Yuki: How would you translate the title?

Charly: The neighbors moan loudly or something similar

Charly: significantly easier to word a bit better

Charly: just can't think of better wording right now

Charly: they all sound pretty stupid still

Yuki: IT'S FINE!

.....

Charly: it's just that the title is stupid

Charly: I GOT IT

Charly: THE NEIGHBOR'S MOANS PIERCE THE HEAVENS!

Yuki: Lol. xD
