

At least blowers are useful to society.

You're an otaku neet. You won't even look for a job! You're no different from trash!

Hey!
I'm your brother!

Well...
...Yes.
Actually...

When I breathe, I create carbon dioxide.
When I eat, I create excrement.

Right... I'll get right on the line with prospective sellers.

I suppose blowers have their uses too.

Such things exist, you see? Priceless!
You can't put a price on me!
My worth is incalculable.
HaHaHa! You'd only bother them!

お家で 下らない兄貴 Stay-at-Home Unnecessary Brother

Can I start crying now, Nii-chan?

Isn't that the same as being free?

Please wait just a little more.

I'm trying to conserve my energy right now...

Ye-ah...

If you hate it that much, get a job.

It's so vexing to be treated like garbage...

You can't do that!!

In a way...

You're re-shrinking your own motivation?

So... wait...

As soon as I'm done charging, it'll extend in a second!

My motivation works just like a spring, you see?

Because mama and papa are worried!

If you didn't need why did to... you?

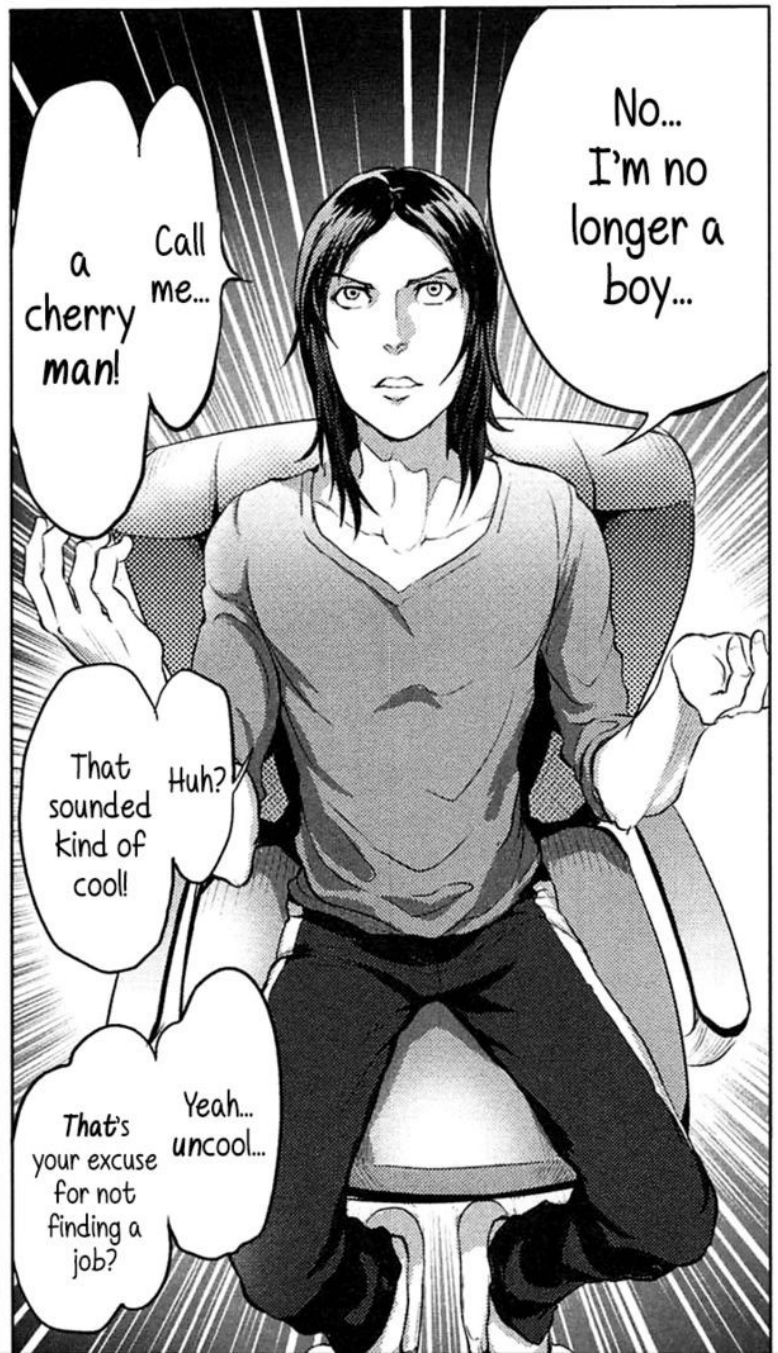

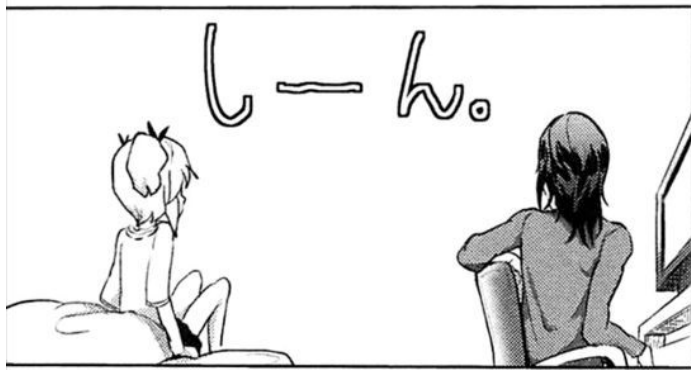

About you, I mean.
Not that I needed to say that.

Say...

You're really laying into me today...

It's Sunday, why are you in my room anyway? Don't you have anything better to do?

