「哀の少年戦士」

Vol.1

Alright!

It really looks good on you, huh.

Um...

the new suit's precision is the best!

As expected for me,

Wh- why does this design...

SFX: timid

But the last one properly covered everything...

What...

SFX: cutting off

バツサリ

So it's not a necessary part.

Oh, come on!

SFX: scratch

Anyhow, it always gets melted, right?

...

Keep trying hard for me,

'cause you're the hero who protects everyone!

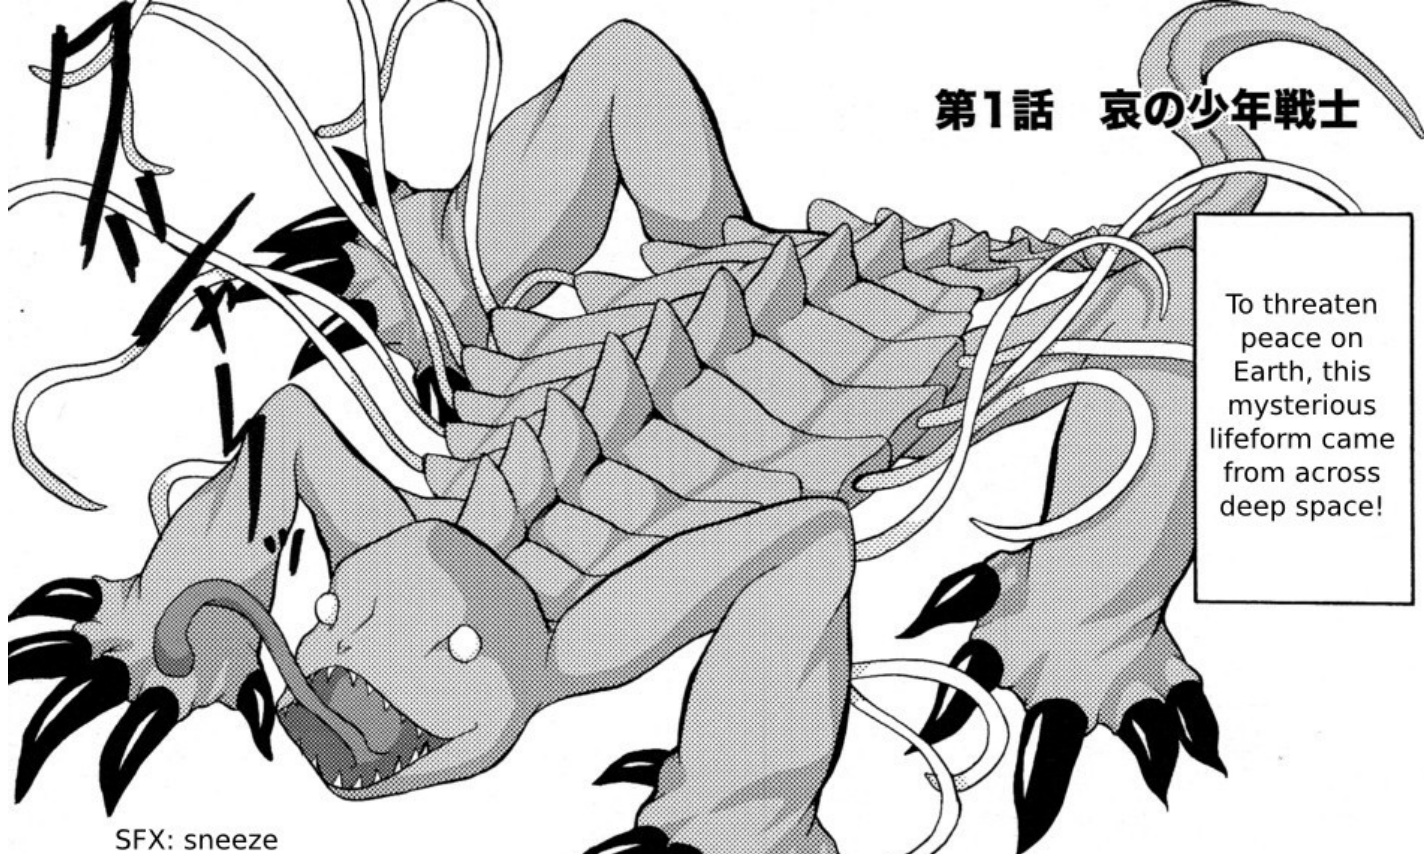

Making a suit isn't free you know!

