Are you
secluding
yourself up
here this
time?

what a
strange
girl.

I guess
she's our
class
representative.
Though I
don't go to
class, so I'm
not sure.

is smile.

what she does

After tracking me down

Do you like your fried eggs sweet?
Or salty?

I was going to try the dashi flavored egg rolls today.

And when I think she's trying to get me to go back to class...

I'm glad to hear that.

I was talking about you.

... The sweet ones...

but I missed my chance to say it.

That's what I thought of her...

she would come back with a homemade lunch.

But after taking my food away from me...

I tried switching my hiding places.

Despite telling me that I'd get fat, the number of sides she made kept increasing.

so I decided to play a prank on her.

she's doing things horribly out of order.

are you in love with me, Tanihara-san?

By any chance...

and looked slightly annoyed as she stared at me.

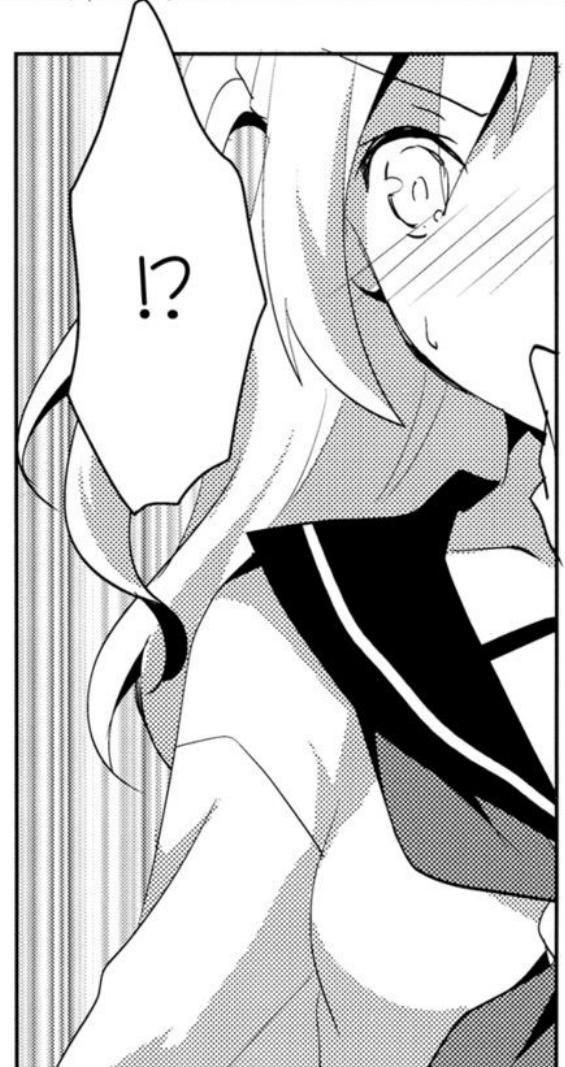

she responded nonchalantly,

That's right.

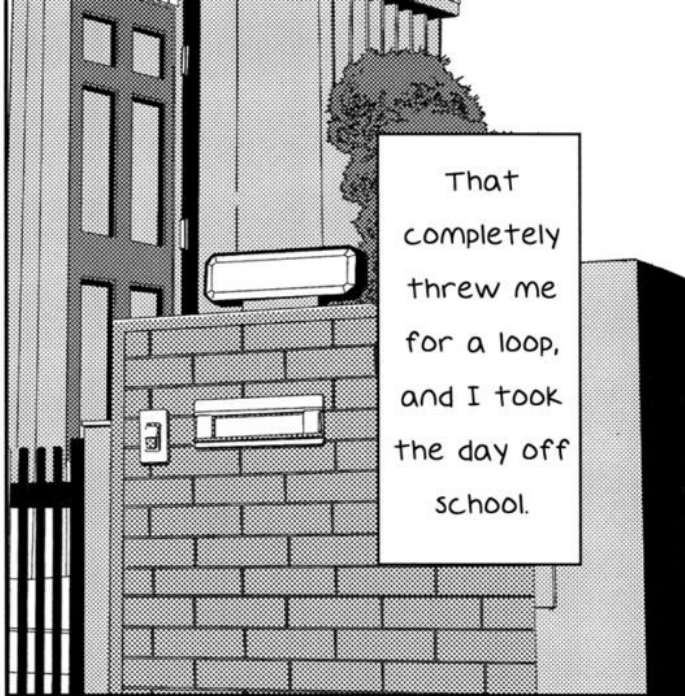

Wasn't that what you were referring to?

But for
some
reason...

That
completely
threw me
for a loop,
and I took
the day off
school.

