冬休みプールサイド

Winter Vacation by the Pool

Hm? What is it, Onii-chan?

Oh! Fuyumi!

Where did you get these?

A heated pool?

Ta-dah!

Ah... Is that so?

You air-head. I'm asking you *because* I want to go with you, capiche?

You snagged two tickets yet there's no else you can invite to go with you but your sister. How sad.

Hmm.

They were a gift!

Well, if it's like that, I don't mind going with you.

The following Sunday.

...? What?

It's not that bad; coming to the pool during winter.

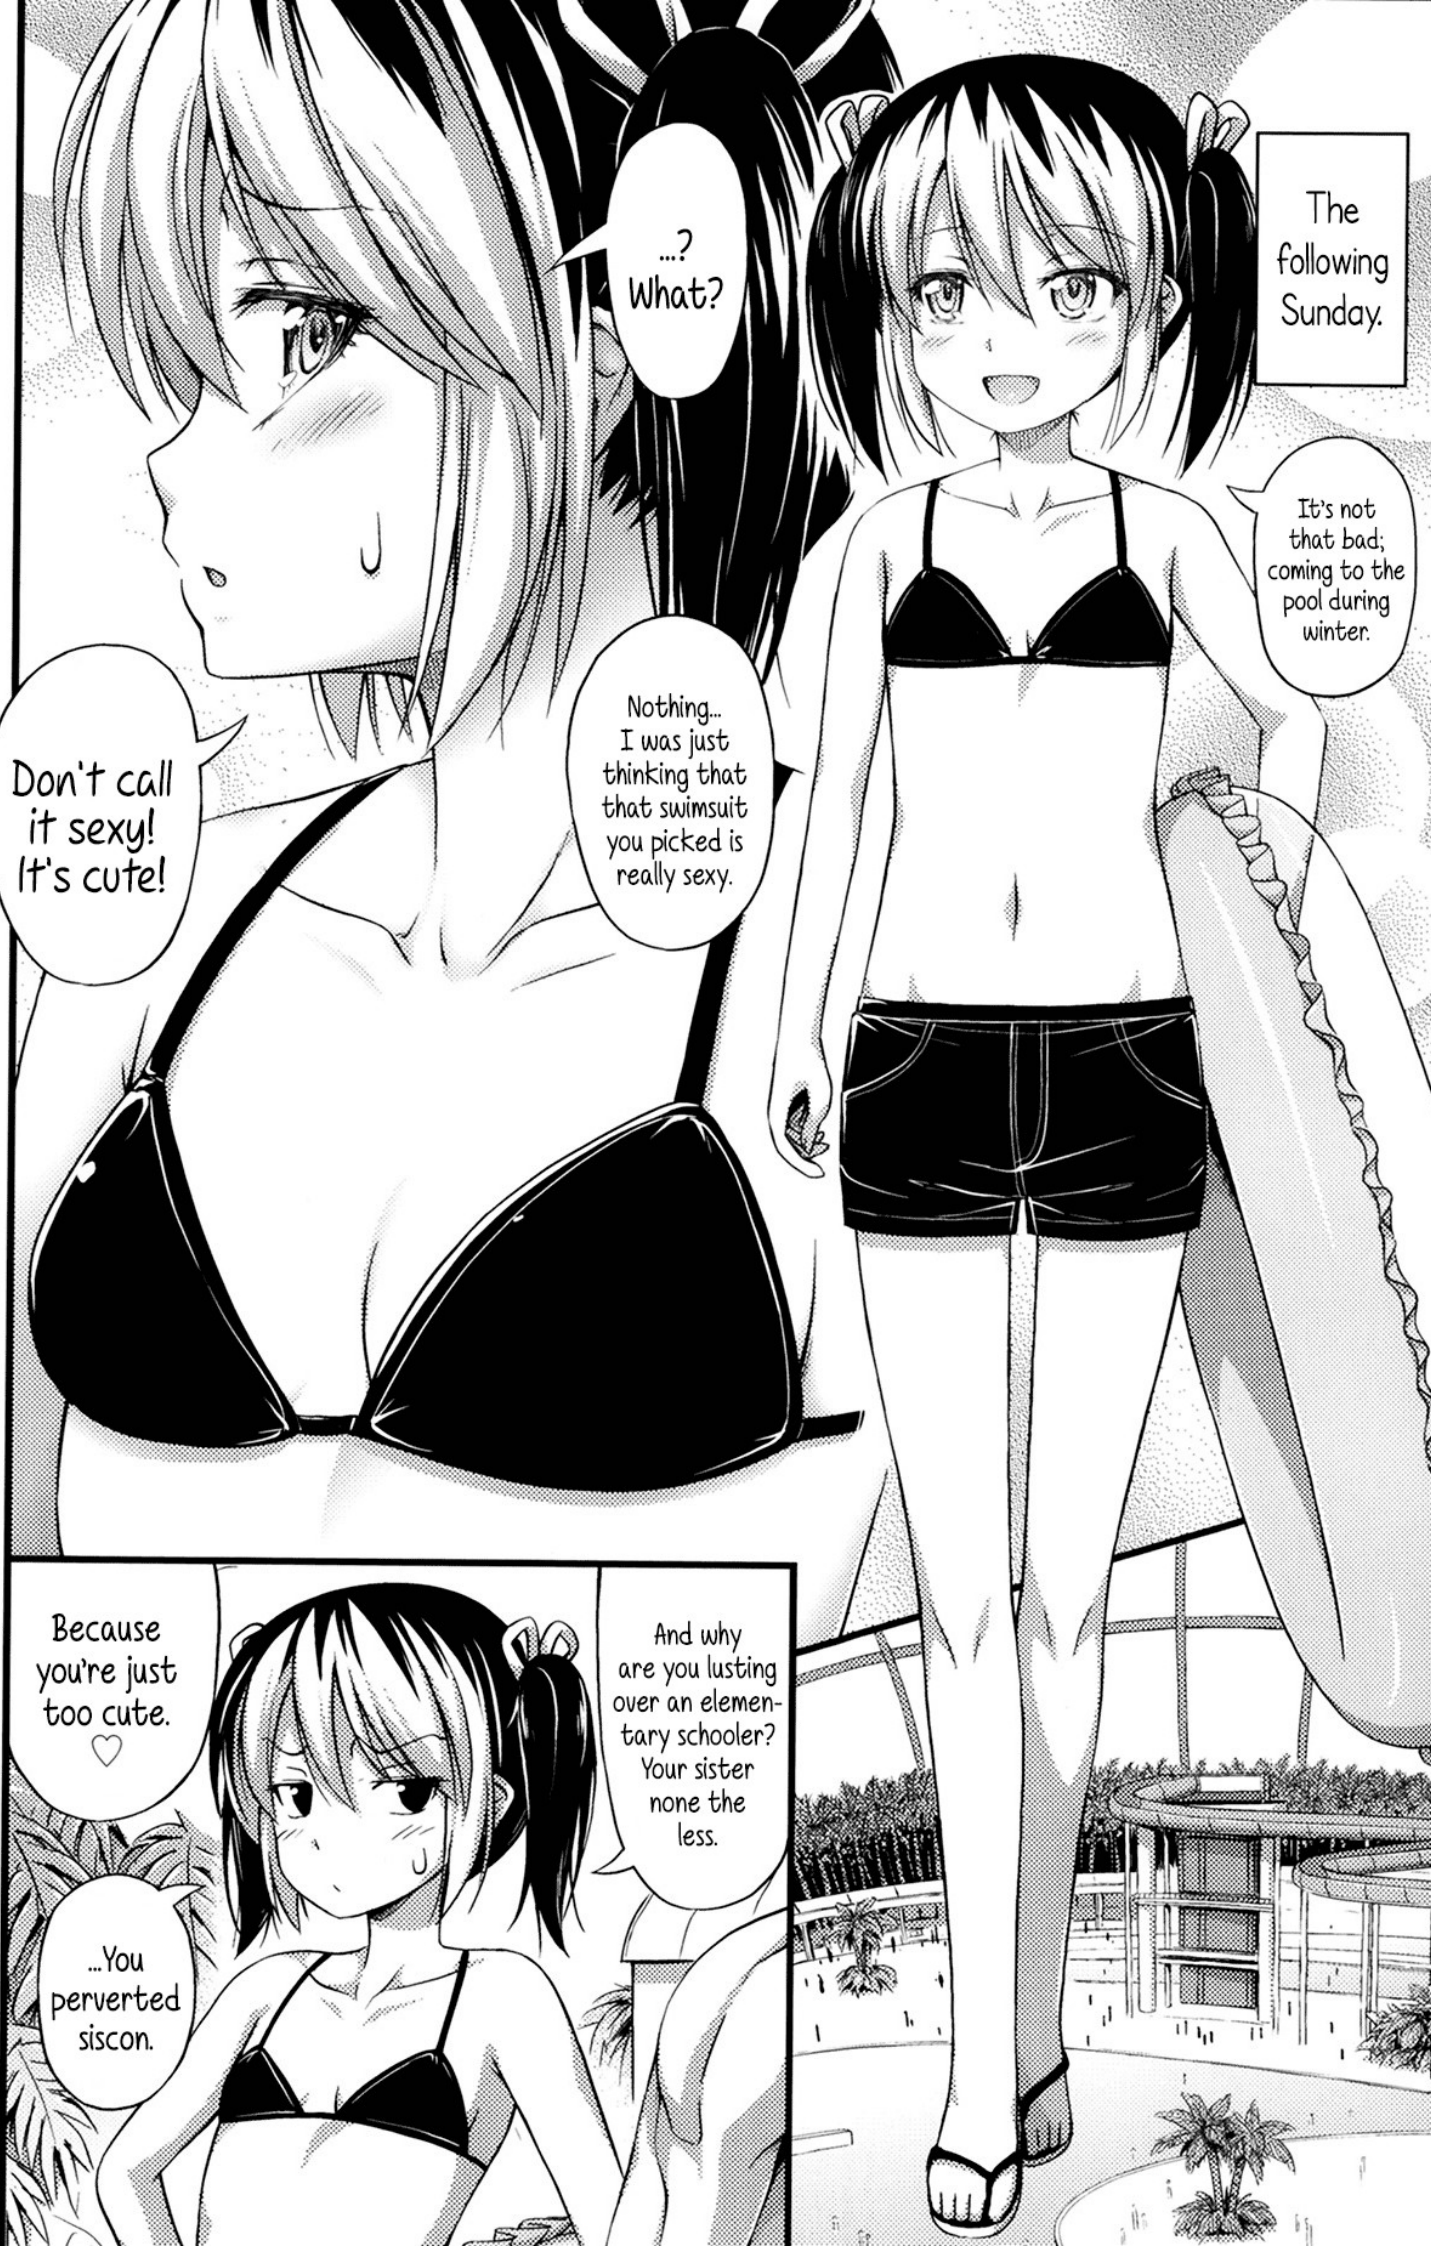

Don't call it sexy! It's cute!

Nothing... I was just thinking that that swimsuit you picked is really sexy.

Because you're just too cute. ♡

And why are you lusting over an elementary schooler? Your sister none the less.

...You perverted siscon.

I'll just slide down quickly by myself...

Uuh...
That blockhead brother of mine...

Let's not... That one's a bit...

Huh?

Now, where should we start?

It's gotta be the straight down water slide, am I right?

