

I feel...
feel ur strong life force

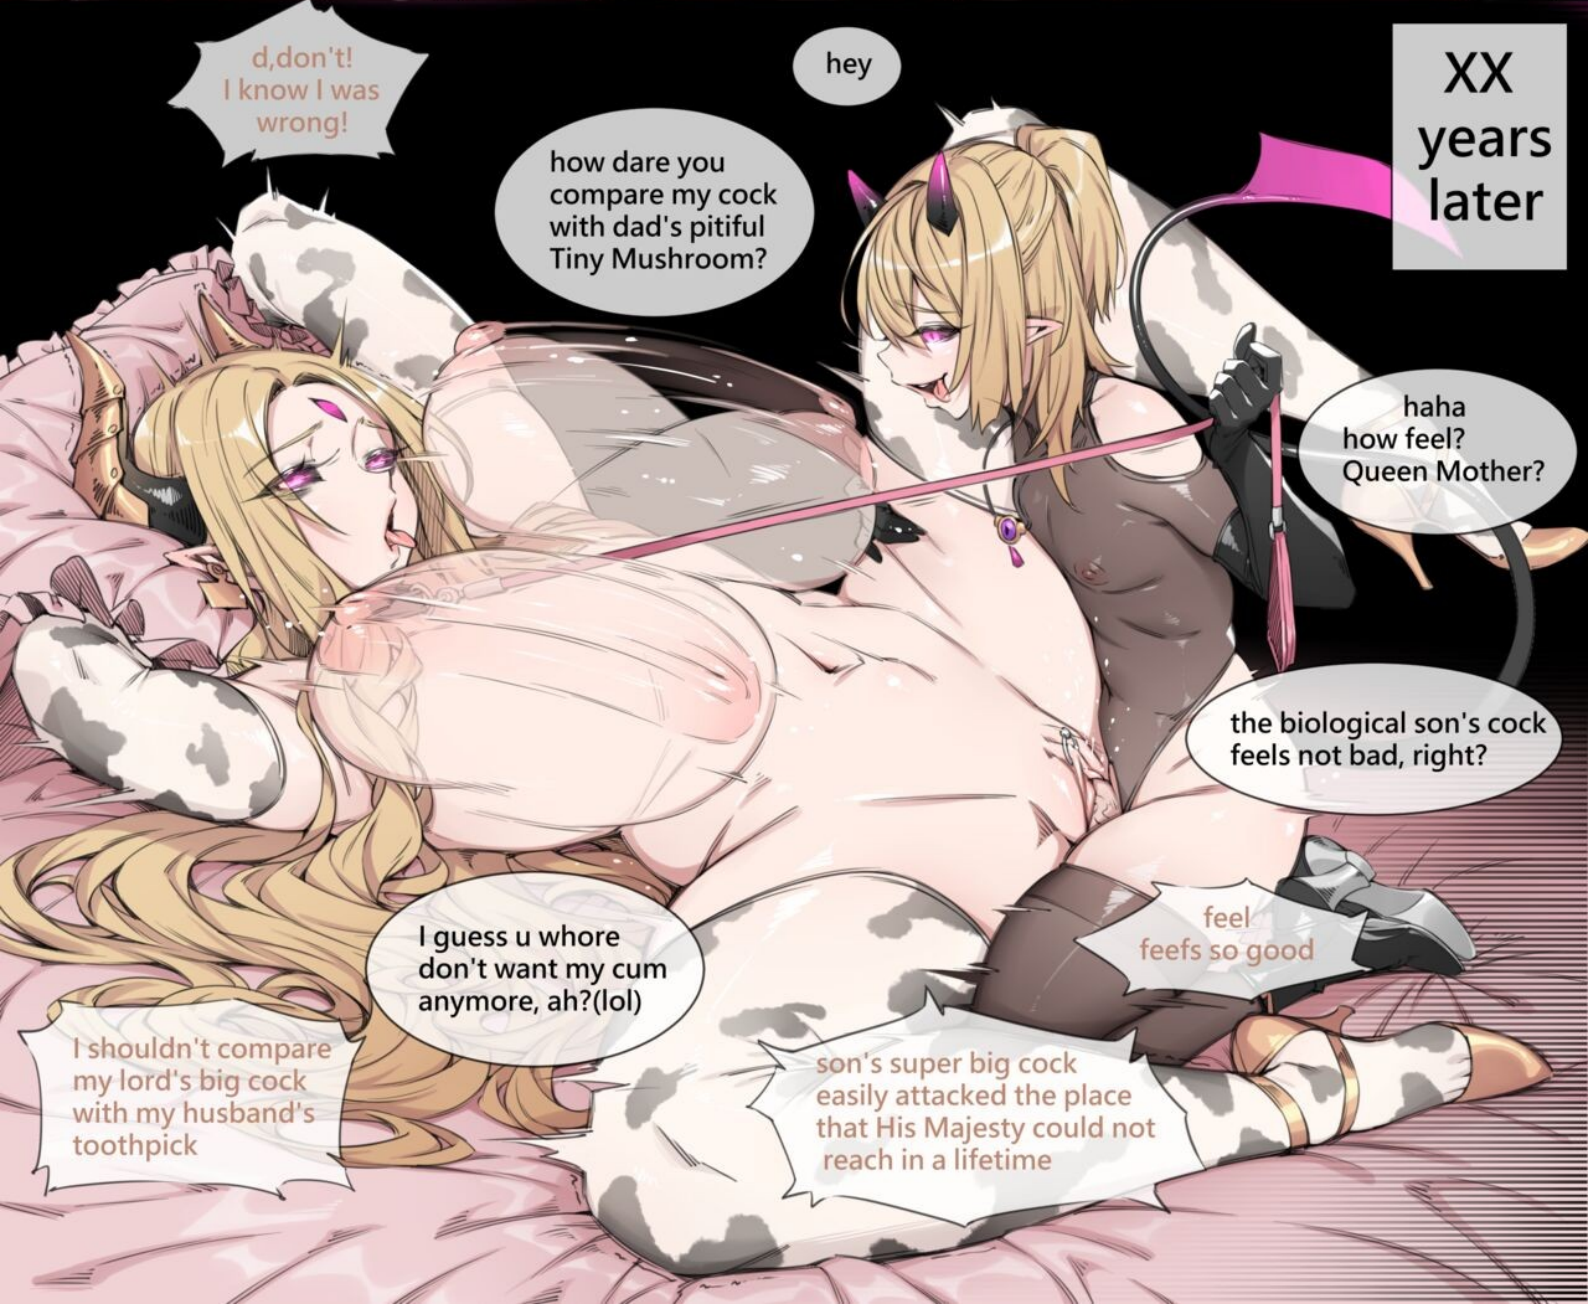

ahah...
my son

wa~
congratulations
madam

I sure u can inherit
His Majesty's bravery
and my magic attainments
in the future.

young master
looks very energetic

ultimately leading our
demons to achieve greatness

XX
years
later

d,don't!
I know I was
wrong!

hey

how dare you
compare my cock
with dad's pitiful
Tiny Mushroom?

haha
how feel?
Queen Mother?

the biological son's cock
feels not bad, right?

I guess u whore
don't want my cum
anymore, ah?(lol)

feel
feels so good

I shouldn't compare
my lord's big cock
with my husband's
toothpick

son's super big cock
easily attacked the place
that His Majesty could not
reach in a lifetime

I guess it's better for you to wake up to big cock penetration every day than to live as a mother or wife.

lawl

Master's dick is so cocked up and long...

Where does this kind of whore come from that belittles her husband for the sake of my cock?

Uhh~ I can't win with you.

Every each fuck, Master's cock hooks hard and tears at my uterus. No female can experience such the best sex and still not fall in love with it.

Should I say you're really a high-class female demon?

Th..Thank you for ur compliments~ YEEEE!!!

You have more self-awareness of being born as a dick sheath than those female humans who die after capturing fuck a few times

Although the mother is only a masochist masturbator cup, but at least the body is also a high-class demon. If I use you as my pregnancy bag this time, will the experiment be successful?

So I thought about it

By the way, Mother.

I have recently developed an lewd-magic that can 100% confirm pregnancy.

Eh!?

you say... you willing to let my that like whore pussy going to be able to get pregnant with the noble blood of master?

But the female human slaves I keep are unable to withstand this large magical energy.

Awww...

I, will obey my master's arrangement.