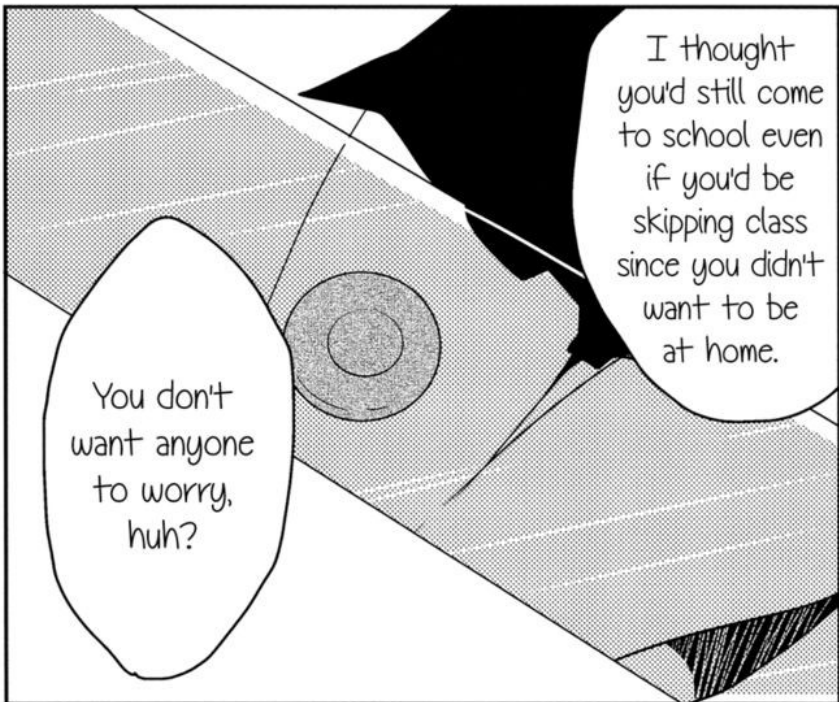

Your
mother
was kind
enough
to let
me in.

here
she is.

shut up.

what do
you know
about me?

You don't
want anyone
to worry,
huh?

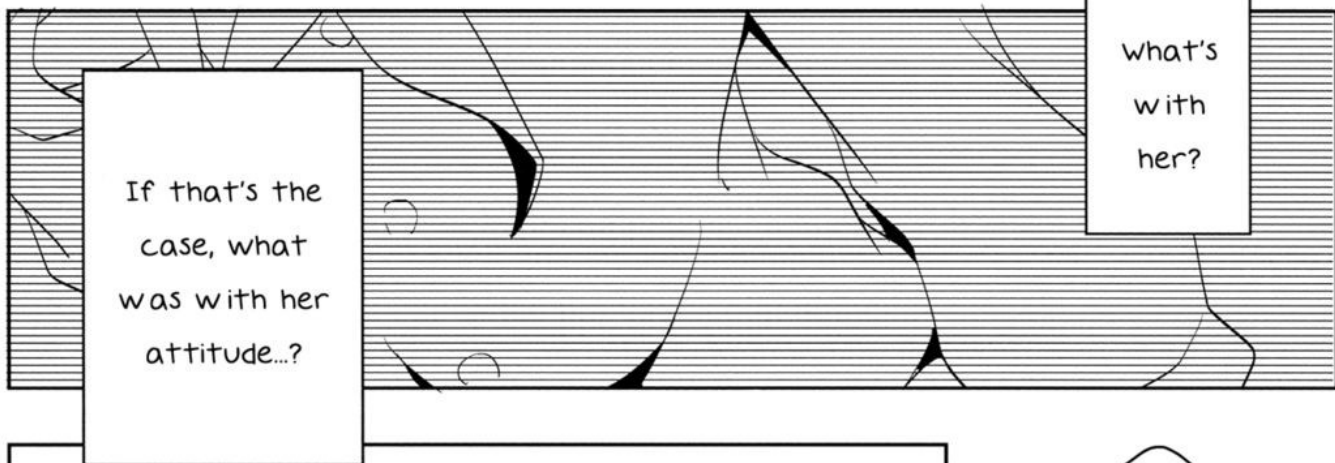

I thought
you'd still come
to school even
if you'd be
skipping class
since you didn't
want to be
at home.

and I was embarrassed to speak out.

But it felt like a clichéd line...

I wanted to say that to her.

