成人向

Please go on and keep collecting it like this, okay?

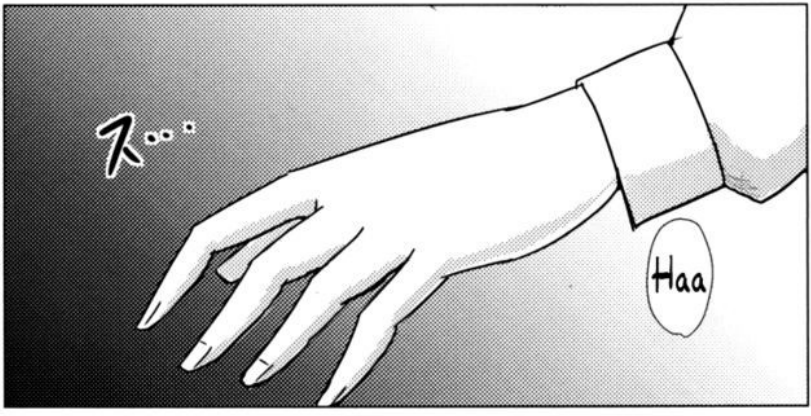

Having your asshole raped constantly by all these strangers from who knows where...?

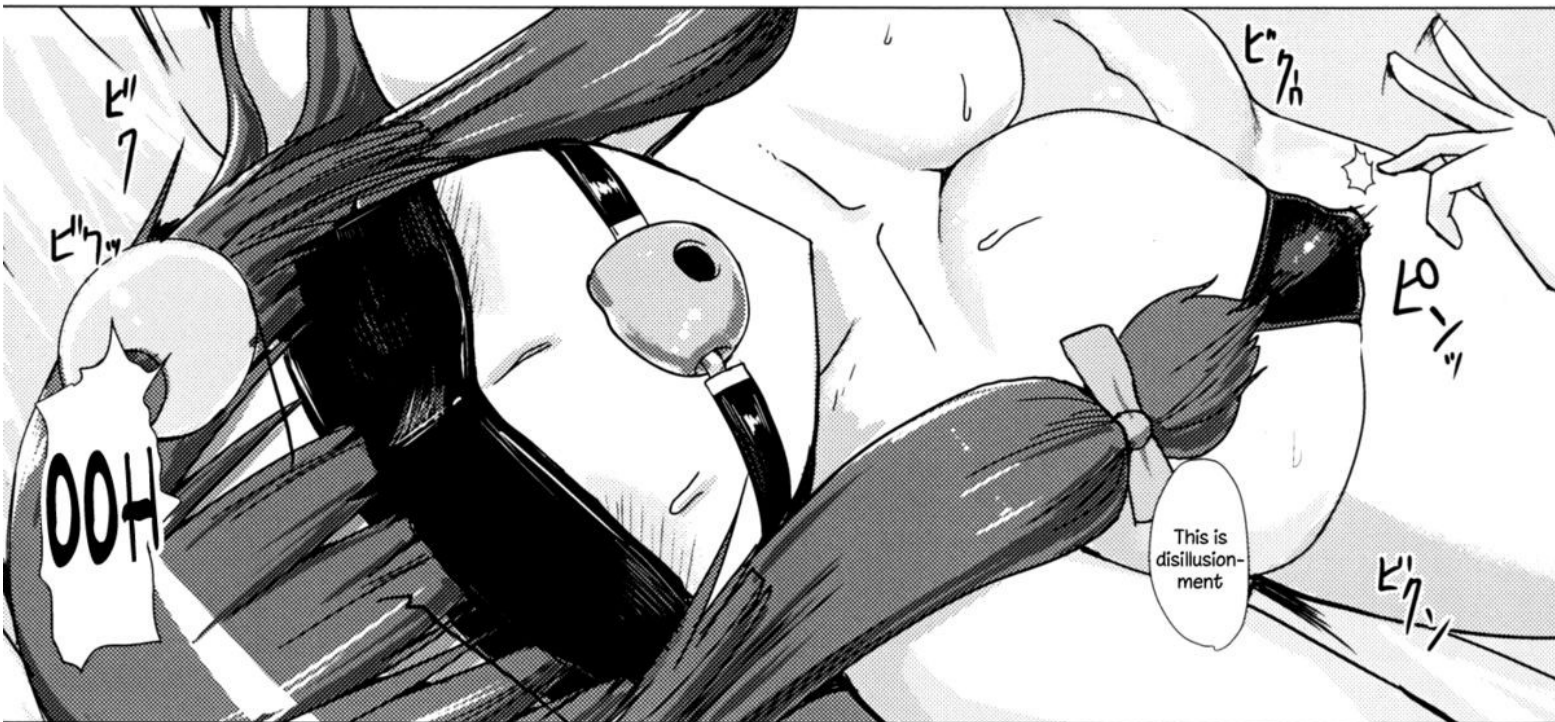

Huh? Does it feel good?

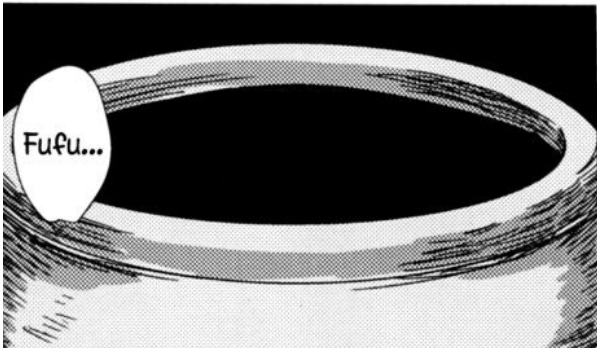

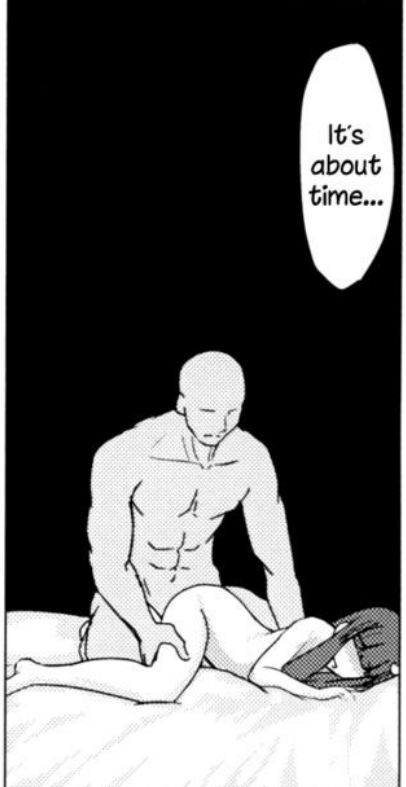

You just keep on cumming, don't you...

Do you like being teased?

Please relax, it's not like it's going to eat you...

ズル
ズル
ズル

I just thought I'd have you be my bait...

WHA!?

What it eats is the stuff inside your belly...

It's all to tease you, Patchouli-sama...

ズル
ズル
ズル

Wha...!?
Why would...?

This guy's been tampered with a bit...

It's been modified to eat the semen of living things to grow...

ズル

FUUU!

