

Next
patient,
please.

Ah...
Yes.

お注射
Injection

This amazing size doesn't match your face at all.

Ahn

Oh look, you're hard down here too.

Haaa ...

Aahn

Ah

Noo!

Se... Sensei!

But I'm not interested in that.

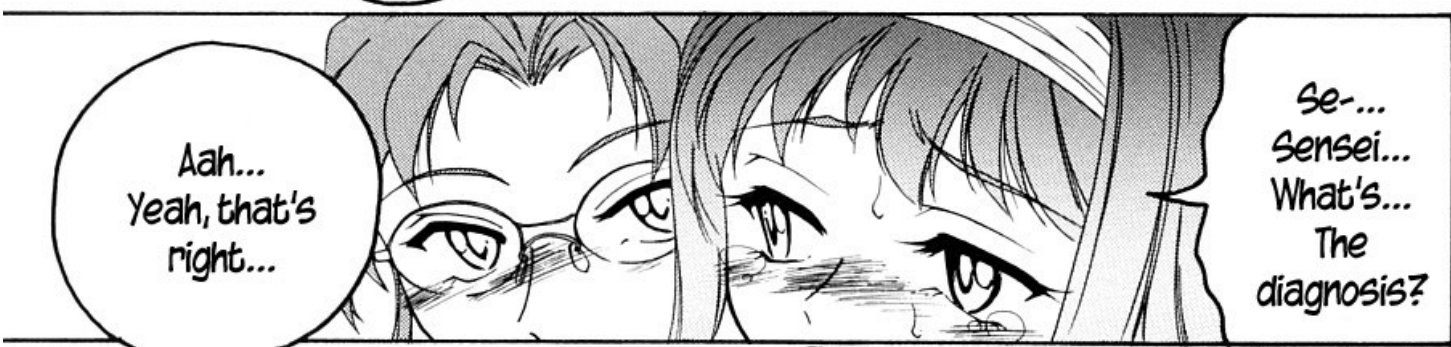

You came just
from your
breasts?
What a lewd
girl you are.

