Have
you gone
bonkers?

Huh?

Dumb-ass.
Pig.
Dullard.

You're annoying.
Don't speak to me.

What?! You want me to take 'em off?! Fine, I'll take 'em off!

Shut your trap! As if you know a rat's ass about fashion!

Ooh... Calm down! She's just at that rebellious age...

Besides, she's like 10 years younger than me, what'll I do if she gets all hysterical?

Uh... Kuh... Could you please not do that...?

バカ! You ...

dumb tarsier!

take off those ridiculous glasses before you get laughed at.

Ahem

Well, whatever... But at least...

TI Note: Tarsiers are called "bespectacled monkeys" in Japan.

Evening.

Did she go shopping or something?

Hm?

Ah~! So thirsty~...

Hm? Mom?

I'm home!

Why do we have nothing but green tea in this house~...

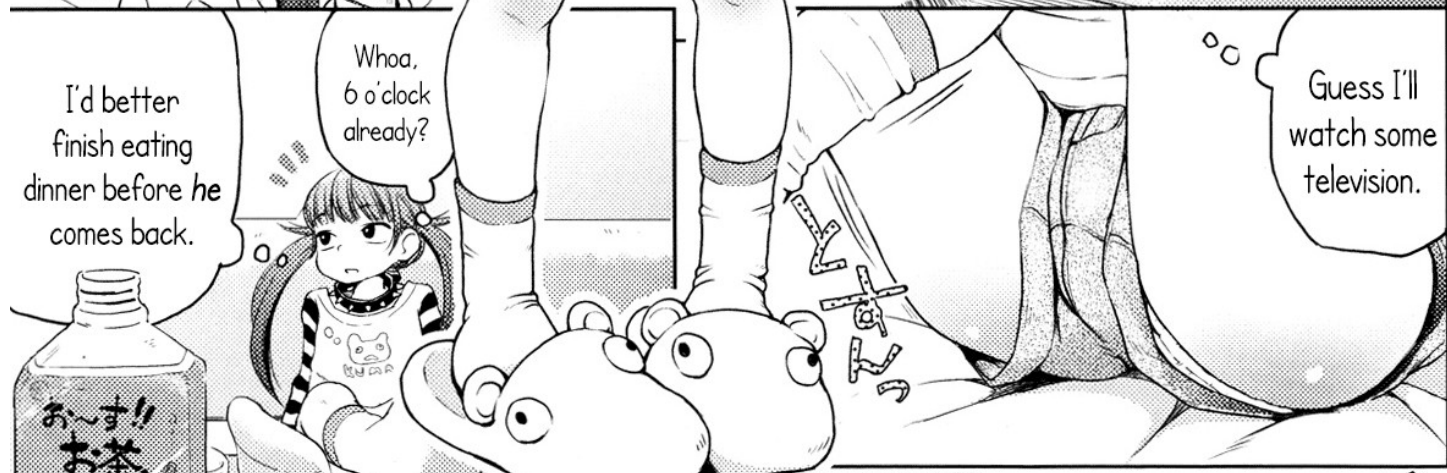

The air-conditioner's too powerful...

I forgot mom was going out on a date with dad today...

Dinner and breakfast are in the refrigerator. Heat them up and then eat them! From mom

Geh!

That means I'm home alone with him... Eww...

I'd better finish eating dinner before he comes back.

Whoa, 6 o'clock already?

Guess I'll watch some television.