But is that okay? If His Majesty finds out about our relationship...

Hmm? Don't you want?

As long as the Queen Mother cooperates with me in some subsequent plans Father will not stay in the world for a long time.

Haha, no problem

I want! I want to pregnant the offspring of my wonderful son! But...

You really know how to please me, Queen Mother

Uhh... But if you give birth to a child who wants to kill his father, like me. I'll feel very trouble..

Eh!?

Got it!

If you are pregnant with a girl, give birth to her.

And then raped her until she became like mother, and all she could just think about how to please me.

If I had this chance ...

Please be sure to include your child's share... let me orgasm to death!

HA HA HA !!

If you're pregnant with a boy

I will personally crush him with my big cock and mother's womb

How... how dare...

I heard that the moment the baby was crushed into gravy by the cock,

You'll have such an instant orgasm that your brain will be broken and then you'll be a lewd stupid forever~

Fantastic! I'll cum in

YEE EEE EEE !!

I'm looking forward to see...

Don't you want to feel it, Mother?

Uhh... Tha...That ...if...

Will the baby you carry this time become another sow, or will it be remnants wrapped around my cock. (lawl)

is this really an O years old demon boy's penis!?

o,omg... just before young master didn't have an erection, I didn't even notice...

I've always loved you

a few years before mother became a sow...

since the young master went to the Demon Academy has been a few years

this long holiday you have a rare trip home, I just found out that young master has really grown up a lot.

interesting

Ehh... young master, this.....

Ehh hh!?

Elia, look

because of you, my penis has become like this

this size is too dangerous

after all, I've been attracted to Elia's charms since I was little

really? I'm so happy

I'm in school but I miss the time when Elia took care of me when I was little

it,it's all right, young master I'll just wash it again...

Yee aaa a!!

It's okay for me to do this... right?

so, so big... one hand can't hold it at all

Umm~

Nah~ Elia

Ehh~ sorry~ Elia lol

Elia, you used me this way ...

this rich taste ...

this side hasn't been washed yet, right? I'm counting on you

Ahh... a, as your wish

Ahh ...

#LICK

and I, a lowly maid, was masturbating ...

no... I can't... master is sleeping next to me...

Uh... Ummm... young master...

young master, r u asleep? (whispering)

sure ~

please violate my pussy hard... master... (whispering)

Ehh !!?

zz
zz
zz

Ahh... as I keying my pussy... The more my body wanted to be violated by master's monster-like rod...

so strange... since I tasted master's semen, I always feel that my pussy is always Itchy and unbearable

whether u r asking me to forgive u for keying ur pussy next to me or the fact that u want to be violated by me

Umm... OK~

Heehee u're so nervous (lol)

Yeah !?

YEE EAA AA!!

how do u think?

!?

Madam, sorry I'm late

Oh, it's okay. but it's rare to see u wake up so late.

oh yeah? u're still so close with my son

yes, I am happy to see young master is getting better and better. I am sincerely happy for young master

yesterday, I talked to young master about his life at school. I accidentally talked too late

well... in fact, u don't need to spoil my son too much. he may sometimes be a bit too tough

Eh!? Ah... Yes, Madam

be, because it's been too long since I've seen young master

no, it's ok. this is what I should do.

Last Night

Haha I didn't know u were still a virgin

It's not bad to be taken away for the first time by my big cock, right?(lol)

this is only my first cum, tonight. is still very long~ lol

I... I can't do it again. forgive me, young master

keep doing this, my pussy will really broken

Y, Yes !!

