*A flirting culture in Japan where young men dress up and try and pick up women.

Nanpa*'s famous place - New Wife Island. Here, every year men and women assemble during "mating season".

here?

Sorry this isn't a job for brats.

Huh- He's a virgin?!

Actually, we came here today so this girl could throw away her virginity. Virgin-kun, I can't entrust her to you. Goodbye.

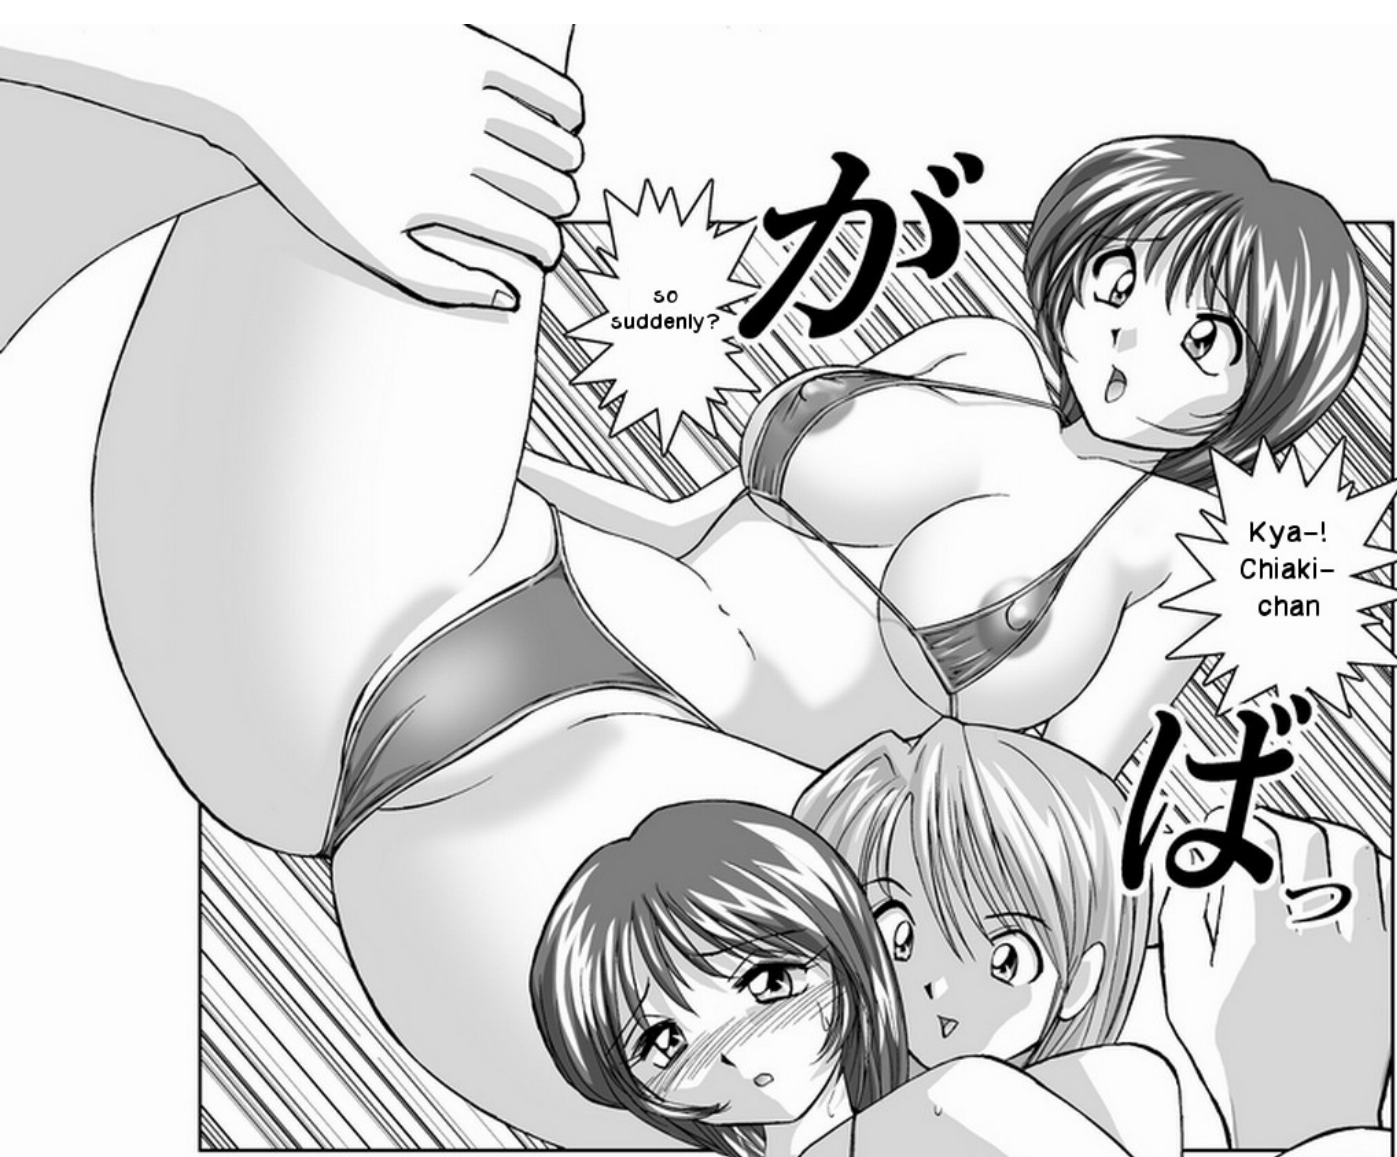

Wait, Chiaki-chan. Shouta-san is kind; He's just the kind of person I like.

We look forward to working with you.

Aah! Jeez, if you insist on it! I'll guide you.

I also only just met Mari-chan, however I feel that I love her already.

恋人交換 第2話

I want you to have sex with Chiaki-chan.

Please Shouta-kun,

Maki-chan's house

That's right, Shouta-kun's rough sex charmed me at first sight.

After watching us, Chiaki-chan wanted to try having sex with you, Shouta-kun.

Huh ~?!

Is- is that so? Maki-chan is kind of unusual.

so my feelings alone are not enough for me to be able to say no.