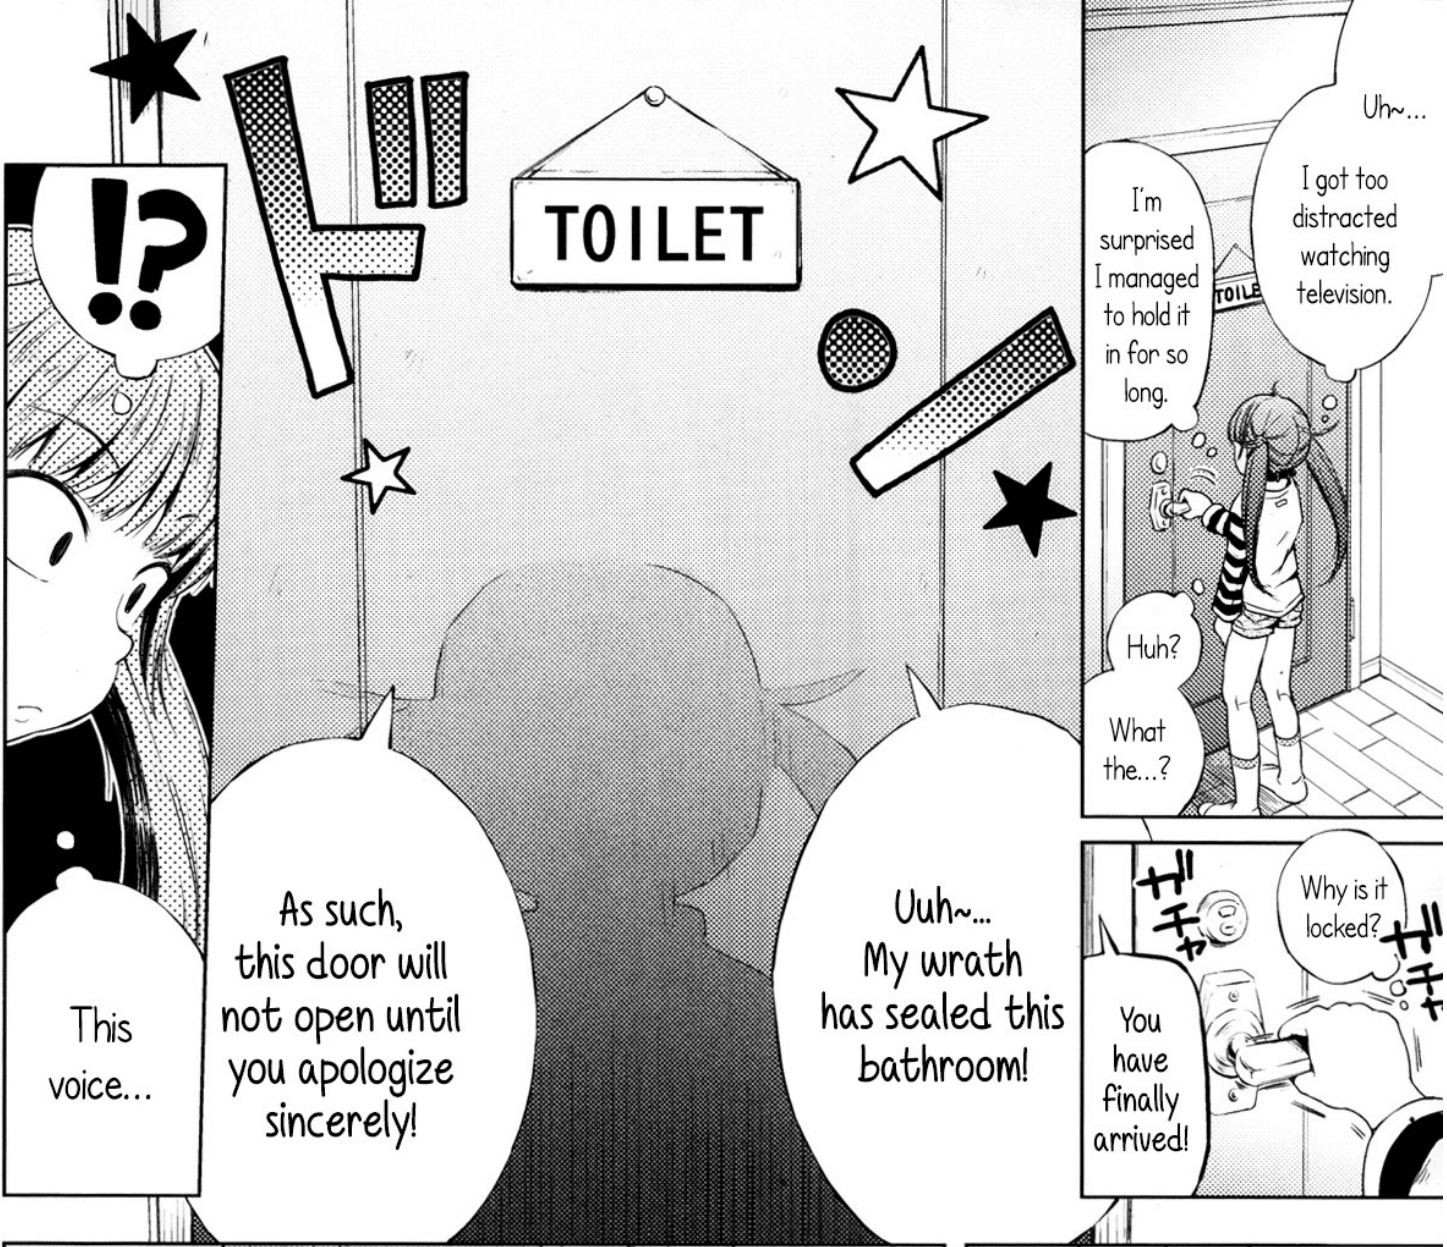

I'm going to the bathroom...

