OUT AT SEA.

Are you stupid?!

LOOK AT THIS, YOUNG MASTER!

And how many years do you expect we will have to stay on this island?!

As if a human and a dog could produce a child!

TSK TSK

WE NEED WATER, A FOOD SUPPLY AND...

THIS MAID DOG BROUGHT UP THESE WEIRD TOPICS...

WE NEED TO MAKE SURE TO HAVE CHILDREN, RIGHT?

IN OTHER WORDS ...!

CAN HUMAN SEMEN FERTILIZE A DOG FURRY?

There is one chance in 10000

ACCORDING TO A RECENT STUDY, APPARENTLY THERE'S A 1 IN 10000 CHANCE THAT A CHILD CAN BE BORN FROM A HUMAN AND A FURRY!!

BY CHANCE I HAVE THIS NEWSPAPER CLIPPING IN MY BAG.

I don't plan to stay here for ten years,

and neither to have children with a dog!!

THERE IS HOPE !!

IF WE KEEP HAVING SEX THREE TIMES A DAY EVERY DAY FOR TEN YEARS, THEN...!!

SPARKLE

UHM...

PLEASE LET ME DRINK IT...

THAT PEE ...

AH!

ARE YOU MAYBE GOING TO THE TOILET?

THAT'S RIGHT, SO?...

LET'S  
DO THAT  
TITANIC  
POSE!♡

YOUNG  
MAS-  
TER!

FIRST  
OF ALL,  
THINGS  
WHICH ARE  
NEEDED TO  
SURVIVE  
...!

Why are you pumping out children all over the place when the chance is 1 in a 10000?!

M-more importantly, Chacha!!

Also, forget 10 years, you already got pregnant after a month!!

まじろ...

Is that my tomb...?

YOUNG MASTER, YOU SURE HAVE BAD TASTE, DON'T YOU!

She found out!

GEH!!

Those research results from that newspaper article were totally wrong, weren't they...?!

then I'd be the laughing-stock of the household's vassals...!!

GAAAH

あかか

If it got found out that I had 10 children with a dog in just a year...

SMILE

AND THAT'S ...

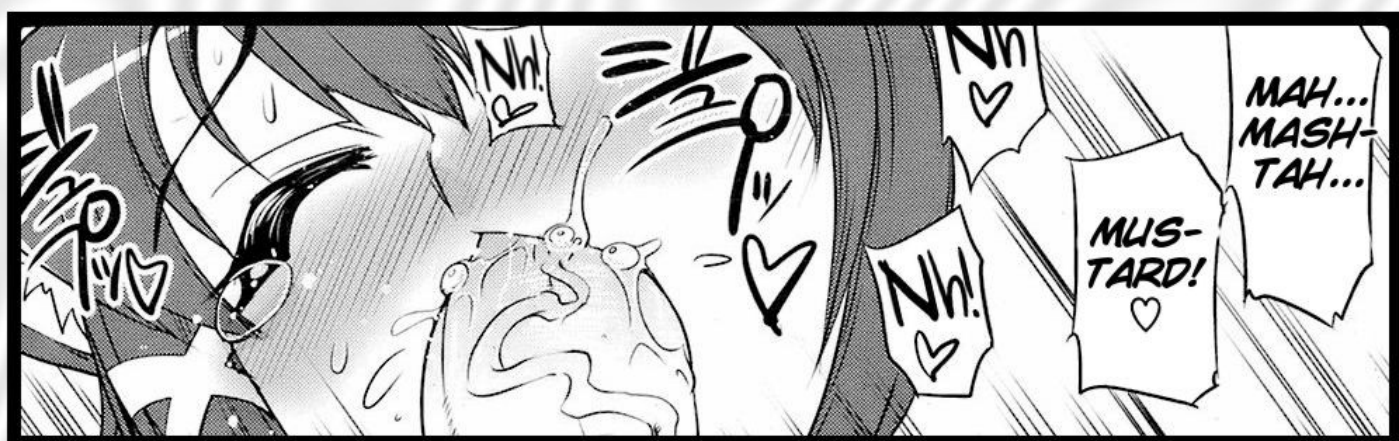

THEIR RESEARCH DIDN'T CONSIDER AN IMPORTANT FACTOR!

CHANGING THE IMPOSSIBLE TO POSSIBLE... THE POWER OF LOVE IS GREAT!

OUR LOVE FOR EACH OTHER! ♥