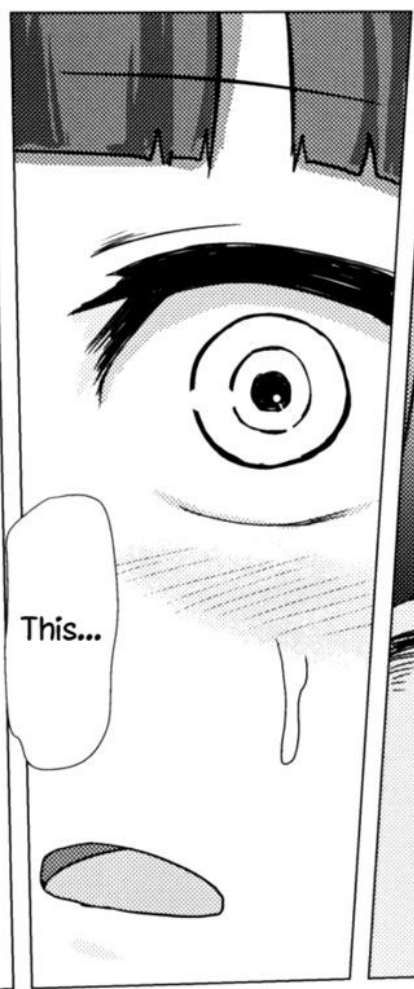

If you hold it in, things are going to get wild, you know...

