Since we are not going to pregnate or hurt Ameri-chan.

That's why, us two are herbivour losers so there is nothing to worry about.

That said, you also don't want to put it inside a hole after you've just cum

It'd be troublesome later if she got pregnant ...

You don't have to tell me that

That's why, it's fine for Ameri-chan to feel at ease and cum all over.