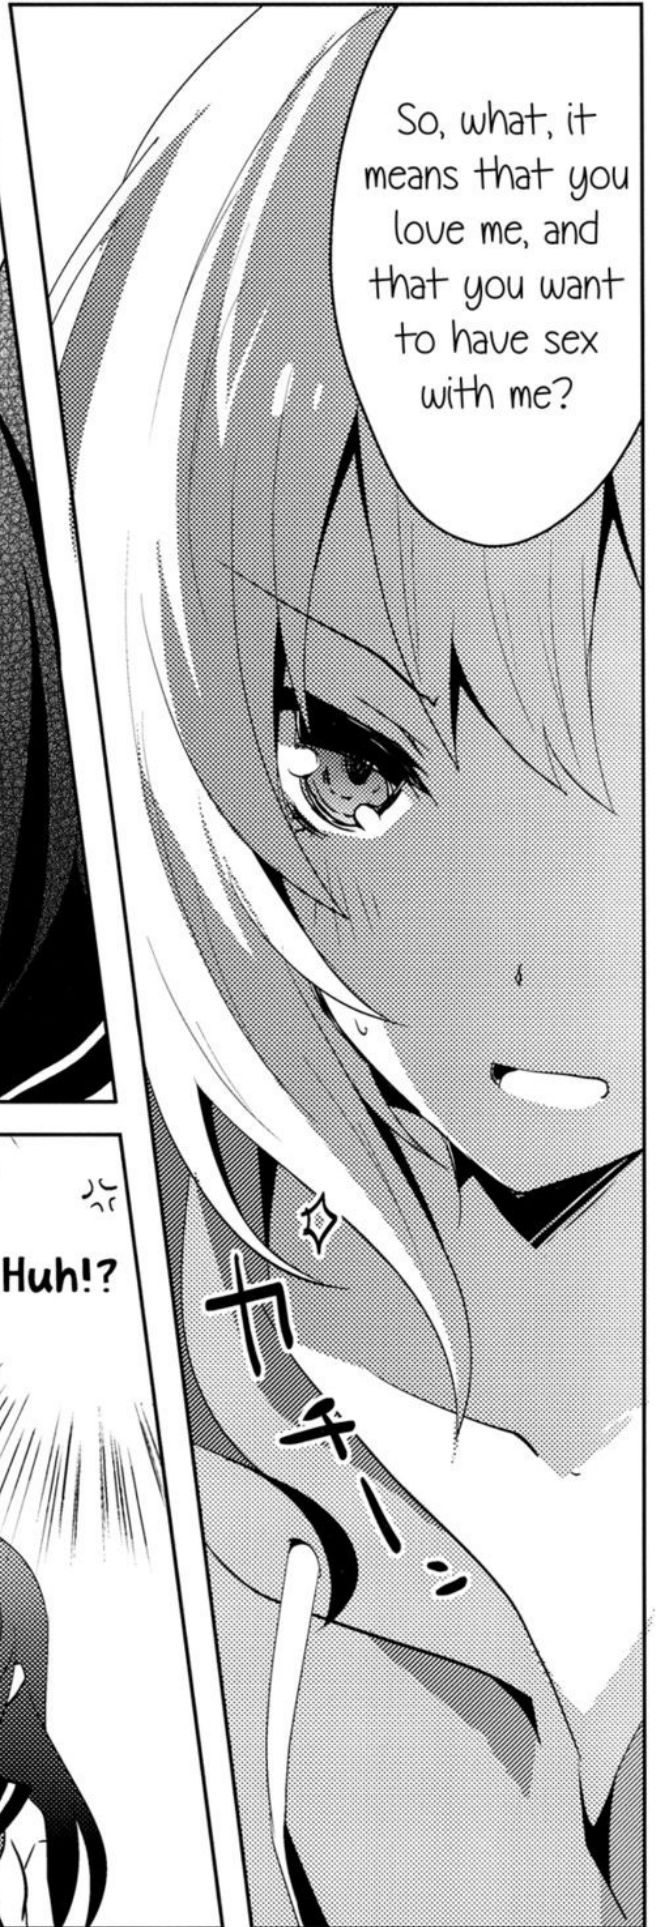

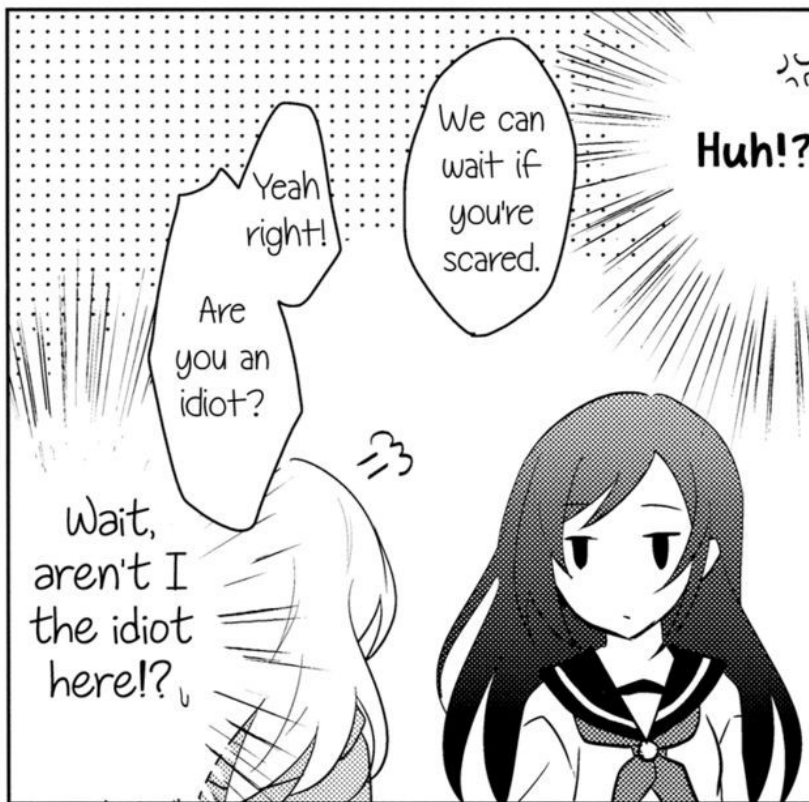

Well...

yes, you could say that.

So, what, it means that you love me, and that you want to have sex with me?