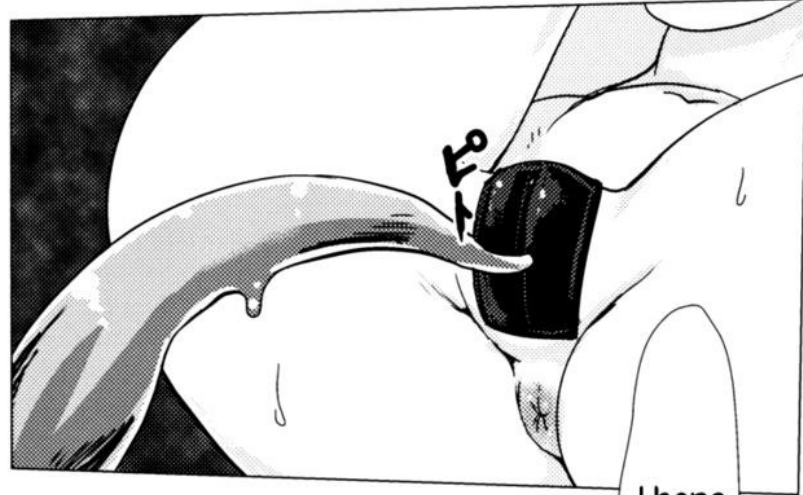

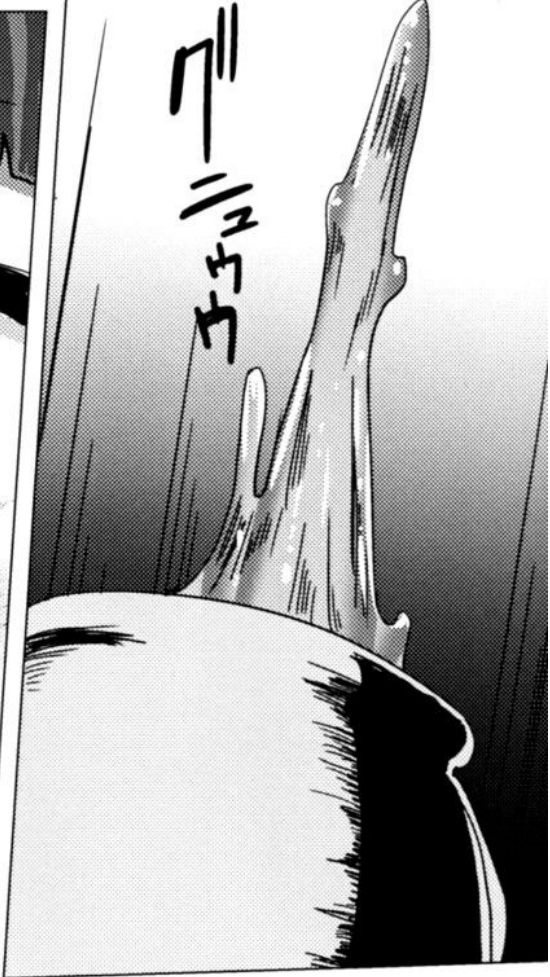

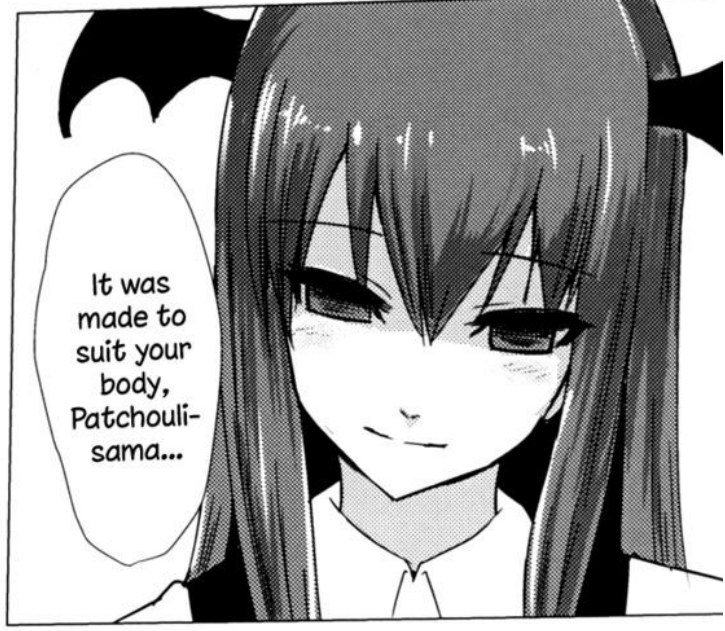

Is a
slime

This...

I hope
you
enjoy
it...

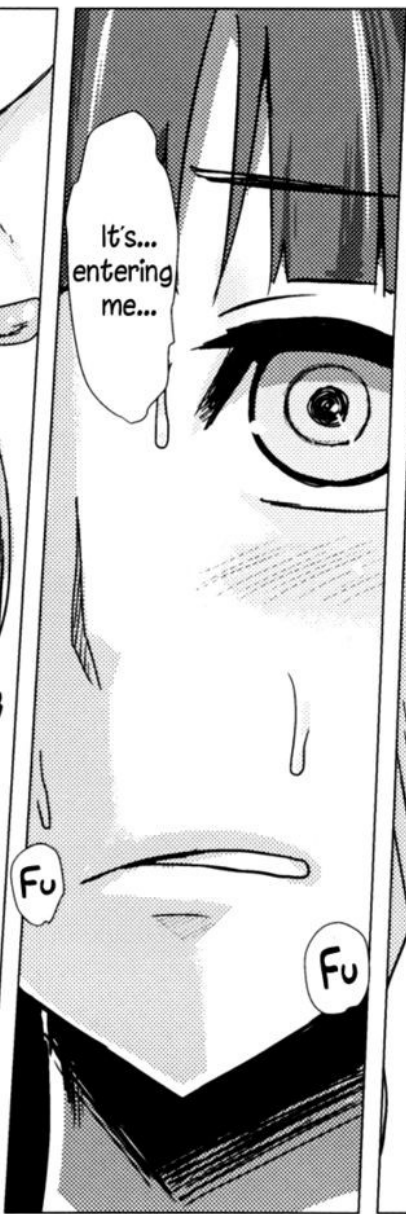

It was
made to
suit your
body,
Patchouli-
sama...

Wha-
what
are you
saying
...?

To suit
me...

It's because you didn't give it the bait...

It won't stop until it's all inside you

WAIT!!

WAIT!

WAIT!

Don't go in!!

STOP GOING INSIDE ME!!

Ihi!

