Ehh?
Oh...
To obtain hero, it is same as to obtain the human world.You don't have to take the trouble to invade it.
You were terribly grieving just now...
.....
I must lose no time in making a written record of this great achievement!!
Oh!I must fix the date for a wedding too!

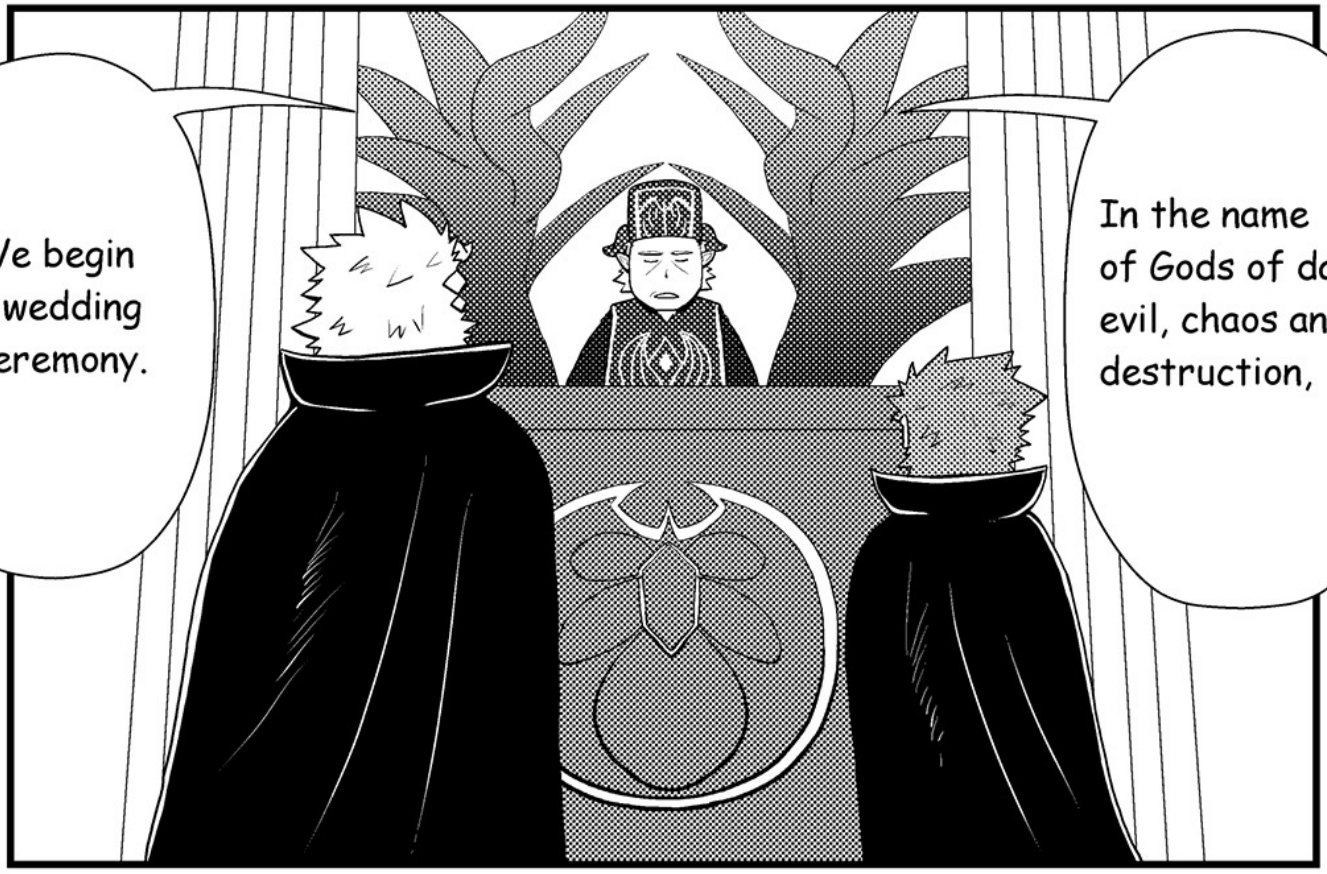

And...
Are you really satisfied with that? Winner is you.
I don't mind.
I'm not lying...
Then time passed.
Ah!
Gah!!

