

可愛すぎる日高先輩♂と×××したい！

2011年6月28日発行

男の娘もの成人向作品の第2弾。
「おと☆娘」で描いた読切作品『アクトレス』の非公式続編です。
当サークルの同人作品としては最も多くの方に読んで頂きました。
やってることは他の作品と大して変わらない和苺なんですけども
この作品には「ハメ撮り」という要素があったので、そこが
大きかったのではないかなと…映像研究部という設定から普通に
カメラが登場するのでやりやすかったです。

HIDAKA-SENPAI... I LOVE YOU.

....

Been a while since I did one of these. This book was fantastic. That tsundere trap is just great. I think there's some backstory I'm missing, but the title page says it's only his second trap work, so maybe not. I think it's pretty obvious what the setting is anyway.

Now, as for the compilation this was uploaded in, I won't be doing all the stories. I was originally going to, but then I realized that Carnival After (which has been in English for a long time) was in here. And since there aren't that many stories to begin with, I decided not to do the first one, either, (the first real one with the two guys, not the color pages) since I didn't like it too much. Due to this, I'll only be translating this one, and the other one with Hitaka in it.

Once the next one is done, I plan on doing the original artist CG set I was planning on doing before this wonderful item was uploaded. Until next time.
