IT WAS  
14 HOURS

FROM  
NARITA.

FROM THE MAIN ISLAND IT WAS ANOTHER HOUR BY DOMESTIC FLIGHT.

ALL SO I COULD SEE HER ONCE AGAIN.

Kiara!

I'm here!

No...

No way...

W-Why are  
you here,

This can't  
be real!

It's a small island,

SINCE LEAVING RURAL SHINSHUU I'VE BEEN LIVING BY MYSELF IN TOKYO.

MOCHIZUKI NOZOMI, AGE 23. (I ENDED UP WITH THIS WEIRD NAME BECAUSE MY MOTHER REMARRIED.)

She had finally achieved a picture-perfect marriage with a good-natured and serious salaryman. So having an adult daughter in the family would be a bother, right?

Two years ago, Grandmother passed away. I returned to Mom's place in Tokyo, but left soon afterwards.

My mom, a single mother, worked at night, so she left me in the care of my grandmother in Shinshuu.

OF COURSE I LIKE SHIMSHUU. BUT THEY TORE DOWN THE OLD, WORN-OUT HOUSE I USED TO LIVE IN WITH GRANDMOTHER. I CAN'T GO BACK ANYMORE.

AKIHABARA'S PRETTY GREAT. THE NEON LIGHTS AT NIGHT ARE PRETTY, AND I'VE GOTTEN USED TO HOW BAD THE AIR IS.

It'd be a waste if they got damaged or anything.

And my shift was just about to end, too.

I thought I'd send everything home all at once, but I ended up buying so much...

Thank you for lending a hand.

HOME DELIVERY

Um, Nozomi.