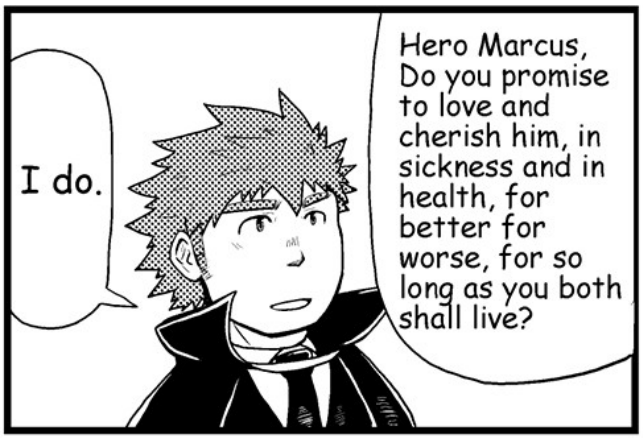

Sigh...
Gah!!
Huuuuu uumph!!

It is quite a size larger than that.
I brought new trousers.
Sir...

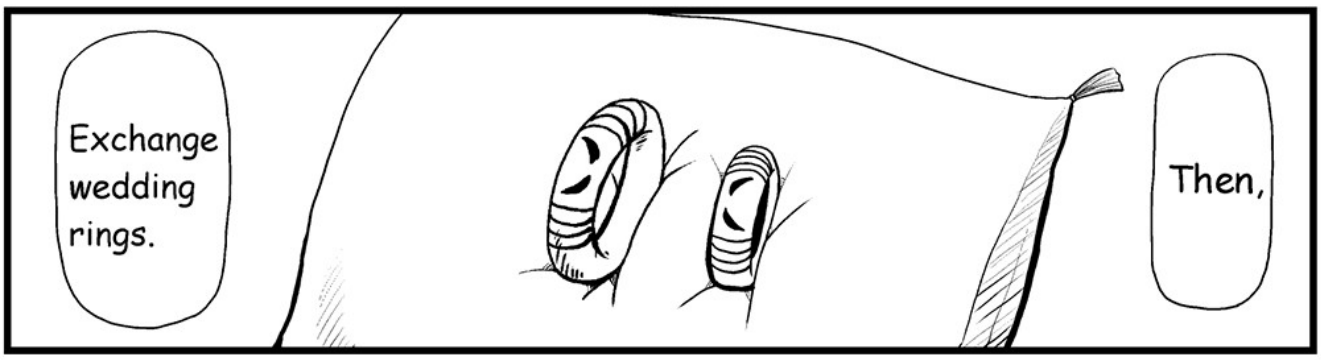

Oh... I've got to go now...
Who said I lose weight till a wedding?
.....
Well done!

We begin a wedding ceremony.
In the name of Gods of dark, evil, chaos and destruction,

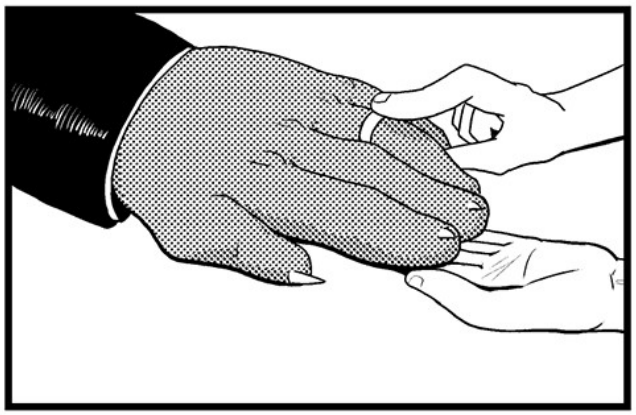

I do.
Hero Marcus, Do you promise to love and cherish him, in sickness and in health, for better for worse, for so long as you both shall live?