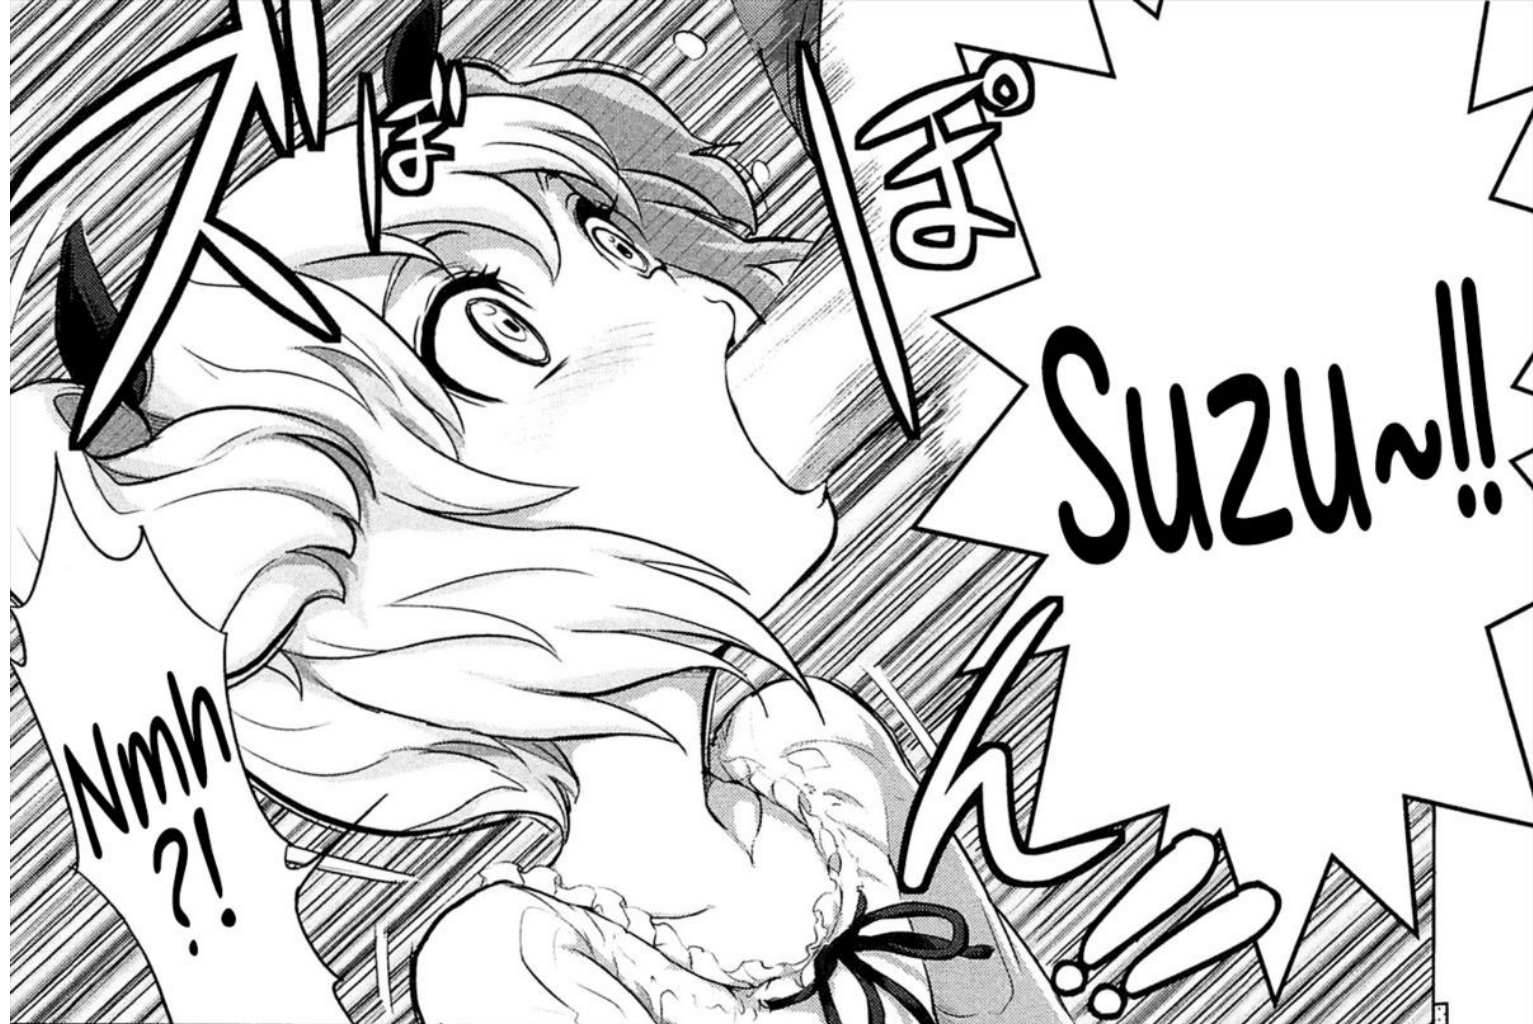

Supposedly it's a very important step we should take before intercourse!

This technique is called "deep throat"!

Suzu...

Whoa, whoa! I read some books, so I'm pretty confident~!

We have to do it, or we can't begin. It happens in every book so it must be right!

Yes!