I don't have the remote for it...

But first I'll turn off the air-conditioner. It's getting too cold.

7:00

!?

TOILET

Um...
I got too distracted watching television.
I'm surprised I managed to hold it in for so long.
Huh?
What the...?

Why is it locked?
You have finally arrived!

This voice...
As such, this door will not open until you apologize sincerely!

Uuh~...
My wrath has sealed this bathroom!

Whatever! Just open up already!
If you open up now, I'll forgive you!
Huh?!
How do you...
Shit! I really am about to piss!
I know perfectly well that you're about to piss your pants.
I mean, you just downed an entire 2 litre bottle of tea.

Oh, you're back, are you?!
Well...
It certainly seems like it..
Huh?!
Don't fuck with me, shit-head!
I don't have a clue about what you're talking about!
Now open up!

This is really bad...

I'll never... forgive this asshole...

Nah, I think I'm good.

Kuh...

Uh...

It's starting to leak!!

てっせ

Cat

I can stay barricaded in here for an hour or two. However long I have to, really.

Oh, that's right...

Open up! Quickly!

I have to pee! I have to pee~!!

Who cares if you pee out in the hall? You don't need to be embarrassed, after all, you're just a kid!

I've got food here, and stuff to kill time with... I'm pretty much set.

Nothing but a little kid.

Ah, I've got a pillow and a blanket too.

You... dumb tarsier!

Now stop fucking around and open the door!

...Shut your face!! I'm not a kid and there's no way in hell I'm pissing in the hall!

Kya!

Eh?!

Shit...!
I wet myself
a little when
he suddenly
opened the
door...

'Scuse
me?

Have you
ever seen a
tarsier?

Hey...

#T...

...Seri-
ously?

There, I've
apologized,
now open
the door.

Sorry,
sorry.

Oh...
Are you
mad that
I called
you
that?

Well?

Like I
said, have
you ever
seen a
tarsier?

Tarsiers don't even wear glasses! They're innocent creatures!

Everyone is always making fun of me!

Are you making fun of me with that half-assed apology?!

I'm sorry!

Now let me go to the toilet!

I'm sorry I called you a tarsier!

Understand?! Apologize to all the tarsiers and tanuki out there!! Say you're sorry! Show your regret! Fuck!!!

I think it's pee! This is very, very bad! I can't take it anymore!!!

Nor do Tanuki, by the way! They may be portrayed as assholes in pop culture, but they're just innocent creatures too!

I said...

I was sorry...

Your little outburst made me leak out a little again~!

I can't hold it in anymore! My clothes are getting moist with this weird sweat!

Finally... I can finally pee~!

Move!

I'll make you regret this!

You fucker...

.....

I'll make you regret this!

came out...

Everything...

Huh?

Regret what you did, yet?

Here. Clean the floor with this.

Don't tell on me...

That's quite a puddle there.

Shouldn't have greedily gorged yourself on all that tea.