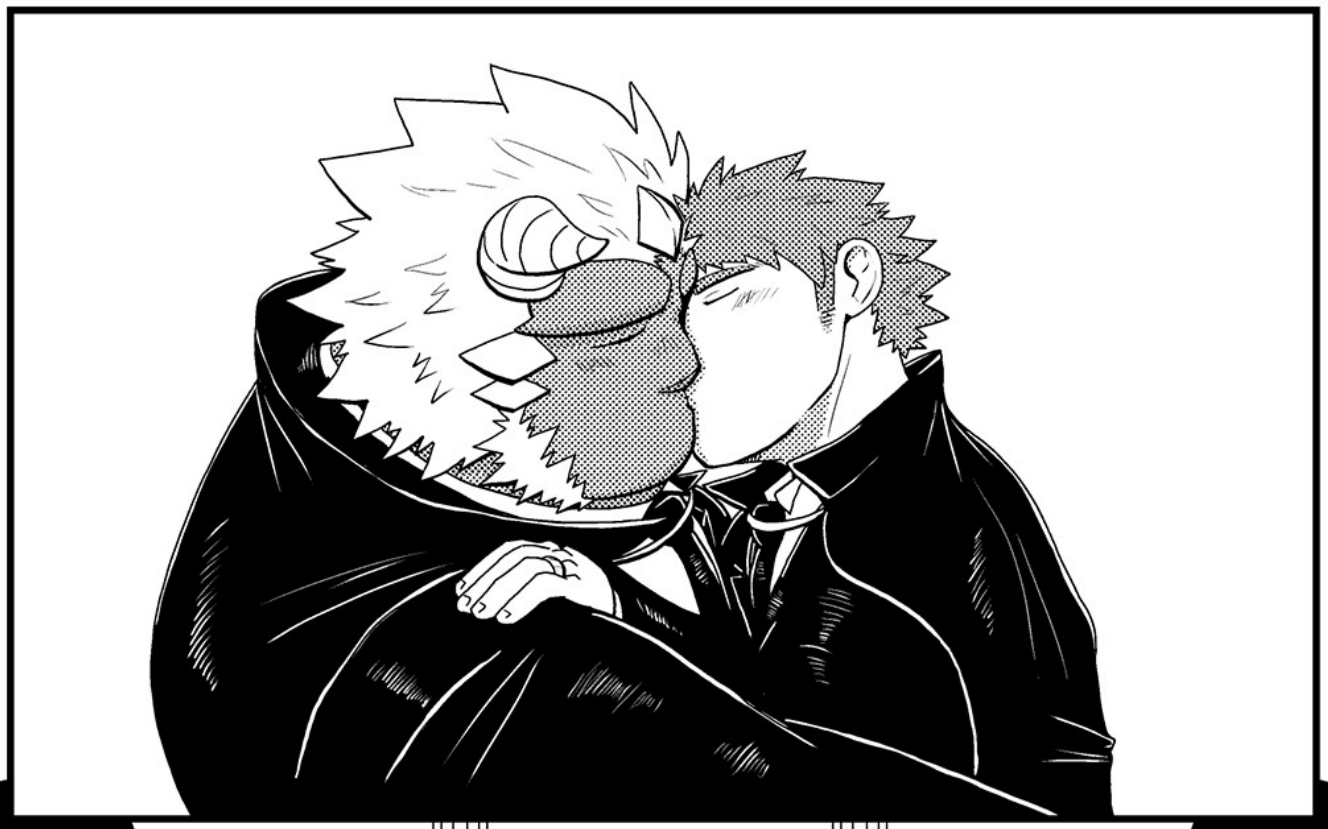

I do.
Evil king Eltinos, Do you promise to love and cherish him, in sickness and in health, for better for worse, for so long as you both shall live?