Now, now

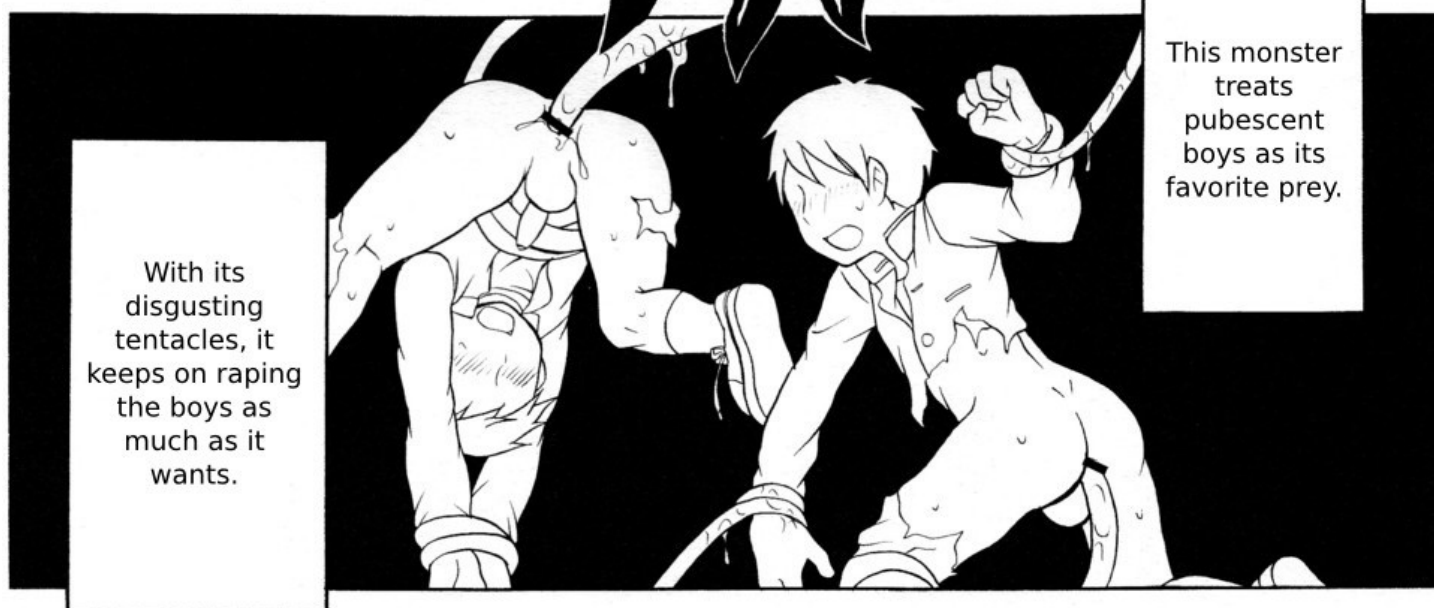

SFX: back slap

第1話 哀の少年戦士

To threaten peace on Earth, this mysterious lifeform came from across deep space!

SFX: sneeze

With its disgusting tentacles, it keeps on raping the boys as much as it wants.

This monster treats pubescent boys as its favorite prey.

Now it is surely trying to make this lone boy its next prey...

Moreover, conveniently it is said to have something like a chemical weapon. That time it already challenged the opponent with the strongest body.

SFX: winding

Wh-
wh-
why?