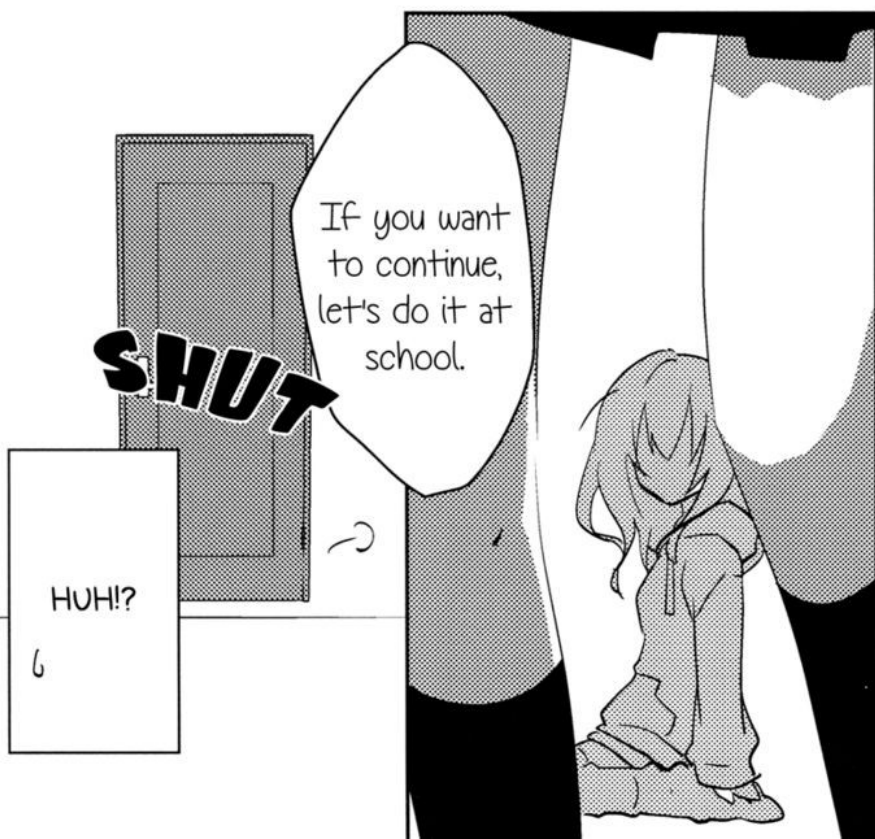

Yeah right!

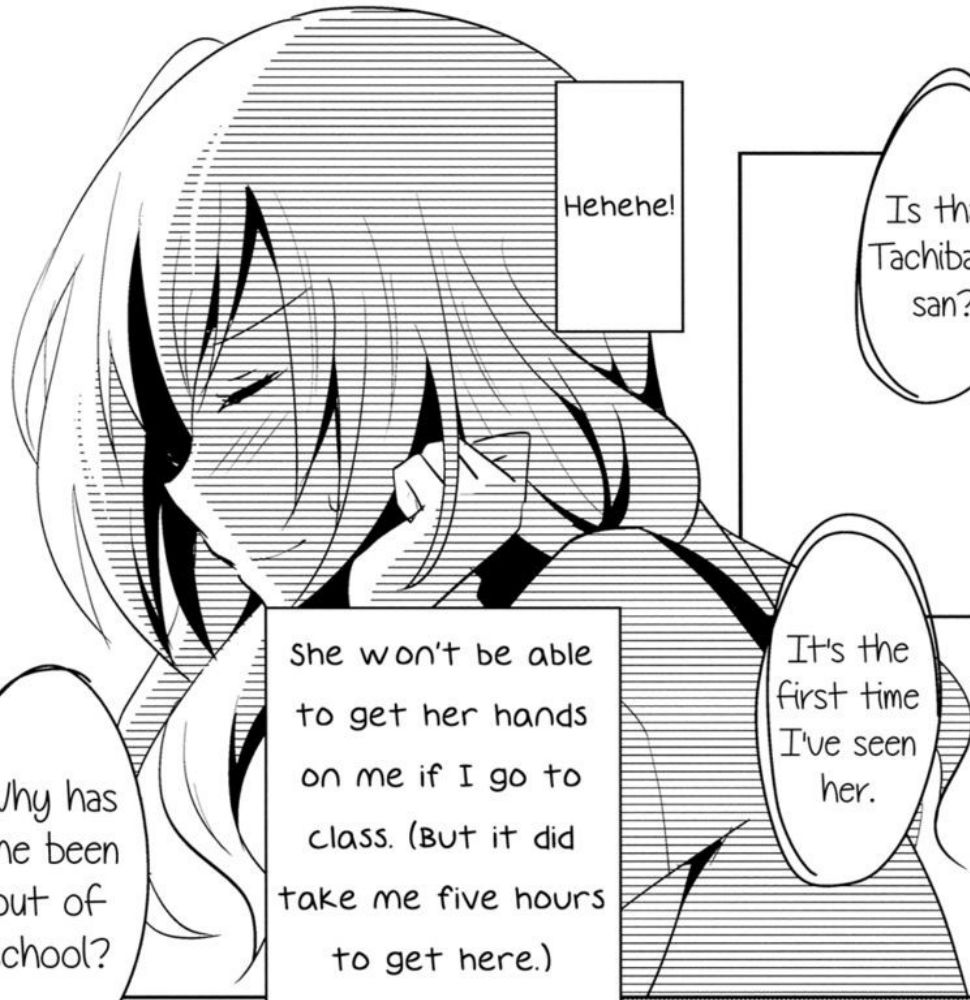

Are you an idiot?

We can wait if you're scared.

Huh!?

Wait, aren't I the idiot here!?

Hehehe!

Is that Tachibana-san?

Why has she been out of school?

She won't be able to get her hands on me if I go to class. (But it did take me five hours to get here.)

It's the first time I've seen her.

I'll share my textbooks with Tachibana-san.

... It does still feel uncomfortable being in class, though.

that the adults showed no signs of being concerned.

I guess it doesn't come as a surprise...

Smile

No way...!

The mating season of the bonobo...

