

今回のショートパンツ物語は離島よりお送りします♡

Hama jima Kaoruko, an athletic girl, and Kamishima Karin, a smart girl who's good at studying. They're both in the fifth grade.

There are only two students enrolled in this school.

It's summer and summer break is just around the corner.

It's been three months since I started teaching at this grade school in a remote island.

「ドキ×2★アイランド」

That is...

These two are pretty much the polar opposite of each other, but they get along very well. They do however have one, very distinct, thing in common...

Ah! Kaoruko! No fair!

I want one too!

They both have a very active libido for their age.

Sensei! If I solve this question, give me a smooch!

but these two like playing "sex".

I don't know if it was because of the climate, or maybe because there's nothing else to play in this place...

They don't care where or when, they'll want to play even in the middle of class.

The second period is gym.

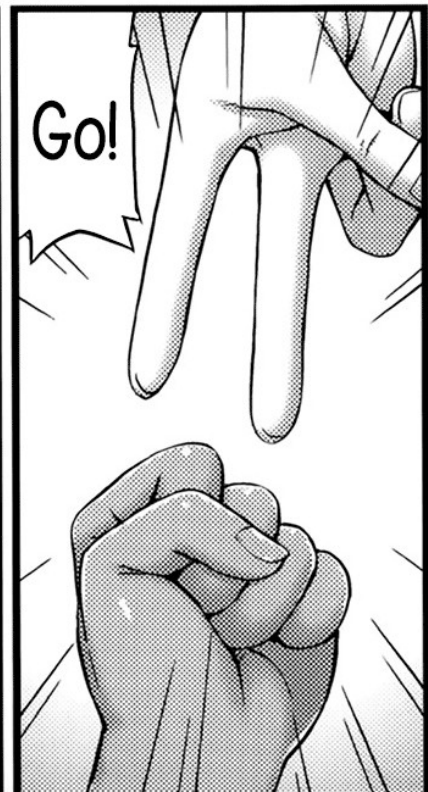

Just wait a bit, I'll be done soon!

Your body is so damn soft, Kaoruko.

Do me too, Sensei!
Do me too!

Floor mat exercises feel great!

体育着のGYM SHORTS...パンツも ARE WONDERFUL TOO, HUH?!

But I let you be Sensei's partner yesterday, though...

Mmh! ♡
Less talking,
more sucking,
Karin.

They want to play even during recess.

Who cares!
I get to suck
on Sensei's
dick in the
meantime
anyway!

Muh!
Fine!!

What the-!
Hurry up
and cum
already!

Whoa!

Wait!
If you
do it like
that...!

What're you doin' all of a sudden?!

You were waving that cute ass of yours around and I just couldn't resist...

Don't cry.

Ah... My bad. Sorry.

It was s'posed to be my turn!

This is so unfair! Why's it always gotta be Kaoruko?!

Now it's my turn, right?

H-Hold your horses!

That's enough screwing around for now.

You just came a truckload not two hours ago, how do you still have that much semen inside you?

HaHa! That so?

...Privileges of being young?

It sure is.

Playing sex is the best.

Hah~! That was great!

We'll keep going after school, ok?

Scream all you like, lunch break will still be over.

Excuse me?! How is it already over after such a short time?!

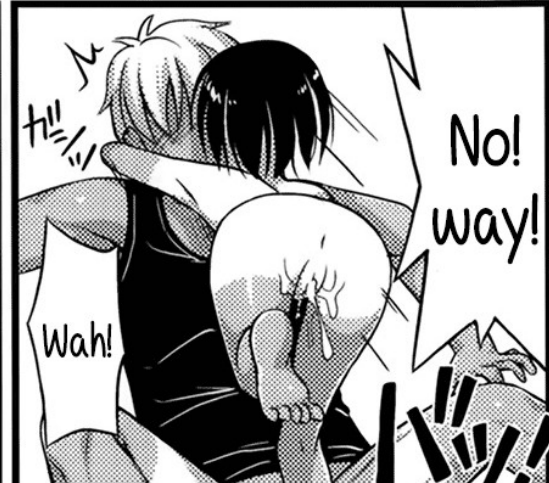

The breeze feels so nice today~!

Hey!

Wai!

Mbu!

No! way!

Wah!

What do you mean "prob'ly"...?!

Ah, what-ever.

Yeah, we prob'ly should.

Hah~! That really hit the spot...

Can we stop now? It's like 5 o'clock.

Village chief.

Who's that?

Well... Uh...

What're ya doin' here in broad daylight?

Hm?

Oh? Sensei!

I'm still not used to many of the aspects of this place but every day is a blast in this island...

He's the village chief...

Look at him, all high 'n mighty.

Yes... Thank you very much...

Playing outside is nice and all, but don't neglect your studies! Moderation is important!

... Does that mean I have the approval of the village?