If you're still free,

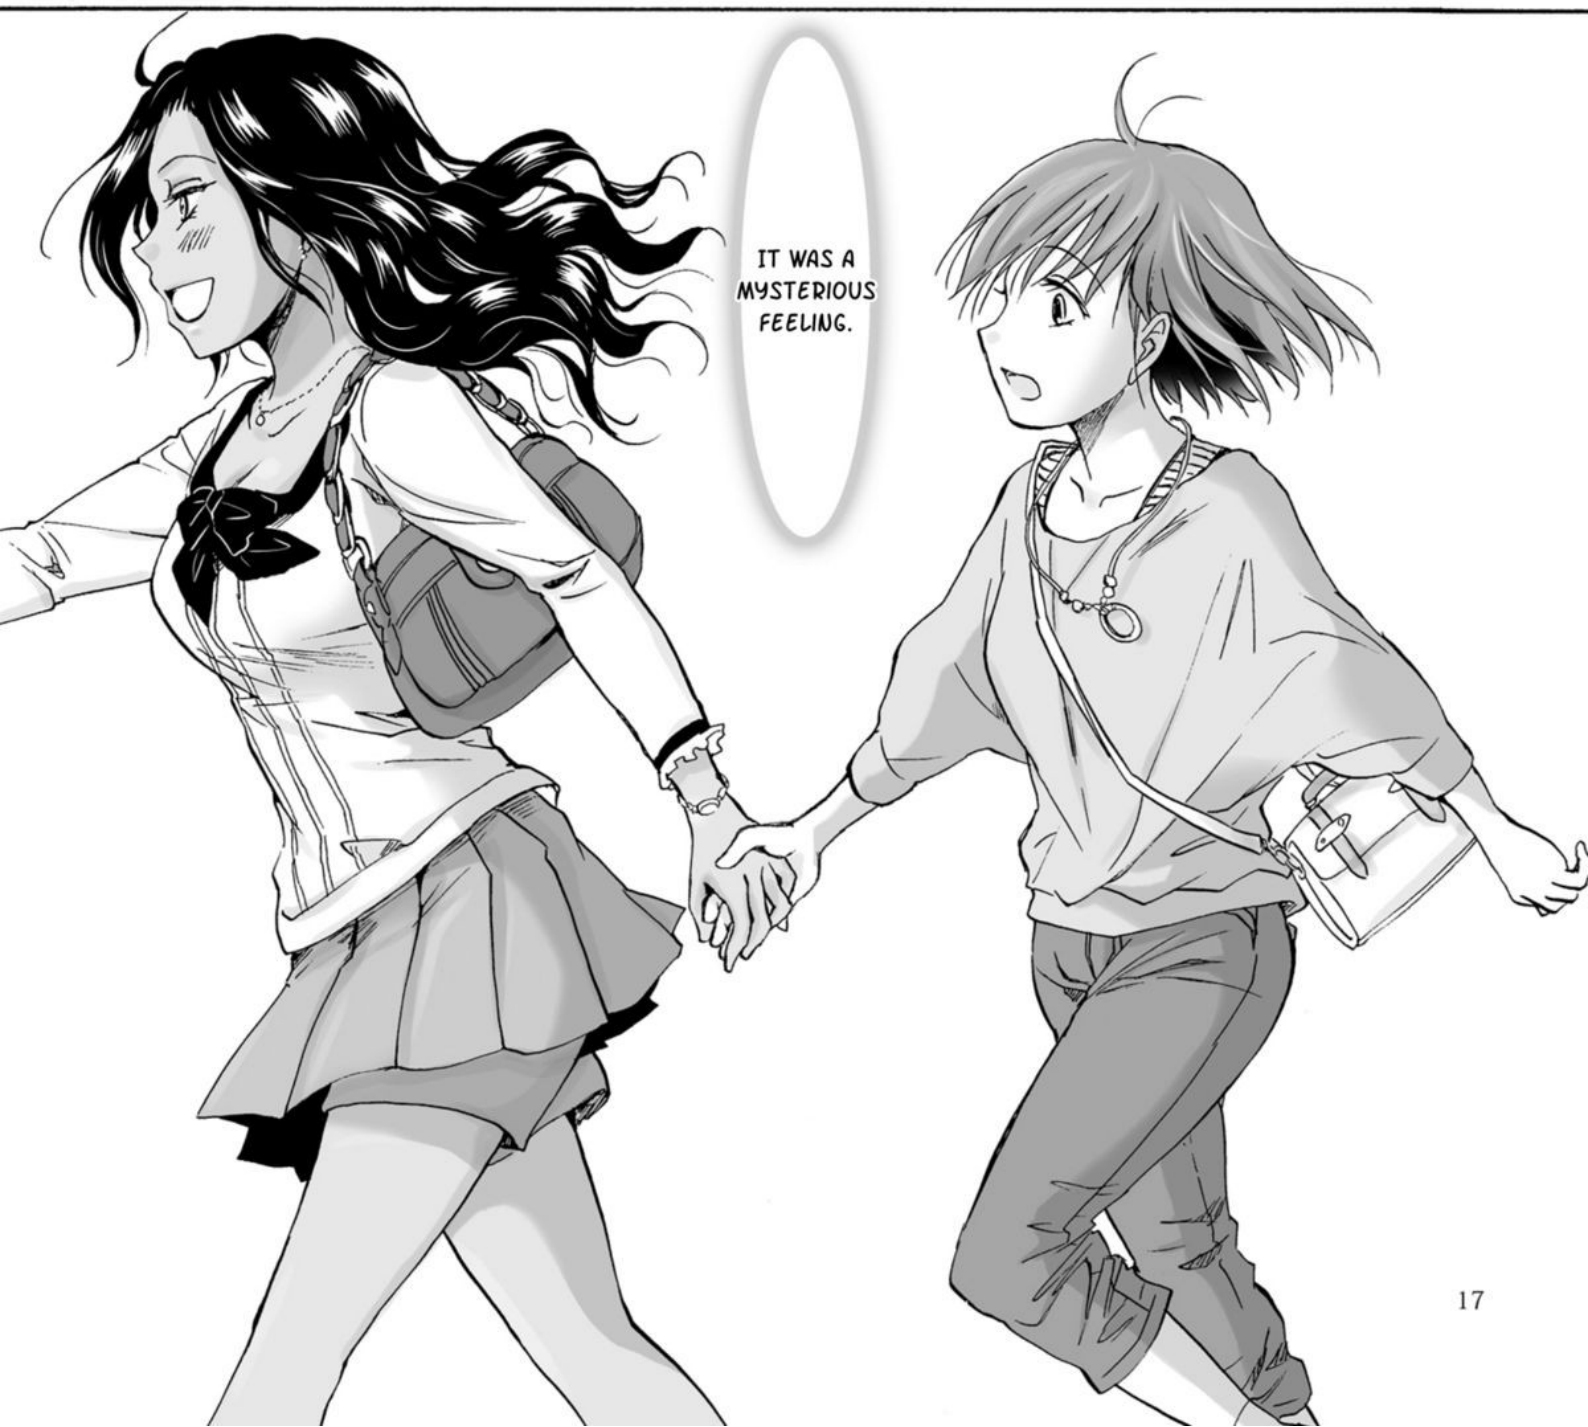

Yay! Which one should we choose?

