■あとがき■

タイトルと本文は何ら関係ございません。

って後書きで言ってもいみないとおもいます。こんにちは神林です。

ここ数年夏場にカミキリムシ見ないなーと思ったのでタイトルにしてみました。

まあ地域によるのかもしれないですけど…でも減ったと思う。

ゴマダラカミキリとかいっぱいいたのに見ないなあ。

カミキリムシが苦手な方は相当数いらっしゃると思いますが私は好きです。

なんとなく見た目がちょっと恐いけども逆にそれがいいっていうか。

カブトムシとかクワガタとか、甲虫の中でも広く親しまれている虫には無い魅力が…あーやばいですね。

しかし残念なのは害虫だってことですな…。

まあカミキリムシトークなんて誰も望んでいないと思うのでこの辺で止めておきますが。

すみませんそもそもそんなのタイトルにすんなって話ですね。

あと一言も本編について語ってませんね。

それではここまで。読んで下さってありがとうございました！

Notes from Translator

This is the first manga I've translated. I had some trouble, but I think I did alright in the end. On page 10 the artist inked Eiji's hair with Shin'ya's hair colour, so I corrected it. I did everything in paint. I don't own photoshoop, so I can't do decensors. (My university has it, but imagine working on this at school lol!)

This story is so lovey-dovey and yet so erotic...

Well, I hope you pervs out there find this as hot as I did.

Your obdt. servant,

-- a bisexual perv.