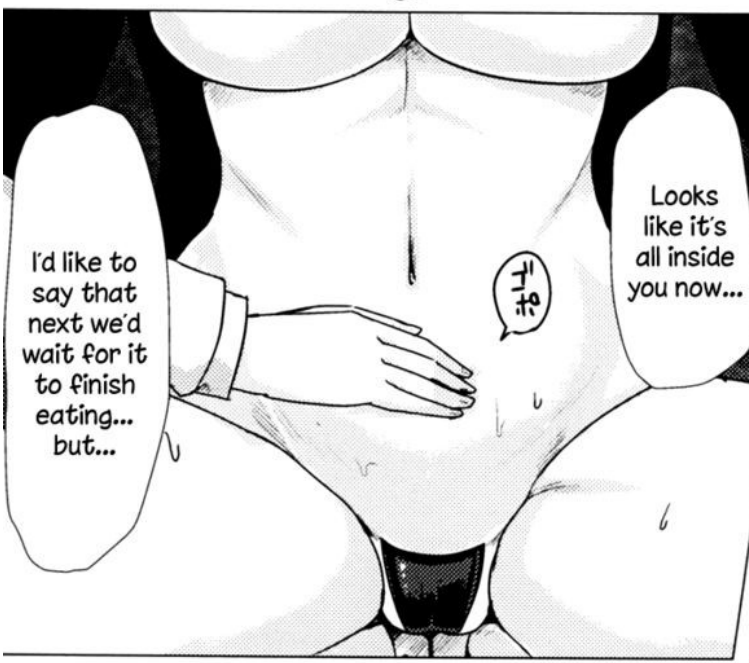

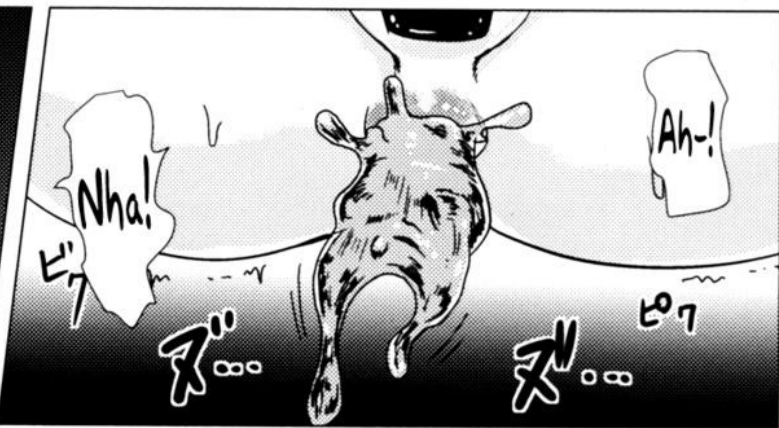

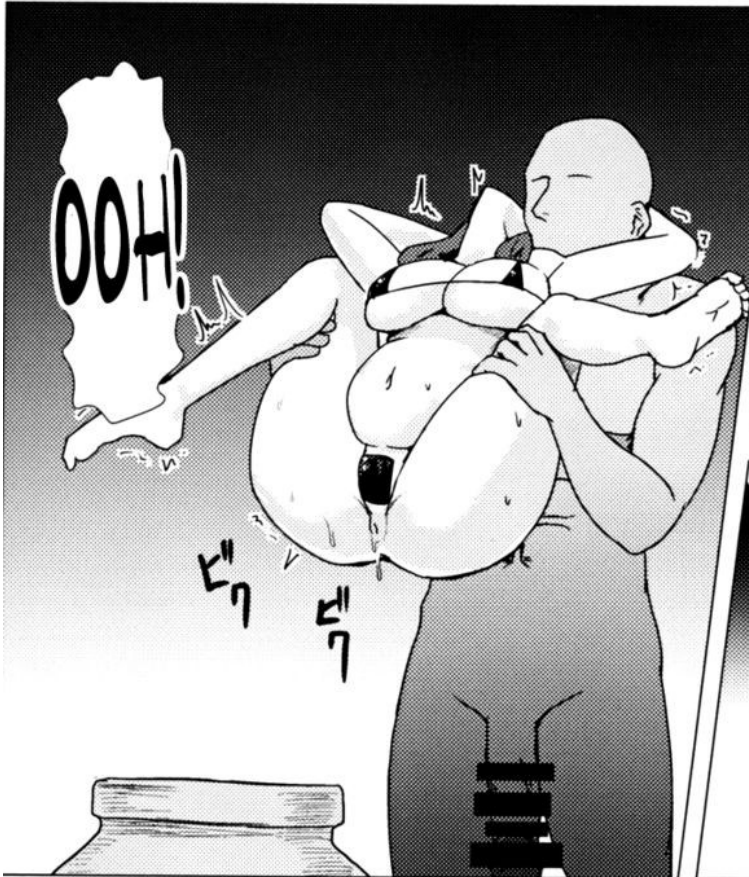

ホッ

Gua!

ゴッ

グッ

グッ

The slime might start to go crazy once it's eaten it all, though...

Well, if Patchouli-sama wants it like that, please continue as you are...

...

If you don't say anything, we'll keep going at this pace forever...

...Who would!

If you want to get fucked harder, all you have to do is say the word

...

Hurry up and... cum...

More... faster...