Uwaaah!

Niiyama

SFX: sulk

Yeah I guess

Really amazing,

Isn't it? Isn't it?

Uho-ho-ho!

なに?

Isn't it fine?

But just watching is shameful for the HTA isn't it?

We can't do anything, can we...

Tsukamoto!

Sheesh, where did you get that careless thinking from...

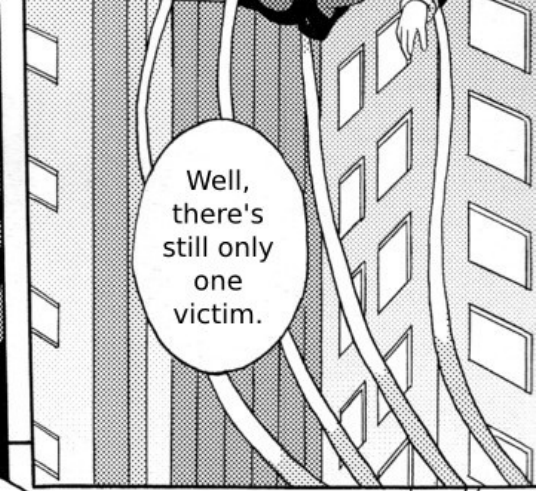

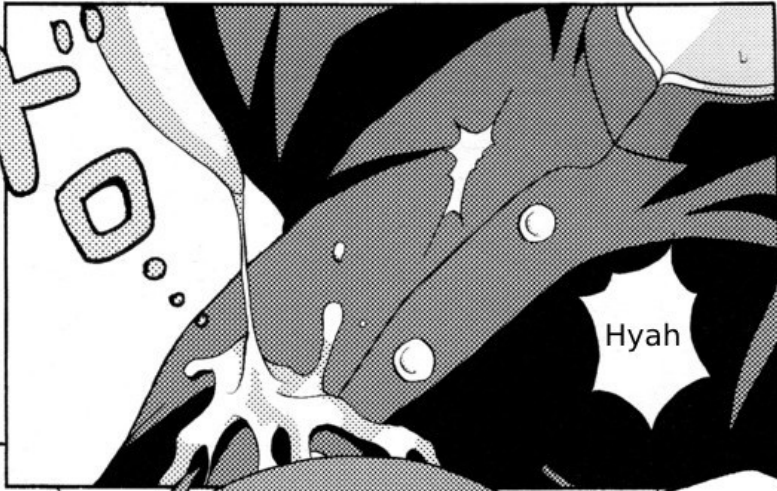

It's ok, Kitahara,

Most likely something will work out.

We're useless, so it's fine to be carefree and watch.

SFX: viscous

SFX: curling

SFX: viscous

SFX: startle

Uwah

Stop!

Wai-

Somehow, his semen held our only means to defeat the monsters.

The messiah I didn't believe in, did exist.

He became a hero who fights everyday to protect boys.