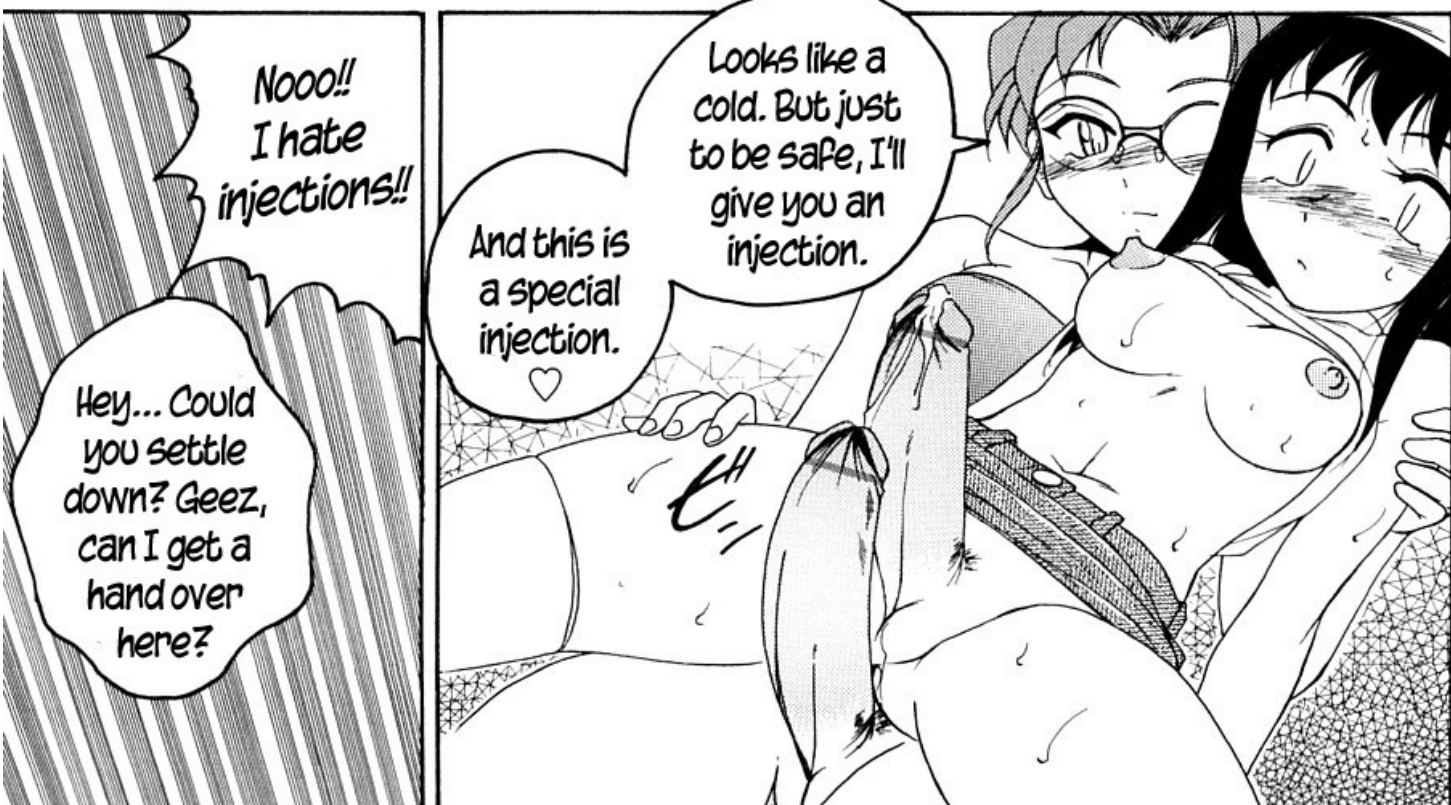

AHNN

うん

Aah...
Yeah, that's
right...

Se-...
Sensei...
What's...
The
diagnosis?

