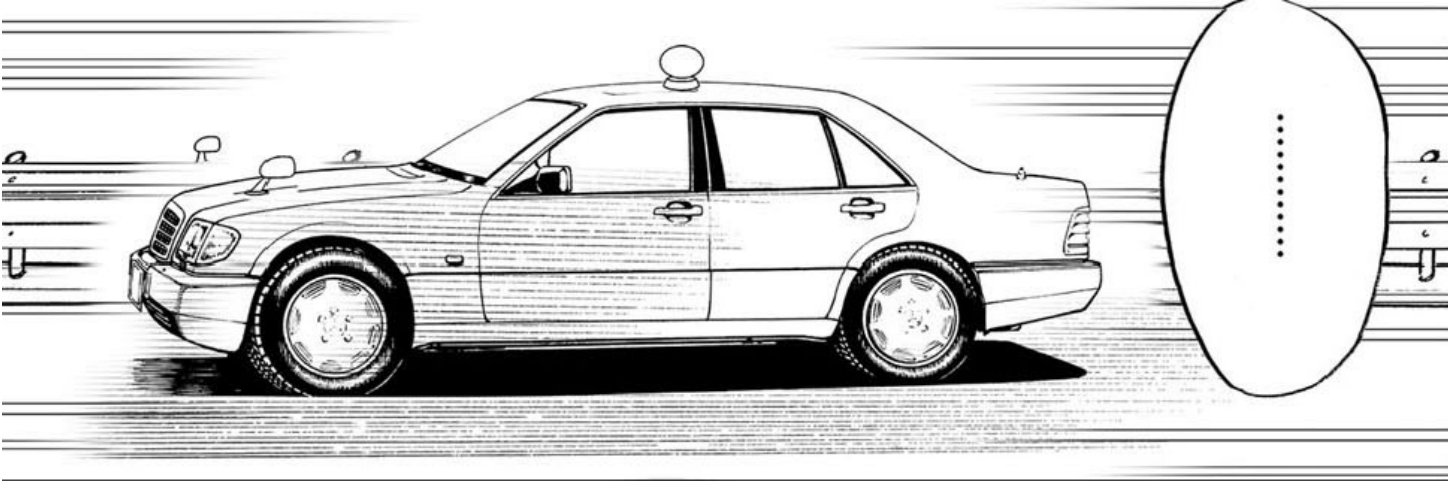

I can't  
control  
my hands...!

What is  
this...!

Why am  
I...?

I'll take that as your consent?

If you cum within one minute of my fondling

.....  
キキキ

ズィ

You can make as much noise as you want here

Fufu fu... Even though you say that...

You tried to resist during the live broadcast too, right?

I'll come from your clumsy fondling...

There is no way

voice

It's an  
honour  
to  
hear the  
erotic voice  
of  
a popular  
announcer

Hm?

Even though it's useless...

You're suppressing your voice?

N

I didn't think he'd be able to make me feel anything...!

No way...!

フフ

My next command is... let's see...

Fufufu... I won't let you resist

Yuri Tomoka will keep her hands above her head

Don't let them down until you cum