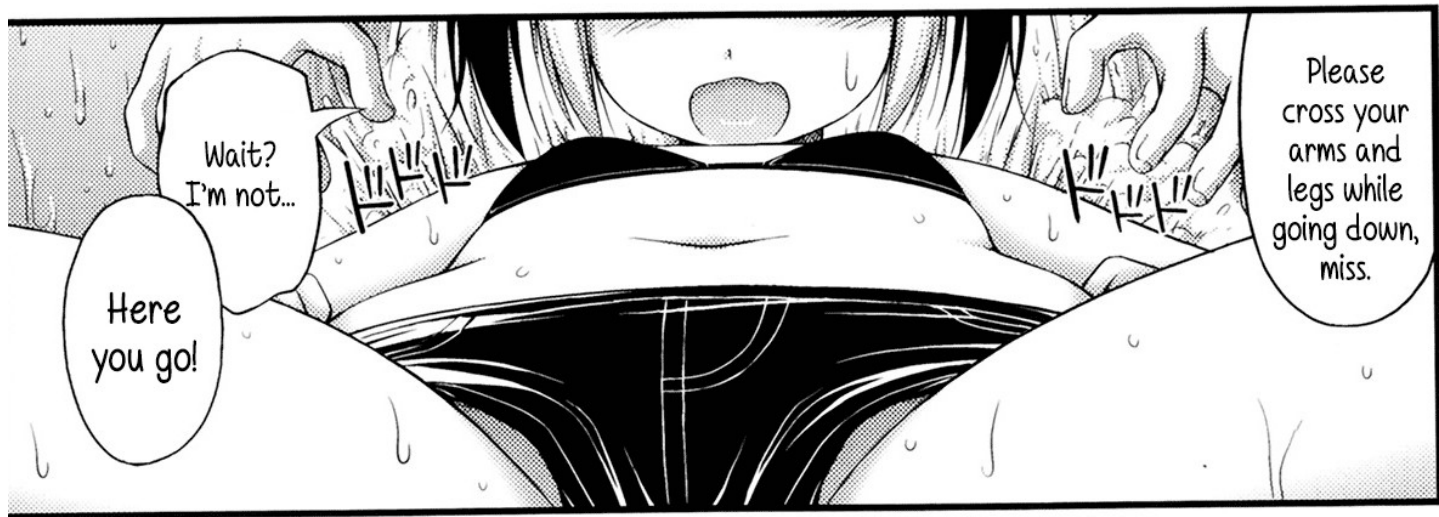

Huh?!
Huh?

Then let's go.

I wouldn't say that.

Scared?

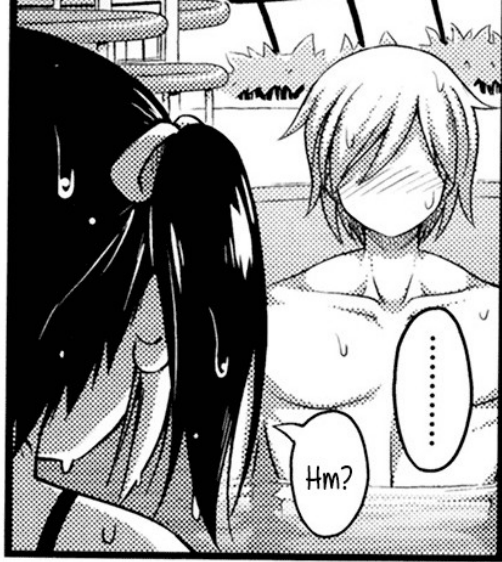

Wait? I'm not...

Here you go!

Please cross your arms and legs while going down, miss.

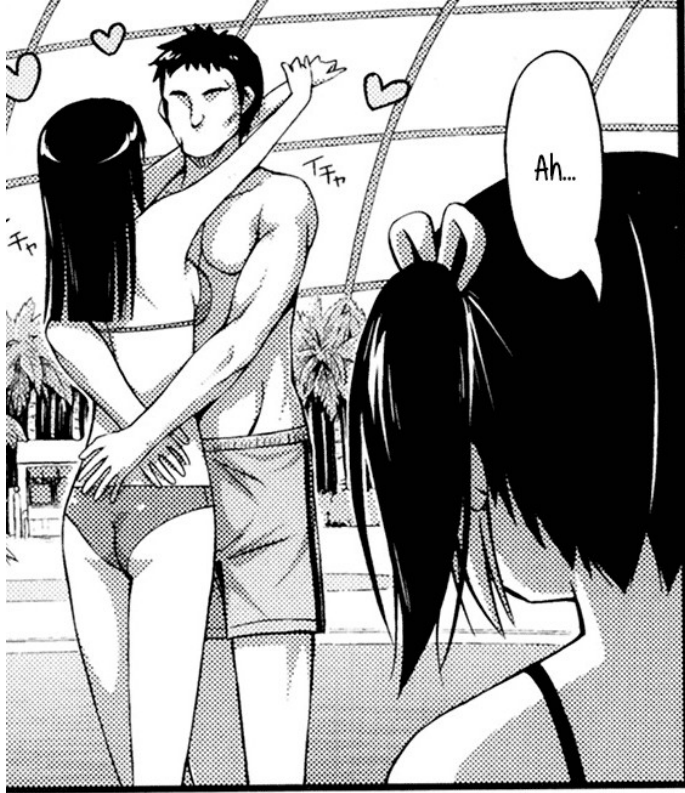

Wanna go again?
HaHaHa!
Was it fun?