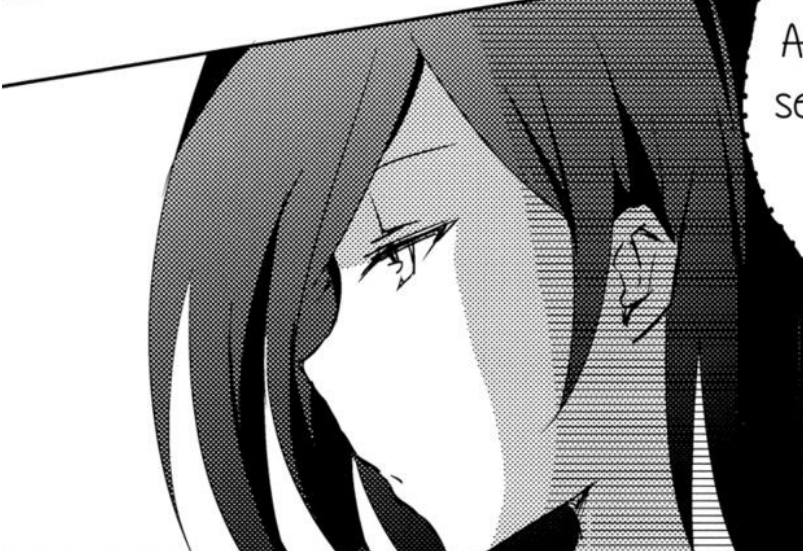

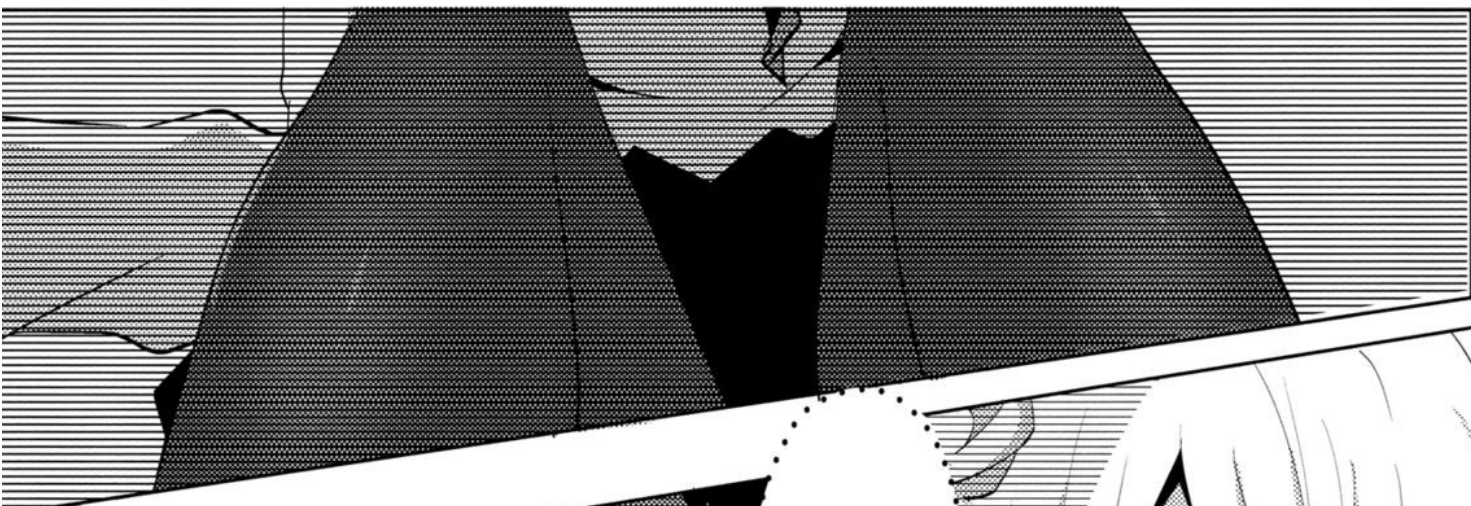

YAWN

Everyone is actually listening intently...

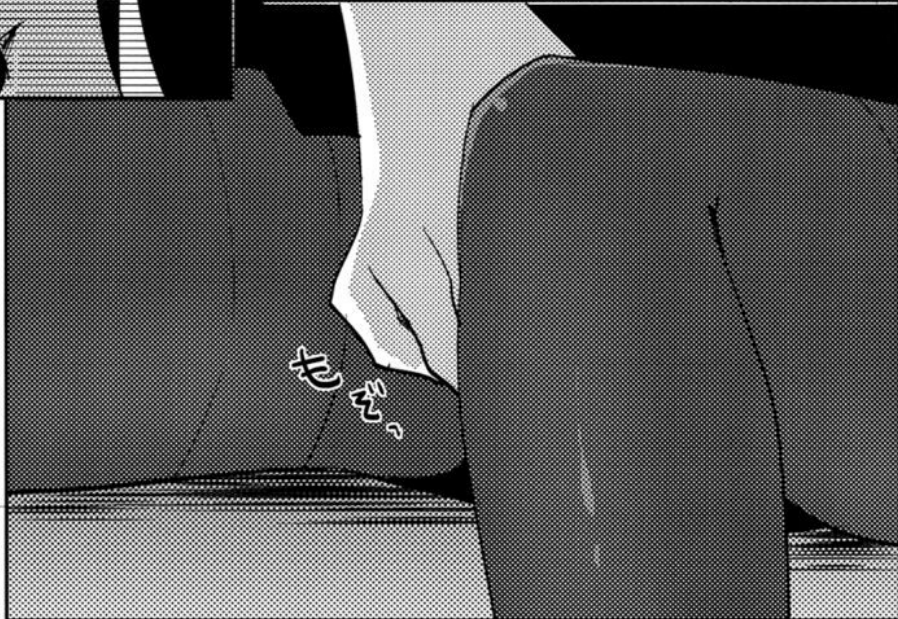

is said to be five times the length of the chimpanzee's. Given that, there is little competition among males to—

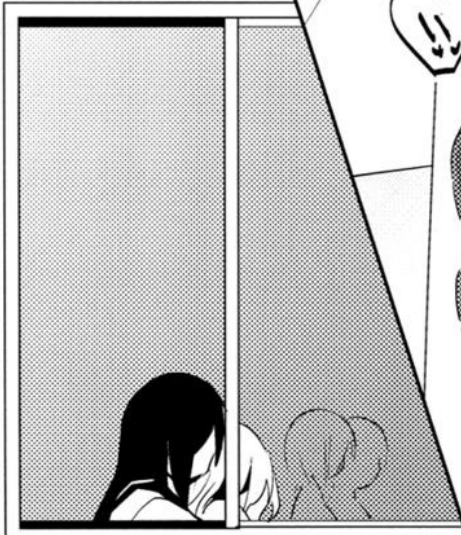

what's
she
doing...?