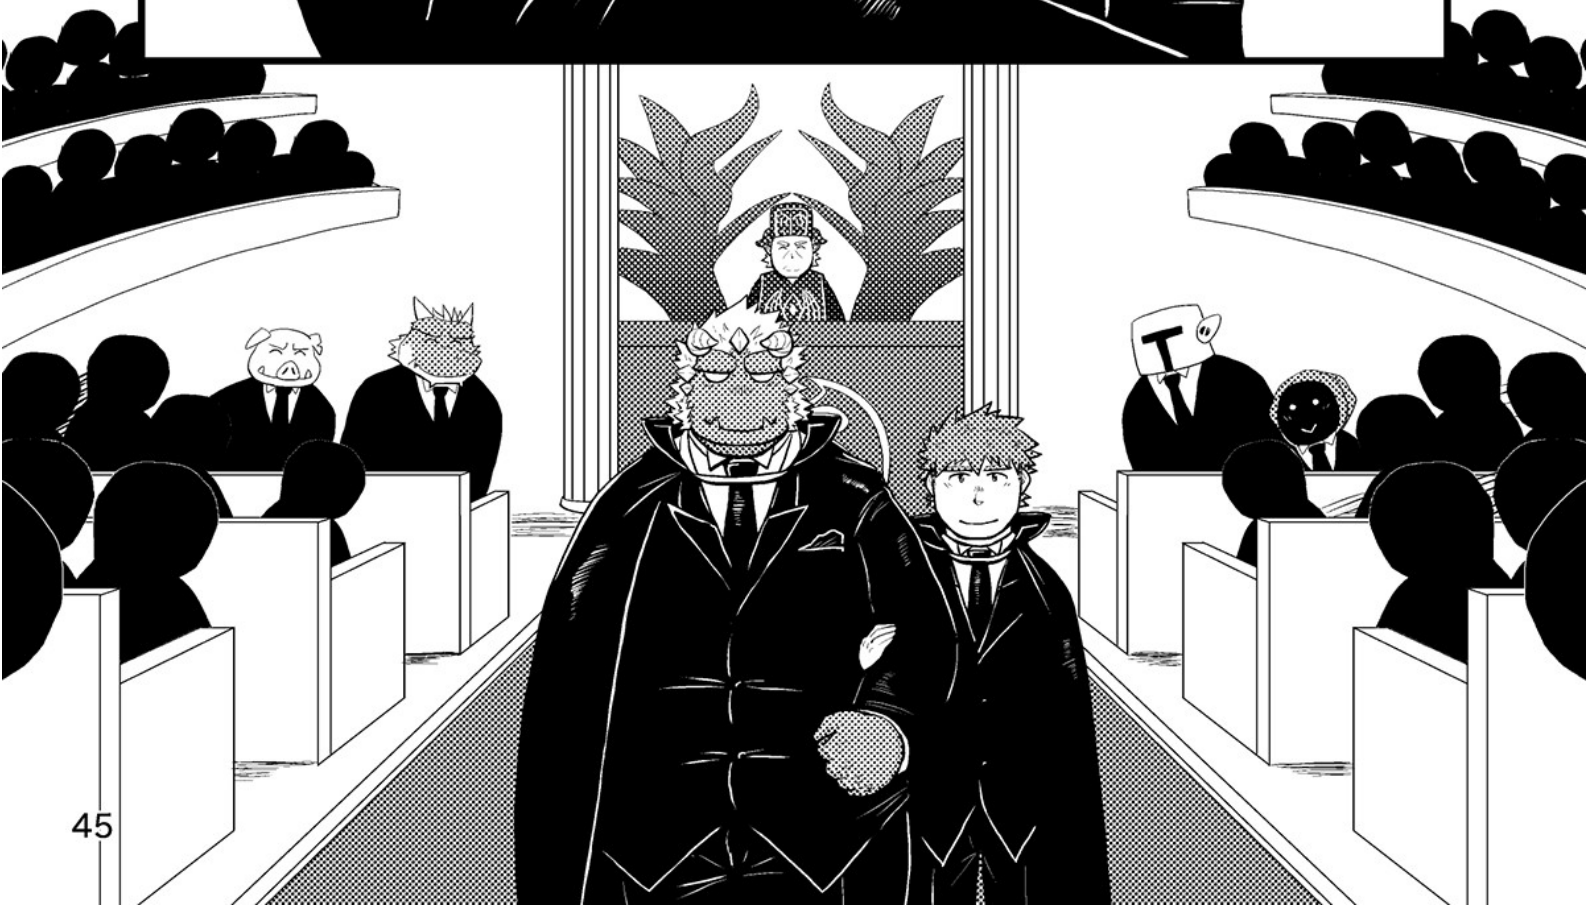

Exchange wedding rings.
Then,