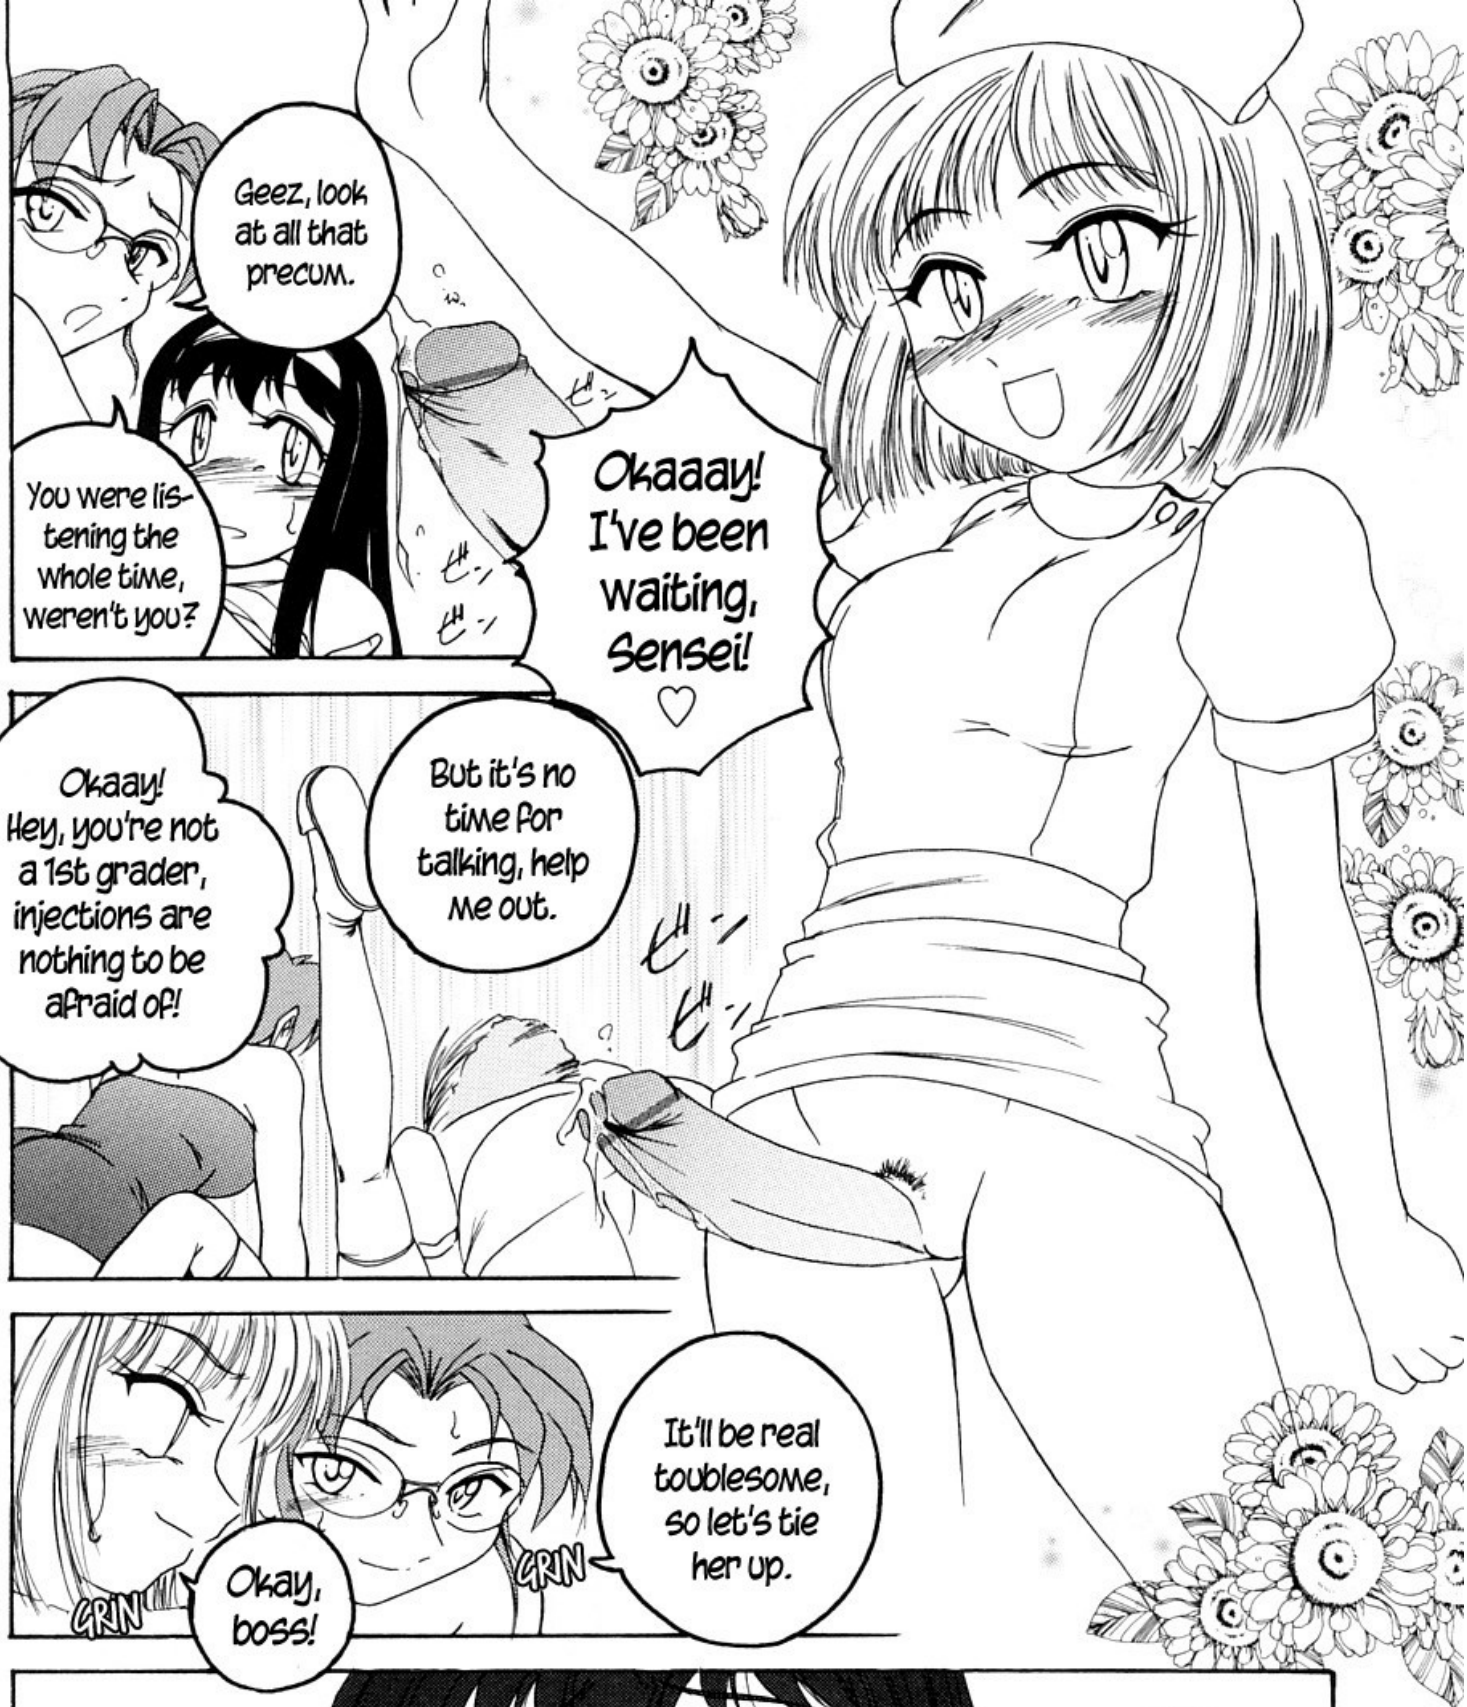

Nooo!!
I hate
injections!!

Hey... Could
you settle
down? Geez,
can I get a
hand over
here?

And this is
a special
injection.
♡

Looks like a
cold. But just
to be safe, I'll
give you an
injection.

Geez, look
at all that
precum.

You were lis-
tening the
whole time,
weren't you?

Okaaay!
I've been
waiting,
Sensei!

Okaaay!
Hey, you're not
a 1st grader,
injections are
nothing to be
afraid of!

But it's no
time for
talking, help
me out.

EH-
EH-

It'll be real
troublesome,