Are you
serious!?

Tou...
ka...

Tou...

Let's go
to the
infirmary.

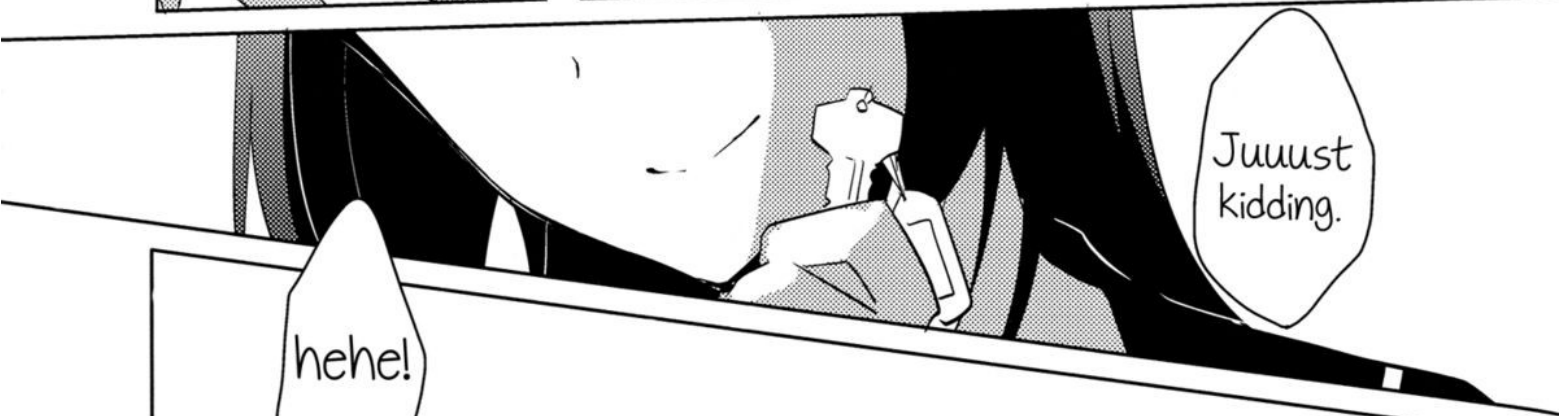

Don't push
yourself!
Is she all
right?

collapse

You
okay?

You
must
not be
used to
this yet.

hehe!

Just
kidding.

What?
Can't wait
any longer?

Nobody will
bother us
here.

Ahh,
jeez,
shut up!

this
place
is...

It's
because
this
place...

where we
first met.

I must be
making a
weird face
right now.

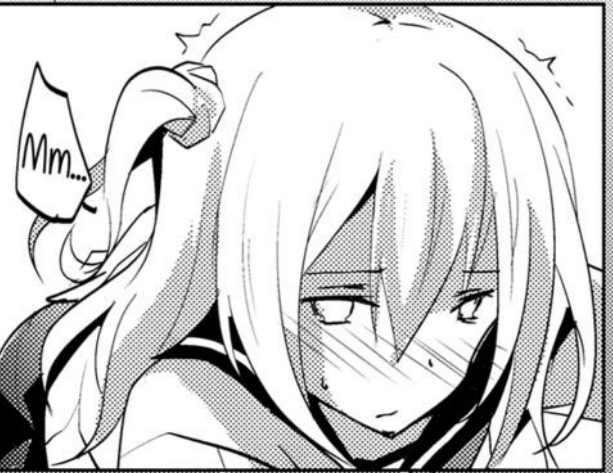

If we're doing this, then hurry it up.

Stop talking.

Lift your head up.

Ha

Mm...

Uwaah

What's going through your mind right now, Tachibana-san?

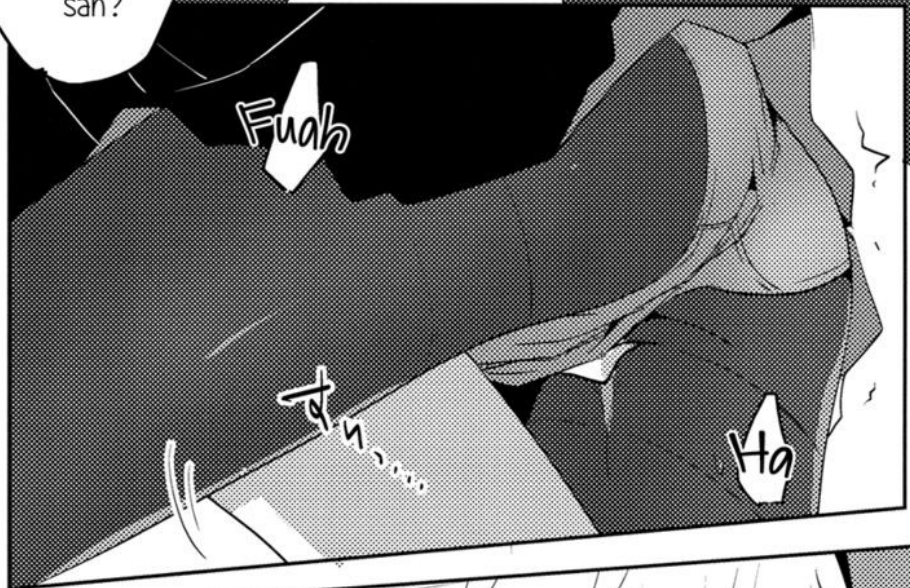

トキ
トキ

Shut...
up...