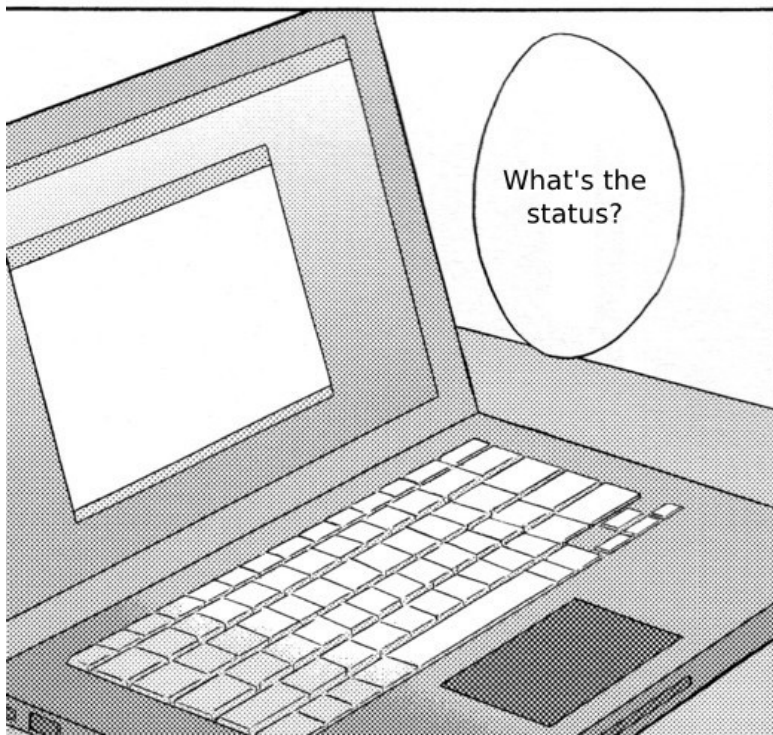

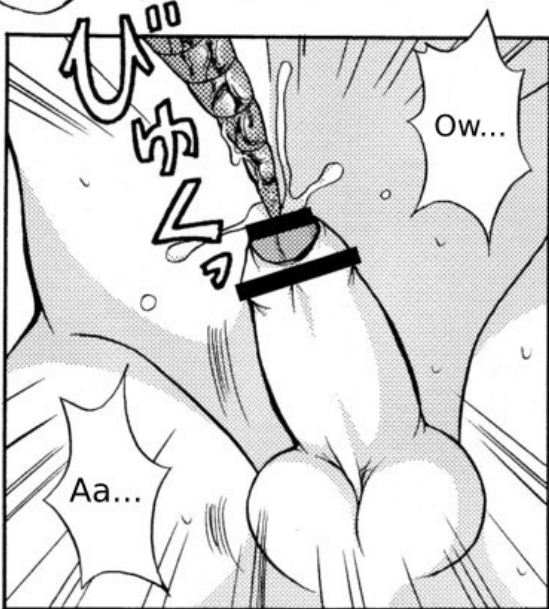

Afterward, You-kun was forced to join the HTA. (Simply put, it's like a military that defends Earth.)

His ability is called, when needed,

"Semen Shooting"

That point is settled, so...

Are fine with most boys' "semen".

Those monsters,

Which prefer "boys"

.....

The nature of You-kun's semen hasn't become clear yet from investigation.

Yawn

Decreasing my sleeping hours will shorten my lifespan y'know.

Even though that area, Ossan, includes numerous men,

Extra-vagant talk isn't it.

Yawn
Don't say such brutal things so much, Kitahara

Your life alone is a small price to pay.

For the sake of peace,

That isn't really the problem, huh...

Wow, it's amphibious. gross...

Yes sir, I'm alright!

Ah,

Nii-yama.

Are you really alright?

huh?

So that's the enemy...

Are you worried about me?

I'm all good!

I'm a little scared though...

That's natural.

But if you try hard today...

ホンボン

I'll absolutely destroy that monster!

Y... Yes, Sir! ♡

Kitahara-san ♡

Uh, umm

If you get it, quick, go!

I don't really get it, but have fun!

Well... hahaha

It's coming this way...

...That's a bit carefree, isn't it.

I...

ゴクゴク

SFX: swallow

I won't lose!

It's...

It's a fight! You damned monster!

Hmm

So it's Niiyama You...

Ku ku ku ku ku ku
♥

As easy as twisting a baby's hand,

I'll absolutely crush him instantly with my masturbation

TL Notes:

Hello! Yes it's me, again, same guy who translated "Kamikirimushi". This one has tentacle monster rape; and lovey-dovey sex between a hero and his commanding officer. lol. Anyway, in case you don't get page 38, basically Kitahara's given name is Seiichirou, and Niiyama's given name is You. Maybe I should have transliterated it as Yoh. Oh well.

I was trying to get his done by the end of April, but it got pushed up to night of May 1. I wonder if I should translate the next part next, or something by a different circle?