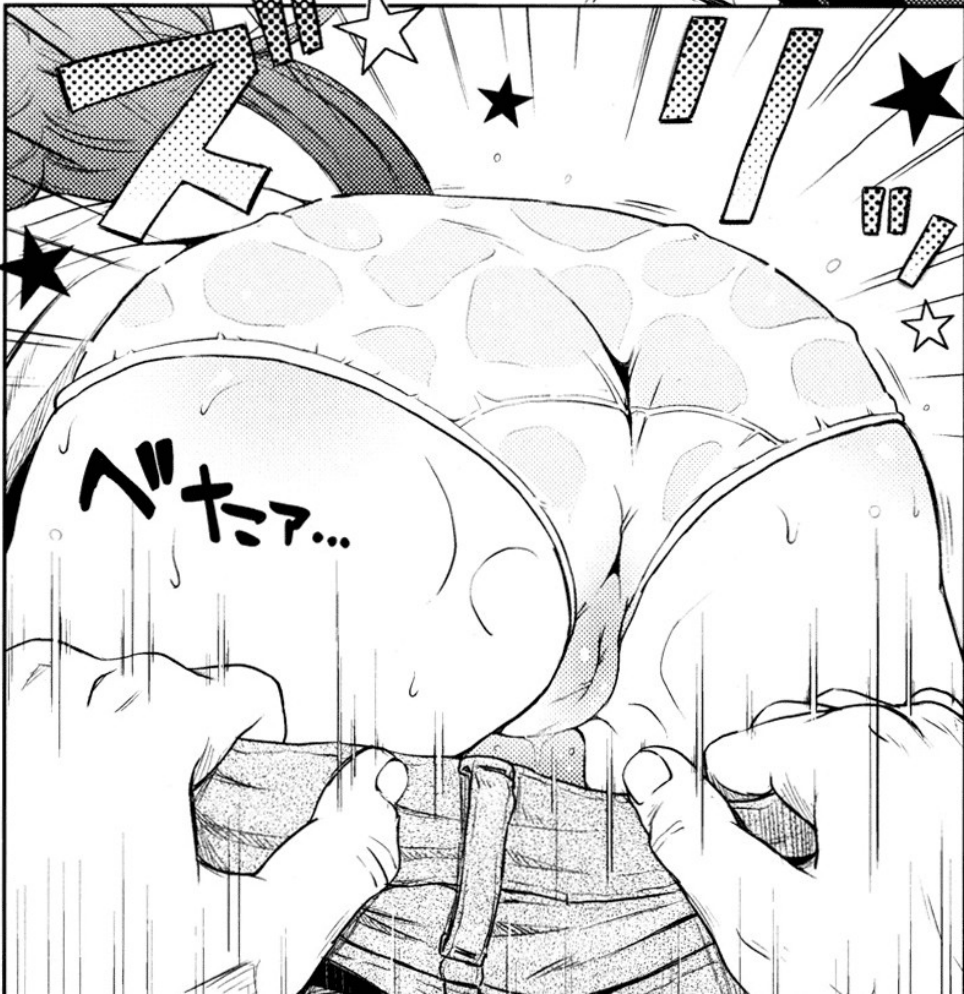

Fine.

But only if you become my slave for a whole month.

About peeing on the floor...

Don't tell any-one.

Stop it, you fuck-head!

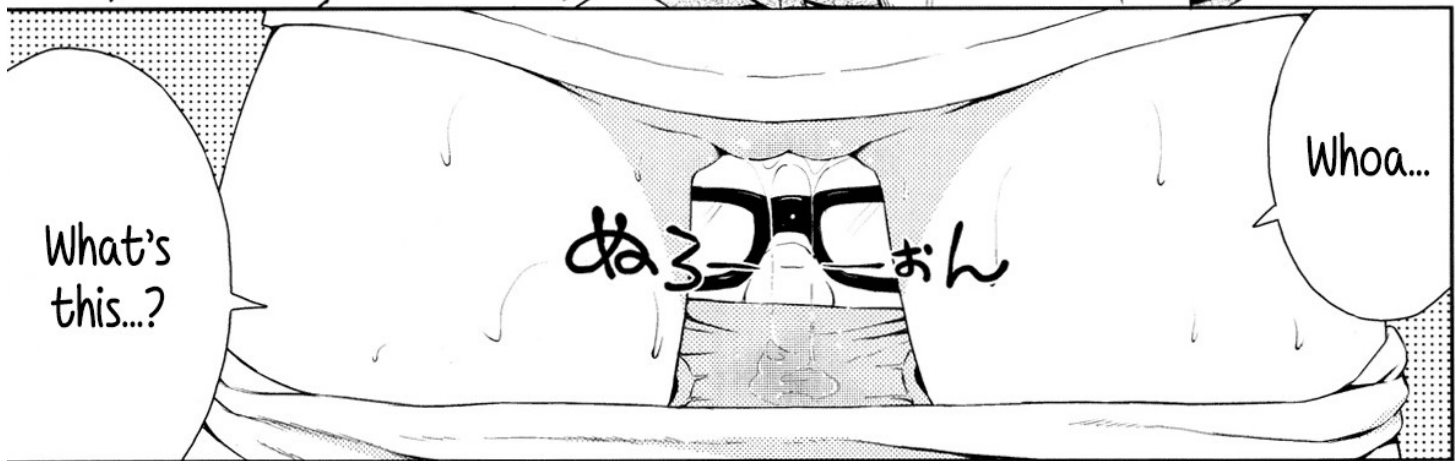

Hmm, they're sticking to you, so it's hard to take them off.

What are you...?!

Huh?!

Wah!

If you don't take your bottoms off, you're gonna get a rash.