**Idio

ot!!!**

**Kyaa

Don't wander off alone.

Ah, Fuyumi! There you are!

Ah!

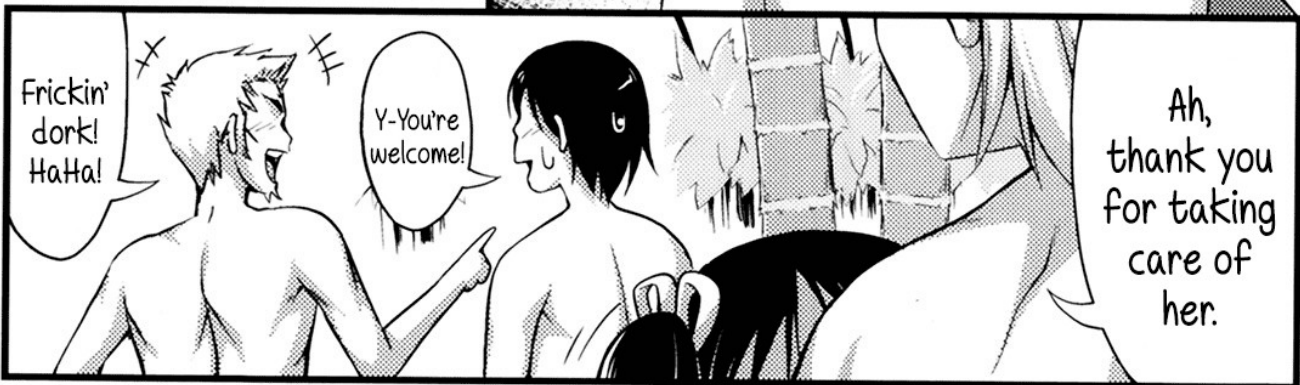

You're mondo desperate, dude! HaHa!

Just a little bit! It'll be fun, I promise!

Onii-chan, help...

Uuh... I'm scared...

チリチリ

Frickin' dork! HaHa!

Y-You're welcome!

Ah, thank you for taking care of her.

Oh... There, there.

I was so scared!! Waah!!

Uuh...

What's wrong? they didn't do anything to you, did they?

