Rather than saying 'I hate you', it's more like...

And you've helped me tons of other times on top of that!...That's why...Uhm...

You were the one who cleared away everyone's suspicions.

You were the only one who believed me back then, Kenta.

I might...

First, we  
should  
kiss, right?

Eh?

No

[Her colossal lips surround me with the scents of toothpaste and saliva.]

[Even though they're incredibly soft, to me, they're more like megaliths unrelenting in their might.]

[A titanic, warm, slippery wall of meat is...]

[The incredible pressure is suffocating.]

[...squashing me down and grinding me into pools of saliva.]

[...No. I guess she's not that kind of girl.]

[This is simply me, on the tip of a tongue of a girl who's only intention is to lovingly kiss me.]

[The pain and pleasure are forcibly carving their way through me simultaneously.]

[If it's trampling over and violating me, then it's MY fault for being so tiny and powerless right now...]

んっ

[Shit..!]

[In what way can you call THIS is a kiss?!]

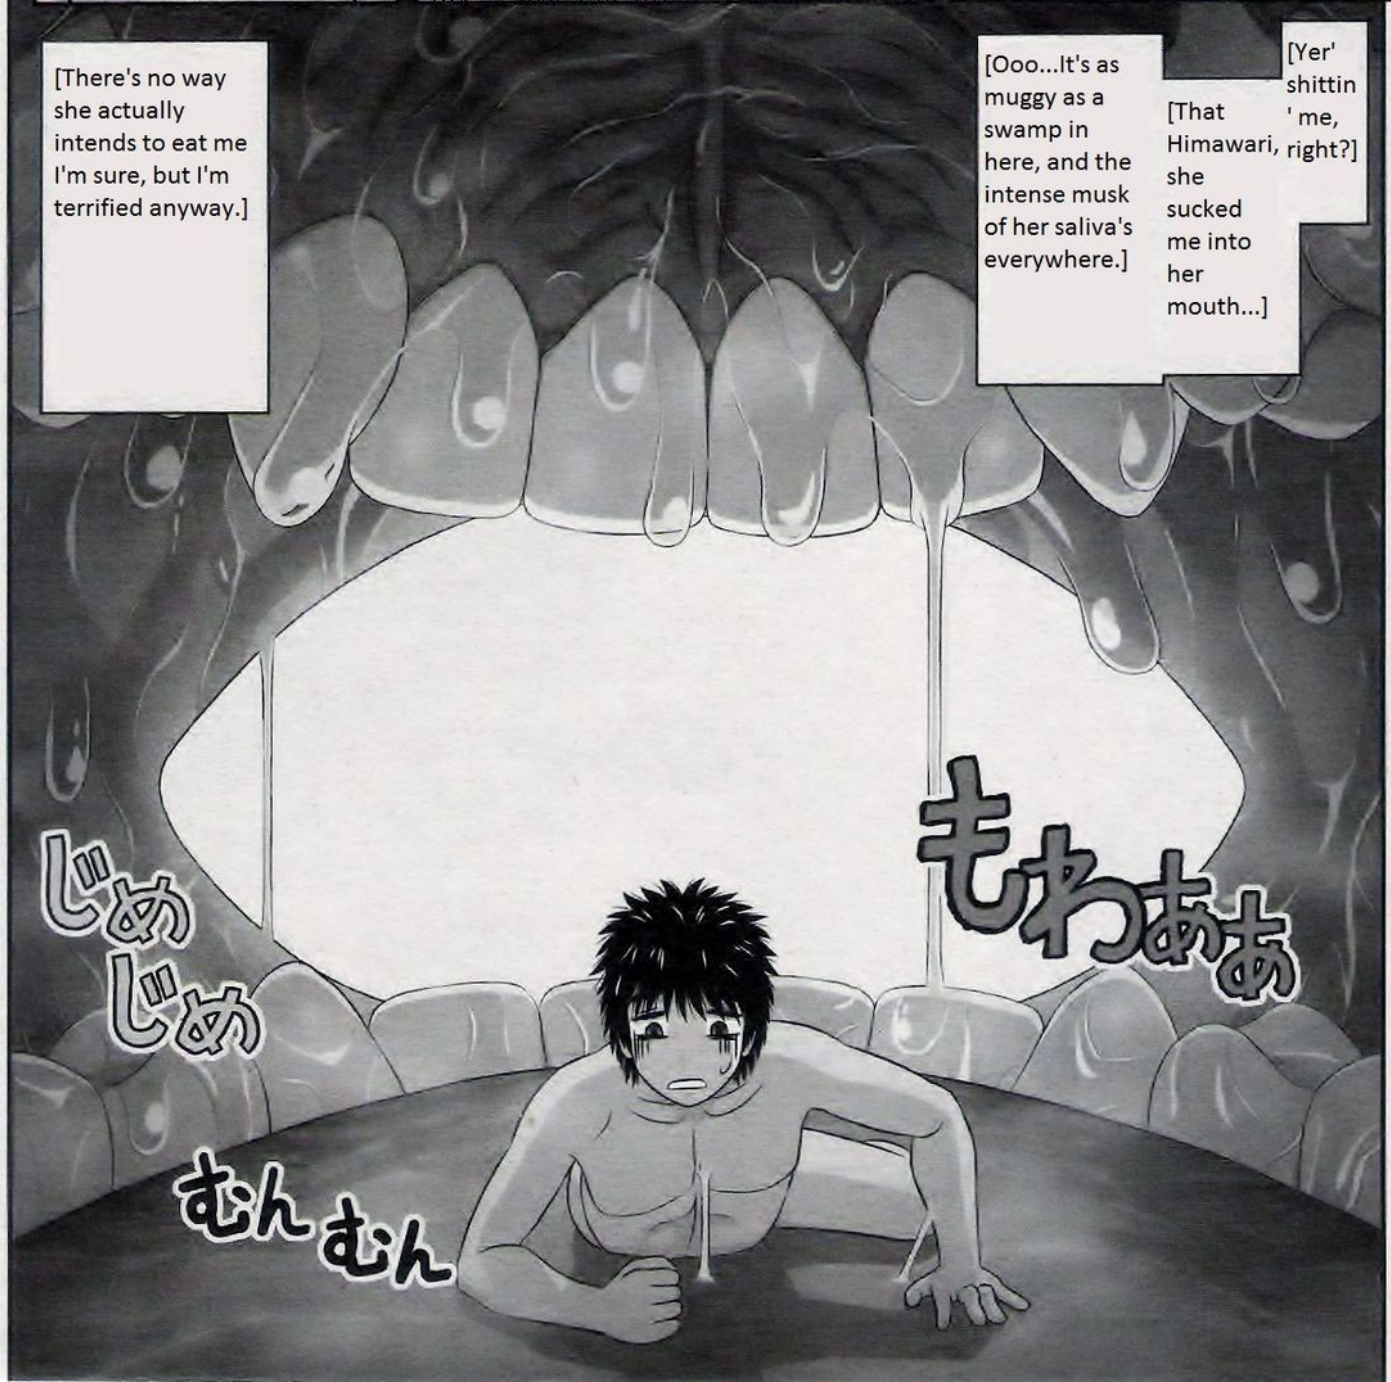

[That damn Himawari, she must be tormenting me to get even for all those years of teasing, isn't she...]

[There's no way she actually intends to eat me I'm sure, but I'm terrified anyway.]

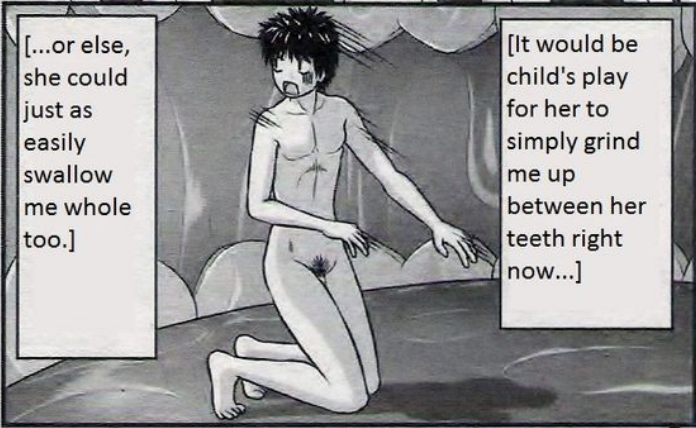

[Ooo...It's as muggy as a swamp in here, and the intense musk of her saliva's everywhere.]