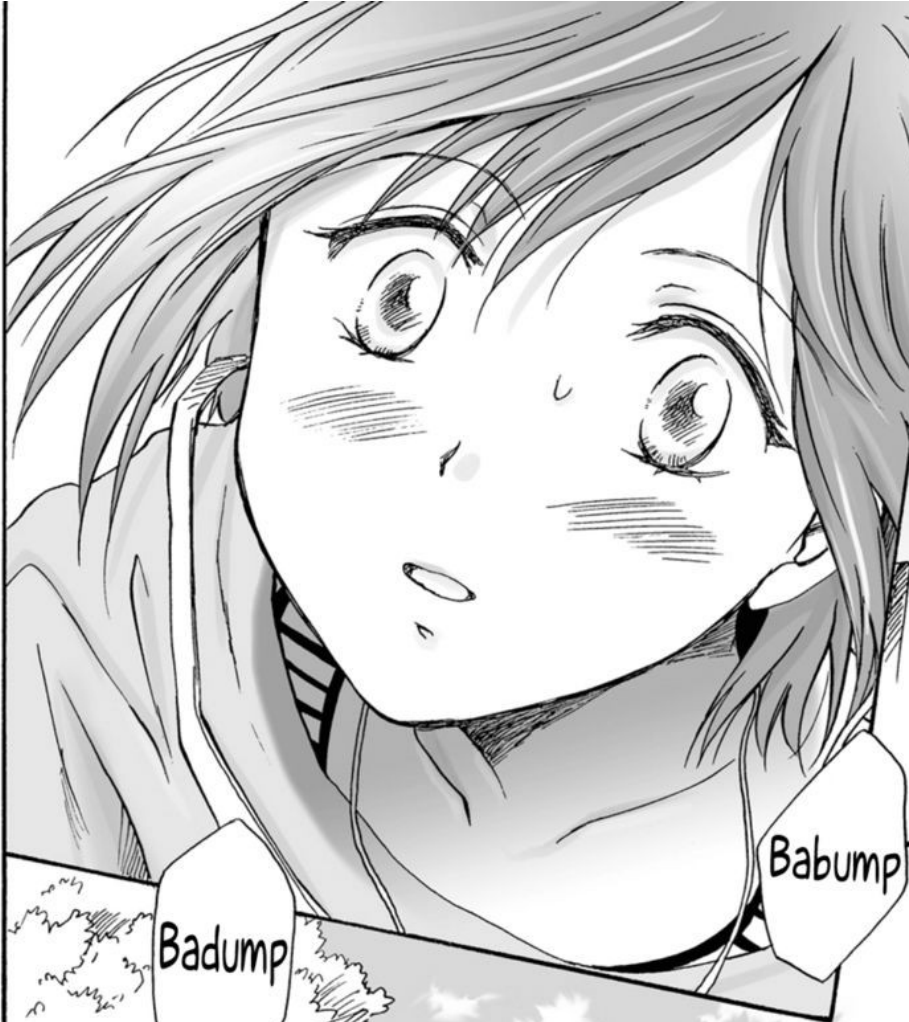

A bar? Hm...

Okay.

I want to experience Japan's Izakaya.

Wanna come with me?

A warm wind blew along Akiba's streets while we walked.

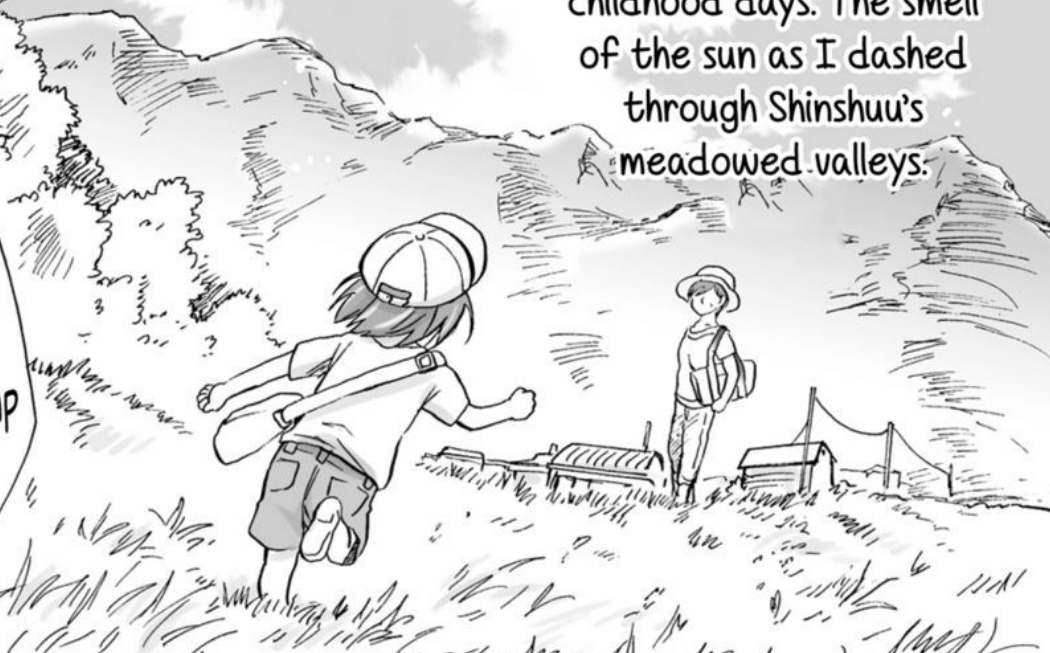

As she excitedly pulled me along

Badump

Babump

For some reason I started to remember my childhood days. The smell of the sun as I dashed through Shinshuu's meadowed valleys.

That feeling of excitement when you Badump think you can go anywhere!

Kiara, are you okay? Can you make it back to your hotel after drinking so much?

I've always wanted to visit Japan but never could, so I'm really happy.

It's fine, it's fine! Cocktails are so sweet.

Nmnm  
Hmm? My age? twenty...  
Mmm

So hard to figure out how old foreigners are...She's not a minor, right?

I knew it.

Um, how old are you, Kiara?

They're delicious! So many kinds! I'll drinkem all!

I thought she was older than me, but isn't she pretty young?

Uh-oh, she's dropped her guard.