What's this...?

Whoa...

だるまおん

Fua!

Huh?

Let me find out.

Huh...

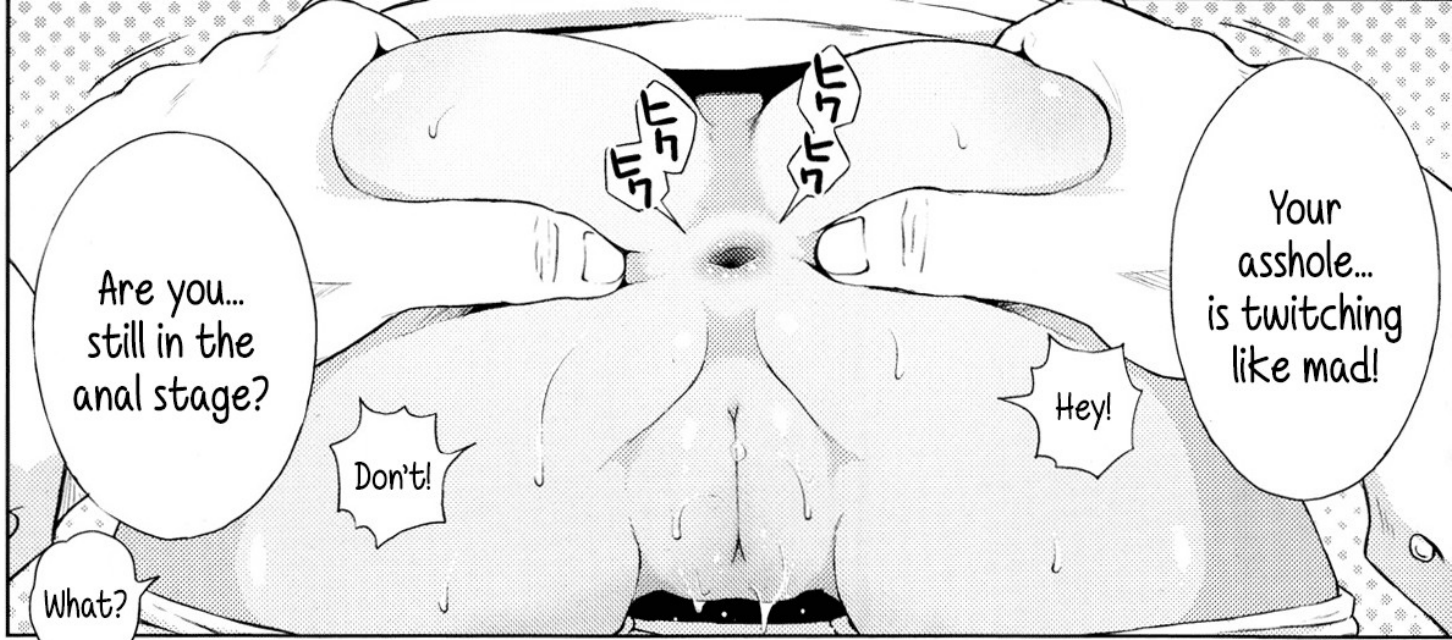

The hell is this...?

Shut up and see for yourself!

It's piss because you didn't let me go to the toilet...

Ah?

Are you... still in the anal stage?

Your asshole... is twitching like mad!

Don't!

Hey!

What?

Aah!!

Aah!!

Hng!

Sto... Stop...

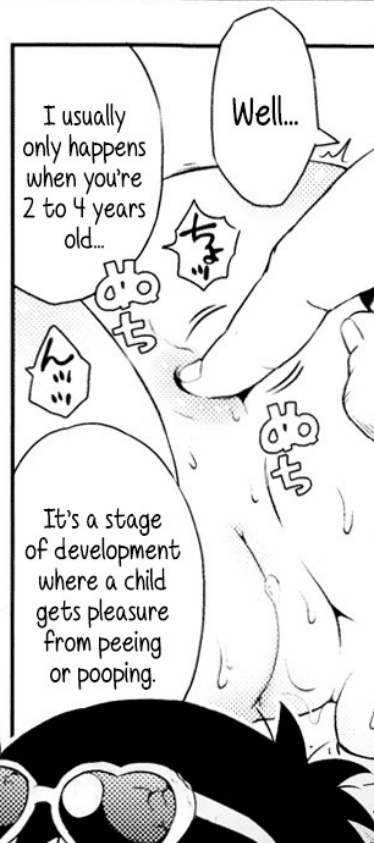

But I'm 10 now, so that shouldn't be happening to me!