[Yer' shittin 'me, [That Himawari, right?] she sucked me into her mouth...]

[...or else, she could just as easily swallow me whole too.]

[It would be child's play for her to simply grind me up between her teeth right now...]

[I have to ask her to let me out of here or something, or else...]

[It and my pain are being swallowed up in the growing fog of pleasure.]

[My consciousness is becoming dim and hazy from oxygen deprivation.]

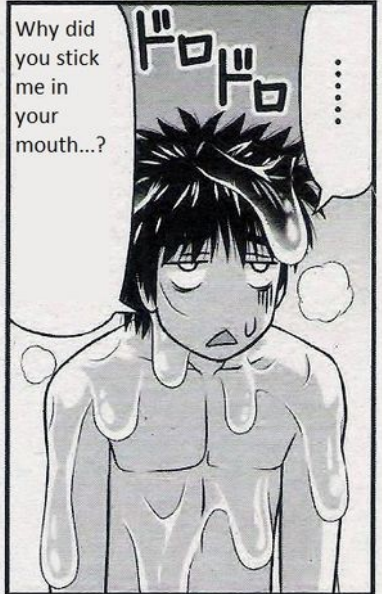

[My thoughts are disjointed.]

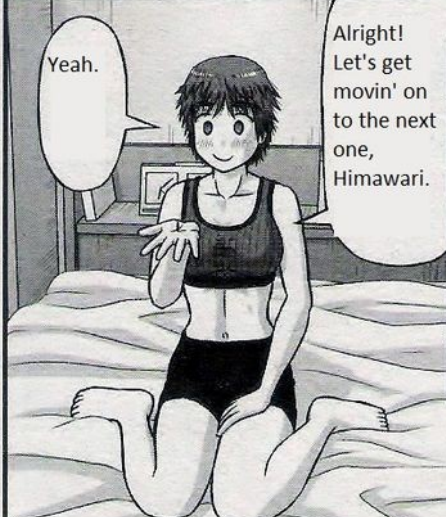

THAT WAS TOO FUCKIN G DEEP!

Eh? I mean, y'know...  
That way seemed more like the "Lovers" way of doing it, I guess. Uhhmm...Think of it as a deep, french kiss?

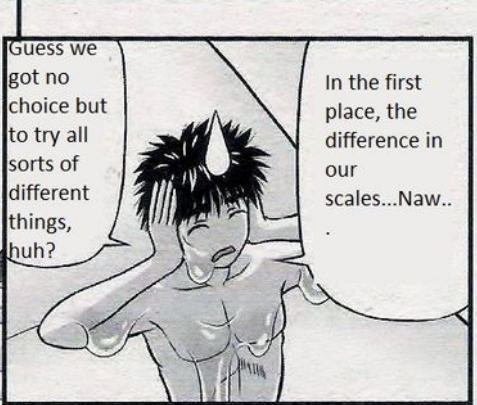

Why did you stick me in your mouth...?

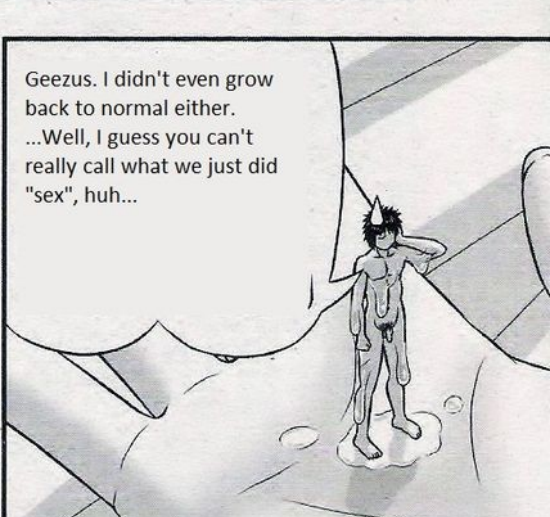

Yeah.

Alright! Let's get movin' on to the next one, Himawari.

Guess we got no choice but to try all sorts of different things, huh?

In the first place, the difference in our scales...Naw..

Geezus. I didn't even grow back to normal either. ...Well, I guess you can't really call what we just did "sex", huh...