Hm?  
What?

Hey, hey, Nozomii.

Eh?

Why are you so kind to me?

Eh?

L-Lesbian?

Are you straight? Or lesbian?

Maybe I'm your type?

Eh?

L-L-  
Let's go, Kiara!  
You're drunk!

That beautiful straight hair...and your skin's smooth too.

You're cute, Nozomi.

Papa got angry when I came back...

Went to school in France.

It's small, though.

My island's... beautiful.

We're here, Kiara.

I gotta go, or I won't make the last train.

After that, other than mumbling, she spoke in French, English,

Oh, g-good Morning.

Oh, yeah, she doesn't understand our language.

There's no other way, so today you'll be with her.

Go help out at the store or something.

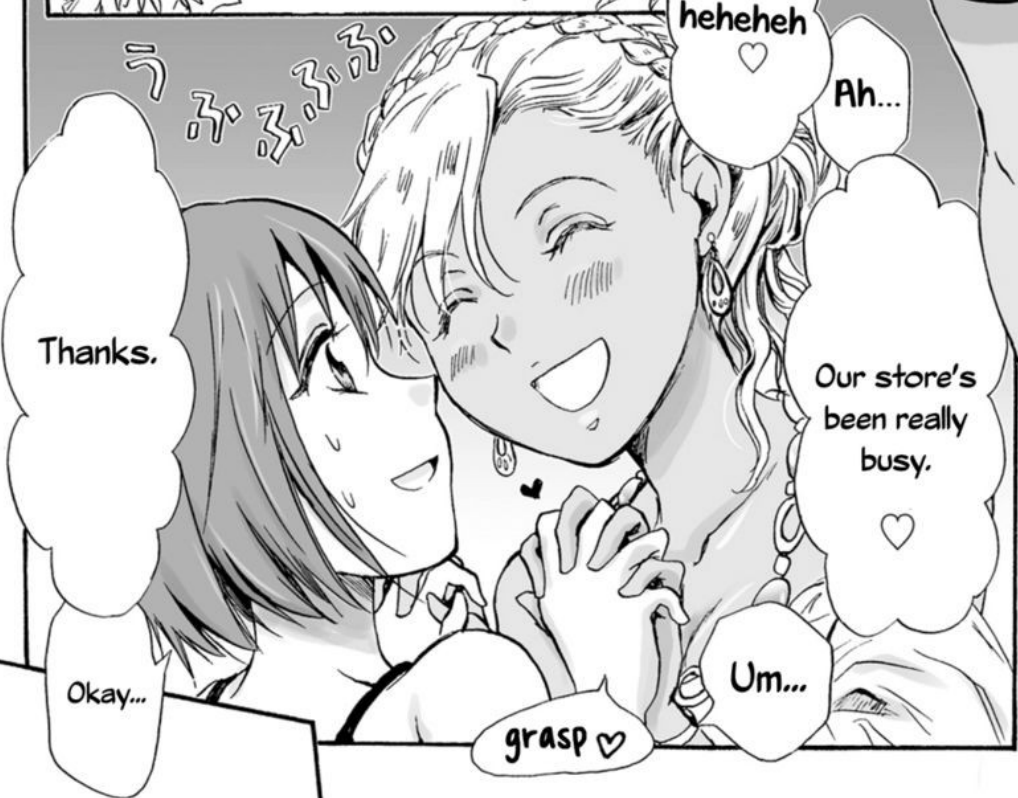

Nozomi, this is my friend Annie.

I know it's unreasonable to chase her this far.

Wouldn't anyone go a little wild!?

GYAHHHH  
She told you!?

Didn't you sleep with her?

And...

I was lonely!

Take me, Annie...

Mn...

Why haven't you touched me all this time?

You're the one who taught me all of this!

With Nozomi, it was just in the heat of things I...

You're the one I love, Annie...

Even though you taught me, an underaged girl, all those dirty things...

Kiara...I did help you out when

you were troubled about your sexuality.

Um, that's...

But I can only think of you like a little sister.

I'm not the person who can be there for you.

Haven't you realized that already? You're sharp.