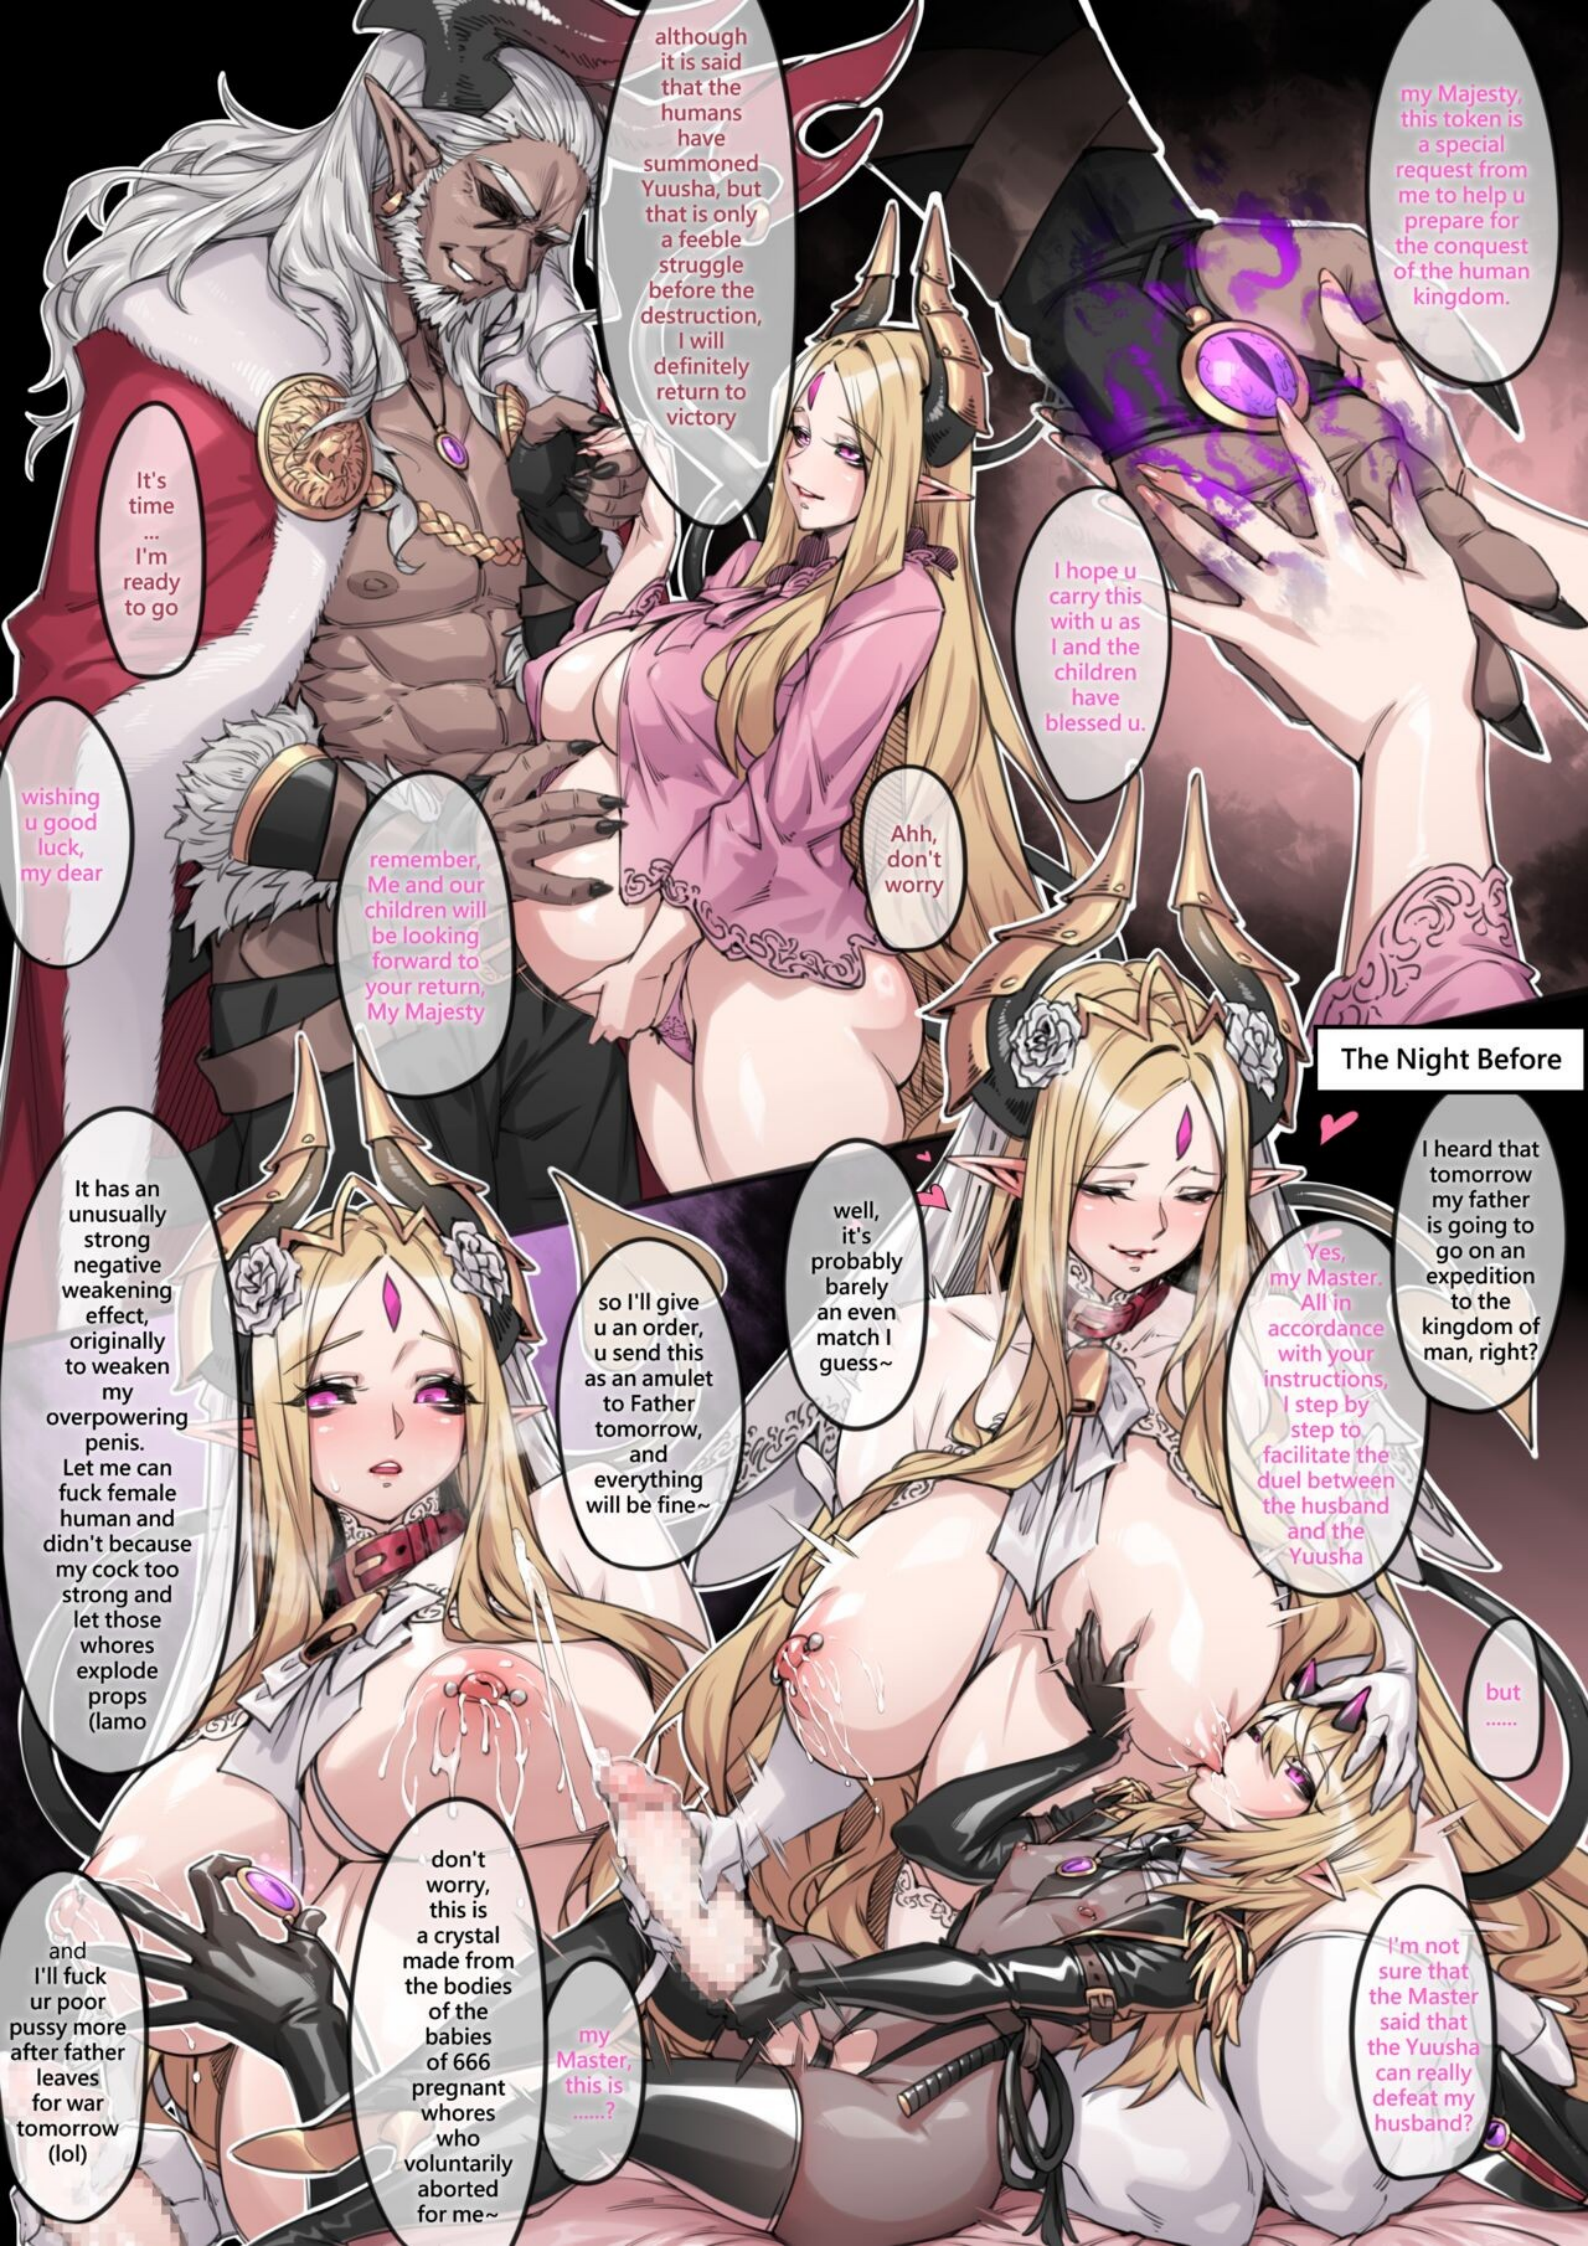

I was happy to have my maiden virginity taken away for the first time by young master's majestic cock.

my pussy are so happy that they can't even close~

Hey, Hey~ ur pussy is so trashy

no way

can't you see my balls still bulging? this is not enough cum for ur hentai pussy, right? (lol)

although it is said that the humans have summoned Yuusha, but that is only a feeble struggle before the destruction, I will definitely return to victory

my Majesty, this token is a special request from me to help u prepare for the conquest of the human kingdom.

It's time ... I'm ready to go

I hope u carry this with u as I and the children have blessed u.

wishing u good luck, my dear

remember, Me and our children will be looking forward to your return, My Majesty

Ahh, don't worry

The Night Before

It has an unusually strong negative weakening effect, originally to weaken my overpowering penis. Let me can fuck female human and didn't because my cock too strong and let those whores explode props (lamo

I heard that tomorrow my father is going to go on an expedition to the kingdom of man, right?

so I'll give u an order, u send this as an amulet to Father tomorrow, and everything will be fine~

well, it's probably barely an even match I guess~

Yes, my Master. All in accordance with your instructions, I step by step to facilitate the duel between the husband and the Yuusha

but

and I'll fuck ur poor pussy more after father leaves for war tomorrow (lol)

don't worry, this is a crystal made from the bodies of the babies of 666 pregnant whores who voluntarily aborted for me~

my Master, this is

I'm not sure that the Master said that the Yuusha can really defeat my husband?

is this the best u can do?

what's wrong, the demon king?

no, no way! why she so strong !?

even though she is Yuusha

but is it really possible for a mere human to break the limitations of the species and achieve the same level of strength as me?

u mother fuck!!

At the same time

Hey~ I'm not ask u that, did I? (lol

Oh~ I didn't realize there were so many loser loyal to my father~

what u think we should do, Mother?
