SIBLINGS SURE ARE GREAT

And it'll take
thirty minutes
to get to the
next station...
I underestimated
the country-
side...

It's so
hot~...

No~!
It's still
my turn!

C'mon!
I wanna
play~!

The only
passengers are
a couple of kids...
This track is
just dead...
Are they
brother and
sister?

Alright.
I've just got
one more place
to go to and I'm
done for the
day.

Ah!
Nice and
cool...

So long, kids.
I may be a lolicon,
but I'm no fool.

I'll put some
distance between
us so they don't
think I'm some sort
of freak.

It's not
my fault you
suck at the
game, Toru.

But you've
been playing
for ages~!

Am not~!

HaHa! You're gonna die~!
You're gonna die~!

Stop.
Pushing.
me.

Then...

Yeah,
really.

Really?

Tell you
what, next time
I die, I'll let you
have a turn.

AwW...

There.
Level cleared.

I MUST LOOK
LIKE SOME SORT
OF PERVERT!
LIKE THOSE GUYS
THAT MAKE LITTLE
GIRLS SOUND OFF
THEIR PERSONAL
ALARM!

Your
friends
are all a
bunch of
liars.

A friend
told me the
sequel comes
out next year!

WHY DID
I SIT RIGHT
IN FRONT
OF THEM
IN THIS
EMPTY
TRAIN
CARRIAGE?!

AH
SHIT

THAT GIRL'S
CUTENESS,
THE AMOUNT
OF SKIN SHE'S
SHOWING AND
HER PANTIES
ARE MAKING
MY HEAD SPIN!

Oh, they're
completely unaware of me!
Well that's a relief.
Is every kid from the
sticks this oblivious?
Don't mind me, I'm
just a salary-man
reading a newspaper!

Be
patient.

You're
not dying!

Get a
hold of
yourself,
me...!

Thanks
for letting
me watch as
much as I
want!

Composure
is the most
important
asset for a
lolicon!

Gwin!
Gwin~n!

Stop
screwing
around~!

Bu
ho!

Her panties
are completely
exposed!!
Little bro,
you're my
hero!

Fine~!

You
spineless
twerp!

Don't
listen to
her, little
bro! Hold
her legs
open!

Aww~!

If you
don't stop
pulling on
my leg, I
won't let
you play!

Kya!

What about here?!

Then...

Ni...

Hey!!
Cut it out!!

Ni...

I'm not touching your leg!

It's the first time I've ever seen one... A real elementary schooler's nip slip...

Nip slip!!!
I can see the sis' nipple!
An elementary schooler's nipple!
It's so pale!

...Hey...

Oops, I can't let myself get distracted! I've gotta zoom in! Hurry! Hurry!

Ack!
You made me die!

Forget what I said about you being spineless
I'm very thankful, little bro!
You're a real man's man!

You wish!
My turn!

She doesn't even care about fixing her shirt... Maybe she didn't notice? I'm watching, you know? Are you ok with that?

It's my turn to play again, got it?!

Buh~!

If that's the case, I guess I can just take my sweet ass time...

Ooh~!
I'm so glad I got this collector's edition camera, I can even see the pores!

Aah!
And I was being so nice to you, too. You have no one to blame but yourself, Toru~!

I wonder if this is what it was like back in the day, when children had absolutely no shame...?
The countryside must be a really laid back place.

Nh...

Mh!
Shut up...

Stop
massaging
her!!

It
tastes kinda
salty.

T-That's
far enough,
mister!

C'mon~!

Don't even
think about it!
We're in a train,
remember?

Eh~?

Onee-chan...
It's tingly
down there...

Please~!

ニ...

C'mon~,
One-chan~!

.....
Geez!

I... I didn't
see anything!
I'm just a salary-
man completely
engrossed in
reading his
newspaper!
Yep!

ド
キ
キ

No...
It can't
be...

Fine, have
it your way.
Just stay
quiet.

INCESTUOUS
BOY

Okay!

No, I just can't~!

It doesn't look that bad, can't you just hold it~?

Eh~?

Not your hands!
Do it with your mouth,
Onee-chan!

Well?
Don't forget
to tell me
when you're
about to
cum, ok?

Shush!

You better cum quickly!

I told you to stay quiet!

Look...

We're out
in public and
there's a
stranger near
us, so...

ぱあ

Got
it!

you have
to do it
slowly and
quietly,
got it!

OK!

Okay...
Come on...
♡

Onee-
chan!

Onee-
chan!

Ah!

Ah!

Like
that...
Slowly...

Don't
rush it.

Onee-chan,
your pussy
feels really
good...!

Of...
course it
does!

You think so too, don't you, kid? Won't you move!

It's finally come to this, and I've got the shittiest view...

Kuh!

Wai... Toru!

Don't move so mu...ch!

Onee-chan! ♡

Onee-chan! ♡

Do something, little bro!

~~~~~

That's not true!

I can barely even move in this position!

I can't... stop making noise...

You're being... too rough...!

**End**