hehe

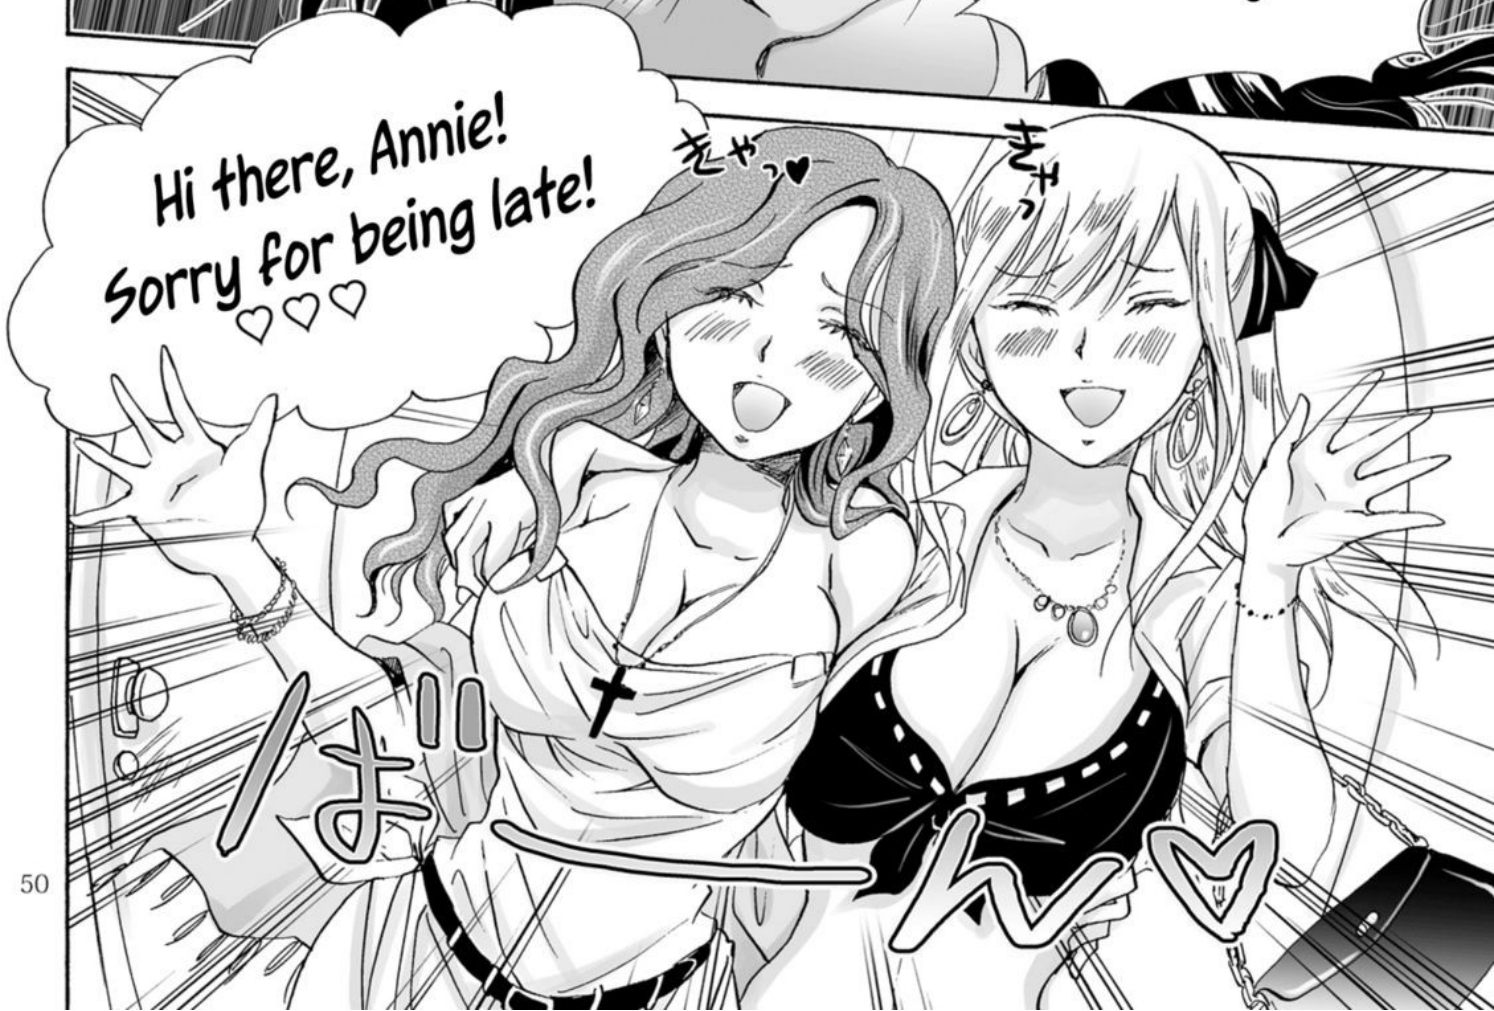

Nozomi's a nice girl.

She's come all the way here because she loves you. It'd be great if you two hooked up.

She's a better match for you than me, at least.

