Wearing a swimsuit inside the house? Ah, she must be feeling hot.
Hmm? Oh... Her breasts... I can see them...
Ooh... Those flat fat-free breasts...
ぽろーん
Actually, isn't that swimsuit a little too big for her?
Maybe it's not hers?
Could it be her mother's?

And just like that, it became dark.
Also, I got roped into staying for dinner...
Mahiro-chan?
I was hoping I could take a bath before dinner...
Nope~!
So, about our agreement... Where are your parents, Mahiro-chan...?
They went to Tokyo on a business trip, it seems.
For an agriculture training course!
What?!
It's made with vegetables grown on our own farm!
Then you'd have to take off your suit, and I don't want that!
I mean, I didn't get to see enough of the suit while we were doing it before.
Besides... We're going at it again as soon as we're done eating dinner!
About that...
Pi Pi Pi Pi Pi
Oh, by the way... Where did you put my phone after I handed it to you?
I don't want anyone to bother us next time! ♡