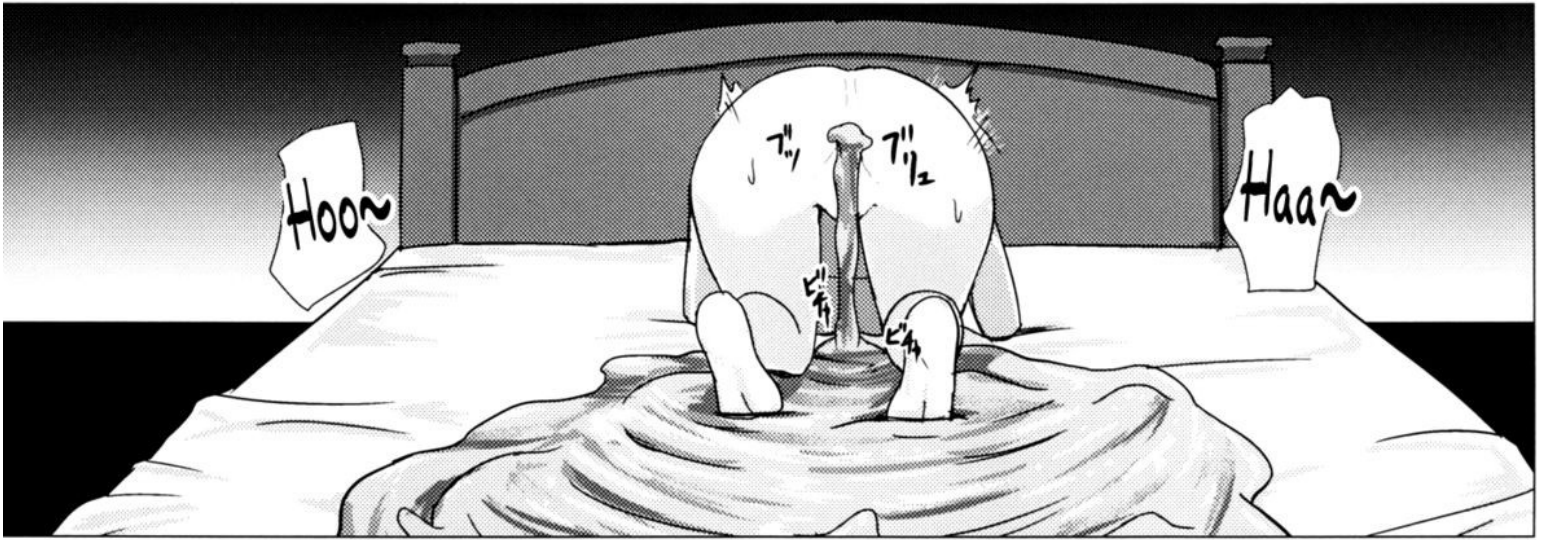

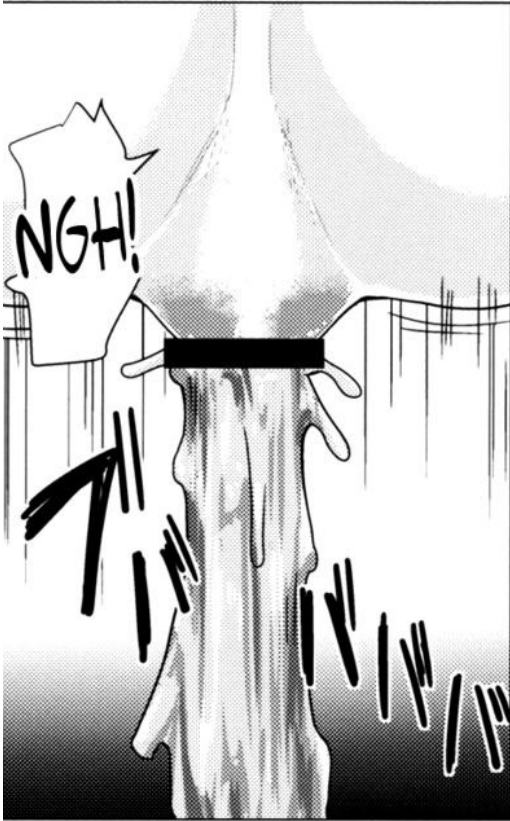

Huh?

.....
Do it.

.....

I brought a brand new little guy...

ゴッポ

While you were busy getting fucked,

Did you squirt it all out?

All right ...

..... Huh?

Please be this one's partner next, okay?

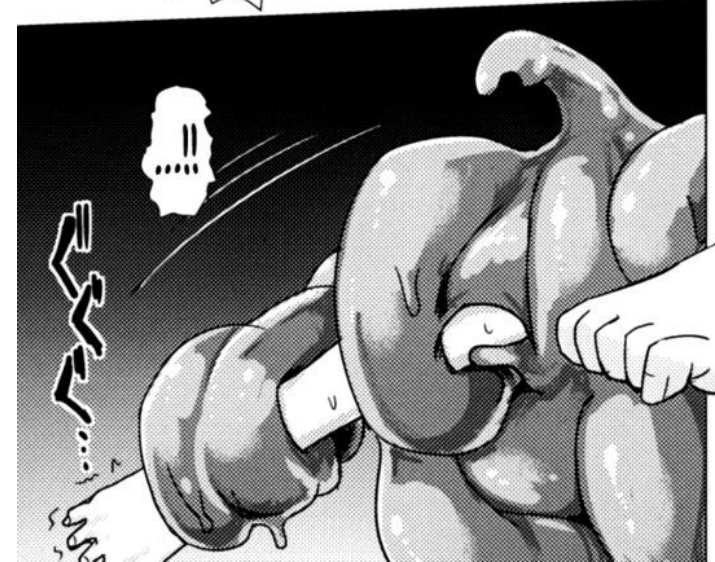

STOP IT....!!

I can't take any more than this now...

Wait... hold on just a bit-

I'm begging you, so please!

I have no intention to stop anytime soon...

Ooh

Mng!!

I've made lots of other little guys besides these for your punishments, Patchouli-sama

Ugh...

So please try your hardest...

.....

あとがき

こんにちは、いしむらです。
尻パチェパチェを手にとっただき
ありがとうございます。
例大祭初参加です。

今回の本ですが当初予定していたのは、
黒ギャルパチェ本でした。
しかし、描いていくうちに自分には黒ギャル
漫画はまだ難しいと思い、急遽同じくらい描きたかった
アナルスライム責め本に変更しました。
スライム呑み描くの楽しかったです。

今回はサークルカット詐欺になってしまい申し訳ありませんm(＿)m
次こそは黒ギャルパチェを描ききりたいです。

それではッ