Chiaki-chan is my best friend after all,

Well, I don't mind, or rather, I'd be happy to, but are you really alright with this Maki-chan?

Maki, help me give Shouta-kun an erection.

Ah, jeez. How pathetic.

Eh- no way... I don't have enough confidence to have sex with another girl right in front of Maki-chan...

Okay

Maki, watch carefully as I will teach you how to really pleasure a man.

We stimulate Shouta-kun's penis with a sexy pose.

What? It's simple.

O- ok, but how should we do it...?

シン

Even if you
say sexy
pose, I'm
not sure
what is
good...

...although
you just
said that,
you're
doing it
quite well.

Don't stare so carefully, it's embarrassing...

Well, we had a playful beginning,

Although calling it long-term is a bit...

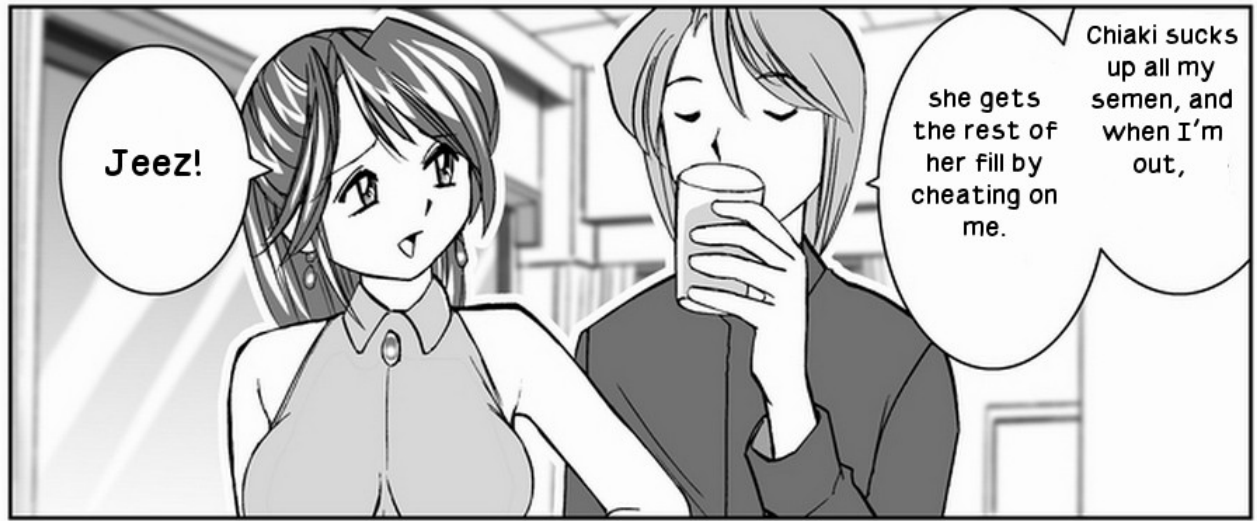

Maki-chan and I are together because we're both dating someone for the first time.

Oh.

Chiaki will be the first woman I've dated for an entire year.

Jeez!

Chiaki sucks up all my semen, and when I'm out, she gets the rest of her fill by cheating on me.
