I've already finished measuring outside, and the process is quite simple, it'll only take a minute or so.

In summary, we're going into every house, and testing the tap water and the air for radiation levels and we would appreciate your cooperation.

Gya!

Else,
I'll take this
box cutter n'
I'll slash up
yer face.

Don't
struggle
and don't
scream.

Ya don't
want me to
cut off your
ears or nose,
do ya?
Are ya gonna
behave?
Ya won't make
a sound or try
to run away,
will ya?

Mhh!

Answer me!
Do ya under-
stand?!

Mh!

If ya
behave
like a good
little girl, I'll
let ya live
another
day.

Under-
stand?

Here
we go.

I got about an hour, give or take.

Welp.

Mmh!

Mmh!

Good grief! Almost killed ya there...

Well, then...

How 'bout ya spread yer legs?

Open
up more!

Nah,
that gap
ain't wide
enough!

radiation!

There

Right
here, in
her own
bedroom!

Fifth graders wear these now? It's a pretty cute soft bra.

Oh! Ye're wearin' a bra?!
♥

Hmm? These buttons just for show?

First off, let's take a look at those breasts.

Guess I'll have to go in through here.

Hey!

Oh~! So soft! It's wrapped gently around yer chest!
♥

Where are ya nipples~?

What kind of breasts will they turn out to be?

Time for the real deal! Let's meet yer breasts, Saori-chan!

Ooh~?

So

こんにちは、クジラックスと申します。
エロマンガ描きはじめてから、初めての同人誌でした。

エロシーン前に贅沢にページを使えて本当に楽しかったです。
射精一回で帰るのは惜しい気がしてきたので
冬コミ受かったら、そこで続きを出そうかなと考えています。

ドタバタしてしまい出せるかどうか怪しかったので、
お世話になった方々に本当に感謝です。

商業単行本出して以降、完全にふぬけてしまい、
漫画から逃げに逃げ右往左往してしまってすみませんでした。

待ってくださった読者の方、本当にありがとうございます！

また描く楽しさを思い出せて良かったです！