...!
I'm not really following...

Ah, I put it in...

He aah !!?!

I usually only happens when you're 2 to 4 years old...

Well...

It's a stage of development where a child gets pleasure from peeing or pooping.

Aaa...
Aaa...
Aaa...

Hya!

Wah!

Hmm...

It's so stretchy, I can stick two fingers inside.

あーん

Fuh!

ん

Nya!

Hmm... It's still a bit tight, though.

already...

Stop...

Hmm... Your anus is pretty loose.

20 minutes later..

The anal stage is an interesting one.

I can spread it out so much...

I said I don't know! Now stop it, fuckface!

Weird, your anus should have closed shut by now...

What are you, some sort of anal pervert?

Huh?

Then how come you got so wet from pissing your pants? And why is your anus twitching itself open?

L-Like I said...

I'm not in that stage or whatever...

Like I'd know...

You can't even stand up because it feels so good, can you?

しゅるしゅる
Hey! Wai!

As a man, I'll show you what it means to piss off your older brother.

I see you show no signs of remorse, but don't worry.

I don't need...

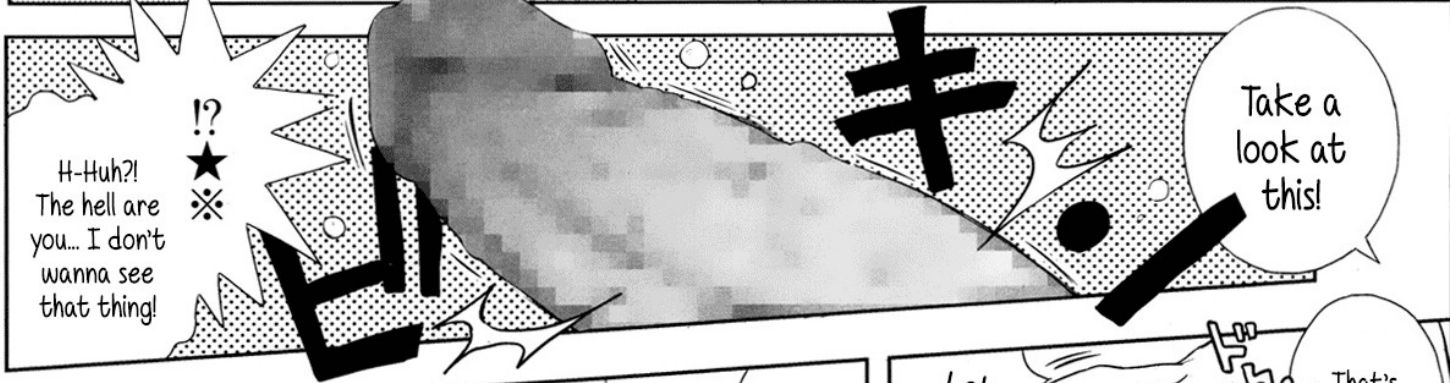

So, uh...

Why are we doing this...?

But I have already apologized...

If only you had properly apologized to me before you pissed yourself...

that sort of apology!!

H-Huh?! The hell are you... I don't wanna see that thing!

Take a look at this!

Fine by me! Here I go!

What are you doing?!

Never!

Well? If you wanna apologize, the time is now.

Well? I'm cool, right? Real gallant, right?

Not like you, who still haven't reflected on your actions.

What's wrong with you?! Let me go!

I'm so gonna tell dad on you!!

Let me go! That's gross! You're gross!

That's no good.

You have to take a good hard look!

This is an adult's...? It's moving...!-It's kinda impressive...

It's... huge~!

Huh? What... are you talking about?

I'll forgive you... if you stop... now...

out quickly ...

take that filthy thing ...

If you ...

Well, maybe I wouldn't if you weren't such a fat sack of shit.

Oh...

For about a year now, you have been treating me like garbage. The one who should be begging for forgiveness here is you.

How about you cut the act, and try to understand the position you've gotten yourself in?

!!!

1/15/06 09:10:10

Giih

Let me show you how much I care...

Kuh...

Think well about what you've done!

You shouldn't have made fun of me!

You can't even talk anymore!

I'm filling your intestines with my cum!

While I've been sticking my dick in and out...

Your ass is even squeezing down on me.
Or are you going to try and deny that?

...Why did you stop...?

Uh...

Huh? You want me to keep going?

Mh...

I thought I said politely.