so let's tie
her up.

GRN
Okay,
boss!

Mmm

Mph

So you've
finally
settled
down, huh?

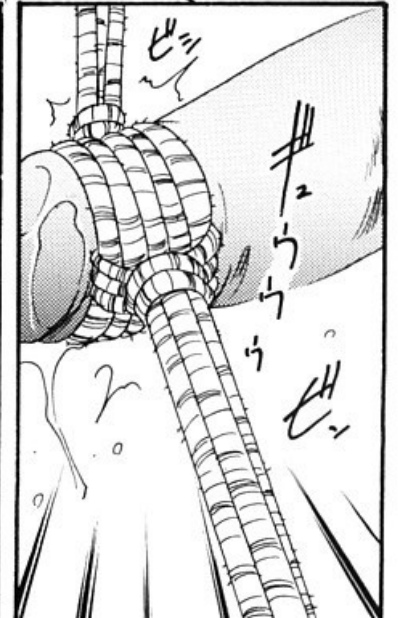

We'll be able to
give you your
injection nice
and slow, now.

Ahhn,
this girl's
breasts are
the best.

When I rub the
tip of my dick
on them...
Ah ahh...

These
stretchy
nipples are
so big and
hard.

Spread
her legs
wider!

Okay,
Sensei!
♡

MNN

MNG

NGH

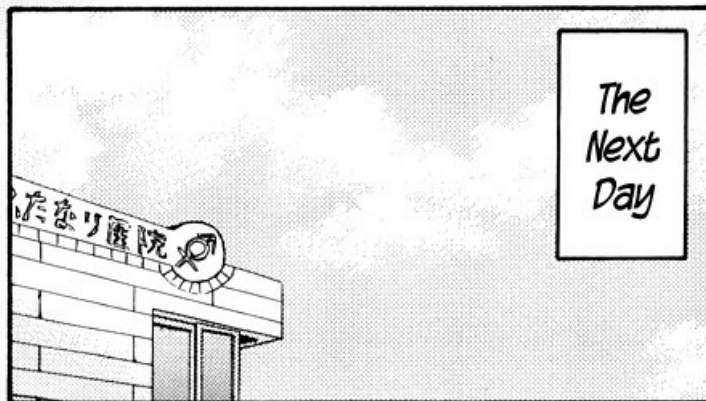

Now, please be
sure to drink
up all of this
medicine.

Ahhh, these
breasts are
so good I
can't stop.