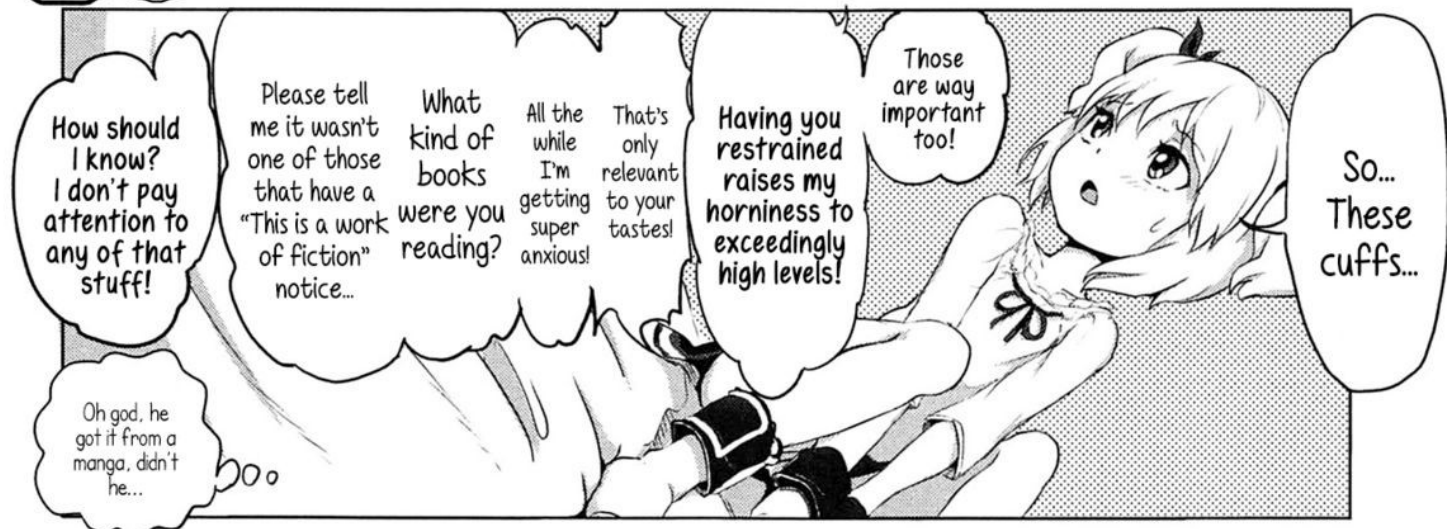

Re-Really...?

Are you... Onii-chan!
sure this is how you do it...?
People don't usually do this, do they?

I couldn't breathe...! I thought I was gonna die...!

That hurt!

How should I know? I don't pay attention to any of that stuff!

Please tell me it wasn't one of those that have a "This is a work of fiction" notice...

What kind of books were you reading?

All the while I'm getting super anxious!

That's only relevant to your tastes!

Having you restrained raises my horniness to exceedingly high levels!

Those are way important too!

So... These cuffs...

Oh god, he got it from a manga, didn't he...

Gross~

Uh~

Well, for now you just need to get accustomed with fellatio.

Fellatio?

My dick. Lick it.

Huh?

Lick it.

Lick it like it's the last popsicle on earth!

Aah, that's it...

Mmh?

Now do the same but this time do it all around.

Don't focus just on the tip.

Yeah, just like that...

Trace the frenulum too...

Yeah! Yeah!

Mmh?

Kuh!

You've got some skills...

Mh

Aah, that feels really good!

Weawy?

Next, could you hold it in your mouth and suck on it?

"No~!
It feels
sho
good~!"

Nnh!

When they
had a dick
scraping the
back of their
throats...

In the
books, when
they got used
to it...

It's starting
to feel really
good!

Now
we're
truckin'!

They
all got
like
that!

Nh!

Nnh!

Nh!

Egh!

Ueh!

Suzu!

Suzu! Ah!

Onii-

feel
good
at
all!

