Human to dog Champ brain transplant secrets

Champ's ears:

It's no myth that his hearing is 400 times stronger than humans. He can hear heavy breathing from far away.

Champ's nose:

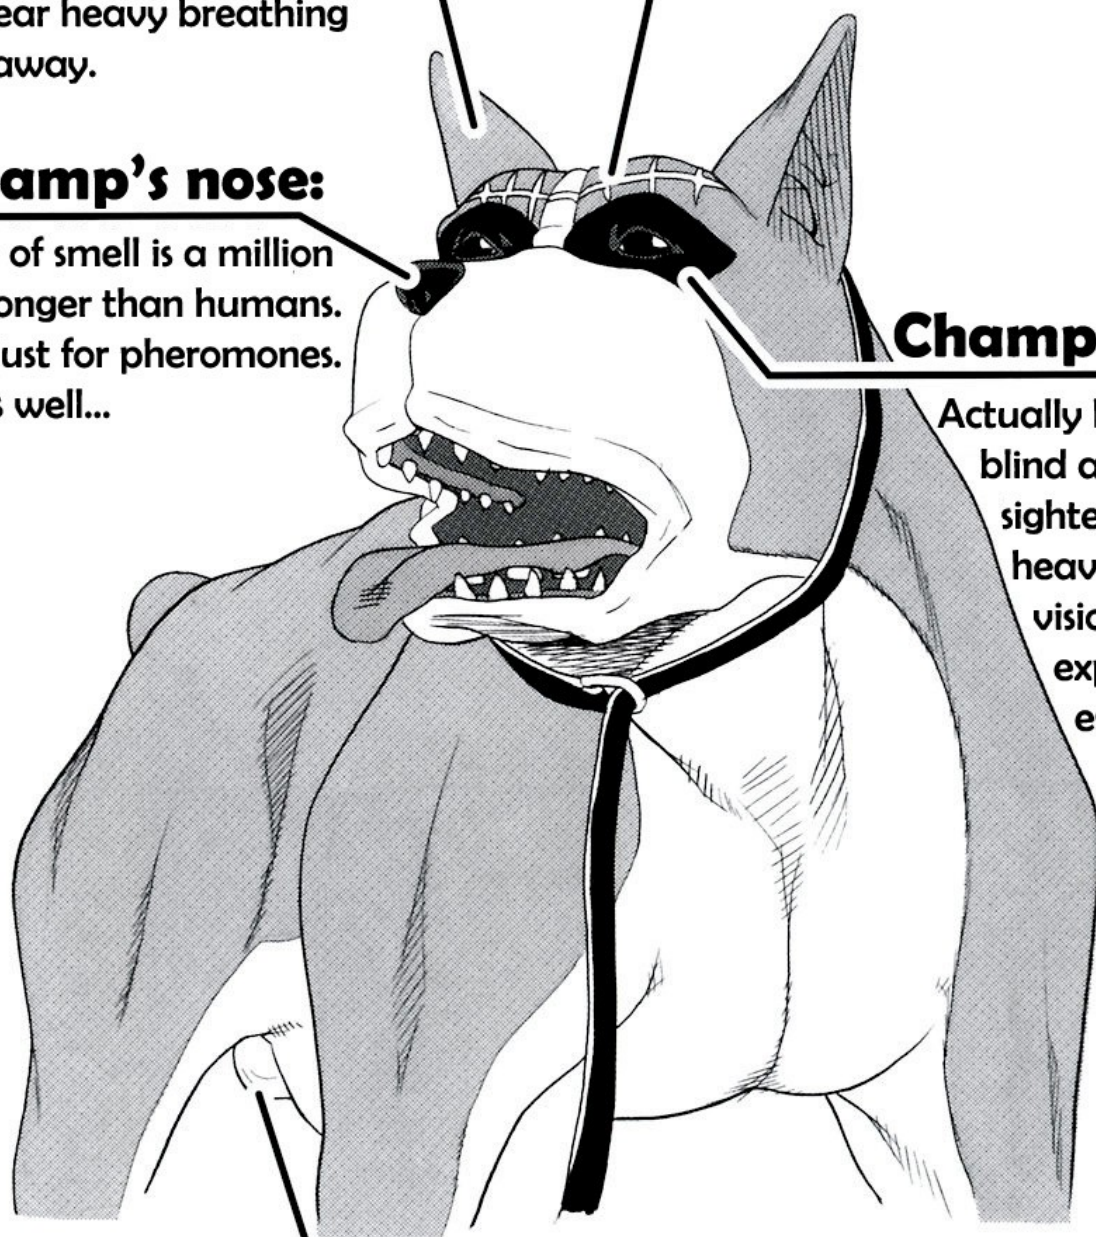

His sense of smell is a million times stronger than humans. But not just for pheromones. Pollen as well...

Champ's brain:

Touru's brain was small enough to fit into the tiny dog cranium.