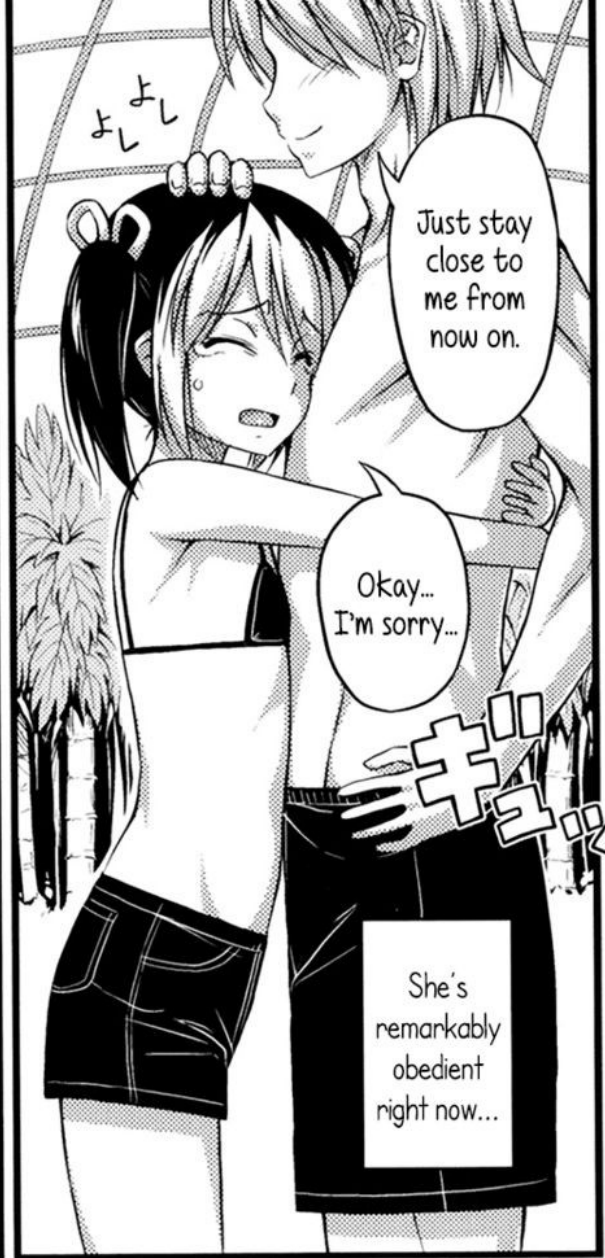

She's usually such a rascal. She must have been really frightened.

The more I look at her, the cuter she gets.

Still... My sister is a real cutie, huh?

Uuh...
Uuh...

Onii-chan...

Just stay close to me from now on.

Okay... I'm sorry...

She's remarkably obedient right now...

よしよし

おっ!!

Wah... I've been trying to hold myself back for a while, but this is making it hard to...

I think... her chest is rubbing up against me...

ぐっ...

Hya?!

Uh...

I-I'll take advantage of the situation to cop a little feel...

おっ...

Huh...?
She doesn't
look very
upset...

Onii-chan...
Are you
groping
me...?

Hah...

Huh?
Well...
Yes...

I mean... Do
you want me
to stop?

What's up

Fuyumi?

WaWaWait

I don't
mind it

much...

That's

Lower your waist on top of me.

Are you alright?
I'll take it slow since it's your first time.

It feels like my stomach is full with your penis...

There's that word again...

I see... You know, that sexy expression you're making is really cute!

Nh! Nkuh!

Fuh!

Are you ok?

Yeah... It hurts a little, but...

Nha!

Geez! You idiot!

It's so cute how your pussy is frantically squeezing on my cock!

Nuh

That doesn't stop it from being embarrassing!

It's the truth.

What can I say...

Admit it, you picked this lewd swimsuit because you wanted this to happen.

That's just your dirty mind talking!

Not that the current flow of events had anything to do with the pool...

Hah... It might be winter, but going to the pool is still fun.

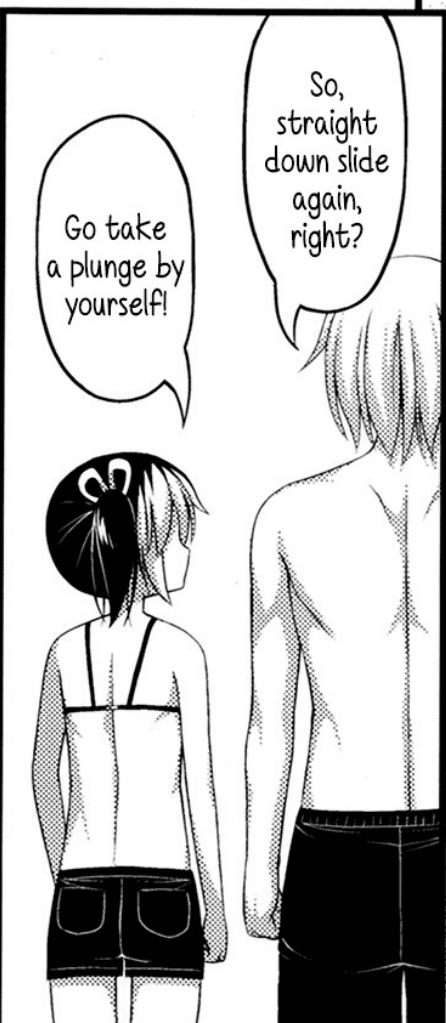

Wanna go for a swim.

Still, you do have a point.

You're too much of a perv; I'm sliding away...

You moron, It's thanks to the pool that you're even in your swimsuit.

Go take a plunge by yourself!

So, straight down slide again, right?

...Yeah!