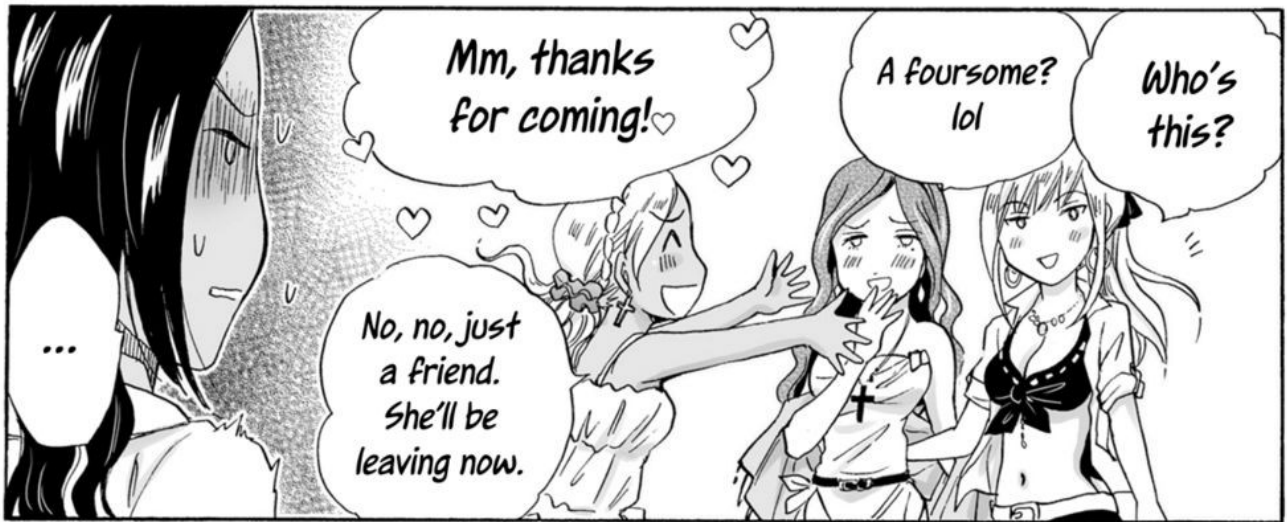

That's not what I wanted to hear from you-

Hi there, Annie!  
Sorry for being late!  
♡♡♡

おっ!

Who's this?

No, no, just a friend. She'll be leaving now.

Good night, Kiara. I'm not going to sleep yet, though♡

You must be tired, are you ok?

Kiara?  
Welcome back.

I'm taking you to a hotel tomorrow.

but still...I'm glad I came here.

warms my heart.

Even being together with her like this

And so, for the next few days

Kiara continued to let me borrow her sofa.

## CHARACTER MEMO

(Mochizuki Nozomi) Age: 23

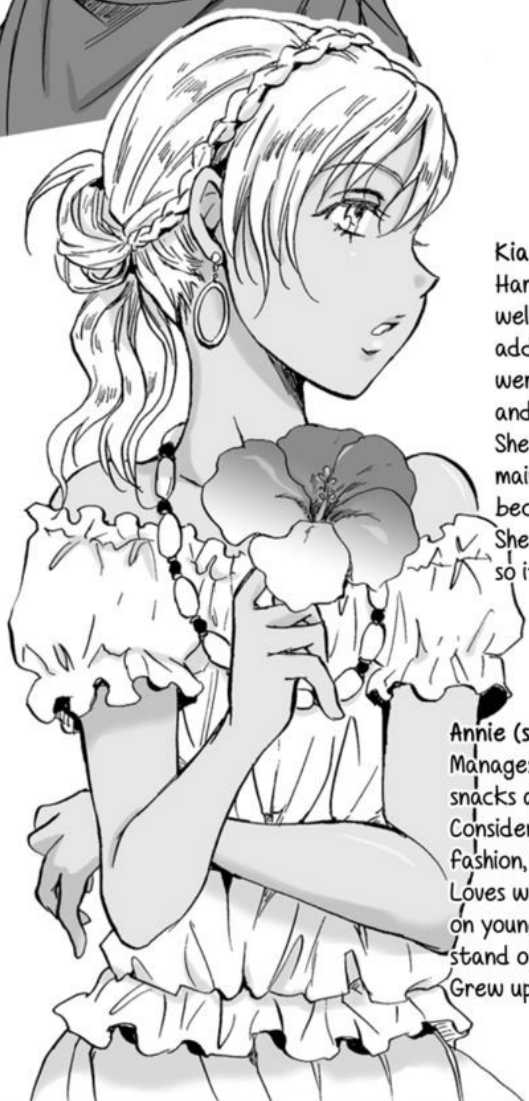

A hardworking part-timer...until she stopped working because she couldn't get extended leave to come to the island. And without money, she had to move out of her apartment too. Her housewife skills passed down from her grandmother are top-notch. Good at Japanese cuisine, but bad at pasta or dressing fashionably. Has a smartphone, but cancelled her contract, so now it's just a minicomputer. Usually a quiet person, but once she's decided on something she'll rush into it. ...It's really a shock for her friends.

Her hair really should be tucked in more but then you wouldn't recognize who she was. Please forgive me if you work in the industry. (lol)

Kiara (surname undecided) Age: 20

Hardcore otaku and a bad drunk. Studied abroad in Europe, a well-bred young lady. (Skipped grades.) Prefers bishoujo anime, addicted to collecting detailed figures. Her foreign otaku friends were like, "If you're going to Japan, beef bowls are quick, cheap, and nutritious," so she came to the recommended-Ushiya. She was raised on the island she lives on, but her family moved to the main island. Works at local airport. Her schedule's all over the place because of the shifts. Acts like a different person at the workplace. She's got the brains and the looks, but her personality's horrible, so it balances out.

Annie (surname undecided) Age: ?