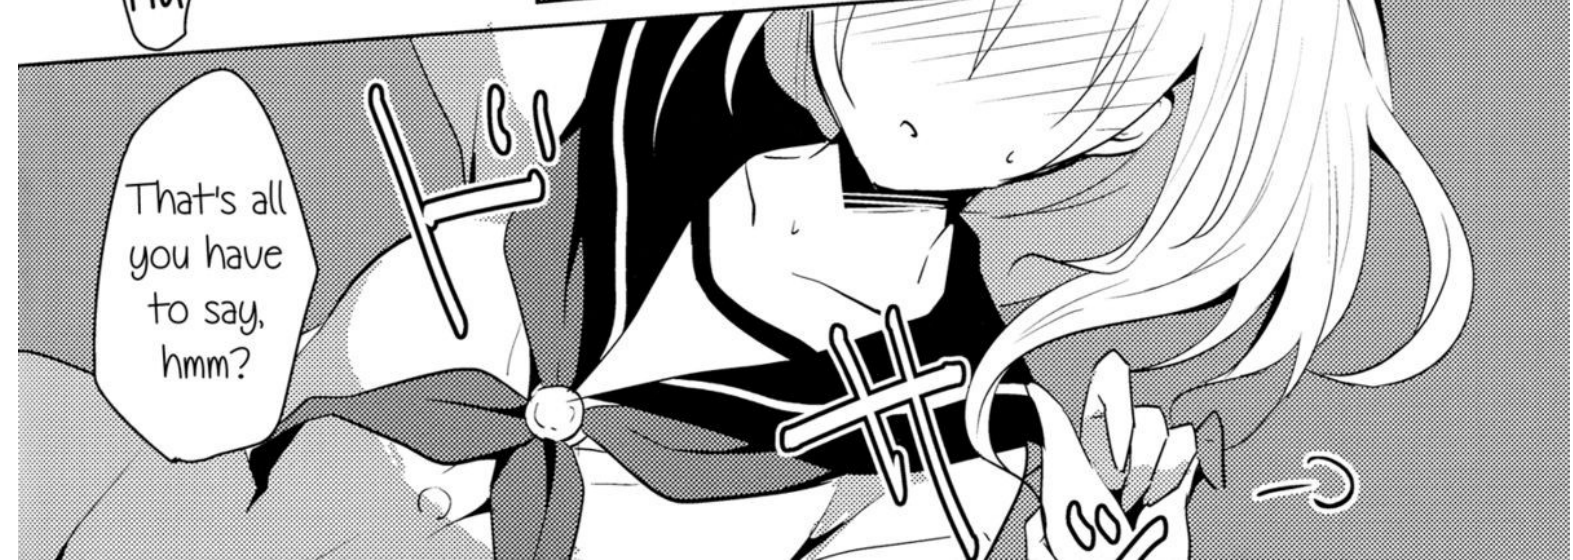

Ha

Fuah

トキ
トキ

Ha

That's all you have to say, hmm?

Or maybe you truly don't care?

Kisses were supposed to be given to you.

I always thought...

You want to enjoy yourself too, right?

What was I...

getting my hopes up for?

Eh...?

Ah!

Wait...

don't!

Ah...

honest with
her feelings.

You're the one...

Let me
see you.

What
an odd
expression.

Come
on.

Ha

Haa

Ah

Lower your hips.

Y-Yeah...

