♥

I wonder

Thank
you for
the meal.
♥

Let's
start off
with my
mouth.
♥

My throat
is being
violated by
his cock....
♥

You...
You're
kidding...
♥

HAA
?

HA
?

NHI!

OH!

I've never
had my
throat
violated
like this.
♥

My horns.
Don't
squeeze
them so
tightly.
You can't.
♥

HIH
♥

I can't believe
a human is
making one,
such as
myself, come.
♥

I can't
believe...
I'm coming
with just
my throat.
♥

Nooo!
My whole
body
already
feels so
good.
♥

NH...

I need to
take my
time if I'm
going to eat
all of this...

I can't
believe
it's so
thick and
plentiful.

Ah....!

HA...
AH...

NH?

MORE...

I only
planned
on having
a meal...

I can't
believe a
human is
this
lustful...

Such a
strong
scent...

I can
feel it
getting
absorbed
into my
breasts...

I want
to feel
him in my
womb...

I want
to become
his.
♥

PLEASE
GIVE MY
PUSSY
LOTS OF
LOVE TOO,
"MASTER"
♥

What a
human...

You've
come so
much, yet
you're still
so hard...

My pussy
is sucking
down on him
even though
he only just
put it inside
of me...
♥

Master's
villainous
dick is
inside
of me...
♥

Amazing!

I'm the
one that's
supposed
to be
Feeding
here!!
♥

But it Feels
like Master
is the one
Feeding me.
♥