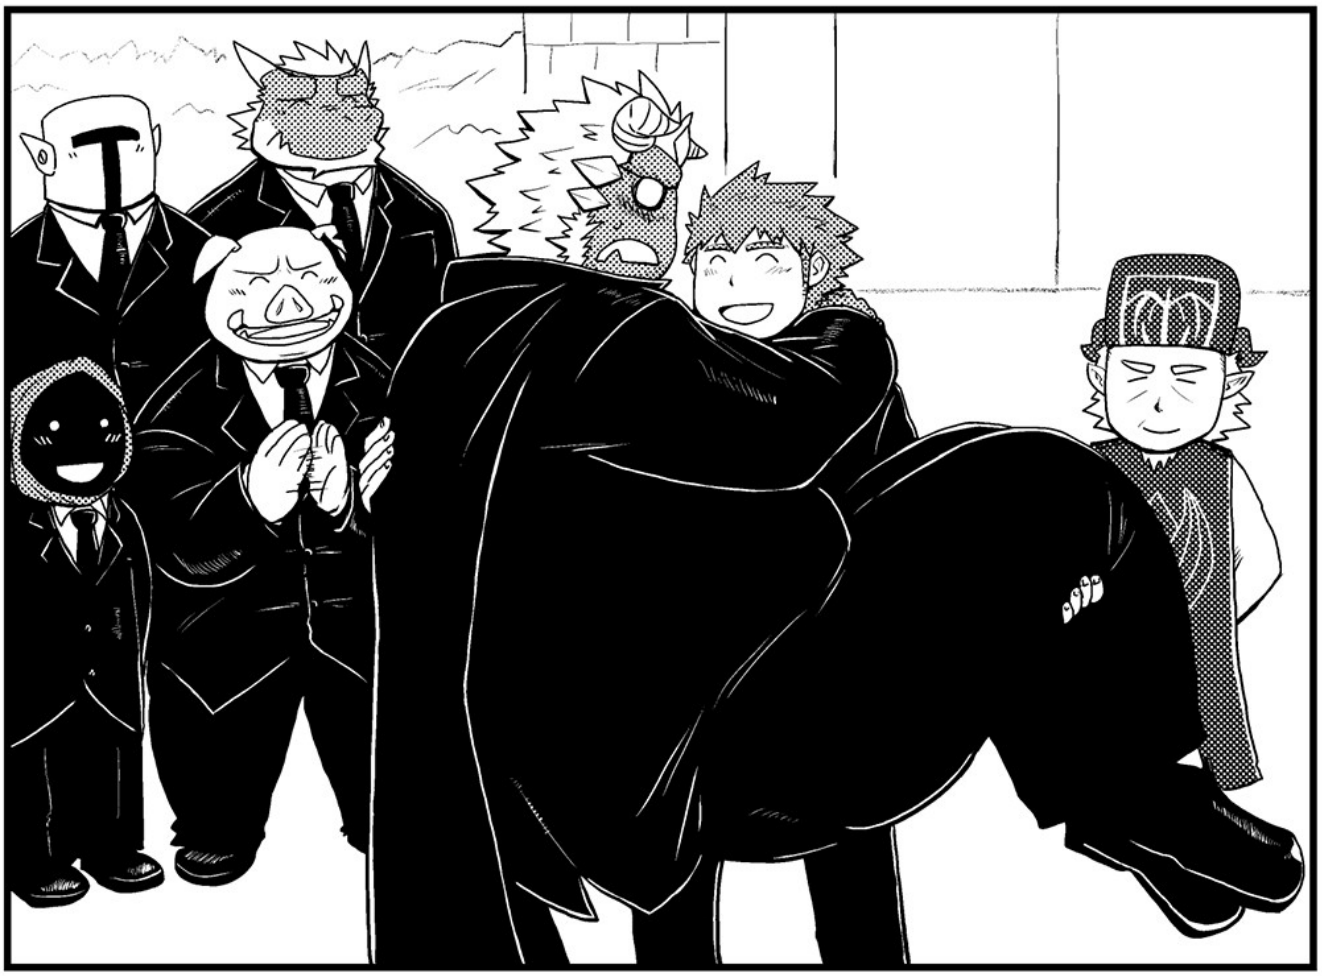

Now, you may kiss,

as a proof of marriage.