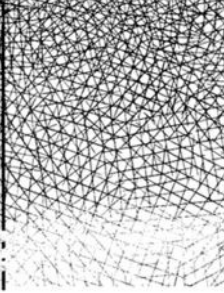

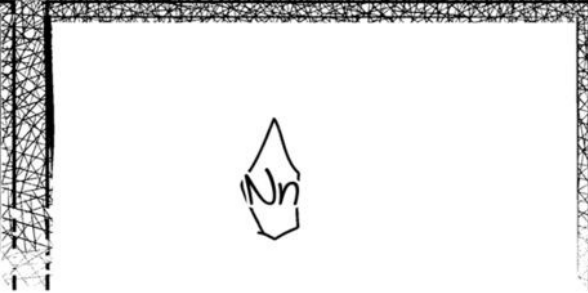

Mmm

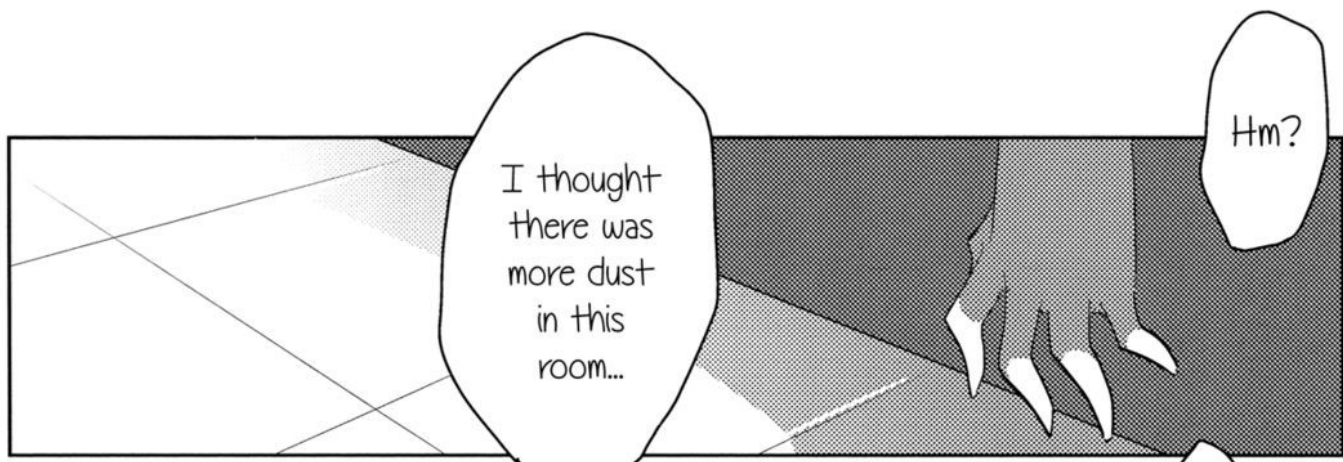

Let's do this while we kiss.

Hey...

Un

I thought there was more dust in this room...

Hm?

Hehe!

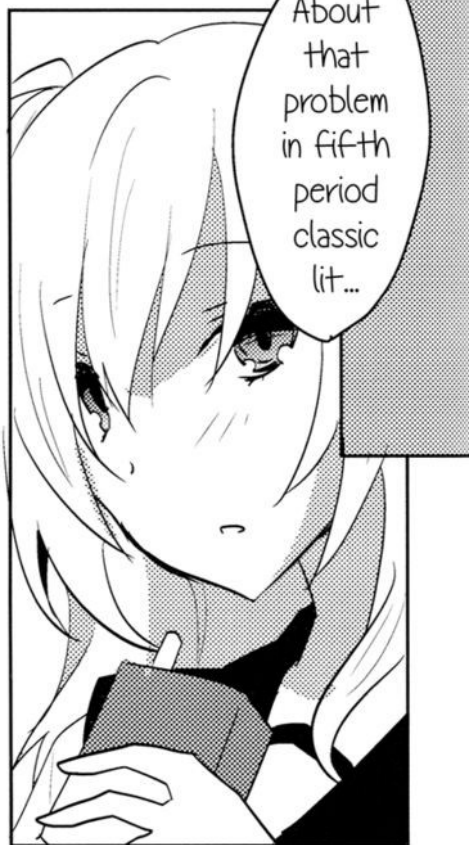

....

Nothing.

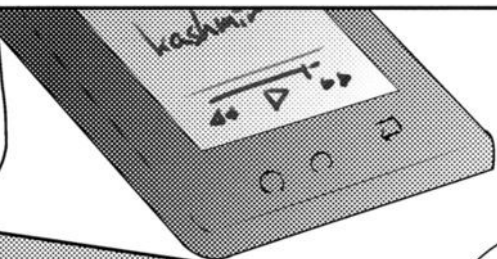

What is it, Touka?

Hmm?

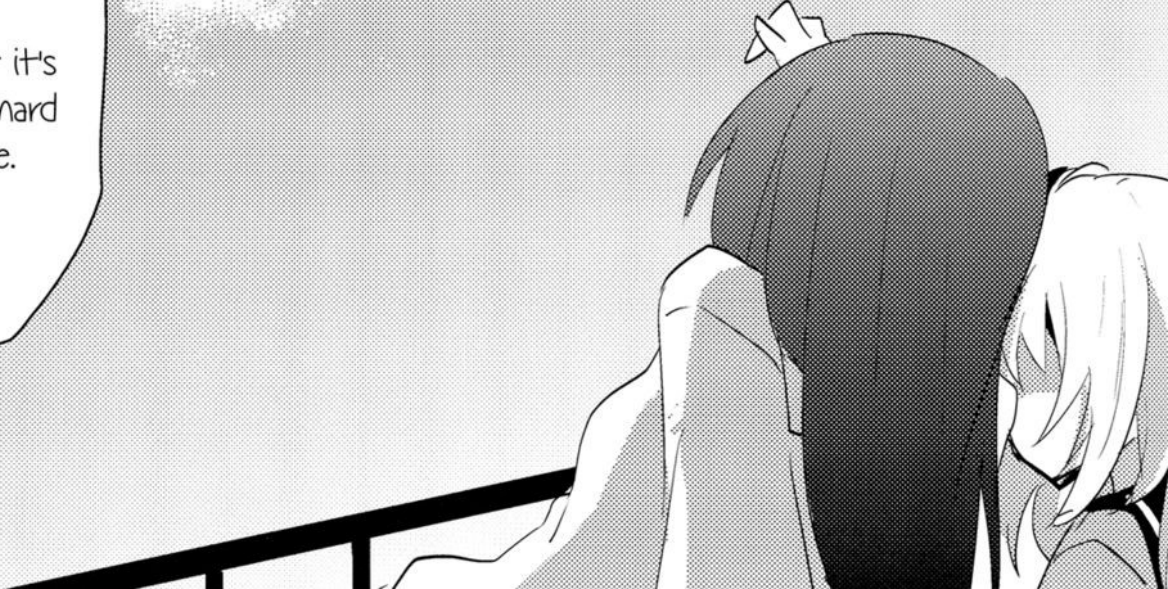

About that problem in fifth period classic lit...

I was just thinking how bright it was out...

and that it's getting hard to see.