すま

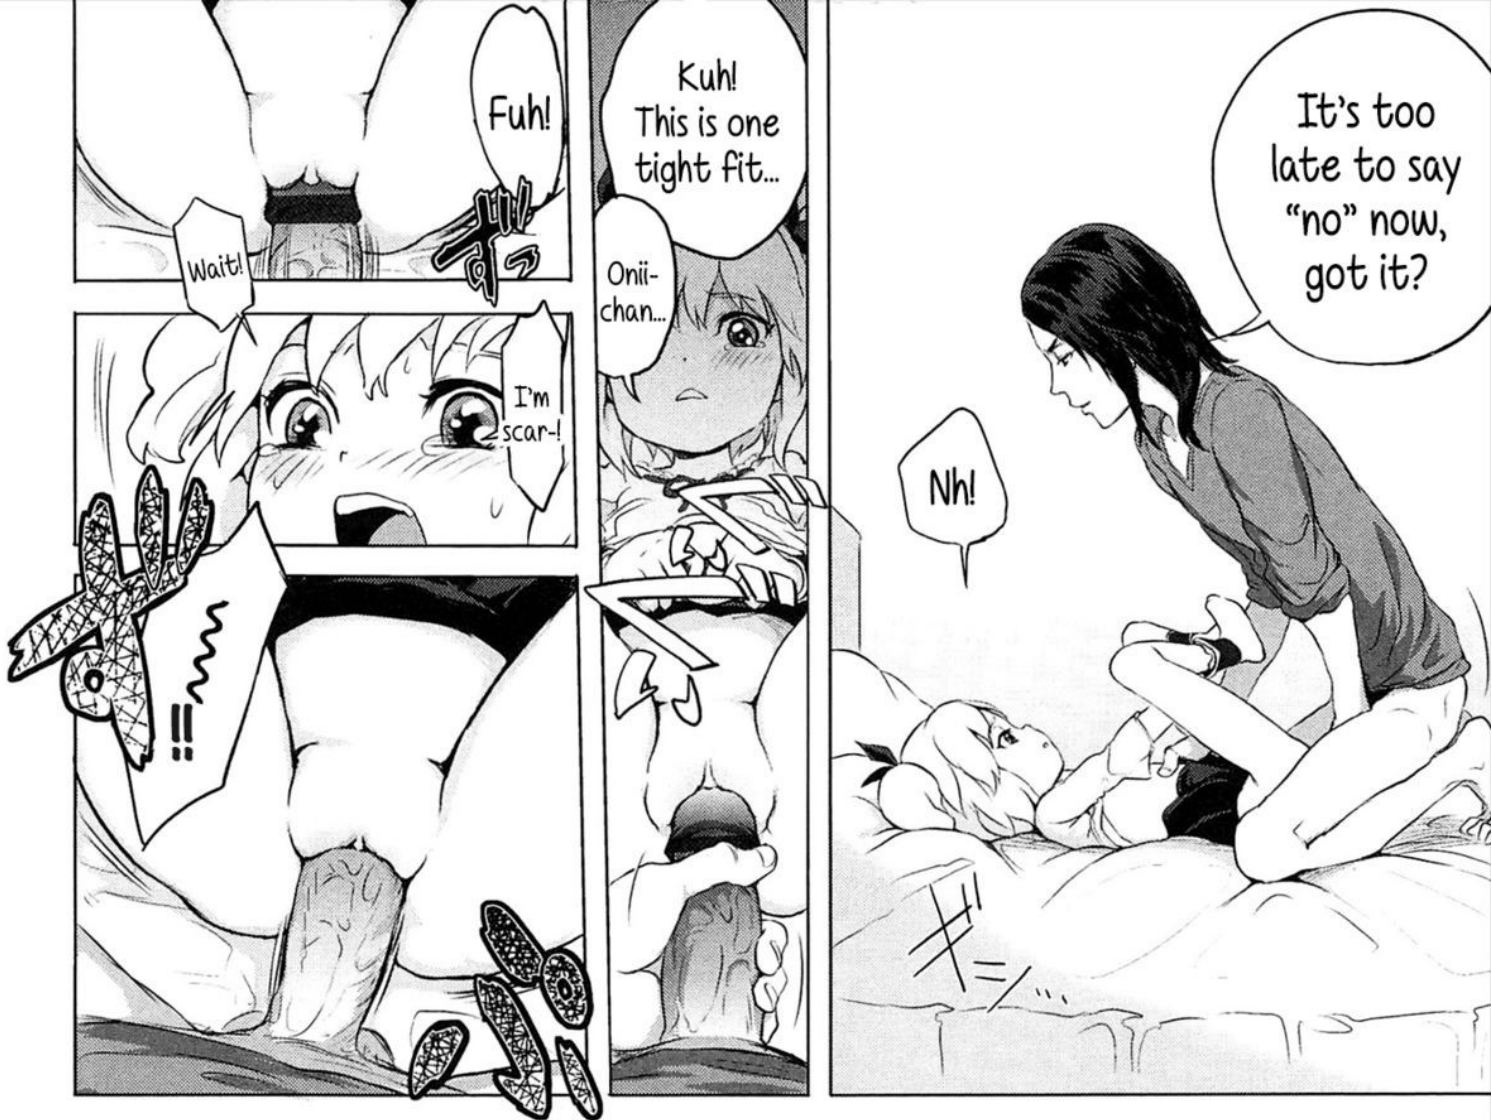

He's really licking it...

I'm having sex with Onii-chan but he hasn't changed a bit...

I'm going to put it in, okay?

Suzu...

Suzu!

Onii-

Suzu...

Nnh!

This
feels...

Nh!

Onii-

Hah!

Hah!

and I am
scared...

It does
hurt...

It feels like I'm getting closer to Onii-chan...!

See?

I'm poking your deepest parts!

Suzu...

I might have liked it even from the moment he put his member in my throat...

Nh!

I mean...

Nnh!

Can you tell?!

My penis is...!

Onii-cha-!~

Look!

Ah!

Aah!

It's jabbing the entrance to your womb!