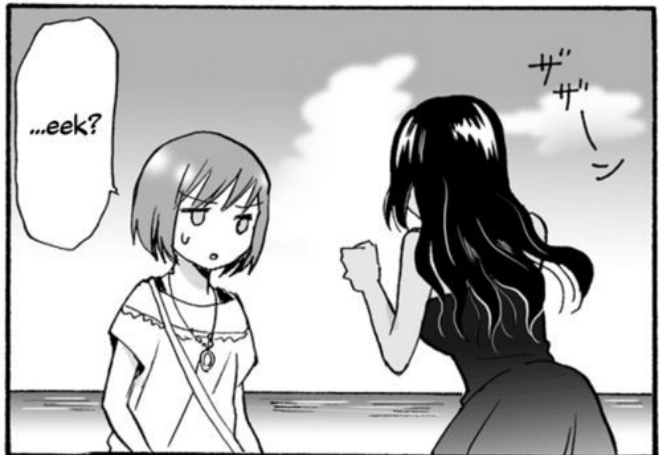

Manages the beach house. Offers souvenirs, sea bathing goods, snacks and drinks. Closes shop at sunset. Considered slender and petite among the locals. Dyes her hair blond for fashion, it's actually brown. Quite a bit older than she appears to be. Loves women, loves to fool around. She's a villain that even laid her hands on young Kiara. But she isn't possessive, and pushes Kiara to be able to stand on her own, so she's a good person to that extent. Grew up here, but she met Kiara in a lesbian bar on the main island.

Main Island - Airport

Strange...

I've gotten used to living with Nozomi.

as if it was natural we'd be together...

Like she's always been with me...

somehow, it's a calm, reassuring, and mysterious feeling...

No, that can't be...

Oh, you're just in time, Kiara!

Japanese tourists wanted to ask something, and English isn't working.

Okay, I'll go right now.

Business smile~

You can speak Japanese!

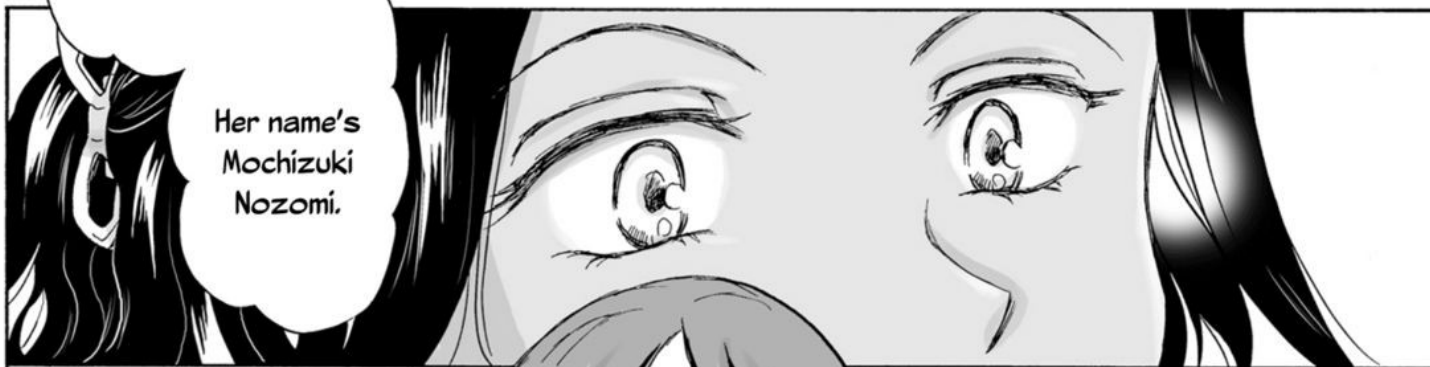

Thank goodness!

Hello. How may I help you?

Could you look through the arrival records for us?

but we didn't know what to do because we didn't know the name.

You see, my daughter's on one of the side islands,

Her name's Mochizuki Nozomi.

And she moved out of her apartment, and I can't even reach her cell phone!

She suddenly left and only left a short message on her answering machine about living overseas.

Should I arrange a trip there for you two?

Oh, what a coincidence! Nozomi happens to be working at my friend's shop.

That daughter of mine! She's in big trouble when I find her!

N-Nozomi's parents?!

They're here to take her back.

Is this true!? Thank you!

I can get rid of her! Hurray!

Please, this way.

Good work!

Seems like you can't drink as much as you used to, mom.

You should drink with us!

Eheheh

Wait...weren't you going to take her back?

Ahaha

Bow

Oh, sorry for imposing on you.

W-W-What are you doing?!

Nozomi's been living separately from her mother ever since she was a baby.

And that's her stepfather.

No need to be polite. I may not be your father, but I am your father...huh?

Sorry, Dad.

The local beer's great.

This is pretty far. I used up my bonus. Ahaha

...

Kyah! there! ahaha

Stop!!

Ahaha

What is wrong with Japanese people?! They said they were going to scold her!

...No way, they don't look that way at all.

Why can't a father visit his daughter?  
And you're the one who ran away at the airport.

Today was the only day I could get away from work.

Shouldn't you be resting at home, then?