Champ's eyes:

Actually he's color blind and near sighted, but he relies heavily on kinetic vision. Still, no exposed panties escape his sight!!

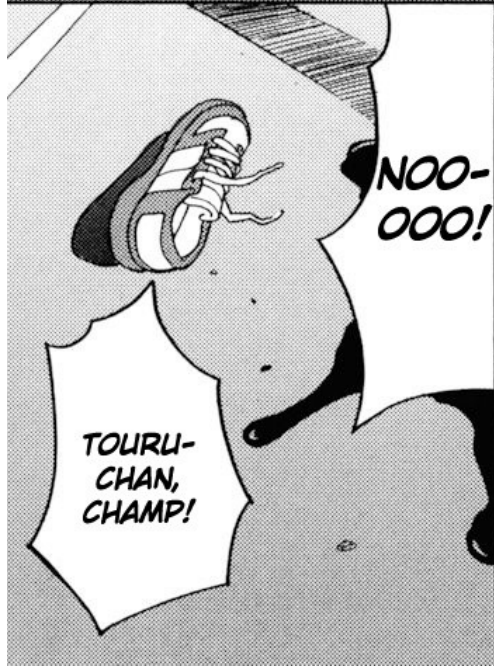

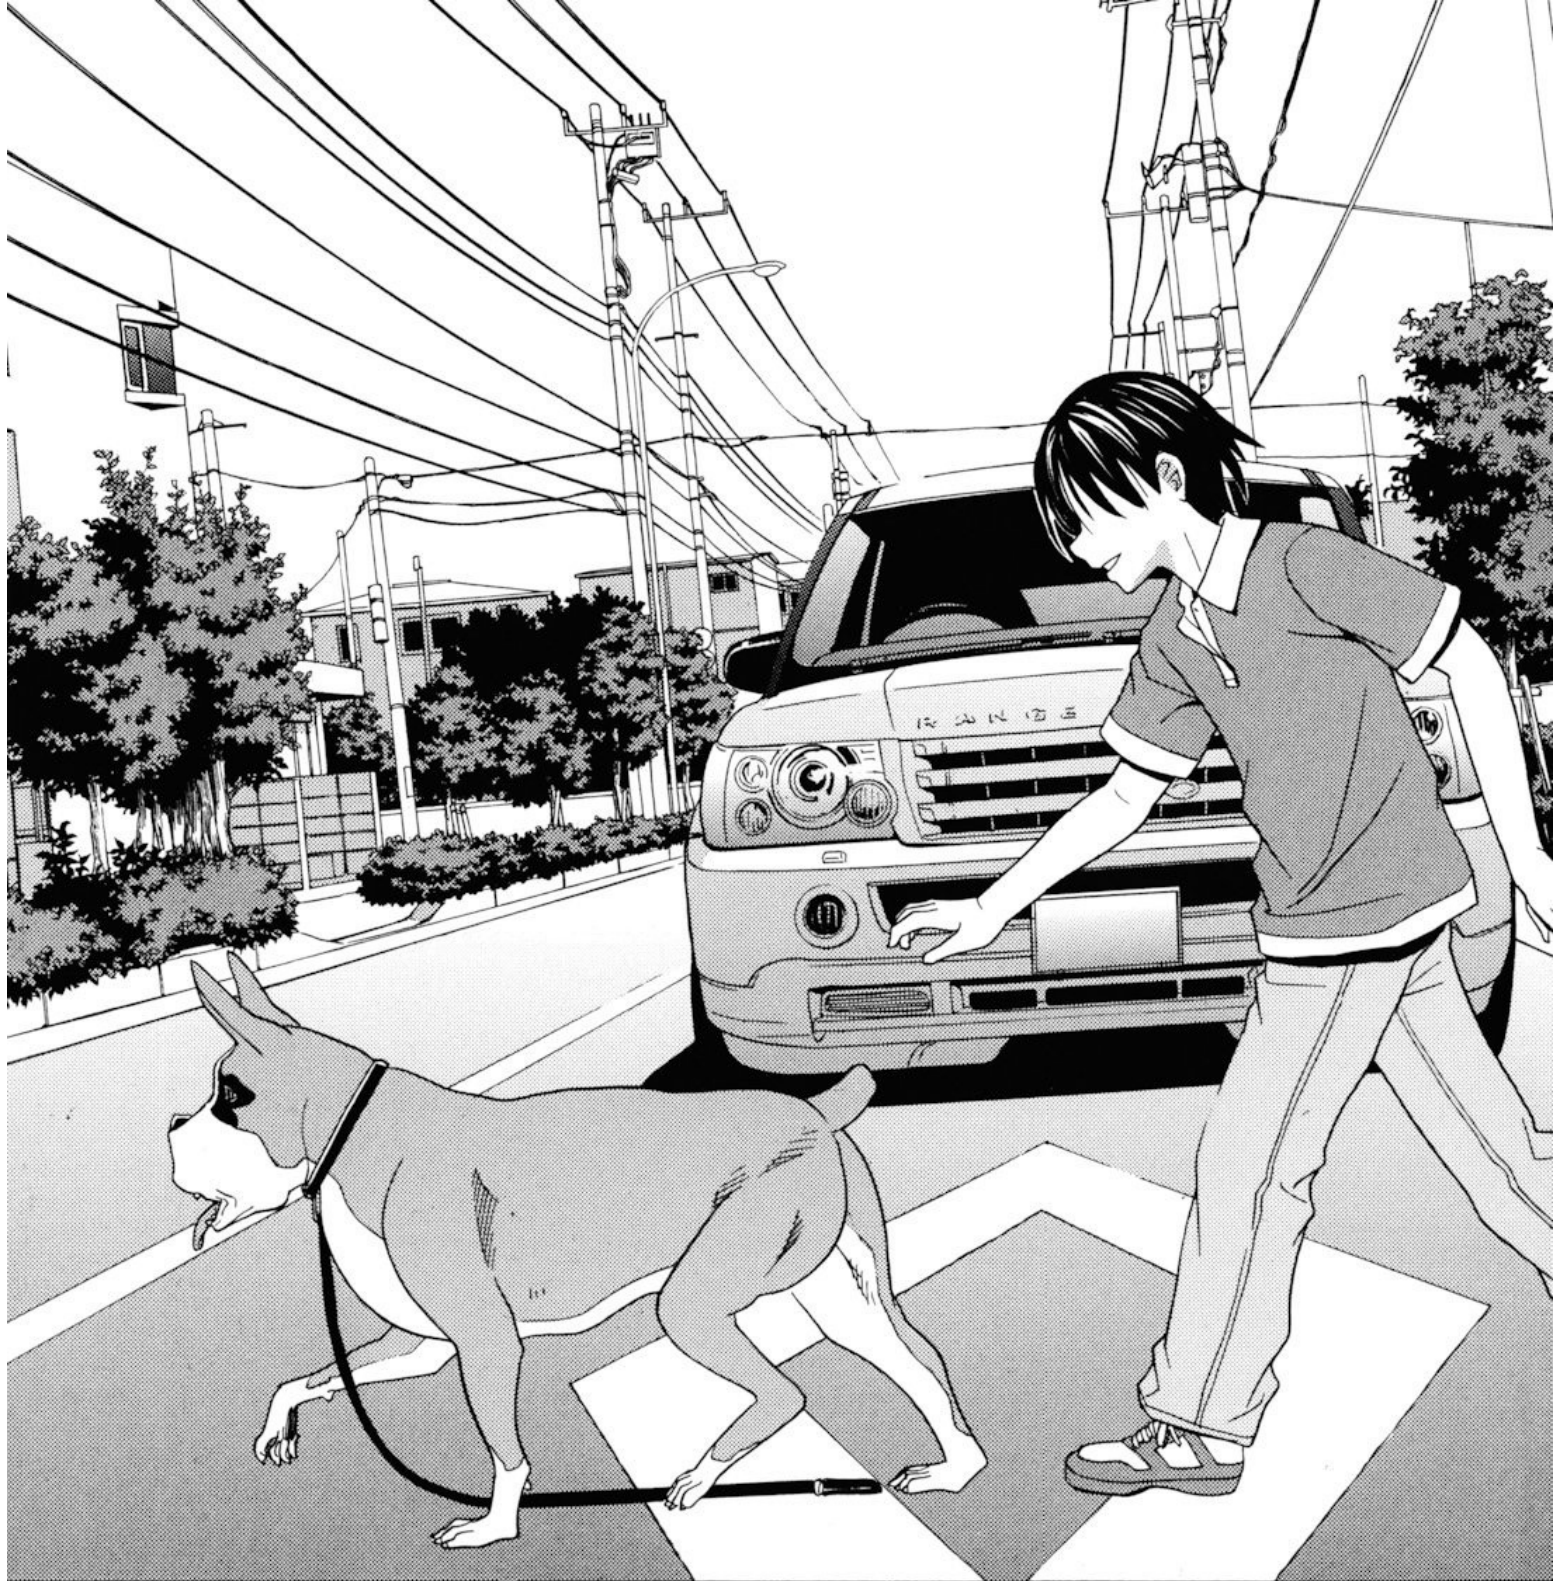

Champ's penis:

Sayaka-chan is madly in love with this thing.

TAKES
ME BACK
...

NOW ONLY
HALF OF EACH
OF THEM IS HERE,

WITH JUST THAT.

AFTER THE

YOU'RE
HITTING
INTO MY
CERVIX SO
SUDDENLY!

♡-JJJJ-♡

WHY CAN'T
YOU GET IT
