EXPECT AND  
DESIRE EVERY  
SINGLE DAY  
WHAT MY LITTLE

ALWAYS DOES  
TO ME.

I REALLY  
WANNA SEE  
ONII'S PENIS.

HEY...  
ONII...  
♡

TO BE  
HONEST,  
IT'S PROBABLY  
JUST GONNA  
BE A MATTER  
OF TIME TILL I  
BREAK DOWN  
AND SUBMIT  
TO HIM  
COMPLETELY.

YEAH...  
THAT'S  
FINE.

## MYSTERYMEAT3 TRANSLATIONS

-NO COMMISSIONS-

-NO DONATIONS-

-JUST FAP-

I was too lazy to come up with a joke, but that doesn't matter in this book anyway. The jokes write themselves. Before anyone asks, yes, those are all literal translations. I used to translated more literally like that back when I first started, but I've been leaning more toward stuff that sounds like...actual conversational English lately. However, when I run across stuff like this, I just have to keep it in tact. I mean, come on. It's his pussy. HIS PUSSY!!! What else is left to say?

Also sorry for taking so long with this one. I had to do shit with the holidays and whatnot. The translation was easy and I pretty much made the only notes I wanted to already. Also, in case anyone was wondering, I probably reduced the amount of hearts by like 50%+. It should be obvious as to why.

I was going to start on the anthologies next, but I decided to do one more Kirsi one because I liked it and everyone asked me to (I would've done it anyway, so please don't take this as a sign that I'm going to respond to your request if I don't want to). So expect that one. I don't remember the name of it, but it had Hideyoshi in it. Until then.

HAPPY FAPPING!