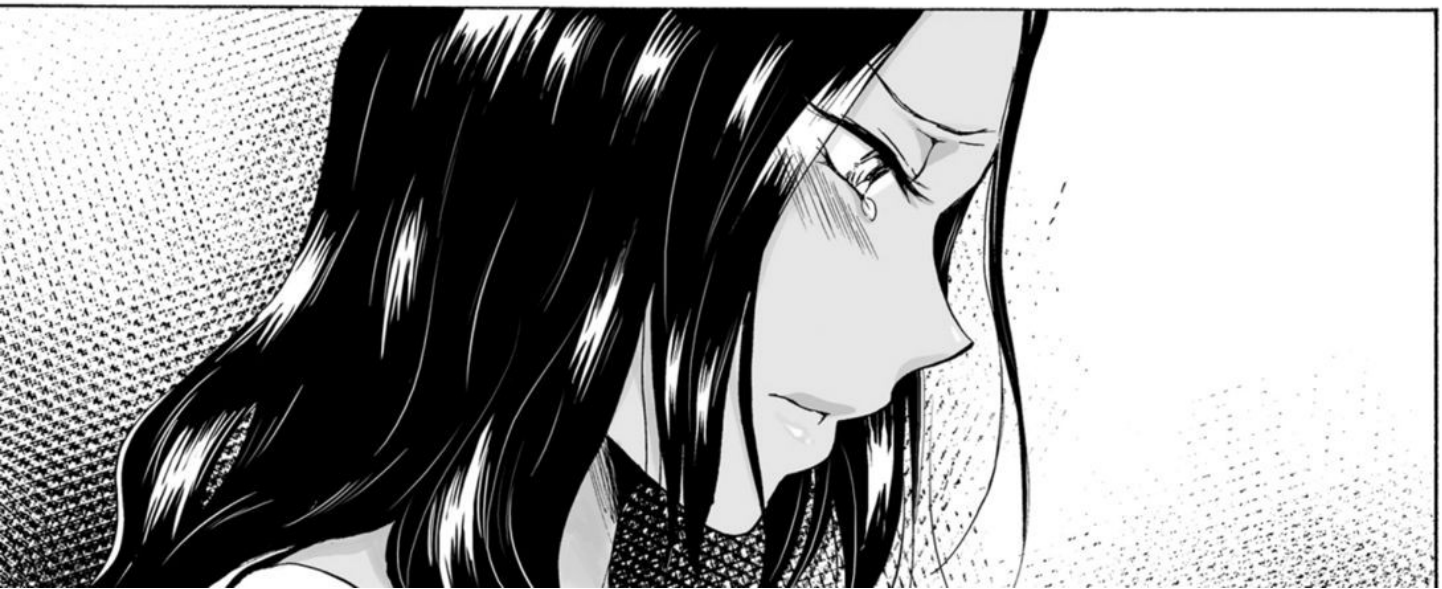

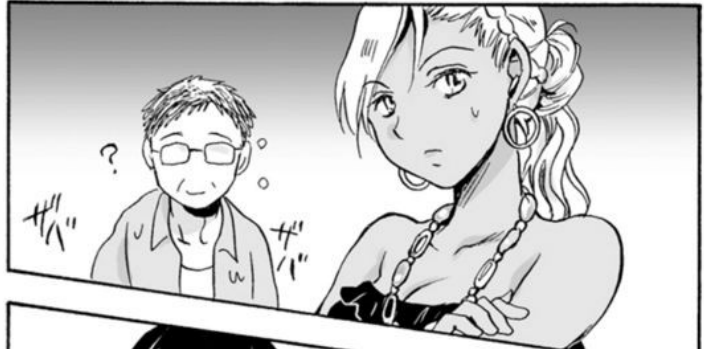

...Kiara

Hey!

Is this a party?  
Who are they?

Why did you come all the way to my house!?

When are you going to stop lazing around...? If you're planning to live here, you should get married, at least.

so when they did it made me think, "We're family, after all."

I didn't think they'd be worried enough to come,

...Yeah, they're nice.

I loved studying, and Europe wasn't bad either. But every day, I thought, "This isn't it."

I couldn't imagine continuing to work and live there...

Why is it that

I can't get along with my actual father...

I'm all alone...

Sob

Annie dumped me...

I'm sure I could've gotten into a foreign company and worked hard like my father wanted me to.

But I just want to work at this island's tiny local airport.

Is that so bad? Is it something that can't be allowed?

I don't know why, but it hurts so much...

Chapter 3 END

# A rough floor plan of Kiara's house

So many books and stuff in her living room... it's manageable if someone organizes it neatly

You could have walked all the way around the house in the past, but right now there's storage in the way.

A secondhand vacation home.

Annie coordinated the interior's feminine style.

Not a very good floor plan. Missed a few windows and there's a few odd spots within the house, but think of that as a part of its charm.

An old (secondhand) car. Can't get to the airports she works at without one. Annie's beach house is within walking distance. She drops Nozomi off at the store on her way to work. In chapter 3 her father drove here from the airport in a rental car.

They do have a bathtub, but they don't use it. The shower room's small. When Kiara gets in the mood they spend quite a while in there. Ah, youth.