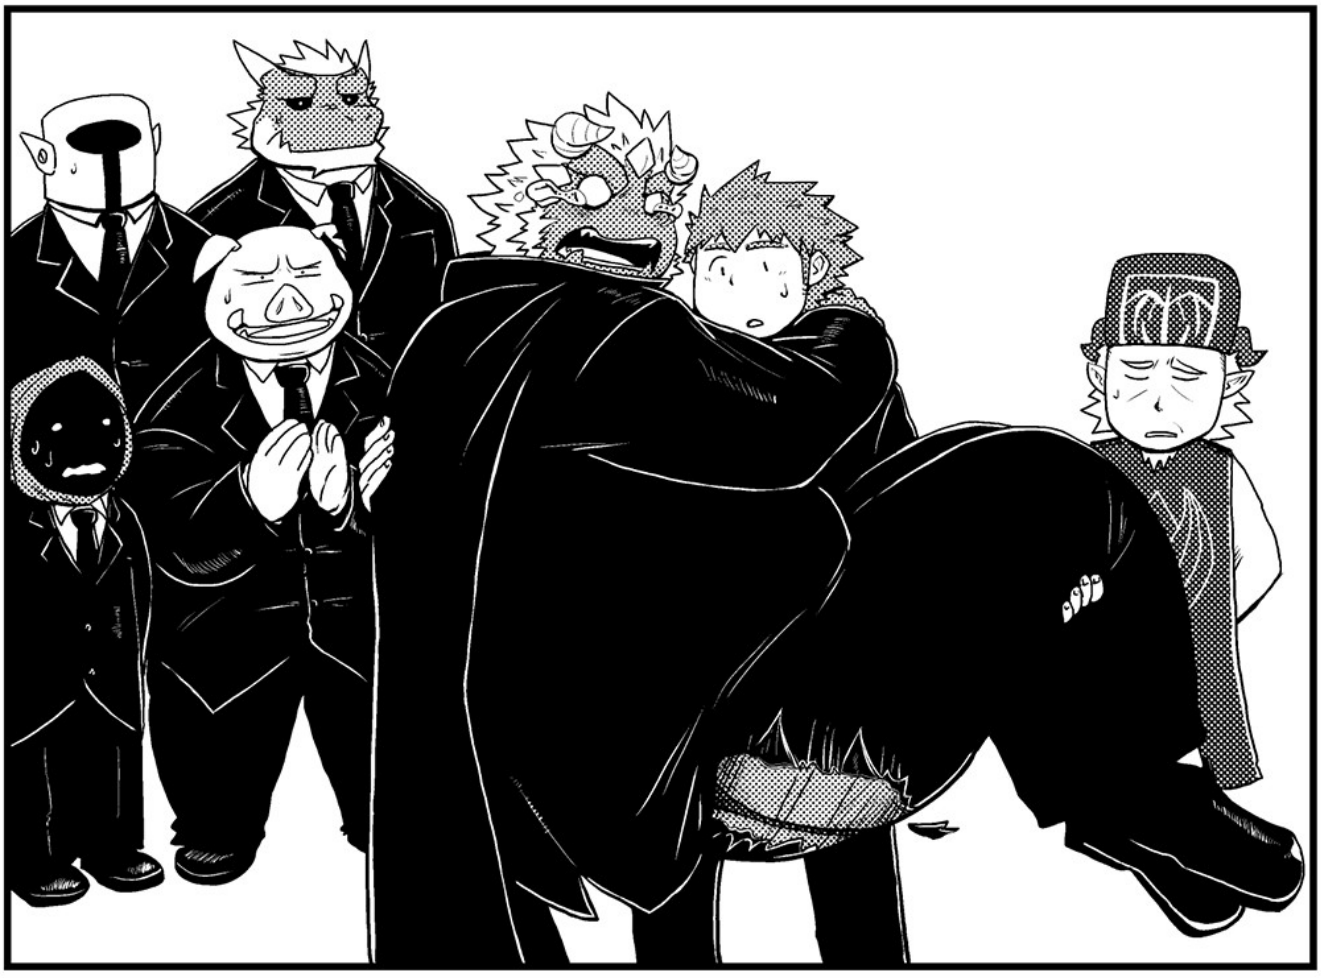

Then, invasion of evil king was over...and peace prevailed on the human world, and

the world of spirits.
